To protect our business operations, secure our network and information technology, assets and services; to prevent and detect fraud, unauthorized activities, access and other misconduct; where we believe necessary to investigate, prevent or take action regarding suspected violations of our Terms and other agreements, as well as fraud, illegal activities and other situations involving potential threats to the rights or safety of any person or third party; and as necessary to defend our

legal interests and rights.

Legitimate Interest (79.3%):

To comply with the law or legal proceedings.

Legitimate Interest (65.2%), Organisational Measure (77.0%), Processing (98.3%):

For example, we may disclose information in response to subpoenas, court orders, and other lawful requests by regulators and law enforcement, including responding to national security or law enforcement disclosure requirements.

Consent (71.4%), Required Purpose (94.3%):

We may also use your personal information for other purposes, where you have consented.

Non-Personal Data (86.4%), Required Purpose (90.4%):

We may also use aggregate and deidentified information for various research, development, product improvement, analytics and other purposes.

Processing (98.4%):

We may use, store or transfer personal information outside your jurisdiction.

Third Party (70.9%):

In providing our services to you, we may also provide your personal information to subsidiaries and affiliates, service providers and/or third parties who may be located outside your jurisdiction.

Processing (99.0%):

Please refer to Contact Us below to find out information about (i) our practices with respect to the use of third parties and service providers outside your jurisdiction, and (ii) questions you may have about the collection, use, disclosure or storage of personal information by parties located outside your jurisdiction.

Processing (98.7%):

How We Disclose Personal Information We may share or disclose the information (including personal information) that we collect as follows: Subsidiaries and Affiliates.

Third Party (76.6%):

With our subsidiaries and affiliated companies (i.e., companies under common ownership, control or management with us); their use and disclosure of such personal information is subject to this Policy.

Required Purpose (68.9%):

With our third-party service providers who use this information to perform services on our behalf, such as hosting providers, payment providers, auditors, advisors, consultants, customer service and/or support providers.

Third Party (95.4%):

Information We Collect About You from Third Parties.

Personal Data (93.6%):

While you can browse most parts of our website freely, certain areas and features of our Services require you to create an account with us.

Legal Basis (87.2%):

In response to a valid court order, subpoena, government investigation, or as otherwise required by law.

Authority (65.5%), Right (72.0%):

We also reserve the right to report to law enforcement agencies any activities that we, in good faith, believe to be unlawful.

Legal Basis (80.4%):

As part of any actual or contemplated merger, sale, transfer of assets, acquisition, financing and/or restructuring of all or part of our business, bankruptcy or similar event, including related to due diligence conducted prior to such event where permitted by law.

Right (76.2%):

Protection of Rights.

Required Purpose (95.3%):

Where we believe it necessary to respond to claims asserted against us, to enforce or administer our agreements and terms, for fraud prevention, risk assessment, investigation, to protect the rights, property or safety of iTalkBB, our affiliates, clients, customers and/or others, and/or as evidence in litigation in which we are involved.

Non-Personal Data (92.0%), Required Purpose (95.2%):

We may share aggregate or de-identified information with third parties for research, marketing, advertising, analytics and/or other purposes.

Required Purpose (78.5%):

With third parties that provide advertising, campaign measurement, online and/or mobile analytics and related services.

Required Purpose (94.7%), Technical Measure (97.4%):

Cookies and Tracking Information We and our third-party providers use cookies, clear GIFs/pixel tags, JavaScript, local storage, log files, and other mechanisms to automatically collect and record information about your browsing activities and use of the Sites and other Services.

Required Purpose (99.7%):

We use this usage data to understand how our Services are used, track bugs and errors, provide

and improve our Services, verify account credentials, allow logins, track sessions, prevent fraud, and protect our Services, as well as for targeted marketing and advertising, to personalize content and for analytics purposes.

Required Purpose (94.6%):

Some cookies allow us to make it easier for you to navigate our Site, while others are used to enable a faster log-in process or to allow us to track your activities while using our Site.

Organisational Measure (86.9%):

Most web browsers automatically accept cookies, but if you prefer, you can edit your browser options to block them in the future.

Technical Measure (93.6%):

Pixel Tags.

Technical Measure (96.5%):

Some of the Services may not work properly if you disable cookies.

Required Purpose (94.5%), Technical Measure (97.8%):

We may use pixel tags (also referred to as web beacons, web bugs or clear GIFs), in connection with our Services to, among other things, help us manage ads and content, and compile statistics about usage of our Services.

Required Purpose (94.7%):

We may also use pixel tags in HTML emails to our customers, to help us track email response rates, identify when our emails are viewed, and track whether our emails are forwarded.

Organisational Measure (94.3%):

You can adjust your cookie preferences for our Site, using our cookie preference manager.

Organisational Measure (76.6%):

You can also block or disable cookies for the device and browser you are using, through your browser settings; however, certain features on our Sites may not be available or function properly if you block or disable cookies.

Organisational Measure (77.4%):

Our Sites currently do not respond to do not track signals.

Required Purpose (98.8%), Third Party (98.8%):

Interest Based Advertising We may work with third-party ad networks, channel partners, measurement services and others (third party ad companies) to display advertising on our Services, and to manage our advertising on third-party sites, and online services.

Personal Data (98.9%), Required Purpose (95.9%), Technical Measure (89.4%):

We and these third-party ad companies may use cookies, pixels tags, and other tools to collect activity information on our Services (as well as on third-party sites and services), as well as IP address, device ID, cookie and advertising IDs, and other identifiers, general location information (e.g., derived from your IP address), and, with your consent, we may collect your devices geolocation information through our Apps; we and these third-party ad companies use this information to provide you more relevant ads and content and to improve and evaluate such ads and content.

Consent (94.3%), Organisational Measure (66.9%):

As explained above, you can adjust your cookie preferences for our Site, including to opt out of advertising cookies, using our cookie preference manager, and you can also block or disable cookies for the device and browser you are using.

Consent (96.5%):

We also collect information about items in your online shopping cart and other order information that you submit.

Organisational Measure (79.6%):

Security We have implemented safeguards designed to protect the information we collect from loss, misuse, unauthorized access, disclosure, alteration, and destruction.

Processing (95.8%):

Rights and Choices In this section we describe the choices you have regarding our collection, use and handling of your personal information.

Organisational Measure (73.4%):

You may access, update, and delete certain of your personal information by accessing and adjusting your account settings.

Legal Basis (98.7%), Organisational Measure (66.2%), Processing (69.1%):

Please note that we may maintain copies of information that you have updated, modified or deleted, in our business records and in the normal course of our business operations, as permitted or required by applicable law.

Processing (76.9%), Retention (60.7%):

For example, if you request that we delete your information, but we believe that you have violated our Terms, we may retain information about you in order to attempt to resolve the issue before deleting it.

Legal Basis (69.4%):

Your access to or correction of your personal information is subject to applicable legal restrictions

and the availability of such information.

Organisational Measure (72.7%):

Further, we may take reasonable steps to verify your identity before granting such access or making corrections.

Organisational Measure (92.0%):

As noted above, you can control your cookie preferences on our Sites and opt out of most third-party advertising tags and cookies on our Sites.

Organisational Measure (95.1%):

We will post any changes to this Policy on our Services.

Organisational Measure (87.5%):

If we make any changes to this Policy that materially affect our practices with regard to the personal information we have previously collected from you, we will endeavor to provide you with notice in advance of such change by highlighting the change on our Services.
