Quadbits Privacy Policy Home Quadbits Privacy Policy This document is a translation of the official Spanish version at Política de Privacidad de Quadbits and it is only provided to help understand the official version to foreign users.

Personal Data (99.4%), Processing (81.1%):

According to what it is established in the Spanish Organic Law 15/1999, on December 13th, of Protection of Data of a Personal Nature, we inform you that the personal data gathered through the web sites that belong to Quadbits S.L.U.

Authority (79.6%), Data Source (86.4%), Personal Data (74.2%), Processing (69.5%):

(the Web Sites, from this point forward), the applications for mobile devices (the Apps, from this point on) in the catalog of Quadbits S.L.U, registration processes, forms, comments to entries in our blogs, emails, the data derived from the activity of your accounts and any other data that you voluntarily provide to access or use our services, will be incorporated to the USUARIOS file that is properly registered in the Spanish Data Protection Agency, and that it is under the responsibility of Quadbits S.L.U.

Data Subject (83.9%), Personal Data (94.4%):

You (also the User, from this point forward) warrant that the Personal Data provided to Quadbits are true and correct, and that the User is held responsible for communicating any variation in them.

Organisational Measure (66.4%):

In the event that the provided data belonged to a third-party, the User warrants that the third-party has been informed of the contents of this document and that the User has obtained the authorization of all the third-parties to provide their data.

Consent (88.8%), Processing (95.3%), Required Purpose (92.4%):

When You provide us with these data, You declare that you have read the present Privacy Policy and You are providing an unequivocal an explicit consent to the processing of the data according to the purposes and terms hereby expressed.

Contract (76.3%), Processing (95.3%):

Consent for the processing and cession of personal data When the User fills a form, completes the registration processes, uses any of our Web Sites or any of our Apps, checks or accepts the Privacy Policy, or when the User addresses mail to Quadbits through the addresses provided for that purpose, the User states to have read and explicitly accepted the present Privacy Policy, and the User gives an unequivocal an explicit consent to the processing of the personal data according to the informed purposes and services that Quadbits provides, as well as to the cession of the User's personal data to third-parties in accordance to the present Privacy Policy.

Non-Personal Data (81.4%), Processing (96.9%), Required Purpose (92.5%):

Purposes The gathering and processing of personal data through the Web Sites and Apps of Quadbits has the following purposes: the downloading, installation and use of our Apps and Web Sites, as well as their proper functioning, to allow the User access to the services or products offered by Quadbits, to attend the requests for information and questions from the User about our services or products, the statistical analysis and the obtention of metrics about the use of our products or services, to send information to the User through different means about Quadbits, its news, events, activities, contests, offers, promotions, updates, new products and services, The use of some of the Web Sites or Apps of Quadbits can lead to receiving advertising messages.

Processing (76.8%):

If the User does not agree with the contents of these conditions, the User must abstain from sending any personal data to Quadbits, from accessing our Web Sites and from using our Apps by pressing the "Decline" button that appears before initiating their use.

Consent (73.0%), Processing (76.5%):

Alternatively, the User can purchase an advertisement free version or a module to remove advertisements when this option is made available.

Third Party (97.3%):

Our Web Sites and Apps can show advertisements and publicity statements managed by third parties (such as the ones provided through the advertising features of the services of Google Adwords, Google Admob, Google Adsense and Google Analytics by Google) that are personalized according to the information about the User that the third party has as well as the User browsing preferences.

Personal Data (88.2%):

Notwithstanding the foregoing, some ads can be segmented by information available about the User such as geographical location, age group or interests.

Legal Basis (77.7%), Organisational Measure (80.7%), Personal Data (84.7%):

Security measures As part of our commitment to ensure the security and confidentiality of your personal data, we inform you that we have adopted the regulatory measures of technical and organizative nature, that warrant the security of the data of a personal nature and prevent their alteration, loss, unauthorized processing or access, taking into account the state of the technology, the nature of the stored data and the risks that they are exposed to, all of this in compliance with what is established in the Spanish Royal Decree 1720/2007, on December 21th, that approves the implementation regulations of the Spanish Organic Law 15/1999, on December 13th, of Protection of Data of a Personal Nature and other control procedures for the security of the information systems.

Legal Basis (86.7%), Required Purpose (60.5%):

Cession The User knows and accepts that the personal data provided could be made available to third-parties when it is required to fulfil the aforementioned purposes, respecting in all these cases the security measures required for the current laws regarding the protection of personal data as well as the general quality and privacy policies of Quadbits.

Right (86.3%):

Exercise of the rights of access, modification, cancellation and opposition.

Legal Basis (79.2%), Personal Data (95.6%):

C/ Heroe de Sostoa, 69, 9-1 Malaga, MALAGA, ES-29002 SPAIN You can also address us through our electronic mail contact@quadbits.com To exercise the rights of cancellation and modification, and in compliance with article 16 of the Spanish Organic Law 15/1999, on December 13th, of Protection of Data of a Personal Nature, and the implementation regulations thereof, it is required that you accredit your identity to Quadbits by providing a copy of your personal National Identification Document or by any other legally valid means.

Processing (88.1%), Required Purpose (82.4%):

In the same way, and in compliance with the Spanish Law 34/2002, on July 11th, of Services of the Information Society and Electronic Commerce, in the event that you wish to stop receiving electronic commercial communications in the future, you can express that will by writing a mail to the following electronic mail address: contact@quadbits.com Temporary information files For the proper functioning and visualization of the Web Sites and the Apps, Quadbits uses temporary information files that the server sends to the computer or the device of the User.

Required Purpose (92.0%):

Quadbits can use these profiles to inform the users of each social network that have subscribed to

the Quadbits profile about its activities, events, offers, promotions or news in its products or services, as well as to share information of interest about the usual topics of Quadbits.

Personal Data (99.3%), Processing (63.7%):

Quadbits will not extract any personally identifiable data of the User from the social network without the consent of the User.

Legal Basis (83.1%):

Changes and updates to the Privacy Policy Quadbits can alter this Privacy Policy to adapt it to new developments in legislation, jurisprudence or in interpretations required by the Spanish Data Protection Agency.

Organisational Measure (60.7%):

The User can accept the changes by continuing to use the services.

Organisational Measure (61.1%):

To stop seeing this kind of messages in one of the Web Sites or the Apps, the User must cease to use it, as well as performing an uninstallation in the case of an App.

Legal Basis (73.4%):

These privacy terms can be complemented by the Legal Notice and Terms of Use, the Cookies Policy and, where appropriate, the General Terms that are established for certain products and services, if its access implies any particularities in terms of the protection of data of a personal nature.
