Storm8 Notice of Privacy Toggle navigation About Careers Games News Contact Notice of Privacy
NOTICE OF UPDATE TO PRIVACY POLICY If you are an EU resident, the following Privacy Statement (<http://www.storm8.com/notice-of-privacy-eu/>) applies instead of the Privacy Policy below.

Art. 17 Right to erasure (right to be forgotten) (60.3%), Data Controller (95.0%), Legitimate Interest (61.6%), Organisational Measure (70.8%), Personal Data (97.7%), Processing (99.5%), Required Purpose (94.9%):

In order to provide better service to our users and to increase the level of transparency around our privacy practices, we have made some updates to our policy including changes describing what data are collected through the use of our applications.

Art. 17 Right to erasure (right to be forgotten) (62.1%), Data Controller (96.6%), Legal Basis (72.5%), Personal Data (99.8%), Processing (99.3%), Required Purpose (86.8%), Technical Measure (62.7%):

Notice: Storm8, LLC, its subsidiaries and affiliated companies (Storm8 or We) provide this Privacy Policy to inform you of our policies and procedures regarding the collection, use and disclosure of personal information from users of (i) the website located at <http://www.storm8.com> (the Site), including any services, features and content accessible or downloadable from the Site, and (ii) any other Storm8 application, service or product licensed, downloaded or otherwise accessed by such users that refers or links to this Privacy Policy ((i) and (ii) collectively, the Service).

Organisational Measure (73.9%), Right (95.6%):

Changes to the Privacy Policy: Storm8 reserves the right, in its sole discretion, to change or modify this Privacy Policy at any time by posting the changed or modified version of the Privacy Policy on the Site.

Consent (98.7%), Legal Basis (87.6%), Organisational Measure (96.0%):

If we make material changes to the statement, we will provide notice or obtain consent regarding such changes as may be required by law.

Legal Basis (99.2%), Organisational Measure (89.7%):

Any such changes or modifications will be effective immediately upon posting, subject to applicable law.

Organisational Measure (61.3%):

If we make any changes to this Privacy Policy, we will change the Last Revised date above.

Personal Data (75.2%), Processing (99.2%), Required Purpose (97.1%):

INFORMATION WE COLLECT: Our primary goals in collecting and using personal information are to provide and improve the Service, to administer and assist you in administering your account on the Service, and to provide you with a better experience with the Service.

Consent (91.5%), Legal Basis (82.7%):

The information we collect depends on how you interact with us, the products you use, and the choices you make.

Automated Decision Making (96.1%), Data Source (63.2%), Processing (96.1%), Third Party (74.7%):

We collect personal information about you from different sources and in various ways when you use our products, including information you provide directly, information collected automatically, third-party data sources, and data we infer or generate from this and other data.

Data Source (75.2%), Non-Personal Data (66.5%), Personal Data (99.8%):

For example: Contact information: Application contact information: Username Forum contact information: Username, email Support page contact information: Name, email, phone Demographic data: Forum demographic data: Location, interests, occupation, favorite game Support page demographic data Content and files: We collect photos, comments, messages, or files you input and upload to the forum or support pages of our Service.

Processing (81.8%):

If you send communications to us, we may record and store archives of these communications.

Personal Data (96.1%):

Application content and files: Comments you make on other users walls Forum content and files: (a) Posts you make in our player forums and message boards, (b) comments you post to other users profiles, (c) private messages or invitations you send to other users, or (d) photos you post on the forum Support content and files: Issue description, profile photo, supporting attachments Information collected automatically.

Consent (97.6%), Non-Personal Data (98.4%), Organisational Measure (90.3%), Personal Data (97.6%), Retention (67.2%):

For example: Identifiers and device information: When you use our games, we collect mobile IDs, other unique device IDs, your device type, operating system and version, and the Internet Protocol (IP) address, location, and time zone of your machine.

Personal Data (93.4%), Processing (91.3%), Required Purpose (98.9%):

In addition, we create a unique user ID to track your use of our applications.

Data Subject (61.9%), Personal Data (77.5%), Processing (99.1%), Required Purpose (94.6%):

This unique user ID is stored in connection with your Account profile information to enable us to move Your Information to a new device at your request.

Processing (92.8%), Required Purpose (87.7%):

This unique user ID may be used to link a character with which you play our games to your username on the Forums.

Non-Personal Data (97.4%), Personal Data (95.6%), Technical Measure (92.9%):

When you use our Site, we also collect cookie identifiers, carrier or internet service provider, the time, date, and URL of the request, information about the browser being used, and other information regarding the visit, such as language and other operating system information.

Automated Decision Making (65.0%), Non-Personal Data (73.5%):

Usage information: Our apps and connected products automatically send us usage information.

Non-Personal Data (94.8%):

For example, when you play our games, we collect information about your play and interaction with other users of the game, whether you are using a point package, the pages visited on the game, access times, the time spent on each page, and any advertisements clicked.

Non-Personal Data (87.6%), Processing (87.8%):

When you use our Site, our web servers automatically log your activity on our Site and the website from which you came to our Site and any search terms used.

Automated Decision Making (85.4%), Required Purpose (68.4%):

New information may be inferred from other data we and others collect, including through using automated means to generate information about your likely preferences or other characteristics.

Third Party (98.4%):

We may also obtain all categories of personal information described above from third parties including, for example: Third-party partners.

Consent (95.9%), Third Party (75.4%):

Third-party applications and services, including social networks, such as Facebook, you choose to connect with or interact with through our services, that make personal information available to others.

Personal Data (97.1%), Required Purpose (83.6%), Technical Measure (98.8%):

COOKIES (CALIFORNIA DO NOT SELL MY INFO): We use cookies, web beacons, mobile analytics, and advertising IDs, and similar technologies to operate our Services and to help collect data, including other identifiers and device information and usage data.

Processing (98.1%):

A cookie is a small text file that we and others transfer to your computers hard drive.

Personal Data (76.0%):

The text in a cookie consists of a string of numbers and letters that uniquely identifies your device, but it can contain other information as well.

Technical Measure (93.6%):

Our Site may use both session cookies and persistent cookies.

Art. 17 Right to erasure (right to be forgotten) (89.1%), Retention (73.2%):

A session cookie enables certain features of the Site and is deleted from your computer when you disconnect from or leave the Site.

Retention (81.4%):

A persistent cookie remains after you close your browser and may be used by your browser on subsequent visits to the Site.

Technical Measure (98.3%):

We and others may collect information using Web beacons.

Consent (80.9%), Technical Measure (87.1%):

Web beacons or gifs, are electronic images that may be used on our Site or in our emails.

Third Party (99.3%):

When your browser opens a webpage that contains a web beacon, it automatically connects to the web server that hosts the image (typically hosted by a third party).

Processing (98.4%):

On our applications, mobile analytics and advertising IDs are generated by operating systems for mobile devices (iOS and Android) and can be accessed and used by apps in much the same way that websites access and use cookies.

Personal Data (94.8%), Third Party (91.1%):

Our apps contain software that enables our third-party analytics and advertising partners to access the mobile IDs.

Personal Data (94.9%):

We, and our analytics and advertising partners, use these and other technologies on our Services to collect personal information (such as the cookies stored on your browser, the advertising identifier on your mobile device, or the IP address of your device) when you use our Services.

Third Party (90.1%):

When your browser or application connects to a third-party analytics or advertising partner, that third

party is able to collect information about your online activities over time and across different websites or online services.

Processing (95.8%), Required Purpose (80.7%), Third Party (90.0%):

We, and our analytics and advertising partners, may feature advertisements served by third party advertising companies which deliver cookies to your computer or device so the advertisements you see can be tracked.

Required Purpose (98.1%):

These advertisers may use information about your visits to our Service in order to provide advertisements about goods and services of interest to you.

Third Party (98.9%):

Third party cookie controls.

Third Party (94.6%):

The third-party advertising and analytics providers we use on our Service include DoubleClick (Google) for advertising and analytics (to learn more see <https://policies.google.com/privacy> and to opt out see association links below), and Google Analytics for analytics (to learn more see [www.google.com/policies/privacy/partners](https://policies.google.com/privacy/partners) and <https://tools.google.com/dlpage/gaoptout> to opt-out visit <https://tools.google.com/dlpage/gaoptout>).

Required Purpose (98.1%):

We also use Vungle in some games for advertising purposes to support the game.

Non-Personal Data (94.9%), Personal Data (99.4%):

Vungle can collect data including but not limited to device type and model, advertising identifiers, installed application information, and device IP addresses.

Organisational Measure (87.8%):

If you prefer, you can go to your browser settings to instruct your web browser to stop accepting or delete cookies.

Organisational Measure (74.1%):

These mobile operating systems provide options to limit advertising tracking and/or reset the advertising ID which will opt you out of personalized advertising on apps on that device.

Technical Measure (94.8%):

Email web beacons.

Personal Data (70.0%), Processing (87.9%), Required Purpose (88.2%):

Note that if you make the choices described above, some personal information may still be collected by our partners to help us perform analytics and advertising-related functions such as, but not

limited to, measuring the effectiveness of our ads, managing how many times you may see an ad, reporting on the performance of our ads, ensuring services are working correctly and securely, providing aggregate statistics and analytics, improving when and where you may see ads and/or reducing ad fraud.

Consent (65.7%):

Additionally, making these choices will not opt you out of the use of previously collected personal information or all interest-based advertising.

Legal Basis (99.4%), Processing (63.5%), Scale Non-EU (71.6%):

California Do Not Sell My Info. The California Consumer Protection Act (CCPA) requires us to disclose categories of personal information sold to third parties and how to opt-out of such sales.

Personal Data (91.3%):

The CCPA defines personal information to include online identifiers, including IP address, cookies IDs, and mobile IDs.

Personal Data (97.7%):

We let advertising and analytics providers collect IP addresses, cookie IDs, mobile IDs through our sites and apps when you use our online services, and they may further sell such information, but we do not sell any other types of personal information.

Required Purpose (74.7%), Technical Measure (85.9%):

If you do not wish for us or our partners to sell or further sell your personal information to third parties for advertising or analytics purposes, you can make your Do Not Sell Request by opting out of third party tracking as described in this Cookie section.

Processing (95.9%), Required Purpose (95.4%):

OUR USE OF PERSONAL INFORMATION: We use the information we collect for purposes described in this privacy statement or otherwise disclosed to you.

Personal Data (85.6%), Required Purpose (95.6%):

For example, we use contact information, demographic data, content and files, identifiers and device information, geolocation data usage data, and inference information for the following purposes:
Product and service delivery.

Required Purpose (94.9%):

To provide and deliver our service, including registering your account, securing, troubleshooting, improving, and personalizing the Service.

Required Purpose (86.2%):

Business operations.

Required Purpose (95.0%):

To operate our business, such as billing, accounting, improving our internal operations, securing our systems, and detecting fraudulent or illegal activity.

Required Purpose (94.3%):

Product improvement, development, and research.

Required Purpose (99.4%):

To improve our products, develop new products or features, and conduct research.

Required Purpose (98.8%):

Personalization.

Required Purpose (99.3%):

To understand you and your preferences to enhance your experience and enjoyment using our products.

Required Purpose (91.6%):

Customer support.

Required Purpose (92.5%):

To provide customer support, respond to your questions, enforce our terms of service, and resolve disputes.

Required Purpose (76.8%):

Communications.

Required Purpose (96.2%):

To send you information, including confirmations, technical notices, updates, security alerts, and support and administrative messages such as your subscriptions to forum threads.

Personal Data (81.4%), Required Purpose (99.6%):

We also use your data to connect you with other users of our Service.

Personal Data (99.0%):

Examples of how we collect and use your personal information include the following: Use of Account: We may collect Your Information, including your email address, in connection with your creation of an Account.

Third Party (74.2%):

Offer Wall: We may display an offer wall in our applications that is hosted by an offer wall provider.

Required Purpose (84.2%):

The offer wall allows third party advertisers to provide virtual currency to users in exchange for interacting with an advertisement or for completing a marketing offer that may include signing up for

an account with one of those advertisers.

Personal Data (74.5%):

These offers may be displayed to you based on certain technical information, such as your geographic area or demographic information and the type of data described in our Cookie section.

Processing (98.4%), Required Purpose (91.7%):

To properly credit user accounts and to prevent fraud, a unique identifier will be shared with the offer wall provider.

Personal Data (97.6%):

Facebook Connect: If you use one of our applications and connect to your Facebook account within such application, you will be providing us with basic account information, i.e., user ID, name, email, gender, profile picture URL and the usernames of your friends who have also connected with our applications.

Data Source (76.9%), Processing (99.1%), Required Purpose (97.1%):

In addition, we will cache data we receive from the Facebook APIs to improve our user experience.

Consent (73.9%), Third Party (80.8%):

Invite a Friend: You may decide to provide us with another party's email address to allow us to contact and invite that party to visit or join the Service or so that Storm8 may facilitate your communication with such other party through methods of communication enabled by the Service (such as when you upload an address book).

Legitimate Interest (80.7%), Processing (96.6%), Third Party (90.4%):

SHARING YOUR PERSONAL INFORMATION: We may share all categories of personal information described above as approved by you or as described below: We may employ third party companies and individuals to process personal information on our behalf.

Required Purpose (82.9%):

These third parties have access to personal information only to perform these tasks on our behalf and for other lawful purposes for which service providers may process personal information.

Legitimate Interest (68.3%), Recipient (77.7%), Required Purpose (83.1%):

We may also provide personal information to our business partners or other trusted entities for the purpose of providing you with information on goods or services we believe will be of interest to you, subject to applicable law.

Legitimate Interest (61.8%), Required Purpose (85.0%):

We may disclose your personal information to other entities within the Stillfront Group for the purpose of marketing group services that we believe would be of interest to you and for applicable

purposes as set out in this privacy notice.

Authority (89.1%), Legitimate Interest (73.4%), Required Purpose (68.5%), Third Party (65.6%):

We will disclose any information about you to government or law enforcement officials or private parties as we, in our sole discretion, believe necessary or appropriate to respond to claims and legal process (including but not limited to subpoenas), to protect the property and rights of Storm8 or any third party, to protect the safety of the public or any person, or to prevent or stop activity we may consider to be, or to pose a risk of being, illegal, unethical or legally actionable.

Personal Data (97.9%), Third Party (75.1%):

Third party analytics and ad tech companies also collect data through our website and apps including, transaction details, account information, marketing and communications data, demographic data, content and files, geolocation data, usage data, and inferences associated with identifiers and device information (such as cookie IDs, device IDs and IP address) as described in our Cookies section.

Non-Personal Data (92.1%):

We may also share aggregate and/or deidentified information about you in accordance with applicable law.

Processing (96.0%):

If you provide information to any of those third parties, or consent to our sharing your personal information with them, that personal information is governed by their privacy statements.

Processing (80.1%):

To display advertising to you (see the Cookies section of this privacy statement for information about personalized advertising and your advertising choices).

Personal Data (91.0%):

We encourage you to consider carefully what information to share as part of your Account profile and elsewhere in the Service, and we recommend that you guard your anonymity and sensitive information and not use your real name as your username, as that may allow other users of the Service to identify you.

Processing (69.6%):

You can review and revise your Account profile information at any time.

Processing (97.0%), Right (77.3%):

CALIFORNIA PRIVACY RIGHTS: If you are a California resident and the processing of personal information about you is subject to the California Consumer Privacy Act (CCPA), you have certain rights with respect to that personal information.

Art. 15 Right to access by the data subject (64.1%), Art. 17 Right to erasure (right to be forgotten) (72.1%):

Right to know and right to delete.

Art. 15 Right to access by the data subject (72.4%):

You have a right to request that we disclose what personal information we collect, use, disclose, and sell about you.

Art. 17 Right to erasure (right to be forgotten) (74.1%), Processing (93.5%):

California residents under the age of 18 who are registered users of online sites, services, or applications have a right to remove, or request and obtain removal of, content or information they have publicly posted (subject to our verification of your identity and a number of exceptions).

Legal Basis (84.3%):

Additionally, under California Civil Code section 1798.83, also known as the Shine the Light law, California residents who have provided personal information to a business with which the individual has established a business relationship for personal, family, or household purposes (California Customers) may request information about whether the business has disclosed personal information to any third parties for the third parties direct marketing purposes.

Consent (88.9%):

We comply with this law by offering our customers a choice about the disclosure of personal information to third parties for their direct marketing purposes, and you can make or change such choice by contacting support.storm8.com or by electing to make your personal information available to third parties by selecting or unselecting to opt-in in various places on the Service.

Organisational Measure (93.8%):

SECURITY: Storm8 takes reasonable measures to help protect your information from unauthorized access or against loss, misuse or alteration by third parties.

Third Party (86.5%):

The law also defines a sale to include simply making data available to third parties.

Processing (94.3%):

We cannot guarantee the absolute security of that information during its transmission or its storage on our systems.

Processing (68.3%):

In particular, we cannot guarantee that our security measures will prevent third-party hackers from illegally obtaining access to this information.

Personal Data (92.6%):

To help us protect personal information, we request that you use a strong password and never share your password with anyone or use the same password with other sites or accounts.

Processing (99.6%), Scale Non-EU (89.9%):

INTERNATIONAL USERS: If you are located outside the United States and choose to provide information to us, Storm8 transfers your information to the United States and processes it there.

Legal Basis (89.7%):

If you are located in regions with laws governing data collection and use that may differ from U.S.

Legal Basis (88.4%), Processing (99.3%):

law, please note that you are transferring information, including personal information, to a country and jurisdiction that does not have the same data protection laws as your jurisdiction.

Third Party (70.7%):

The operators of Linked Sites may collect information about you and may use and disclose that information.

Data Subject (72.0%):

California residents under the age of 18.

Third Party (79.8%):

This includes consenting to the transfer of your personal information to other parties (including overseas transfers) as outlined above in sections 4, 10 and 11 of this Policy.

Consent (90.0%):

You may withdraw your consent at any time.

Consent (86.9%):

Withdrawing your consent may impact your ability to use our Services, as the use of your personal information is necessary for the functioning of the Services.

Organisational Measure (82.4%), Retention (89.9%):

Retention and methods of destruction of personal information When personal information becomes unnecessary, the retention period has expired or the purpose of processing has been achieved, we take appropriate measures to render the personal information unreadable and/or unidentifiable.

Organisational Measure (64.9%):

This may include permanent deletion of your personal information that we have collected.

Processing (92.3%), Required Purpose (85.0%), Retention (89.0%):

If we must keep your personal information in order to comply with relevant laws or regulations, your information will be stored separately and only used for such compliance purposes. We remove and destroy personal information in accordance with applicable law and only for the duration of the

relevant retention period (as set out in this Privacy Policy).

Personal Data (73.3%):

Certain of your information, such as your username and other information, may always be publicly visible by other users of the Forums, including when such users view your Account profile page.

Personal Data (99.7%), Processing (96.0%):

Personal information stored in electronic form is destroyed and/or anonymized so that it cannot be reasonably reproduced and physical records are destroyed by actions such as shredding or incineration.
