Data Protection Notice

Goodwall Goodwall has been featured on the cover of Fast Company!

Processing (98.1%), Right (70.9%), Scale EU (62.5%), Scale Non-EU (89.1%):

Your personal data are processed by Goodwall SA, Avenue de Secheron 15, 1202 Geneve, Switzerland.

Consent (87.4%), Legal Basis (87.5%):

Where we refer to certain laws or regulations, such reference shall also include any change, replacement or annulment of said laws or regulations, including any related executive decisions.

Consent (67.0%), Non-Personal Data (84.3%), Personal Data (99.4%), Processing (99.4%), Retention (75.0%):

Whenever you use our website or platform, we collect: Technical information associated with the device you use, such as the device type and model, system language, browser type, geographical location and operating system; Technical identifiers that identify the device you use, such as IP address, IDFA (identifier for advertisers) and other unique identifiers; Information concerning your browsing behaviour and engagement information, such as how long you visit, what links you click on, what pages you visit, how many times you visit a page and how long it takes for you to come back.

Consent (79.3%), Non-Personal Data (68.7%), Organisational Measure (94.9%), Personal Data (98.1%):

In most cases this is: Your contact information, such as your name, e-mail address, phone number, and postal address; Your student or professional characteristics, such as the school or university you go to or your organisation and your function; The content of your communication and the technical details of the communication itself, such as with whom you correspond at our end, and the date and time; Publicly available information about you; Any other personal data you choose to provide to us.

Consent (75.0%), Lodge Complaint (64.2%), Personal Data (99.6%):

When you use our platform, we collect: The basic identity information we require to build your profile are your first name, family name, e-mail address or phone number, country of residence, birthday, and educational background and situation; Your profile details you provide us with, such as details pertaining to your school or university, your grades and your achievements, gender, age, hometown, interests, grades, preferred subjects, university matches; Your profile picture; Your posts on our platform; Your location; Your contact list; Other profile information reported by other users or by the system due to violation of Terms and Conditions such as, but not limited to, your profile, messages sent in the platform, posts, and comments; The information we require to allow you access to our platform, namely your name, your contact details, such as e-mail address, and details pertaining to your organisation and your function within the organisation; Transaction information and payment methods preferences; Other personal data you provide us with.

Personal Data (99.5%):

When you use the Face ID feature for authentication, we collect and process biometric data from your facial image.

Personal Data (88.0%), Processing (93.0%):

This includes a facial scan processed using Amazon Web Services (AWS) Rekognition to extract facial feature data.

Processing (90.2%), Required Purpose (80.0%):

The facial image itself is not stored; only non-identifiable feature vectors are temporarily processed to verify your identity.

Processing (97.9%), Third Party (87.5%):

This processing is conducted on our secured servers and not shared with any external parties beyond AWS as our processor.

Processing (90.8%):

All of the personal data listed above, we receive directly from you.

Third Party (76.9%):

It may happen that we receive additional information about your preferences and surfing behaviour from partners such as Google, LinkedIn and Facebook.

Required Purpose (89.6%):

We process your personal data in order to provide you the services you request from us in a personalised and efficient way.

Personal Data (92.9%):

This includes personalised content on the Community Feed based on your location, your graduation year and your interests.

Required Purpose (92.5%):

When your profile preferences indicate that you want to hear from universities and companies, we process your personal data for matchmaking and recruitment purposes.

Processing (88.4%):

This means that we will send you relevant communications, promotions and offerings from us and from the universities and companies that we selected for you.

Authority (96.2%), Required Purpose (82.1%):

We process your personal data to comply with our legal obligations or to comply with any reasonable request from competent law enforcement agents or representatives, judicial authorities, governmental agencies or bodies, including competent data protection authorities.

Processing (86.1%):

In the same way, we may transfer your personal data upon our own initiative to the police or the judicial authorities as evidence or if there are justified suspicions of an unlawful act or crime committed by you through your registration with or use of our website, our platform or other interaction with us.

Data Processor (71.5%), Recipient (64.8%), Required Purpose (91.7%):

Especially when you are a business partner, we might be required to collect and transfer your personal data to our financial institution or payment service provider to allow your financial institution and the payment service provider to comply with their legal obligations, such as obligations under applicable anti-money laundering and counter-terrorism financing legislation.

Legitimate Interest (64.9%):

If you require more information about the personal data these parties process about you and make available to others, you are kindly requested to consult their respective privacy policies: Google:

<https://www.google.com/intl/en/policies/privacy/>;

LinkedIn:

<https://www.linkedin.com/legal/privacy-policy>; Facebook: <https://www.facebook.com/about/privacy>;

3.

Required Purpose (94.6%):

We process your personal data to perform statistical analyses so that we may improve our website, and platform or to develop new products and services.

Scale Non-EU (72.6%), Third Party (97.5%):

We may process your personal data for informing any third party in the context of a possible merger with, acquisition from/by or demerger by that third party, even if that third party is located outside the European Union and Switzerland.

Contract (91.2%), Legitimate Interest (88.1%), Right (92.4%), Technical Measure (96.4%):

We may process your personal data for the preservation of our legitimate interests or the legitimate interests of our partners or of a third party if and when your registration with or use of our website or platform can be considered (a) a violation of any applicable terms of use or intellectual property rights or any other right of a third party, (b) a threat to the security or integrity of our website or platform, (c) a danger to our website or platform or any of our, or our subcontractors underlying systems due to viruses, Trojan horses, spyware, malware or any other form of malicious code, or (d) in any way hateful, obscene, discriminating, racist, slanderous, spiteful, hurtful or in some other way inappropriate or illegal.

Required Purpose (98.8%):

We may process your personal data to ensure the safety of all parties in the platform.

Contract (72.1%):

This includes the review of reported profiles, posts, comments and messages that are deemed inappropriate by the system or as reported by other users in violation of Terms and Conditions.

Personal Data (99.7%), Required Purpose (89.6%):

We process facial biometric data for the sole purpose of enabling secure identity verification via Face ID.

Required Purpose (95.3%):

This allows us to protect user accounts and enhance platform safety.

Consent (97.2%):

Processing is based on your explicit consent, which you may withdraw at any time contacting us at dpo@goodwall.io.

Required Purpose (94.8%):

We process your personal data to provide you the service your requested as set out in clause 3.1, as far as this is necessary for performing the agreement between you and Goodwall.

Consent (67.0%):

You can contact us via e-mail at dpo@goodwall.io.

Consent (70.9%):

By opting-in you give us your consent for this processing activity.

Consent (87.5%):

However, if you did not reach the age of 16 years, we ask you to opt-in for specific services together with your parents.

Consent (84.9%):

You can always change your preference in the settings on your mobile device.

Required Purpose (64.8%):

When you are a business partner we hope to send you relevant communications, promotions and offerings about our new products and services.

Required Purpose (90.5%):

The processing of your personal data for the purposes outlined in clauses 3.1, 3.6, 3.7, 3.8 and 3.9 is necessary for the purpose of the legitimate interests of Goodwall, which are: Continuous improvements of our website, platform, products and services to ensure that you have the best experience possible; Keeping our website and platform safe from misuse and illegal activity; Marketing and promotion of our products, services, and overall successful commercialisation of our products and services.

Personal Data (95.4%), Required Purpose (94.5%), Third Party (99.0%):

You understand that if you use our website or platform, your personal details also processed by third parties that process your data on our behalf in order to provide you our tools and services and to improve them.

Scale EU (74.6%):

We also use a third party to safely store your personal data within the European Union.

Personal Data (79.2%), Required Purpose (97.9%):

Moreover, we rely on third parties to follow certain of your actions on our website or platform in order to better understand how Goodwall is used.

Processing (79.8%):

In order to manage the involvement of our third-party service providers we also rely on a specific third- party service provider that is devoted to organising these data flows in a comprehensible and

efficient manner.

Required Purpose (90.3%):

If you purchase anything via our platform, a financial institution or payment service provider may also receive your personal data in order to provide their services.

Processing (99.2%), Recipient (75.6%):

Goodwall shares your personal data within the Goodwall Group, with Goodwall Inc.

Required Purpose (89.1%), Scale Non-EU (89.7%):

when you are looking for interesting opportunities outside of Europe, in order to provide you with our personalised services around the world.

Processing (99.1%):

Goodwall processes your personal data first and foremost within the European Economic Area (EEA) and Switzerland.

Scale Non-EU (80.1%):

However, in order to process your personal data for the purposes outlined in clause 3 above, we may also transfer your personal data within the Goodwall Group or to third parties who process on our behalf as set out in clause 5 which are located outside the EEA and Switzerland.

Processing (81.3%):

The European Commission (EC) and the Swiss Federal Data Protection and Information Commissioner (FDPIC) maintain and publish a list of such countries; or A contractual arrangement being in place between Goodwall and the third party such as an arrangement based on the European Commissions Standard Contractual Clauses (controller- to-controller) (Commission decision C(2004)5721) or other standard contractual clauses acknowledged by the EC or the FDPIC, depending on the country from where the data are transferred; or Self-certification under the EU-US and/or the Swiss-US Privacy Shield regime, depending on the country from where the data are transferred (www.privacyshield.gov).

Recipient (61.6%):

Recipients of your data outside the EEA include the recipients described in clause 5.

Consent (64.1%), Retention (89.8%):

Your personal data are only processed for as long as needed to achieve the purposes listed under clause 3 of this Data Protection Notice or up until such time where you withdraw your consent for processing them.

Consent (72.1%):

Note that withdrawal of consent may imply that you can no longer use the whole or part of the

website or platform.

Third Party (94.4%):

If you are about to graduate or if you are a university student, these services include matchmaking between you and potential universities or future employers.

Right (62.9%):

You have the right to request access to all personal data processed by us pertaining to you.

Right (61.0%):

You have the right to withdraw your earlier given consent for processing your personal data, in which case clause 8.4 will apply.

Art. 17 Right to erasure (right to be forgotten) (71.8%), Consent (94.2%):

We might have to modify, change or amend our Data Protection Notice.

Art. 17 Right to erasure (right to be forgotten) (85.6%), Consent (90.7%):

You have the right to request that your personal data pertaining will be deleted if they are no longer required in light of the purposes outlined in clause 3 or if you withdraw your consent.

Legitimate Interest (65.8%):

Goodwall will de-identify your personal data when they are no longer necessary for the purposes outlined in clause 3, unless there is: An overriding interest of Goodwall or any other third party in keeping your personal data identifiable; A legal or regulatory obligation or a judicial or administrative order that prevents Goodwall from de-identifying them.

Art. 21 Right to object (79.3%):

You have the right to object to the processing on grounds relating to your particular situation.

Data Source (73.9%):

When we process your personal data based on your consent or in order to perform a contract, you have the right to receive the personal data you have provided to us in a structured, commonly used and machine-readable format and you have the right to transmit those data to another controller.

Automated Decision Making (85.0%), Required Purpose (87.9%):

You have the right not to be subject to a decision solely based on automated processing, which produces legal effects concerning you or when this decision similarly significantly affects you, unless these decisions are made as a consequence of our agreement in order to provide you with the services requested by you or when we asked your explicit consent for this.

Organisational Measure (71.2%):

We will promptly inform you of having received this request.
