Disclosure within the OrderYOYO group For the purpose of providing efficient and stable customer service irrespective of the country you are in, we share your personal data with the other OrderYOYO group companies.

Data Source (68.0%), Personal Data (83.2%), Processing (77.9%):

That also means that we may have received personal data about you from one of our group companies, e.g.

Required Purpose (97.8%):

for the purpose of processing your enquiries relating to particular orders or your use of the Service.

Processing (91.1%), Recipient (88.2%):

Use of processors We make your personal data available to our processors who e.g.

Processing (75.2%), Scale Non-EU (85.9%):

Transfer of your personal data to third countries When we make data available to our processors, we may transfer your personal data to the USA, Ukraine, and the Philippines.

Contract (81.9%), Legal Basis (76.3%), Recipient (69.2%):

The basis for such transfer is the Commission Decision of 5 February 2010 on standard contractual clauses for the transfer of personal data to processors established in third countries under Directive 95/46/EC of the European Parliament and of the Council as we have entered into such standard contractual clauses with the relevant recipients of the data.

Retention (98.6%):

Storage of your personal data We are required to only store your personal data for the period necessary for us to fulfil the purposes for which they were collected.

Organisational Measure (69.9%):

For that reason, we have established the time limits for erasure set out in the table below.

Processing (96.1%), Retention (91.5%):

As a general rule, we erase or anonymise your personal data according to the time limits stated below unless it is necessary that we continue to store them, e.g.

Processing (72.3%), Retention (85.1%):

When it is stated below that your personal data will be erased, we may instead anonymise the data, and then the data can no longer be used to identify you.

Legal Basis (64.9%):

We provide you with this information as we are required to do so under the UK General Data Protection Regulation (UK GDPR).

Personal Data (92.4%):

Anonymised data are not covered by the UK GDPR as they are no longer personal data.

Processing (94.0%), Retention (97.6%):

Processing activities Storage and time limits for erasure Processing your orders and creating your user profile As a general rule, data relating to particular orders or other agreements with you are stored for 5 years after the end of the financial year in which the order was completed or the agreement has ended.
