Required Purpose (99.2%):

Managing Cookies As described in this Privacy Policy, we use cookies to inform, optimize, and display ads based on your past visits to the Service and to tailor our advertisements and content to you.

Technical Measure (81.0%):

These features enable us to use first-party cookies (such as the Google Analytics cookie) and third-party cookies (such as the DoubleClick advertising cookie) or other third-party cookies together to inform, optimize, and display ads based on your past visits to the Service and to tailor our advertisements and content to you.

Technical Measure (74.8%):

We utilize certain forms of display advertising and other advanced features through Google Analytics, including, but not limited to, Remarketing with Google Analytics, the DoubleClick Campaign Manager Integration, Google Ads, and Google Analytics Demographics and Interest Reporting.

Required Purpose (78.0%):

In addition, your username will allow others to access information on your user profile that is considered public or that you have designated as public in your user profile settings.

Organisational Measure (75.7%):

Most mobile device developers will tell you how you can manage the settings on your mobile device to opt out of and/or delete cookies from your mobile device, or to limit the use of your advertising ID, reset your advertising ID, and/or opt out of targeted advertising.

Consent (72.5%):

In addition, if you use a different browser or erase cookies from your browser, or use a different mobile device, you may need to apply your opt-out choices to that particular browser or device.

Organisational Measure (72.2%):

SECURITY OF YOUR INFORMATION We implement reasonable and appropriate technical and organizational measures to protect the security of your personal information against accidental or unlawful destruction, loss, change or damage.

Retention (95.1%):

We retain your personal information for as long as needed to provide you Services, unless we are required by law to delete or if we accept your request to delete the information pursuant to applicable law.

Required Purpose (67.0%), Retention (77.1%):

We will also retain and use your personal information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

Organisational Measure (75.7%), Retention (64.7%):

When we no longer require your personal information, we will look to delete, destroy, or anonymize it pursuant to our typical procedures.

Organisational Measure (87.3%), Processing (86.7%):

If this is not possible (for example, because your personal information has been stored in backup archives), then we will apply security measures to your personal information and isolate it from any further processing until deletion or destruction can occur pursuant to our typical procedures.

Organisational Measure (61.0%), Retention (88.7%):

If we anonymize your personal information (so that it can no longer be associated with you), we may use this information indefinitely without further notice to you.

Not Required Purpose (65.6%):

CHILDRENS PRIVACY The Services are not intended for use by children (aged 16 or such higher age as required by applicable law).

Third Party (94.8%):

THIRD-PARTY WEBSITES AND SERVICES The Services may contain integrations or links to third-party websites or services, including those of our business partners.

Processing (94.9%), Third Party (98.4%):

By interacting with these third parties, you are providing information directly to the third party.

Legitimate Interest (91.4%):

TRANSFER OF PERSONAL INFORMATION OUTSIDE YOUR COUNTRY We may transfer information that we collect about you (detailed in Section 1) to other countries or jurisdictions where we or our service providers and vendors operate for our legitimate business purpose, including our cloud storage provider located in Oregon, and advertising partners listed above.

Legal Basis (85.4%):

The data protection laws and rules in these countries may be different from those in the country where you live.

Organisational Measure (80.5%), Personal Data (99.3%):

In these cases, we will provide appropriate safeguards to protect your personal data.

Authority (79.2%), Legal Basis (87.6%), Processing (90.4%):

This may include applying the standard contractual clauses approved by the European Commission for transfers of personal data or other safeguards recognized by applicable laws and regulations.

Right (88.1%):

If you have any questions regarding potential transfers of personal information outside of the country where you live or would like to exercise your data rights in relation to such transfers, please contact us at or write to us at the address set forth in the Contact Us section.

Art. 16 Right to rectification (81.5%), Consent (96.5%):

Multistate Users. Information-Related Requests If you wish to review, change, or correct the information we have about you, or to withdraw your consent to the processing of your personal information, you may send an e-mail to making this request.

Required Purpose (64.0%):

Please note that your information, for example records pertaining to payments or customer service matters, may be retained for legal and accounting purposes.

Processing (87.5%):

If you have sent or posted content on the Service, we may not be able to delete it.

Organisational Measure (84.6%):

We will need to verify your identity before processing your request.

Processing (96.4%):

In order to verify your identity, we will generally require the matching of sufficient information you provide us to the information we maintain about you in our systems.

Authority (92.3%):

Acting through an Authorized Agent or Representative In certain circumstances, you are permitted to use an authorized agent to submit requests on your behalf where (i) you provide sufficient evidence to show that the requestor is an authorized agent with written permission to act on your behalf and (ii) you successfully verify your own identity with us.

Legal Basis (92.1%), Scale Non-EU (95.0%):

USERS These additional provisions apply to individual residents of those countries outside of the United States that have enacted comprehensive consumer privacy laws, including the European Union General Data Protection Regulation, the United Kingdom Data Protection Act, and each of their associated regulations, as well as amendments to those laws or additional consumer privacy laws that have been enacted or may be enacted in the future.

Processing (78.5%):

This section addresses the specific disclosure requirements under those laws and provides additional information about how we collect, use, share, and otherwise process personal information, the rights of covered consumers in relation to that personal information, and the ways to

exercise those rights.

Data Transfers and Processing Outside Europe If you are located in the EEA, the UK, or Switzerland, your personal information may be processed outside of those regions, including in the United States.

Authority (88.7%):

We may transfer your personal information to countries or territories whose laws have been deemed to provide an adequate level of protection for personal information by the relevant authorities (e.g., by the European Commission, UK Government, and/or Swiss Federal Council).

Recipient (62.3%):

In limited circumstances, we may rely on an exception, or derogation, which permits us to transfer your personal information to recipients in such countries despite the absence of an adequacy decision or appropriate safeguards for example, reliance on your explicit consent to that transfer.

Processing (86.7%):

If you want further information on the specific mechanism(s) used by us when transferring your personal information, please contact us at or write to us at the address set forth in the Contact Us section.

Legal Basis (96.8%):

States that have enacted comprehensive consumer privacy laws, including the California Consumer Privacy Act of 2018 and the California Privacy Rights Act, the Colorado Privacy Act, the Connecticut Data Privacy Act, the Virginia Consumer Data Protection Act, the Utah Consumer Privacy Act, and each of their associated regulations, as well as amendments to those laws or additional consumer privacy laws that may be enacted in the future.
