Organisational Measure (71.1%), Personal Data (99.1%), Required Purpose (68.1%):

In short: I do not collect personal information in or through my games.

Personal Data (99.0%):

I collect your name and email address for my newsletters if you sign up.

Consent (79.2%), Organisational Measure (86.1%), Personal Data (64.7%), Processing (93.1%), Required Purpose (97.7%), Scale EU (63.9%):

I used to collect anonymous usage statistics to help me improve my games, but in the light of the European GDPR, I decided I did not want to annoy my players with a consent popup, so I removed all forms of analytics from all of my games.
