advance.

Data Controller (83.5%), Legal Basis (87.6%), Personal Data (69.3%), Right (64.7%):

If you have any questions or need any assistance, please contact us at the address
privacy@boombit.com FULL CONTENT ABOUT US Play with Games Ltd./limited liability company/
with its registered office in London, England 4th Floor, 7-10 Chandos Street, W1G 9DQ and
BoomBit S.A /joint stock company/ with its registered seat in Gdansk, Zacna 2 Street, 80-283
Gdansk are joint controllers of personal data under the EU law (hereinafter referred to as
BOOMBIT).

Data Protection Officer (81.6%), Legal Basis (79.8%), Personal Data (87.1%):

In order to fully protect your personal data, we have appointed the Data Protection Officer at

BOOMBIT (hereinafter referred to as DPO), who is responsible for the supervision and implementation of personal data protection strategies and guarantees the compliance of our activities with the law.

Data Controller (97.9%), Legal Basis (96.0%), Personal Data (98.7%):

Personal data means any information relating to an identified or identifiable natural person (data subject); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person. We put your right of privacy first and that's why your personal data is processed by us in accordance with applicable regulations.

Processing (99.6%):

Therefore, we shall not collect data from children under 16 years of age without a legal guardian's prior consent.

Automated Decision Making (94.0%), Non-Personal Data (85.8%), Personal Data (97.1%), Processing (99.3%):

Each legal guardian may contact us at privacy@boombit.com. COLLECTED DATA AND METHODS OF ACQUIRING PERSONAL DATA when you use our Services, we may process some of the following information about you: Information provided by you when using the Games (collected automatically) your mobile device's unique device ID (Device ID) and device name; your user preferences; data and analytics about your use of our Services, such as: your overall progression to a particular level, your virtual currency or the completion of certain tasks during your gameplay, making a purchase or viewing a video ad.

Data Source (82.8%), Personal Data (90.1%), Processing (68.0%):

Information that you provide voluntarily and data you provide to us when contacting us or reporting a problem with our Services: your avatar/profile picture; your username/nick; your email address; your name; other details, necessary to process your inquiries.

Non-Personal Data (97.1%), Processing (90.0%), Required Purpose (77.1%):

Information collected and used for the purposes of serving advertisements: the make, model and operating system of your device; properties of your device, such as screen size and orientation, audio volume and battery; the mobile network operator linked to your device; the games played; the country, time zone and locale settings on your device (i.e.

Non-Personal Data (75.0%), Personal Data (91.2%), Required Purpose (82.4%):

Information collected for the purposes of providing analytics: your device ID; your user ID (which is

generated by us and allocated to you when you first play our games); your device operating system & version; your device make and model; game play attempts, progression and results; session game time start, end and duration; purchase transaction types and spend you have made using virtual items in the games; the country of your device; the time, date and install source of your first download (e.g.

Consent (70.3%), Personal Data (99.5%), Third Party (97.8%):

Information about you collected from our Trusted Partners: When you access our Services via a third party social media provider such as Facebook, we may collect and store personal and non-personal information which is available on that third party social media provider, such as your Facebook name, your profile picture or its URL, your Facebook ID and other public data of your friends, provided that you have expressly agreed to the use of Facebook within our Services.

Organisational Measure (71.6%), Personal Data (94.3%), Processing (91.9%), Required Purpose (94.9%):

We will also receive technical data in order to ensure our Services connect to the correct Facebook account. In the event that BOOMBIT will organize events or competitions for Users, we can also process your correspondence address, phone number, social media ID, your photo and bank account number. In order to fully use our Services, it is necessary to process the data listed above.

Processing (72.5%):

Therefore, we can provide limited data to them.

Required Purpose (75.6%):

If you do not agree to provide us with the above information, you will only be able to use our games and other Services to a limited extent.

Organisational Measure (76.8%):

If you make payments under the Services, we will not collect or store any information about your payments.

Processing (99.5%), Required Purpose (61.5%):

SCOPE OF THE PRIVACY POLICY Privacy Policy governs the handling of your personal data and any other data that does not constitute them, and which we obtain from you in connection with your use of the Services.

Required Purpose (63.6%):

BOOMBIT obtains only the information on making the relevant payment from the operator.

Required Purpose (99.6%):

We only collect information about transaction dates, currencies, values and products covered by the

transaction, to guarantee you obtain the purchased products.

Consent (85.3%), Required Purpose (98.5%), Retention (61.6%):

THE CAUSE OF PROCESSING YOUR PERSONAL DATA (LEGAL BASIS FOR PROCESSING)

The primary purpose of processing your data is to provide you with our Services, which you use, that is, to perform the agreement between us and your consent to use our Services.

Contract (74.4%), Legitimate Interest (88.2%), Processing (78.4%), Required Purpose (94.7%):

The other grounds for processing are the requirements to fulfill the legal obligations imposed on us, fulfillment of the so-called Legitimate interest of BOOMBIT or for the reasons indicated in other parts of the Privacy Policy (COLLECTED DATA; DATA PROCESSING PURPOSES).As Legitimate interest, BOOMBIT treats the legitimate and rational purpose of data processing, in particular, protection of the security of processed data, marketing of BOOMBITs Services, but most importantly, to ensure that marketing activities addressed to you are appropriate, and to conduct analyzes that will help us to combat any illicit practices.If we invoke a Legitimate interest purpose, we first analyze and consider each potential impact of the processing on you and your rights.

Processing (98.2%), Scale EU (70.6%):

In situations where the transfer of your data outside the European Economic Area occurs, we will execute it in accordance with the rules, which we described below (Trusted Partners).

Processing (80.4%):

PROTECTIVE MEASURES USED BY BOOMBIT Methods of data storage.

Legal Basis (63.9%), Organisational Measure (82.6%), Scale Non-EU (78.6%):

The data collected by us will be stored on a secure servers in the United States and Canada, which provide an adequate level of protection, in particular confirmed by ISO and EU-US Privacy Shield certificates or only if it is necessary on the servers of our Trusted Partners indicated below.

Authority (77.8%), Organisational Measure (76.8%):

We have implemented and will continue to implement appropriate technical and organizational solutions to protect your personal data against unauthorized or unlawful processing, loss, destruction or damage.

Required Purpose (63.0%), Retention (89.3%):

The period of data storage Your data will be available to us as long as it is necessary to meet the objectives set out in our Privacy Policy, in particular, for the time of providing you with the Services or providing you with technical assistance.

Retention (94.6%):

In the case of processing based on your consent, in the event of its withdrawal we will delete the

data without undue delay, no longer than 30 days from the receipt of your request. In exceptional cases, longer storage periods may result from applicable law, e.g.

Legal Basis (78.4%), Retention (69.9%):

tax regulations or other legal requirements imposed on us, and obligations.

Retention (78.7%):

CHILDRENS PERSONAL DATA We are aware of the obligation imposed on us to especially protect personal data obtained from children.

Retention (88.4%):

At the time when we no longer need your personal data to provide you with the Services, we will remove them or they will be made anonymous.

Contract (82.0%), Required Purpose (95.3%):

If you're aware of any security vulnerabilities in our Services, please contact us in particular by sending a message to privacy@boombit.com DATA PROCESSING PURPOSES Your data may be used by us for the following purposes: fulfillment of our contractual obligations, as part of the agreement you have concluded with us; marketing, in particular to provide personalized and targeted marketing mails about the Services which you already use or which we think may interest you.

Legal Basis (86.8%), Required Purpose (97.3%):

This purpose is optional and we will first get your consent in the required cases; delivery of the Services ordered by you; communication with you as a User of our Services; enable participation in interactive elements of the Services, if that is your will; inform you about changes in our Services; improvements to our Services; organizing competitions by BOOMBIT, in particular for contact, mailing and tax purposes; determining the conversion rate and other components of our services; tax, legal and settlement; billing, resulting from EU regulations regarding the protection of personal data; targeting and personalization of marketing communication, offers and advertisements addressed to you.

Required Purpose (99.5%):

By doing so, we mean using the information we have collected to tailor the communication addressed to you and to your needs.

Automated Decision Making (82.8%), Processing (85.7%):

However, we will not use profiling, which results in making automated decisions, which would affect your legal situation in any way, in particular, we do not submit automated offers by analyzing your behavior as part of the Services.

Non-Personal Data (66.3%), Personal Data (75.2%), Required Purpose (94.9%):

We may process certain aggregated data that is not personal data that relates to the behavior of users, in particular, sales data in individual regions and forward them to our Trusted Partners to provide and improve our Services.

Third Party (98.1%):

THIRD PARTIES AND EXTERNAL SERVICES The Services may include links from or to websites or services of third parties.

Third Party (96.1%):

Familiarize yourself with the privacy policies of the above-mentioned third parties. Some of the Services may be characterized by interaction with our Trusted Partners.

Processing (99.0%):

Therefore, we may share some of your personal information with our Trusted Partner, which will be protected based on their privacy policies.

Consent (72.7%):

Due to the optionality of such access, it will be preceded by your explicit consent, which you can always withdraw.

Required Purpose (83.6%):

TRUSTED PARTNERS As part of creating and providing the Services, we use the help of our Trusted Partners, to whom we can share your data.

Organisational Measure (82.2%), Required Purpose (63.1%):

We guarantee that we provide them with the minimum information necessary to enforce their cooperation.

Art. 15 Right to access by the data subject (69.9%), Processing (98.6%):

country and preferred language); network connection type and speed; IP Address; internet browser used to access the games; the advertiser ID, which is an identifier unique to you if you use an Apple or Android device.
