Information We Collect & Share We may collect or record basic personal information (e.g., name, e-mail address, mailing address, phone number) which you voluntarily provide through forms on our Site, through electronic mail you send to us, or through other means of communication between you and us.

Personal Data (93.2%), Required Purpose (85.3%):

social security or other governmental ID numbers, credit card details and account numbers) where it is appropriate or necessary for conducting business.

Processing (99.1%):

This information will be collected, stored, accessed and processed in a secure manner.

Data Subject (78.9%), Personal Data (98.2%):

We may also collect general non-personal information pertaining to users of our sites, including IP addresses, source domain names, specific web pages, length of time spent, and pages accessed.

Required Purpose (98.7%):

This information is collected, among other things, to aggregate statistical information, facilitate system administration and improve the Site.

Organisational Measure (83.6%), Processing (91.1%):

We recognize and have controls in place to ensure that the privacy of personal information about an identifiable individual used in the course of commercial activity is protected and managed.

Personal Data (69.0%), Processing (93.1%), Required Purpose (90.4%):

We also collect use, and disclose identifiable information about individual contacts for our customers

(Business Contact Information) in the ordinary course of our business for managing and maintaining customer relationships.

Personal Data (92.2%), Processing (66.2%):

In particular, we may obtain the following types of Business Contact Information: name, address, invoice information including bank account information, and order information.

Contract (95.3%), Recipient (84.6%), Required Purpose (84.1%):

Unless otherwise specified or prohibited, we may share information with affiliates, business partners, service providers, subsidiaries or contractors who are required to provide you with services which you have requested from us.

Processing (75.2%), Recipient (68.0%), Required Purpose (66.1%), Third Party (98.6%):

We may also post links to third party websites as a service to you.

Third Party (99.0%):

These third party websites are operated by companies that are outside of our control, and your activities at those third party websites will be governed by the policies and practices of those third parties.

Required Purpose (98.4%):

How We Use Information We use the information we collect to provide you with services which you request and to improve our existing services and the content of our Site.

Personal Data (68.9%), Processing (95.3%), Required Purpose (99.5%), Retention (84.4%):

When you contact us, we may keep a record of your communication to help solve any issues that you might be facing.

Processing (80.5%), Required Purpose (93.2%), Retention (84.7%):

Your information may be retained for a reasonable time for use in future contact with you, or for future improvements to our services.

Consent (73.4%):

You have the option to opt-out or opt-in for further communications from us.

Processing (85.0%), Right (72.2%):

We may also use or disclose your personal information when we believe, in good faith, that such use or disclosure is reasonably necessary to (i) comply with law, (ii) enforce or apply the terms of any of our user agreements, or (iii) protect our rights, property or safety, or the rights, property or safety of our users, or others.

Processing (91.7%):

We reserve the right to transfer and disclose your information if we become involved in a business

divestiture, change of control, sale, merger, or acquisition of all or a part of our business.

Data Controller (85.9%), Required Purpose (97.3%):

Our business customers remain the information controllers with respect to any customer information that they provide to us for our provision of services.

Processing (98.5%), Required Purpose (81.4%):

We therefore act in accordance with the instructions of such customers regarding the collection, processing, storage, deletion and transfer of customer information, as well as other matters such as the provision of access to and rectification of customer information.

Not Required Purpose (68.6%):

We do not sell our services to children.

Personal Data (96.5%):

We do not intentionally collect personally identifiable information from children under the age of 13.

Web User Tracking Use of Cookies, IP Addresses and Aggregate Information Cookies are a technology that can be used to help personalize your use of a website.

Organisational Measure (92.8%), Required Purpose (71.6%):

You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether to accept it or decline at any time.

Non-Personal Data (64.0%), Personal Data (71.1%), Required Purpose (95.9%):

To enable us to assess the effectiveness and usefulness of this Site, and to give you the best user experience, we collect and store information such as pages viewed by you, your domain names and similar information.

Processing (78.4%), Required Purpose (71.5%), Technical Measure (90.8%):

Our Site makes use of anonymous cookies for the purposes of: Completion and support of Site activity; Site and system administration; Research and development; and Anonymous user analysis, user profiling, and decision-making.

Required Purpose (99.6%):

We may use your IP address to help diagnose problems with our server, to administer the Site and to maintain contact with you as you navigate through the Site.

Required Purpose (90.7%):

Your computers IP address also may be used to provide you with information based upon your navigation through the Site.

Non-Personal Data (97.2%), Processing (69.0%):

We will rely upon aggregate information, which is information that does not identify you, such as statistical and navigational information.

Non-Personal Data (80.2%):

With this aggregate information, we may undertake statistical and other summary analyses of the visitors behaviors and characteristics.

Data Subject (82.4%), Personal Data (71.3%), Required Purpose (93.4%):

Collection and Use of Employee Personal Information We also collect personal information from our employees and from job applicants (human resource data) in connection with administration of our human resources programs and functions.

Required Purpose (91.9%):

These programs and functions include, but are not limited to: job applications and hiring programs, compensation and benefit programs, performance appraisals, training, access to our facilities and computer networks, employee profiles, employee directories, human resource recordkeeping, and other employment related purposes.

Required Purpose (85.8%), Third Party (93.7%):

There are certain business related exceptions and they are: To comply with municipal, regional, provincial or federal agency requests; Inquiries from third parties with a signed authorization from the employee to release the information, except in situations where limited verbal verifications are acceptable (see below); Third parties with which we have contractual agreements to assist in administration of company sponsored benefits.

Third Party (69.3%):

Prospective employers, government agencies, financial institutions, and residential property managers routinely contact us requesting information on a former or current employees work history and salary.

Processing (74.5%):

All such requests of this type shall be referred to and completed on a confidential basis by the human resources department or payroll department.

Required Purpose (80.4%):

For written verification of employment requests, information will be provided on the form only when it is accompanied by an employees signed authorization to release information.

Processing (64.5%):

The form will be returned directly to the requesting party and filed as part of the human resources or payroll departments confidential records.

Organisational Measure (87.4%), Processing (91.1%):

We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it.

Legal Basis (97.6%), Organisational Measure (86.1%):

We use reasonable measures to safeguard personally identifiable information, which measures are appropriate to the type of information maintained, and follow applicable laws regarding the safeguarding of any such information under our control.

Required Purpose (95.3%), Technical Measure (97.7%):

In addition, in some areas of our Sites, we may use encryption technology to enhance information privacy and help prevent loss, misuse, or alteration of the information under our control.

Processing (99.2%), Required Purpose (89.5%), Technical Measure (69.7%):

We also employ industry-standard measures and processes for detecting and responding to inappropriate attempts to breach our systems.

Personal Data (99.2%):

You are responsible for protecting your username and password from third party access, and for selecting passwords that are secure.

Organisational Measure (69.8%):

Monitoring and Enforcement We regularly review our compliance with our privacy policy.

Legal Basis (99.0%):

We also adhere to several self-regulatory frameworks in addition to complying with applicable law.

Authority (87.0%):

We work with the appropriate regulatory authorities to resolve any complaints that cannot be resolved directly.

Organisational Measure (68.5%):

We may require that you verify your identity before we act on a request to edit or remove your information.

Required Purpose (90.1%):

Social Media and Online Engagement We occasionally use a variety of new technologies and social media options to communicate and interact with customers, potential customers, employees and potential employees.

Required Purpose (98.9%), Third Party (91.9%):

To better engage the public in ongoing dialog, certain businesses of ours use certain third-party platforms including, but not limited to, Facebook, Twitter and LinkedIn.

Processing (94.2%):

When interacting on those websites, you may reveal certain personal information to us or to third parties.
