Personal Data (98.0%), Processing (67.4%), Required Purpose (93.4%):

As used herein, the term personal information means information that identifies an individual, or from which an individual could be identified (such as a name, address, telephone number, mobile number, email address, credit card number or other account number), and information about that individuals location or activities, such as information about his or her use of the Glympse service.

Consent (96.4%), Required Purpose (91.7%), Scale Non-EU (77.8%):

Dive in Privacy Policy Last Revised: May 19, 2020 This privacy policy (Policy) applies to the Website located at www.Glympse.com (the Site) owned and operated by Glympse Inc.

Personal Data (99.3%), Processing (68.3%):

Personal information also includes demographic information such as date of birth, gender, geographic area and preferences when such information is linked to other personal information that identifies you.

Non-Personal Data (97.2%):

For example, information that forty-seven percent of the Sites registered users identify themselves as male, is aggregate information.

Non-Personal Data (92.3%), Required Purpose (99.4%):

We collect aggregate data for a number of purposes, including to help us understand trends and user needs so that we can better consider new publications, products and services, and tailor existing publications, products and services to user desires.

Processing (99.7%):

Personal information may be collected in a number of ways when you use the various services and activities available through the Glympse Site and service.

Data Source (67.2%), Personal Data (98.5%):

At several places on our Site or within our mobile application, we may collect certain information you voluntarily provide to us which may contain personal information, such as your recipients contact information, e.g.

Personal Data (94.8%):

first name, last name, email address and/or phone number.

Consent (90.7%), Personal Data (95.0%):

When you use our app, you have the option to provide us with a username and profile picture, which will be sent along with any Glympse you send.

Non-Personal Data (77.6%), Personal Data (98.8%):

Personal information does not include aggregate information, which is data we collect about the use of the Site or service or categories of Site and service users, from which any personal information has been removed.

Data Source (82.5%), Personal Data (98.6%):

If you register for the mobile application or service, send us an email, or submit content, we may collect your name, photo, and demographic information that you provide.

Personal Data (94.5%):

In addition, from time to time we may collect contact or other personal or demographic information you provide in connection with your participation in surveys or promotional offers.

Consent (91.0%), Processing (91.1%):

We will never post to any social network or contact anyone on your behalf without your permission.

Third Party (70.1%):

We may provide the option of connecting to the Glympse service through Facebook, Twitter, Google+ or other social networks as a faster, easier way for you to create a profile on the Glympse service.

Automated Decision Making (96.3%), Consent (63.2%), Data Source (94.4%), Personal Data

(97.0%):

When turned on and with an active Glympse, the Glympse app will automatically collect location information from your mobile device and/or your mobile carrier.

Automated Decision Making (70.2%), Non-Personal Data (96.3%), Personal Data (65.6%):

When you use the service, via your mobile device, some information is also automatically collected, such as your Internet Protocol (IP) address, your operating system, the browser type, the address of a referring website, and your activity on the application and through the service.

Consent (93.2%), Non-Personal Data (87.9%), Personal Data (98.9%), Right (77.8%):

In compliance with the Privacy Shield Principles, Glympse commits to resolve complaints about our collection or use of your personal information.

Personal Data (94.2%), Processing (98.4%):

We treat the information collected in conjunction with the app as personal information if we combine it with or link it to any of the identifying information mentioned above.

Consent (65.5%), Personal Data (99.3%), Processing (95.8%), Retention (80.0%):

Unless you direct us to act otherwise, your personal location information is only stored by Glympse for up to 48 hours after which location information is disassociated from personal information.

Personal Data (85.4%), Processing (99.2%), Retention (71.7%):

If you no longer wish to allow us to collect and use your location information, you may discontinue the use of the service.

Processing (86.5%), Technical Measure (99.2%), Third Party (85.2%):

Tracking Technologies Glympse and its partners use cookies or similar technologies to analyze trends, administer the website, track users movements around the website, and to gather demographic information about our user base as a whole.

Consent (89.4%), Organisational Measure (78.3%):

You can control the use of cookies at the individual browser level, but if you choose to disable cookies, it may limit your use of certain features or functions on our website or service.

Processing (82.4%), Required Purpose (91.5%):

Behavioral Advertising / Re-Targeting We may partner with a third party to either display advertising on our Website or within our apps or to manage advertising on other sites or within other apps.

Required Purpose (96.2%):

Our third-party partner may use technologies such as cookies to gather information about your activities on this site or within our app and on other sites or within other apps in order to provide you advertising based upon your browsing activities and interests.

Non-Personal Data (81.2%), Personal Data (94.1%):

This information may include internet protocol (IP) addresses, browser type, internet service provider (ISP), referring/exit pages, operating system, date/time stamp, and/or clickstream data.

Required Purpose (94.8%), Technical Measure (82.1%):

Mobile Analytics We use mobile analytics software to allow us to better understand the functionality of our Mobile Software on your phone.

Non-Personal Data (89.8%), Processing (98.4%):

This software may record information such as how often you use the application, the events that occur within the application, aggregated usage, performance data, and from where the application was downloaded.

Personal Data (98.2%):

We do not link the information we store within the analytics software to any personally identifiable information you submit within the mobile application.

Art. 16 Right to rectification (74.5%), Organisational Measure (62.7%), Required Purpose (99.3%):

Push Notifications We may send you push notifications from time-to-time in order to update you about any updates, events or promotions that we may be running.

Non-Personal Data (89.3%), Required Purpose (91.9%):

To ensure you receive proper notifications, we will need to collect certain information about your device such as operating system and user identification information.

Personal Data (94.0%), Required Purpose (99.8%):

Usage and Disclosure In general, we use personal information we may collect (such as your name, location or social network information) to facilitate your use of the mobile application and Glympse service, to provide you with information, products and services you request, to administer and assist us with the operation of the Site, our app, and for any other purpose for which the information was provided.

Art. 16 Right to rectification (70.7%), Required Purpose (97.3%):

For example, we may use the information we collect: to respond to your emails, submissions, comments, requests or complaints; to ensure that the application is working correctly and that you are being served the most recent version; to allow other users of the service that you designate to temporarily view your whereabouts in real-time; to request feedback and to enable us to develop, customize and improve the Site and our information and services; and for the specific purpose for which the information was provided.

Personal Data (80.6%), Processing (89.2%), Required Purpose (99.0%):

In addition, if you so indicate in the event of sharing your contact information with us, we may use the information we collect to send you news and product and service updates, including contacting you about our services, products, activities, special events or offers and for other marketing, informational, product development and promotional purposes, including notifications about new features and or improvements to the Site or our products and services.

Processing (87.0%):

In such cases, this Policy governs our use and disclosure of such information.

Consent (81.1%), Personal Data (87.5%), Processing (98.8%), Recipient (62.5%):

With regard to SMS functionality, when Glympse sends location information from your mobile device to those recipients chosen by you, your phone number will be provided to them along with such identifying information as you choose, such as your username and/or photo.

Third Party (95.7%):

We may share your contact information with third parties, but only if you have indicated to us that you wish to receive information from such parties.

Consent (62.2%):

Glympse has certified to the Department of Commerce that it adheres to the Privacy Shield Principles.

Required Purpose (99.0%), Third Party (87.8%):

In the event that we engage or partner with third party vendors, consultants or other service providers in connection with the operation of the Site and our services (Service Providers), we may share personal information with such Service Providers who need access to such information to carry out their work for us.

Third Party (86.9%):

Service Providers include network operations and service monitoring (NOC) providers, server hosting companies, customer support service providers, and analytics services.

Third Party (96.0%):

In addition, we may offer various features through a third party service provider.

Processing (97.4%):

When you use these services, you would be providing information directly to the provider of these services, and the provision of such information would be subject to such party's own privacy policy.

Third Party (92.1%):

You should only share your location with people you know and trust not to convey your location to

others.

Processing (98.7%), Third Party (97.2%):

You should also note that personal information you share with others may be forwarded, and any information you post to public areas of the Site or in connection with third party sites (including social media sites such as Facebook) may become publicly available.

Processing (77.4%):

For example, information you display online or post to social media groups (including any interactive or public forums offered within the Site) may be made publicly available and can potentially be viewed by anyone.

Legal Basis (74.8%):

We also may disclose personal information when we are required to comply with the law (e.g.

Required Purpose (98.1%):

a lawful subpoena, warrant or court order); to enforce or apply this privacy policy or our other policies or agreements; to initiate, render, bill, and collect for amounts owed to us; to protect our or our customers rights, property or safety; to protect our customers from fraudulent, abusive, or unlawful use of our Site; or if we believe that an emergency involving the danger of death or serious physical injury to any person requires disclosure of communications or justifies disclosure of personal information.

Processing (97.7%):

We do not sell, share, or rent any personal information to third parties in any ways different from what is disclosed in this Policy.

Required Purpose (82.8%):

In addition, information about our customers, including personal information, may be disclosed as part of any merger, acquisition, debt financing, sale of company assets, as well as in the event of an insolvency, bankruptcy or receivership in which personally identifiable information could be transferred to third parties as one of the business assets of the Company.

Third Party (98.6%):

Please note: The Site and service may provide links to other sites, or other interactive forums hosted by a third party.

Personal Data (99.3%), Processing (99.6%):

We encourage you to be aware when you leave our Site and to read the privacy policies of any Website that collects personally identifiable information.

Scale Non-EU (90.9%):

is based in the United States of America, and any information which we collect about you or which you provide to us may therefore be transferred to the United States.

Right (76.4%), Scale EU (70.9%):

If you are using the Site and the app in the European Economic Area (EEA), you consent to your personal information being transferred outside the EEA, including to countries where you may have fewer legal rights.

Required Purpose (63.4%):

However, we will take steps to ensure that your personal information is treated securely and in accordance with this Policy, wherever it is handled.

Organisational Measure (93.3%):

Glympse endeavors to secure your personal information from unauthorized access, use or disclosure by putting into place measures to safeguard the information we collect.

Processing (92.4%):

Similarly, if you entered the Glympse Site through another Web site, we are also not responsible for the privacy practices of that site, and you should review the privacy policy of the originating site before providing any personal information to that site.

Personal Data (95.2%), Processing (63.1%):

When you enter sensitive information or we automatically collect sensitive information on our forms, we encrypt the transmission of that information using transport layer security (TLS).

Consent (85.7%):

What choices and means do you have for limiting the use and disclosure of your personal information?

Personal Data (90.0%):

When you use the application to send an invitation to a third party to view your location, the invitation remains in your user history as a sent request.

Consent (86.1%), Processing (71.1%), Third Party (99.0%):

Your personal information is kept strictly confidential and will not be shared or sold to third parties other than (a) as expressly described in this Privacy Policy (see What personal information do we share with third parties), (b) to your Glympse invitees or (c) only if you have affirmatively agreed (opt-in) that you wish to receive information from any such third parties.

Personal Data (81.3%):

If you provide us with your contact details as part of your use of the Site or the app, we may send you news and product updates relating to Glympse.

Retention (85.4%):

Please note, however, that as long as you receive the Glympse service, you may not opt out of receiving service-related emails from Glympse.

Consent (70.2%):

If Glympse intends to use your personal information for a purpose that is materially different from the purpose(s) for which it was originally collected or subsequently authorized by you, Glympse will only do so after notifying you and giving you an opportunity to opt out of the use.

Consent (66.1%), Personal Data (75.7%), Retention (72.8%):

Unless you have requested us to do otherwise, we do not keep your personal Glympse location data for longer than 48 hours after which we disassociate it from your personal information for future aggregate use.

Art. 17 Right to erasure (right to be forgotten) (83.3%):

You may delete your user history, and each sent invitation, at your discretion within the user history section of the app.

Processing (97.5%):

All requests sent to privacy@glympse.com will be processed within a reasonable timeframe.

Art. 17 Right to erasure (right to be forgotten) (64.8%), Processing (98.3%), Retention (87.5%):

Data Retention Any information supplied by you in connection with a Glympse user account will be retained as long as your account is active or as needed to provide you services.

Personal Data (84.3%):

Where is your information stored?

Required Purpose (96.6%):

We may retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

Authority (85.7%), Required Purpose (91.1%):

Glympse may be required to disclose personal information in response to lawful requests by public authorities, including to meet national security or law enforcement requirements.

Third Party (84.8%):

Facebook Connect or other OpenID providers You can log in to our mobile application using sign-in services such as Facebook Connect or an OpenID provider.

Required Purpose (70.8%):

These services will authenticate your identity and provide you the option to share certain personal information with us such as your name and email address to pre-populate our sign-up form.

Personal Data (85.7%):

Services like Facebook Connect give you the option to post information about your activities and locations on this Website to your profile page to share with others within your network.

Personal Data (99.2%), Required Purpose (77.8%):

These features may collect your IP address, which page you are visiting on our site, and may set a cookie to enable the Feature to function properly.

Legal Basis (98.3%), Personal Data (73.6%), Processing (99.1%), Scale Non-EU (90.5%):

California Residents: Starting January 1, 2020, under the California Consumer Privacy Act (CCPA), California Residents have the right to request the following information from Glympse by emailing Glympse at privacy@Glympse.com and Glympse will provide such information to you upon verification of your request: The categories of personal information Glympse collects about you; The categories of sources from which your personal information is collected; The business purpose for collecting your personal information; The categories of third parties with whom Glympse shares your personal information; and The specific pieces of personal information Glympse has collected about you.

Not Required Purpose (62.4%):

In addition, you can find the following information in the corresponding Glympse Privacy Policy Sections: If you elect to exercise any of your rights under CCPA, Glympse will not deny services, provide a different price or rate for our services, or provide a different level of service to you because you exercised such rights.

Required Purpose (95.5%):

Complete the transaction for which we collected the personal information, provide a service that you requested, take actions reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform our contract with you.

Required Purpose (82.8%):

Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity, or prosecute those responsible for such activities.

Required Purpose (82.8%):

Debug products to identify and repair errors that impair existing intended functionality.

Legal Basis (85.2%), Right (69.3%):

Exercise free speech, ensure the right of another consumer to exercise their free speech rights, or exercise another right provided for by law.

Legal Basis (85.2%):

Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when the information's deletion may likely render impossible or seriously impair the research's achievement, if you previously provided informed consent.

Personal Data (99.1%):

Disclosures of Personal Information for a Business Purpose In the preceding 12 months, Glympse has disclosed certain user data to the following categories of third parties: Service Providers.

Authority (80.7%):

Refer to the following section in our Privacy Policy: What personal information do we share with third parties? Exercising Access, Data Portability, and Deletion Rights To exercise the access, data portability, and deletion rights described above, please submit a verifiable consumer request to us by: Emailing us at privacy@glympse.com Only you, or a person registered with the California Secretary of State that you authorize to act on your behalf, may make a verifiable consumer request related to your personal information.

Authority (83.4%):

You may use an authorized agent to submit a request to know or a request to delete on your behalf.

Legal Basis (96.2%):

An authorized agent is a person or business registered with the California Secretary of State that you have authorized to act on your behalf to make a request to know or a request to delete according to the California Consumer Privacy Act.

Organisational Measure (66.7%):

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded.

Organisational Measure (82.7%):

Changes in this Privacy Statement We may update this privacy statement to reflect changes to our information practices.

Organisational Measure (84.0%):

If we make any material changes we will notify you by posting the revised privacy policy on our Site or, if you have established a Glympse user account, we will send a notification to the email address specified in your account.

Organisational Measure (92.3%):

Any revisions to our privacy policy will become effective after such notification.

Required Purpose (87.2%):

Our platform enables branded, multi-party collaboration and tracking across people, vehicles, assets and equipmentgiving your teams and customers a shared, real-time view that streamlines workflows, reduces calls, and drives efficiency.

Required Purpose (92.8%):

Smart Tracking Starts Here Subscribe for practical tips, feature rollouts, and stories from teams using Glympse to boost visibility and customer trust Email Address No, real-time updates sound too helpful
