Privacy Policy Contact Us EN Sign In Logos Privacy Policy Revised 5/8/2025 At Logos, we have a few fundamental principles surrounding privacy and the sharing of personal information: When you use our products and services, youre trusting us with your information and we have a responsibility to use and manage it appropriately.

Data Controller (99.3%), Organisational Measure (77.0%), Personal Data (99.5%), Processing (99.3%), Required Purpose (66.4%):

We aim for full transparency on how we gather, use, and share your personal information.

Legitimate Interest (92.3%), Processing (99.7%), Third Party (69.7%):

We are thoughtful about what personal information we ask you to provide and that we collect about you through the operation of our products and services.

Legitimate Interest (81.7%), Non-Personal Data (80.4%):

We only collect personal information when we have a legitimate business reason to do so.

Processing (99.3%), Retention (85.1%):

We store personal information for only as long as you allow us, or we are obligated to keep it.

Processing (98.6%):

We make it easy for you to control what personal information is shared or kept private.

Consent (60.7%), Third Party (87.3%):

At times Logos may make your personal information available to strategic partners.

Organisational Measure (89.6%), Third Party (76.8%):

We share information about you with trusted partners who maintain appropriate safeguards on your privacy.

Required Purpose (99.2%), Technical Measure (96.5%):

At Logos, we use technology to equip the Church to grow in the light of the Bible.

Art. 21 Right to object (62.7%), Data Controller (77.5%), Required Purpose (99.3%):

Our team is always creating new products and services to deepen your faith and help you, and the Church, grow.

Processing (97.7%):

Our products and services are used by individuals and Communities (defined below) around the world.

Consent (88.5%), Data Controller (87.5%), Personal Data (85.8%), Required Purpose (93.0%), Third Party (99.0%):

This Privacy Policy applies to information that we collect about you when you use Logos Services, which include, but are not limited to: Our websites, including, but not limited to: logos.com, community.logos.com, verbum.com, lexhampress.com, biblia.com, beaconadnetwork.com, faithlifetv.com, and faithlife.com; Services provided by any of our subsidiaries; Our mobile applications for iOS, Android, and Kindle, like: Logos Bible Study Tools, Biblia!, Verbum Catholic Bible Study, Faithlife, Bible Screen, Faithlife TV, Proclaim Remote, Greek and Hebrew Flashcards, Faithlife Study Bible, and Faithlife Ebooks; Our products and services that are available online, like: app.logos.com, app.verbum.com, app.courses.faithlife.com; Our products and services that are available as desktop clients, like: Logos Bible Software, Verbum Bible Software, Wordsearch and Proclaim; Our products that are integrated into third party apps and sites, like ads and Reftagger; and Other users websites and Faithlife Groups, like church groups, that are built using our products and services, while you are logged in to your Logos account.

Consent (94.8%), Processing (86.3%):

Below we explain how we collect, use, and share information about you, along with the choices that you have with respect to that information.

Processing (69.0%), Required Purpose (90.0%), Third Party (98.8%):

Please note Logos Services (defined below) may be used by Third Parties and/or Communities and their authorized Users (defined below) to deliver Community Services (defined below) which may collect information about their Community members.

Processing (99.5%):

This information is collected at the direction of those authorized Users and we may have no direct relationship with its Community members, the individuals whose personal information we process.

Personal Data (99.2%), Processing (64.4%), Required Purpose (68.1%), Third Party (96.6%):

When you interact within a specific Third Party or Community, you should refer to that Third Party or Community's privacy policy for information on how your personal data is collected, used, and protected.

Required Purpose (83.0%):

Users are people who: establish a Logos account for connecting and transacting with Logos as an individual consumer of Logos Services.

Personal Data (94.9%), Processing (96.9%), Required Purpose (94.4%):

(examples: to purchase and use Logos Bible Software, watch Faithlife TV, or a Mobile Ed course)

access any Logos Services pursuant to a license granted to a Community (examples: a church administrator who creates a church group on Faithlife); establish a Logos account or use Logos Services as a guest for the purpose of connecting and transacting with their Community or accessing Community Services or resources.

Required Purpose (93.3%):

(examples: websites, church groups, presentations) Information We Collect We collect information about you to provide Logos Services, to communicate with you, and to make Logos Services better - from figuring out basic stuff like which language you speak, or what church you attend, to more complex things like where you need to begin reading when you return to a book, which product recommendations or ads you will find useful, or what search results we should prioritize for you.

Required Purpose (93.0%):

This helps us do things like improve Logos Services for new users.

Consent (77.9%), Data Source (95.9%), Data Subject (69.8%), Processing (90.0%):

Information You Provide to Us We collect and retain information that you provide to us directly.

Required Purpose (94.2%):

Here are some examples: Logos Information: We ask for basic information from you in order to set up your account.

Personal Data (99.1%):

For example, we require individuals who sign up for a Logos account to provide an email address, name, and password.

Non-Personal Data (67.8%), Personal Data (91.8%), Required Purpose (86.4%):

You may provide us with more information, like your phone number or your job title, but we don't require that information to create a Logos account.

Personal Data (98.4%):

You can build a more complete profile by sharing more information like interests, age, and denominational affiliation.

Personal Data (96.4%), Required Purpose (90.2%):

We use profile information to create more personalized experiences when you use Faithlife Services.

Consent (95.4%), Third Party (87.1%):

You can choose to share your profile information broadly, with other members of Faithlife Groups you have joined, or with no-one else.

Personal Data (99.2%), Required Purpose (82.6%):

Transaction and Billing Information: If you transact with us by trialing or subscribing to a Service or buying something you will provide additional personal and payment information that is required to process the transaction and your payment, such as your name, credit card information, billing address, church affiliation, and contact information.

Personal Data (99.3%):

For example, if you share Logos notes, or create a web page that includes biographic information about you, we will have that information, and so will anyone with access to the Internet if you choose to publish the post or publish the content publicly.

Required Purpose (70.7%):

Credentials: Depending on the Logos Services you use, you may provide us with credentials for third-party products and services required for your Logos Services to function, like a SendGrid email account.

Third Party (97.2%):

Information You Provide to your Community Some of Logos Services require that we act as a data processor for a church or other third party.

Processing (85.8%):

You control what Faithlife information is accessed and who can access it in your Faithlife Profile Settings.

Personal Data (97.9%), Processing (79.5%):

(examples: If a church uses Faithlife Sites you may be able to share a mobile phone number to be texted directions to that church.

Non-Personal Data (96.8%), Personal Data (96.3%), Processing (97.8%), Third Party (88.7%):

If a church uses Faithlife Giving and you made a donation, your donation information would be collected and processed by Faithlife and shared with the church.) Information We Collect Automatically We also collect some information automatically: Log Information: Like most online service providers, we collect information that web browsers, mobile devices, and servers typically make available, such as the browser type, IP address, unique identifiers, language preference, referring site, the date and time of access, operating system, and mobile network information.

Non-Personal Data (60.8%), Personal Data (95.3%):

When you're not signed in to a Logos account, we store the information we collect with unique identifiers tied to the browser, application, or device you're using.

Required Purpose (91.5%):

For example, we collect information about what software features you access and use, we collect

information about what resources you access, and we collect information on how you use those resources.

Personal Data (90.2%):

Resources include things like books or journals you read or reference, videos you watch, and courses you take.

Data Subject (90.1%), Processing (71.3%):

As another example, we track information such as visitors, membership, pageviews, click events, and transactions.

Non-Personal Data (96.2%):

We also collect information about what happens when you use Logos Services (e.g., results of support document searches at support.faithlife.com, features enabled for your website, interactions with our Admin Menu and other parts of Logos Services) along with information about your device (e.g., screen size, name of cellular network, and mobile device manufacturer).

Non-Personal Data (69.9%), Processing (93.9%), Required Purpose (95.8%), Technical Measure (90.1%):

We use Google Analytics, Amplitude, and other third-party services to collect detailed information about website behavior and events like who clicked or didn't click on links, paths users take when using Logos Services, wishlist interactions, cart abandonment, and transactions.

Required Purpose (99.0%):

We use this information, for example, to provide Logos Services to you, to learn how people use Logos Services, to learn how users respond to specific features and content, and to identify problems and opportunities, all so we can make Logos Services better and grow our business.

Personal Data (82.9%), Processing (77.7%):

Location Information: We may determine the approximate location of your device from your IP address.

Required Purpose (86.9%):

We collect information about the actions that Faithlife Site and Faithlife Group administrators and users perform on a site, for example; who did what, when, and to what thing on a site (e.g., [yourchurch.com username] deleted [content] at [time/date]).

Required Purpose (95.3%):

We collect and use this information to, for example, calculate how many people use Logos Services and Community Services from certain geographic regions.

Consent (75.3%), Data Source (73.3%), Personal Data (88.2%):

We may also collect information about your precise location via our mobile apps if you allow us to do so through your mobile device operating systems permissions.

Required Purpose (96.5%):

We collect and use this information to create more personalized experiences like Proclaim Signals or invitations to join the church group of a church you are attending.

Data Source (61.3%), Processing (98.7%):

Stored Information: We may access information stored on your mobile device via our mobile app.

Consent (64.5%), Personal Data (97.1%):

For example, if you give us permission to access the photographs and videos on your mobile devices camera roll, Logos Services may access the videos stored on your device when you upload a video of your church choirs closing hymn each Sunday.

Processing (98.7%), Technical Measure (78.6%):

Information from Cookies & Other Technologies: A cookie is a string of information that a website stores on a visitors computer, and that the visitors browser provides to the website each time the visitor returns.

Technical Measure (99.3%):

Pixel tags (also called web beacons) are small blocks of code placed on websites and emails.

Processing (78.8%), Required Purpose (99.2%), Technical Measure (99.0%):

Logos uses cookies and other technologies like pixel tags to help us identify and track visitors, usage, and access preferences for Logos Services, to perform web page testing, collect physical and email addresses, as well as track and understand email campaign effectiveness and to deliver targeted ads via email and direct mail.

Required Purpose (67.7%):

For more information about our use of cookies and other technologies for tracking, including how you can control the use of cookies, please see our Cookie Policy.

Data Subject (81.9%), Personal Data (91.8%), Third Party (94.3%):

Information We Collect from Other Sources We may also get personal and demographic information from third parties about individuals who may or may not yet be our users.

Processing (88.5%), Third Party (88.8%):

We get this information from companies that collect and aggregate data, from partners authorized to share this data like church associations, and from publicly available sources like public website content.

Personal Data (97.3%):

This may include information about religious affiliation or your role in the church.

Required Purpose (88.6%), Retention (75.1%):

We may link this information to existing Logos Accounts and use it, for example, for marketing and advertising purposes or to conduct market research.

Personal Data (65.4%), Processing (73.3%), Required Purpose (97.8%), Retention (74.4%):

How And Why We Use Information Purposes for Using Information We use information about you as mentioned above and for the purposes listed below: To provide Logos Services for example, to set up and maintain your account, provide access to your Logos library, provide access to your presentation content and sermons, host your website or group, and restore your website, or charge you for any of our paid Logos Services; To further develop and improve Logos Services for example by adding new Logos Services or features that we think our users will find valuable or will help them to grow or and manage their Community more effectively; To monitor and analyze trends and better understand how users interact with Logos Services, which helps us improve Logos Services and make them easier to use; To measure, gauge, and improve the effectiveness of our advertising, and better understand user retention and attrition--for example, we may analyze how many individuals purchased a plan after receiving a marketing message or the features used by those who continue to use Logos Services after a certain length of time; To create a user profile that allows us to better serve you with relevant content, product recommendations, and ads.

Required Purpose (99.2%), Right (93.4%):

To monitor and prevent any problems with Logos Services, protect the security of Logos Services, detect and prevent fraudulent transactions and other illegal activities, fight spam, and protect the rights and property of Logos and Logos Users, which may result in us declining a transaction or the use of Logos Services; To communicate with you, for example through an email, about offers and promotions from Logos or others we think will be of interest to you, solicit your feedback, or keep you up to date on Logos Services and your Logos Account; and To personalize your experience when using Logos Services, provide content recommendations, target our marketing messages to groups of our users (for example, those who identify with a specific Christian tradition or have been our user for a certain length of time), and serve relevant advertisements.

Consent (83.8%), Legitimate Interest (88.0%), Required Purpose (96.4%):

Legal Basis for Collecting and Using Information Our use of your information is based on the grounds that: (1) The use is necessary in order to fulfill our commitments to you under our Terms of Service or other agreements with you or is necessary to administer your account--for example, in order to enable access to Logos Services on your device or charge you for a paid plan; or (2) The

use is necessary for compliance with a legal obligation; or (3) The use is necessary in order to protect your vital interests or those of another person; or (4) We have a legitimate interest in using your information--for example, to provide and update Logos Services, to improve Logos Services so that we can offer you an even better user experience, to safeguard Logos Services, to communicate with you, to measure, gauge, and improve the effectiveness of our advertising or other communications, and better understand user retention and attrition, to monitor and prevent any problems with Logos Services, and to personalize your experience; or (5) You have given us your consent--for example before we place certain cookies on your device and access and analyze them later on, as described in our Cookie Policy.

Processing (91.6%):

Subsidiaries: We may exchange information about you with our subsidiaries.

Processing (98.8%), Recipient (85.7%), Required Purpose (91.0%):

Employees, and Independent Contractors: We may disclose information about you to our employees, and individuals who are our independent contractors that need to know the information in order to help us provide Logos Services or to process the information on our behalf.

Required Purpose (98.8%), Third Party (66.7%):

Third Party Vendors: We may share information about you with third party vendors who need to know information about you in order to provide their services to us, or to provide their services to you or your site.

Personal Data (92.8%), Required Purpose (92.5%):

This group includes vendors that help us provide Logos Services to you (like Content owners whose Content you have licensed for use with Logos services, payment providers that process your credit and debit card information, fraud prevention services that allow us to analyze fraudulent payment transactions, postal and email delivery services that help us stay in touch with you, customer chat and email support services that help us communicate with you, registrars, registries, and data escrow services that allow us to provide domain registration services, those that assist us with our marketing efforts (e.g.

Processing (62.7%), Required Purpose (88.7%):

by providing tools for identifying a specific marketing target group or improving our marketing campaigns), and those that help us understand and enhance Logos Services (like analytics providers), who may need information about you in order to, for example, provide technical or other support services to you.

Authority (83.9%), Legal Basis (82.5%), Organisational Measure (69.7%):

Legal Requests: We may disclose information about you in response to a subpoena, court order, or other lawful governmental request.

Personal Data (74.2%), Processing (96.2%), Third Party (65.0%):

Business Transfers: In the event of a merger, sale of company assets, or acquisition of all or a portion of our business by another company, or in the unlikely event that Faithlife goes out of business or enters bankruptcy, user information would likely be one of the assets that is transferred or acquired by a third party.

Consent (86.0%), Required Purpose (67.2%):

Communications With Us: You may also provide us information when you respond to surveys, communicate with our Sales staff about your interests or orders, communicate with Customer Success or Customer Service staff about a support question, or post a question on our public forums.

Consent (90.9%):

With Your Consent: We may share and disclose information with your consent or at your direction.

Required Purpose (81.2%):

Aggregated or De-Identified Information: We may share information that has been aggregated or reasonably de-identified, so that the information could not reasonably be used to identify you.

Non-Personal Data (83.6%), Personal Data (84.8%), Required Purpose (99.2%):

For instance, we may publish aggregate statistics about the use of Logos Services and we may share a hashed version of your email address to facilitate customized ad campaigns on other platforms.

Processing (82.5%):

Information Shared Publicly Information that you choose to make available to everyone is disclosed publicly.

Third Party (73.3%):

That means, of course, that elements of your Logos Profile, posts, content that you make public from within Logos, Faithlife Sites content, etc, may be available to others.

Processing (95.6%), Third Party (99.0%):

Public information may also be indexed by search engines or used by third parties.

Legal Basis (83.2%), Retention (97.3%):

How Long We Keep Information We cultivate long term relationships with our users, and we keep information about you until (if applicable) you ask us to delete it, or we no longer need the information for the purposes for which we collect and use it -- which are described in the section

above on How and Why We Use Information--and we are not legally required to continue to keep it.

Retention (77.4%):

When you're signed in, we also collect information that we store with your Logos account, which we treat as personal information.

Retention (87.3%):

You should expect us to retain personal information associated with your Logos Account indefinitely, but things like email interaction behavior or usage logs for shorter periods of time, ranging from 30 days to 450 days.

Personal Data (96.6%):

Limit the Information that You Provide: If you have an account with us, you can choose not to provide the optional account information, profile information, and transaction and billing information.

Personal Data (72.9%):

Limit Access to Information On Your Mobile Device: Your mobile device operating system should provide you with the ability to discontinue our ability to collect stored information or location information via our mobile apps.

Consent (90.0%):

Opt-Out of Electronic Communications: You may opt out of receiving promotional messages from us.

Technical Measure (88.8%):

However, you can usually choose to set your browser to remove or reject browser cookies before using Logoss websites and Services, with the drawback that certain features of Logoss websites and Services may not function properly without the aid of cookies.

Legitimate Interest (83.0%), Required Purpose (70.9%):

Please keep in mind that we may continue to retain your information after closing your account, as described in How Long We Keep Information above--for example, when that information is reasonably needed to comply with (or demonstrate our compliance with) legal obligations such as law enforcement requests, or reasonably needed for our legitimate business interests like maintaining accounting records.

Legal Basis (97.2%), Processing (98.5%):

Your Rights Under the GDPR If you are located in certain countries, including those that fall under the scope of the European General Data Protection Regulation (AKA the GDPR), data protection laws give you rights with respect to your personal data, subject to any exemptions provided by the law, including the rights to: Request access to your personal data; Request correction or deletion of

your personal data; Object to our use and processing of your personal data; Request that we limit our use and processing of your personal data; and Request portability of your personal data.

Lodge Complaint (78.7%):

If Logos is unable to support or respect your rights, individuals covered by GDPR laws have the right to make a complaint to a government supervisory authority.

Scale EU (76.9%):

Logos Attn: Customer Service 315 Prospect St #759 Bellingham, WA 98225 By Phone: +1 (360) 527-1700 By Email: cs@logos.com Transferring Information Because Logos Services are offered worldwide, the information about you that we process when you use Faithlife Services in the EU may be used, stored, and/or accessed by individuals operating outside the European Economic Area (EEA) who work for us, other members of our group of companies, or third party data processors.

Legal Basis (97.7%), Organisational Measure (74.7%), Scale Non-EU (84.4%):

When providing information about you to entities outside the EEA, we will take appropriate measures to ensure that the recipient protects your personal information adequately in accordance with this Privacy Policy as required by applicable law.

Contract (66.6%), Scale Non-EU (66.4%):

These measures include: In the case of US based entities, entering into European Commission approved standard contractual arrangements with them, or ensuring they have signed up to the EU-US Privacy Shield; or In the case of entities based in other countries outside the EEA, entering into European Commission approved standard contractual arrangements with them.

Third Party (96.1%):

Ads and Analytics Services Provided by Others Ads appearing on any of Logos Services may be delivered by advertising networks.

Third Party (96.5%):

Other parties may also provide analytics services via Logos Services.

Required Purpose (83.9%), Technical Measure (98.9%), Third Party (82.7%):

These ad networks and analytics providers may set tracking technologies (like cookies) to collect information about your use of Logos Services and across other websites and online services.

Processing (69.6%):

The information we collect, and how that information is used, depends on how you use Logos Services and how you manage your privacy settings.

Required Purpose (82.6%):

These technologies allow these third parties to recognize your device to compile information about you or others who use your device.

Required Purpose (94.5%):

This information allows us and other companies to, among other things, analyze and track usage, determine the popularity of certain content, and deliver advertisements that may be more targeted to your interests.

Contract (84.6%), Required Purpose (85.5%):

Visitors to Our Users Websites and Groups We also process information about visitors on behalf of, and in accordance with our User agreements, to our Users who use Logos Services to deliver Community Services like Faithlife Sites websites, Faithlife Groups and Faithlife Church Management Services.

Data Subject (79.4%):

Community means faith-based organizations, educational institutions, nonprofit entities, and any other organization that licenses any Logos Service for use by the Community or its Users.

Processing (99.2%):

Please note this Privacy Policy only covers the collection of information by Logos and does not cover the collection of information by any third party advertisers or analytics providers.

Organisational Measure (75.4%):

Logos encourages visitors to frequently check this page for any changes to its Privacy Policy.

Organisational Measure (75.0%):

Logos and its subsidiaries adhere to this Privacy Policy.

Organisational Measure (82.0%):

If we make changes, we will update the revision date at the top of the document and, in some cases, we may send you a notification through email or Logos Services.
