

**Art. 15 Right to access by the data subject (73.5%), Art. 17 Right to erasure (right to be forgotten) (90.4%), Data Controller (97.9%), Legal Basis (73.1%), Non-Personal Data (88.1%), Personal Data (82.4%), Processing (98.8%), Required Purpose (82.0%):**

TERMS OF USE AND PRIVACY POLICY VIALSOFT APPS S.L (hereinafter, "VIALSOFT"), Spanish company with CIF B09942806 and domiciled for tax purposes at Calle Valparaiso No2, 3a Planta, Oficina 1, 28944, Fuenlabrada, Madrid, is the owner of this application (hereinafter, "the application"). This application has been designed for practising driving school tests with the aim of preparing students for obtaining the driving licence or licences offered through the application.

**Legal Basis (89.9%), Personal Data (94.2%), Recipient (61.0%):**

INTELLECTUAL PROPERTY The application and all its contents, including but not limited to texts, photographs, graphics, audio and video material, software, logos, titles, characters, names and icons are the property of VIALSOFT or, where appropriate, of its licensees.

**Data Controller (78.9%), Processing (96.3%), Technical Measure (73.5%):**

The total or partial copying and reproduction of the contents are strictly prohibited, as is the processing of inverse engineering using any of the contents used by the application.

**Data Controller (94.6%), Data Subject (82.8%), Personal Data (71.1%):**

PRIVACY POLICY At VIALSOFT we care about your privacy.

**Processing (98.2%):**

This privacy policy aims to help you to understand what information we gather, why we gather and how you can manage your information.

**Data Source (70.2%), Personal Data (99.6%):**

In this Privacy Policy, the term "personal information" refers to the information you provide to us that personally identifies you, such as your name, device identifier, email address or your location.

**Non-Personal Data (97.8%):**

Information on the use of the Application When installing the application on your device, the application gathers ANONYMOUS information regarding its use and information of the device on which it is installed.

**Non-Personal Data (98.2%), Personal Data (97.9%):**

For example, frequency of use of the application, usage time, type and model of the device, unique identifiers, language, version of the operating system, use of the battery and IP address.

**Data Controller (88.7%), Non-Personal Data (88.0%):**

We also gather ANONYMOUS information regarding fault reports and performance.

**Processing (97.7%), Required Purpose (99.2%):**

All the information gathered is used to maintain and improve the quality of the service provided.

**Required Purpose (96.3%):**

Thanks to this information, VIALSOFT can offer a customised service, make improvements to the application and resolve operating errors.

**Art. 16 Right to rectification (65.0%), Required Purpose (98.2%):**

We also use your information to communicate with you by sending messages containing information relating to updates, promotions or new related to the application.

**Legal Basis (65.2%), Personal Data (76.0%), Processing (98.2%), Third Party (96.8%):**

Under no circumstance will we sell the data gathered, neither will we share it with third parties, unless required by law.

**Processing (90.8%), Required Purpose (85.3%), Technical Measure (99.1%):**

VIALSOFT uses the following third-party software for gathering usage information: Services provided by Google Inc.: Google Analytics for Firebase: We use Google Analytics to gather information on the use of the application.

**Technical Measure (84.6%):**

Google Analytics may share data with other tools provided by Firebase, such as Crash Reporting, Authentication, Remote Config or Cloud Messaging.

**Required Purpose (93.0%):**

Firebase Remote Config: We use Firebase Remote Config for performing A/B tests and validating or purchasing the results relating to changes or improvements applied to different application user populations.

**Non-Personal Data (87.0%):**

We can obtain statistics on how the users interact with our notifications (For example, the number of messages opened or conversion events associated to a particular message).

**Required Purpose (69.6%), Technical Measure (97.6%):**

For further information, please check the Google privacy policy: <http://www.google.com/policies/privacy> Services provided by other companies: Facebook Analytics: We use Facebook Analytics for monitoring and analysing the marketing channels related to Facebook.

**Required Purpose (63.9%):**

This way, we can obtain better results when launching marketing campaigns aimed at obtaining new downloads of the application.

**Required Purpose (95.0%):**

This also helps us to understand how the users use the application.

**Personal Data (94.6%), Required Purpose (98.3%):**

For further information, please check the Facebook privacy policy: <https://www.facebook.com/about/privacy> Information you share with us Information that you voluntarily share with us, such as your email address, age, gender, user name or any information about your profile that we can use to offer you a more personalized experience.

**Required Purpose (99.8%):**

We use your data to send you news, statistics and additional information related to our services.

**Required Purpose (98.9%):**

We may also use the email address you have given us (subject to the provisions of current law) to send you promotions and marketing campaigns.

**Personal Data (95.4%):**

We will not share your contact information with any third parties.

**Required Purpose (98.7%):**

ADVERTS The application may use publicity to provide the service free of charge.

**Automated Decision Making (87.2%), Third Party (79.0%):**

When using the application, your device automatically sends certain information to our advertising partners.

**Non-Personal Data (91.7%):**

This information includes, for example, the name of the application, the type of device and the advertising ID.

**Personal Data (99.8%), Required Purpose (91.5%):**

The application and our associates may compile and process personal data such as the identifier of your device, location data and other demographic or relevant information in order to offer you customised adverts.

**Consent (71.5%), Scale EU (87.4%):**

If you are a user located within the European Union, you may chose between using the application with customised adverts or non-customised adverts by accessing the "Privacy" option in the application setting.

**Processing (93.3%):**

If you do not wish to receive any more notifications, please click on the corresponding link in the email messages or write to us at [dpd@iteration-mobile.com](mailto:dpd@iteration-mobile.com).

**Technical Measure (96.9%):**

**COOKIES AND SIMILAR TECHNOLOGIES** The application may use cookies and similar technologies.

**Organisational Measure (75.5%):**

The user may choose to configure his/her web browser to reject cookies or to warn the user when cookies are sent.

**Legal Basis (72.4%), Organisational Measure (87.4%):**

**COMPLIANCE WITH REGULATORS** **GDPR European Union Requirements** We regularly review our privacy policy and we ensure that the processing of your information meets said policy.

**Legal Basis (82.7%):**

The GDPR is the new EU regulation for protecting the privacy of its citizens.

**Processing (67.5%), Right (88.9%):**

As a user of the application, you have certain rights regarding how "personal information" is processed.

**Right (75.2%):**

These rights are described below: **Right to be informed:** You have the right to know how your data are processed.

**Art. 15 Right to access by the data subject (75.3%):**

**Right to access:** You have the right to access and request a copy of your data which have been gathered.

**Art. 16 Right to rectification (83.8%):**

**Right to rectification:** You have the right to modify and update your personal data when incorrect data are being used.

**Art. 17 Right to erasure (right to be forgotten) (76.6%):**

**Right to removal:** You have the right to delete all personal data that have been gathered.

**Art. 18 Right to restriction of processing (72.8%):**

**Right to restriction:** You have the right to prevent a company from processing certain types of personal data.

**Processing (76.6%):**

**Right to portability of the data:** You have the right to access your personal data and transfer them to other data controllers.

**Right (71.9%):**

**Right to oppose:** You have the right to withdraw your consent to the processing of your data for public interest, marketing or research.

**Automated Decision Making (75.9%):**

Right to reject automatic decisions: You have the right to oppose your data from being processed by automatic systems.

**Legal Basis (82.0%):**

LIABILITY EXEMPTION Without prejudice of the legal obligations arising from the application of the Spanish and European regulations, this application is provided without any kind of express or implicit guarantee regarding its quality, reliability, compatibility, security, performance, purpose, precision or accurateness and non-breach of the rights or legal compliances that may arise for its use regardless of the reason causing the same.
