We are compliant with FERPA and COPPA You have the right to request a copy to review and delete the information We have collected about you at any time.

Required Purpose (72.2%):

WHAT KIND OF INFORMATION WE COLLECT In the course of providing our Services, We collect

certain information.

Data Source (60.3%):

Some of the information is the information you voluntarily provide to us, like an email address.

Legitimate Interest (83.7%), Required Purpose (81.4%):

We only collect your information in furtherance of our legitimate interest of providing you with the Services, and internally to evaluate our efforts to improve the Services, and we do not sell this information.

Required Purpose (73.7%):

These technologies help us keep track of user behavior, tell us which parts of our Services people have visited and are using, and facilitate and measure the effectiveness of activities.

Non-Personal Data (91.0%):

If you use any of our Services, we may also collect data related to the device on which the App is loaded.

Technical Measure (82.4%), Third Party (86.9%):

In particular, for analytics, we are using third party services of Mixpanel and Google Analytics.

Third Party (65.6%):

They store this data securely and do not share it with anyone else.

Required Purpose (78.8%):

We are using a restricted version of their analytics product designed for use with apps for children, meaning that the anonymous data created from our Apps isn't used anywhere else in their system, it's only for us to improve the apps, including information on App crashes, usage time, games played and problems missed.

Personal Data (99.7%), Processing (93.5%):

The Services may enable you to input first names or nicknames for student and children players, which allow you to set up multiple profiles on a single device.

Required Purpose (75.6%):

The Apps will track each child's play data separately to provide personalized activities and levels for each profile.

Required Purpose (90.0%):

When you sign up for a parent account, we collect and verify the parent's email address so we can notify you about your child(ren)'s activities when using the Apps.

Personal Data (98.4%):

The Profile Names, zip code level location, along with birth month and year, will be collected in order

to personalize your reports.

Non-Personal Data (79.7%):

The Services will collect student play data thru persistent identifiers that are then linked to individual student nicknames or first names (not full names).

Required Purpose (82.2%):

This allows us to provide progress reports.

Required Purpose (96.8%):

Information collected from our Services is used for internal purposes to provide and improve the Services and for use and benefit of the students, schools, and parents only.

Consent (70.0%):

We rely on teachers and schools to obtain parental consents if and when they are necessary.

Personal Data (64.1%):

Additional Protections and Information for School Accounts Educational Use; Student Data.

Non-Personal Data (67.1%), Personal Data (99.6%):

Personal Data (66.4%):

Only parents or educators may sign up for a parent or school account by entering through a parental gate.

Personal Data (86.3%):

For school accounts and school-based services, a school administrator or educator signs up for a school account, whereupon we collect the administrator's or educator's name, email address, school name and city.

Personal Data (74.2%):

An educator sets up student nicknames or first names and accessibility options.

Data Subject (66.6%):

Students are only identified by a nickname or first name and then associated with the teacher for their work through the Services (student first names and their work on the Services are collectively, "Student Data").

Retention (68.0%):

Students who use the story telling feature can submit pictures or text, so long as those features do not involve any Personal information, and those pictures and text features are not made publically accessible.

Personal Data (70.8%), Required Purpose (95.9%):

With respect to student data in particular, We commit to protect student data additionally as follows
Student data collected from our Services is evaluated and used only to provide the Services and for use and benefit of the students, schools, and parents only.

Personal Data (81.0%):

With respect to all student data, our practices are particularly strict, as we describe below.

Required Purpose (85.0%), Retention (95.4%):

We will keep student data only as long as it continues to be part of our providing the Services and to maintain a record of our means to communicate with users.

Retention (83.6%):

Once a teacher or school terminates its subscription or goes inactive, we will retain those records for not longer than 24 months from termination or inactivation.

Personal Data (65.8%):

The Services use cookies or web beacons to serve ads based on someone's prior web browsing history to then show ads and other reminders that you visited.

Processing (66.4%):

We recommend you be cautious about giving out Personal Information to others or sharing such information in public or online forums.

Third Party (80.4%):
