On Google Android, you can opt out of these ads by choosing Opt-out of personalized ads.

Art. 17 Right to erasure (right to be forgotten) (66.4%), Non-Personal Data (88.7%), Processing (82.4%), Required Purpose (64.5%):

Device identifier / information means device type, device model, device maker, device operating system and its language or other technical data like screen size or processor, or combination of this data available from a device for a developer for checking the device compatibility with a particular application.

Processing (99.4%), Technical Measure (95.0%):

Some of this information may be collected through cookies as explained further under the heading

Cookies below.

Authority (72.4%), Non-Personal Data (81.4%), Personal Data (99.5%):

Exactly what information we receive from your social media will depend on your social media privacy settings, but it would typically include your basic public profile information such as your username, gender, your friends playing the same Game.

Non-Personal Data (78.6%), Required Purpose (72.8%):

This Privacy Policy applies to personal information that we collect through our games, mobile applications and other products (Games) (together Services).

Data Source (75.3%), Third Party (79.1%):

(c) Information we obtain from third-party sources Third-Party Social Network/s.

Third Party (95.3%):

Third party service providers.

Third Party (96.0%):

Advertising partners.

Personal Data (99.4%), Required Purpose (61.3%):

(d) No special categories of information We do not request or intend to collect any special categories of information such as personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural persons sex life or sexual orientation.

Required Purpose (99.4%):

In General We use the information we collect about you/your device to deliver services and our Games to you and to operate our business.

Legitimate Interest (74.7%), Required Purpose (93.4%):

We use it also for improving our services and Games, for enhancing security and for analytics and research purposes to make sure we provide you with the best experience.

Legal Basis (64.7%), Legitimate Interest (66.6%), Required Purpose (98.8%):

We use your information also for tracking and fraud prevention for advertising purposes and for complying with our legal obligations.

Required Purpose (92.2%):

We use your information for the following purposes: Delivering and improving our services.

Personal Data (97.1%), Retention (95.4%):

In addition, we use your information to promote our services and Games in our Games and also in

other publishers apps and to display third-party advertisements to you.

Required Purpose (99.0%):

We use your information for developing, delivering and improving our Games and other products, services, and content, tailoring our products and services, providing Game updates, technical troubleshooting, understanding and analyzing trends in connection with usage of the Games, and administering the Games.

Required Purpose (73.9%):

We use your information for showing advertisements for our Games in other publishers apps and for displaying third-party advertisements in our Games.

Required Purpose (95.3%):

We use your information for cross-promoting our Games and services, meaning to promote one of our Games while you are playing a different Game of ours.

Legitimate Interest (67.9%), Required Purpose (99.4%):

Tracking and fraud prevention for advertising purposes.

Required Purpose (96.5%):

We use your information for tracking how our advertising campaigns perform and for identifying and preventing fraud for our advertising campaigns.

Required Purpose (80.1%):

Analytics and research.

Personal Data (87.1%), Required Purpose (98.3%):

We use your information for understanding and analyzing trends in connection with the usage of the Games, gathering demographic information about our user base, data about where the Game was downloaded from.

Processing (92.2%), Required Purpose (98.2%):

We may also create reports and analysis for the purposes of research or business intelligence, for example to track potential problems or trends with our Games and services, or to test our new game features and content.

Non-Personal Data (67.4%), Required Purpose (74.1%):

We may get your personal information for example when you installed our Game and prior to installing you have clicked an advertisement for the same Game.

Required Purpose (89.4%):

Security.

Required Purpose (98.4%):

We use your information for enhancing the safety and security of our Games, products and services.

Required Purpose (99.0%):

We use your information for providing customer support to you and to respond to your inquiries.

Legal Basis (89.3%), Required Purpose (78.4%):

We use your information when we are required to do so by law, for example, we use your country or region for tax reporting purposes.

Personal Data (86.3%), Processing (93.8%):

We do not process payments for in-app purchases nor have access to your credit card information.

Data Controller (97.6%), Required Purpose (92.4%):

3.HOW WE SHARE YOUR INFORMATION We cannot provide all services necessary for the successful operation of the Games by ourselves.

Processing (99.6%), Required Purpose (94.8%), Third Party (68.8%):

We must, therefore, share collected information with third parties for the purposes of developing and delivering our services, displaying advertisements, conducting analysis and research and for measuring our and our Partners advertising campaign performance.

Legal Basis (93.6%), Non-Personal Data (81.8%), Personal Data (99.6%), Processing (93.0%):

We also reserve the right to disclose your information (including personally identifiable information) when we are legally required to do so, to disclose your information in an anonymous and aggregated manner, meaning you could not be personally identified from it.

Data Controller (76.3%), Required Purpose (94.7%):

We use third-party analytics such as TapJoy, Unity, Firebase for the purposes of delivering our services, conducting analysis, and research.

Processing (70.4%):

The device data we share with such providers are encoded.

Non-Personal Data (84.1%), Processing (69.6%):

The providers may assign a random ID to these data and they are not able to match it back to You.

Required Purpose (67.9%):

We can aggregate the data for benchmarking feature.

Consent (72.1%), Processing (63.7%), Required Purpose (74.7%), Technical Measure (73.6%):

They are consistent across all mobile applications and thus allow cross-app tracking.

Required Purpose (98.4%):

For some of our Games we use tracking and fraud prevention providers, such as AppsFlyer, Tenjin for the purposes of measuring performance and optimizing our advertising campaigns, displaying

advertisements, conducting analysis to improve our services and for fraud prevention purposes.

Non-Personal Data (73.1%), Processing (93.0%), Required Purpose (83.3%), Technical Measure (79.2%):

Such providers may use APIs, and SDKs in our Games to enable them to collect and analyze user and device-related data and information, such as impressions, clicks, installs or other advertising campaign performance indicators and post-install in-app events.

Third Party (88.9%):

Advertising partners third-party tracking provider.

Third Party (84.3%):

Third-party advertising partners.

Required Purpose (83.2%):

We allow our advertising partners to track impressions, clicks, installs or other advertising campaign performance indicators through their tracking providers for the purposes of measuring their advertising campaign performance.

Processing (94.9%), Required Purpose (95.2%), Third Party (97.7%):

Third Party Services Our games utilizes third-party services that may collect information to identify you.

Third Party (62.2%):

Below is a list of these third-party service providers and links to their respective privacy policies for further information: Google Play Services Google Play Services AdMob Google Analytics for Firebase Firebase Analytics Unity Ads Game Analytics Applovin Liftoff Monetize Meta Mintegral Pangle Unity Yandex PubMatic Smaato Liftoff Monetize Native LINE LINE Native Maio Meta Native Mintegral Native MobileFuse MobileFuse Native Moloco Ogury Pangle Native Smaato Native Verve Group VK Ad Network YSO Network DATA PROCESSING OPERATIONS FIREBASE HOSTING: Our games utilize content from and link to websites hosted by Firebase Hosting, a service provided by Google LLC (Google).

Data Controller (62.3%), Personal Data (99.8%), Processing (84.6%):

User data is transmitted to Firebase Hosting servers, including IP addresses and user agent information.

Processing (99.1%), Required Purpose (98.2%):

Firebase Hosting employs IP addresses to identify abuse and offer detailed usage data analysis.

Processing (98.6%), Retention (88.9%):

IP addresses are temporarily stored by Firebase Hosting for several months.

Technical Measure (61.4%):

For our Games, we use Unity Software to develop such Games.

Third Party (76.2%):

For some Games, we partner with third-party development studios to develop such Games.

Personal Data (96.3%), Processing (67.8%):

Such third-party development studios do not have access to your personal information, they can only access aggregated data that they cannot trace back to you.

Third Party (87.6%):

We may contract with additional Partners or change existing Partners in the future to perform any services in connection with the Games.

Authority (74.5%):

We reserve the right to disclose your information (including personally identifiable information) in response to law, legal process, litigation, and/or requests from public and governmental authorities within or outside your country of residence.

Organisational Measure (68.8%), Required Purpose (97.7%):

We may also disclose information about you if we determine that for purposes of national security, law enforcement, or other issues of public importance, the disclosure is necessary or appropriate.

Required Purpose (96.1%):

We may also disclose information about you if we determine that disclosure is reasonably necessary to enforce our terms and conditions or to protect our operations, users or user experience.

Processing (99.3%), Recipient (71.5%):

Additionally, in the event of a reorganization, merger or sale we may transfer any and all information (including personally identifiable information) we collect to the relevant third party.

Required Purpose (95.6%):

In General We use advertising to fund our Services and to make our games available for free.

Required Purpose (81.4%):

We offer our Games for free or at low cost and in order to do that we need to share information we collect from you with our third-party advertising partners.

Required Purpose (73.1%):

As a safeguard to protect your privacy, we only store personal information temporarily.

Required Purpose (96.5%):

The information collected helps us to improve our websites and Games and at the same time keep our Games free for a wide player base.

Legitimate Interest (92.9%):

If you are an European Economic Area (EEA) based user be aware that: (a) When you use our Games, we rely on our legitimate interest to show advertisements to you.

Legal Basis (95.0%):

The legal basis to show ads to EEA-based users is the legitimate interest in accordance with the European data protection requirements under Art.

Data Protection Officer (85.7%):

f GDPR, which we evaluated together with our data protection officer.

Contract (78.0%), Data Processor (76.7%), Third Party (64.3%):

In addition, a data processing agreements were concluded with external ad technology providers networks in accordance with the requirements of Art.

Contract (64.0%), Organisational Measure (73.2%), Third Party (72.7%):

28 GDPR .We also ensure that our external service providers are committed to a high level of data protection by concluding data protection agreements.

Consent (90.6%), Organisational Measure (72.7%):

(b) Before sharing any information with our advertising partners for the purposes of personalized advertising, we always ask for your consent, given when you press accept at relevant button at loading of the Game.

Processing (84.9%):

Kindly be cautious when sharing this information about yourself (or others) in our forums.

Technical Measure (62.0%):

Our advertising partners use different technologies for the purposes of personalized advertising that process your personal information in different ways, so please review their data processing practices before you ACCEPT to show you personalized ads at loading of the Game.

Required Purpose (94.7%):

The purpose is to improve our Games and provide the player with more relevant ads.

Consent (84.2%):

On Apple, you can opt out of it by choosing limit ad tracking option in your privacy settings.

Consent (84.7%):

You have an option to withdraw your consent to sharing your personal information for the purposes of personalized advertising at all times.

Consent (88.0%):

When you decide to withdraw your consent or if you do not provide your consent, you may still see

the same number of ads on your mobile device; however, these ads may be less relevant because they won't be based on topics you like, your interest, behavior, demographics, etc.

Personal Data (78.3%), Processing (91.9%), Third Party (86.1%):

when you view ads in Our Games) To enable us to show in-game ads, we may send your advertising ID and IP-address to advertisers (or ad networks) to enable them to find appropriate ads to serve to you in our games and on third-party properties.

Organisational Measure (97.0%):

You can control and limit our use of your advertising ID in your device settings.

Processing (73.4%), Third Party (82.8%):

Advertising IDs are used by the ad networks for a number of purposes including: limit the number of times you see the same ad; ensure they are dealing with humans with real devices and not automated bots; serve you with advertisements likely to be relevant to you based on your advertising ID engagement with other brands and ads, also recorded using your advertising ID and using your general geographic area.

Third Party (93.6%):

The ad network or ad exchange acts as intermediary between the other game companies and Us.

Processing (78.4%):

In order for an ad network to charge the company buying the ad, clicks from the ad and potentially installs of other developers applications party apps are tracked.

Required Purpose (66.4%):

Views, clicks, and installs from ads are measured using Advertiser ID; keep track what games you have used to market you similar kind of games.

Non-Personal Data (65.4%), Required Purpose (95.8%):

The Advertising IDs are used by the ad networks for a number of purposes including: measuring ad effectiveness (looking at aggregated views, clicks and installs they generate through their advertising in other publishers games); informing players, that have not been playing for a while, about new content in the Game.

Processing (79.1%):

Ad network then shows these users ads about the new content; not showing ads on a game which a player is already playing.

Third Party (76.0%):

We give a list of these users in the form of Advertising IDs to an ad network.

Organisational Measure (93.0%):

If you activate the Limit ad tracking option, we can only take limited measures such as identifying unique users or combating fraud.

Third Party (83.1%):

Google Play Games Service, Apple Game Center, Facebook (Third-Party Social Network/s).

Third Party (89.6%):

Please note, Third Party Social Networks are governed by their own privacy policies, terms and end-user agreements and we are not responsible for and have no control over, the sharing practices or policies of the third parties that operate those sites.

Personal Data (99.3%):

When you use the Log in feature, we may access and store some or all of the following information, as allowed by you, Third-Party Social Networks and your preferences: (i) your basic information from your public profile, such as your nickname, profile picture; (ii) login ID and/or player identifier string; (iii) list of your friends; (iv) any other information which is detailed and displayed to you in the notice which appears during the Log in with process.

Non-Personal Data (94.0%):

We may share your name and your game data (such as moves, Game progress and scores) with respect to the applicable App, with your friends who have also used the Log in with or Connect to feature in connection with such App or with your contacts in applicable Third-Party Social Media Network account.

Personal Data (84.6%), Required Purpose (90.8%):

Please keep in mind that we will only do that if specifically allowed by you and we will store ID and your full name for the purposes of user identification.

Required Purpose (76.9%):

Other information will be merely stored within the App on your device so that the App will be able to communicate with Third Party Social Network directly.

Third Party (86.3%):

Connecting to Third-Party Social Networks Some of our Games use third-party services such as Google Play Games Service, Apple Game Center, Facebook (Third Party Social Network/s).

Non-Personal Data (94.3%):

How You Share Your Information On Third-Party Social Networks If you use Third-Party Social Networks to participate in game-related activities, such as leaderboards and multiplayer games, you share your information with other players and Third-Party Social Networks (for example, scores, rankings, and achievements).

Third Party (89.1%):

in-game emotion signals which you exchange with other players) Broad geographic location (e.g.
