

Legal Basis (82.4%), Non-Personal Data (92.4%), Personal Data (90.8%), Processing (99.6%):

This policy (Privacy Policy), together with the Terms and Conditions of the Application hosted at [Terms of Use] outlines the Applications privacy practices regarding the collection, use and safeguard of your information through the Application and the services offered thereupon.

Non-Personal Data (68.8%), Organisational Measure (80.3%), Personal Data (93.2%), Processing (99.2%), Required Purpose (63.5%):

This Privacy Policy additionally governs our data collection and data storing practices in connection with HealthPatri, a feature in JioHealthHub that enables users to store and share their health data with doctors.

Consent (63.5%), Data Controller (94.6%), Data Subject (87.5%), Legal Basis (84.1%), Non-Personal Data (92.8%), Organisational Measure (86.0%), Personal Data (77.9%), Required Purpose (89.0%), Retention (95.6%):

JioHealthHub Application Privacy Policy Thank you for using JioHealthHub.

Data Controller (95.7%), Legal Basis (82.4%), Required Purpose (64.3%):

SCOPE: JioHealthHub Application (hereinafter referred to as Application, we, our, us) is committed to protecting and respecting your privacy.

Consent (64.8%), Legal Basis (68.4%), Organisational Measure (69.9%), Personal Data (99.8%), Retention (70.2%):

Your use of, and/or registration on the Application and submission of personal information (or if You are a minor, the submission of Your personal information either by Your parents (or Your guardian) or by You with the permission of Your parents (or guardian)) to the Application will be deemed as your acceptance of this Privacy Policy.

Consent (69.9%), Data Subject (93.9%), Required Purpose (99.5%):

Your privacy is important to us.

Data Source (71.8%), Legal Basis (74.7%), Processing (95.7%):

This document is an electronic record in terms of the Information Technology Act, 2000 (as amended / re-enacted) ("IT Act") and rules thereunder, and is published in accordance with the provisions of Rule 3 (1) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, which mandates for publishing of rules and regulations, privacy policy and terms of use for access or usage of Application.

Personal Data (86.4%), Processing (96.8%), Technical Measure (83.9%):

This electronic record is generated by a computer system and does not require any physical or digital signatures.

Legal Basis (75.7%):

This Privacy Policy is published in compliance with, inter alia: Section 43A of the Information Technology Act, 2000; Regulation 4 of the Information Technology (Reasonable Security Practices and Procedures and Sensitive Personal Data or Information) Rules, 2011 (the SPDI Rules); and Regulation 3(1) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021.

Organisational Measure (85.4%):

The Application strongly encourages parents and guardians to supervise the online activities of their minor children and consider using parental control tools available from online services and software manufacturers to help provide a child-friendly online environment.

Personal Data (98.4%), Processing (89.2%), Third Party (71.6%):

These tools also can prevent minors from disclosing their name, address, and other personally identifiable information online without parental permission.

Personal Data (98.1%):

This privacy policy gives an account of our privacy practices with respect to your information.

Legal Basis (97.6%), Processing (88.1%):

MODIFICATIONS TO THE PRIVACY POLICY: Your information will be treated in accordance with applicable laws, and regulations.

Legal Basis (72.0%), Organisational Measure (79.4%), Required Purpose (72.7%):

This Privacy Policy is subject to modification as per the Companys discretion including as a consequence to changes in the business, legal and regulatory requirements and such modifications will be updated online.

Data Controller (96.3%), Organisational Measure (96.8%):

We will notify you whenever any change to the Privacy Policy is made.

Organisational Measure (94.1%):

You are encouraged to periodically visit this page to review the Privacy Policy and any changes to it.

Data Source (71.0%), Data Subject (89.8%), Personal Data (86.5%), Processing (94.2%), Third Party (98.7%):

THIRD PARTY SERVICES: Please note that your internet service provider, operating system provider, third party service providers defined as Partner Service Providers under the Terms and Conditions of the Application, websites that you access, third party operators may also collect, use and share information about You and Your usage.

Organisational Measure (75.1%), Third Party (98.6%):

We cannot control how these third parties collect, use, share or secure this information.

Third Party (97.6%):

The Application may include links to other websites/applications and other content that links to third party websites.

Third Party (79.5%):

Use of any information you provide while using a third party website or application through the Application, is governed by the privacy policy of the operator of the website / application / operator You are using/ visiting.

Processing (63.4%):

For this purpose, the Company integrates certain APIs owned or operated by Youtube with due permissions from Youtube.

Organisational Measure (88.6%), Processing (98.9%):

The Application implements reasonable security practices and procedures and has a comprehensive documented information security programme and information security policies that contain managerial, technical, operational and physical security control measures that are commensurate with respect to the information being collected and the nature of Applications business.

Organisational Measure (91.5%), Personal Data (99.0%):

The reasonable security practices and procedures implemented by the Application include but are not limited to: encrypting data when it is on the move using industry standard practices, keeping all the data within private cloud, regularly changing production keys and password, secure and very limited access to all production servers, performing regular security updates on our servers and more.

Personal Data (97.9%), Processing (85.9%), Required Purpose (78.4%):

PERSONAL INFORMATION WE COLLECT: Personal information we collect is as follows: Identification Information that can be used to identify You and may include details such as Your name, age, height, weight, gender, contact information, products and services You are interested in or require more information about.

Personal Data (78.2%), Required Purpose (90.6%):

If you can't find the privacy policy of any of such websites /application via a link from its website's homepage, You should contact the relevant website /application operator directly for more information.

Data Source (75.6%), Non-Personal Data (92.9%), Personal Data (96.7%), Third Party (77.8%):

Financial information such as bank account or other payment instrument details and billing information other than credit card or debit card or payment account number, subject to applicable laws; Your browsing history including the URL of the site that you visited prior to visiting the Website as well as the Internet Protocol (IP) address of your computer (or the proxy server you used to access the World Wide Web), your computer operating system and type of web browser you are using, the name of your ISP; Any additional information that you provide to us during the use of the Services, through any mode of communication or during any interaction with our employees, doctors, technicians, service providers, paramedics, consultants, etc.; Health information such as your medical records and history which you voluntarily provide or is generated on the usage of any of the Services availed by you; Information regarding your insurance coverage (such as your insurance carrier and insurance plan) which you voluntarily provide or is generated on availing any of the Services; Information regarding your physical, physiological, and mental health condition which you voluntarily provide or is generated on the usage of the Services including information such as (a) inpatient and emergency department data; (b) outpatient registration, scheduling, and encounter data; (c) laboratory data; (d) radiology data; (e) pharmacy orders data; (f) e-prescribing data; (g) pharmacy dispensing data; (h) medical administration data; (i) administrative and operational data; (j) transaction data; Any other information that is collected or generated in the course of availing the Services; Data regarding your medical qualifications, registrations, and certifications; Any other detail relating to the above as voluntarily provided to us by you, for providing value-added services; Data from your Media/Files/Images, Storage, Location access, Bluetooth, Camera, Contact List, Phone, Audio; Technical data and Statistical data in relation to any events organised by the Platform; and Such other data that shall be incidental to your previous and present actions.

Organisational Measure (88.6%):

If, your personal information changes, you may correct, delete inaccuracies, or amend information by making the change wherever possible or by contacting us through support.

Organisational Measure (93.5%):

We will make good faith efforts to make requested changes in our then active databases as soon as reasonably practicable.

Organisational Measure (77.4%):

Such websites/applications are governed by their respective privacy policies, which are out of the Applications control.

Retention (66.0%):

If you wish to cancel your account or request that we no longer use your information to provide you services, contact us through support.

Retention (96.0%):

After a period of time, your data may be anonymized and aggregated, and then may be held by us as long as necessary for us to provide our Services effectively.

Personal Data (94.8%), Processing (97.0%):

Your Personal Information as well as your sensitive personal information (from your use of HealthPatri) is maintained by Application in electronic form on its equipment, and on the equipment of its employees.

Personal Data (73.5%):

Insofar as sensitive personal information is concerned, it will carry the meaning as may be defined by applicable laws from time to time.

Organisational Measure (88.5%):

Application takes all necessary precautions to protect your personal information both online and off-line, and implements reasonable security practices and measures including certain managerial, technical, operational and physical security control measures that are commensurate with respect to the information being collected and the nature of Applications business.

Personal Data (91.9%):

No administrator at Application will have knowledge of Your password.

Personal Data (96.0%):

It is important for You to protect against unauthorized access to Your password, Your computer and Your mobile phone.

Third Party (95.6%):

Application makes all User information accessible to its employees, agents or partners and third parties only on a need-to-know basis, and binds all such employees to strict confidentiality obligations.

Required Purpose (83.0%):

Part of the functionality of the Application is assisting the patients to access information relating to them.

Processing (96.0%):

We will retain your information for as long as your account with the Services is active and as needed to provide you the Services.

Processing (81.5%):

You are responsible for maintaining the accuracy of the information you submit to us, such as your contact information provided as part of account registration.

Processing (77.1%), Third Party (98.6%):

Notwithstanding the above, Application is not responsible for the confidentiality, security or distribution of Your personal information by our partners and third parties outside the scope of our agreement with such partners and third parties.

Processing (93.3%), Required Purpose (96.3%):

The following is the manner in which we collect, use, share and retain personal information:

Collection: You agree that the Application may collect such personal information and/or sensitive personal information, whenever relevant, to help providing You with information and to provide any services You have requested or authorized to be performed.

Consent (88.2%), Required Purpose (96.4%):

You also consent to the collection of certain personal information that is necessary for provision of services to You.

Consent (95.5%), Data Source (82.6%):

This includes any information that You voluntarily choose to provide to us through the Application, website, email, during interaction with us on call or chat and through other modes of communication.

Personal Data (99.2%), Required Purpose (85.4%), Third Party (65.9%):

For the purposes of this Application and the features that it offers, we may further collect personal information and/or sensitive personal data or information, which you have provided to any of our group companies, affiliates, or subsidiaries.

Data Subject (72.1%), Processing (98.8%), Required Purpose (99.2%):

Usage: The Application may use this information either to (i) validate and process Your request for the services of the Application or information; (ii) to improve the quality of the Application; (iii) to assist you to determine which services best meet Your needs; or (iv) to facilitate our internal business operations, including the fulfilment of any legal and regulatory requirements; or (v) to provide You with recommendation about services You may be interested in, based on Your use of the Application; or (vi) to provide You with marketing communications and advertising that the Application believe may be of interest of You; or (vii) contacting You for offering new products or services; or (viii) contacting End-Users for taking product and Service feedback, or (ix) creating platform specific unique health ids or (x) to communicate with You (regarding the services you wish to avail) through call, chat or electronic modes of communication.

Required Purpose (85.9%):

Your continued use of the Application after such modifications will be deemed as your acceptance to the modified terms.

Required Purpose (97.6%):

You agree that the Application may collect such personal information and/or sensitive personal information, whenever relevant, to help providing you with information and to complete any transaction or provide any product or services You have requested or authorized.

Required Purpose (80.3%):

We shall not retain such information for longer than is required for the purposes for which the information may lawfully be used or is otherwise required under any other law for the time being in force.

Processing (72.6%), Required Purpose (99.3%):

Usage for Events: The Platform or any authorised third party may process your personal data for the following purposes, in relation to any events organised, out of which one or more purposes may apply simultaneously (a) to facilitate participation/registration, (b) to facilitate, record and publish participation confirmation, results and race timings, (c) to record and display performance and awards of a participant, (d) to televise/film/record/photograph the event footage and publish the same for legitimate purposes, including sale of photographs to participants, (e) to deliver the applicable published gratification like certificates/ medals/prize money/ products etc., (f) to send regular Event related updates/information, (g) to advertise/ promote to you brands and products associated with the events on all modes of publication, (h) for the purpose of data analysis, (i) for logistics and operational purposes, (j) for security purposes, (k) for legal purposes, (l) for health safety purposes, (m) for accounting purposes, (n) to send event related communication to the participants through electronic modes or (o) for allied verification purposes, wherever required.

Processing (96.6%), Recipient (76.5%), Third Party (64.0%):

The terms of this Privacy Policy are applicable to all individuals and entities that visit, access and / or avail of our services via the Platform from whom we collect information, including insurers, healthcare providers, service providers, corporate clients and employees of corporate clients.

Legal Basis (85.5%), Legitimate Interest (63.2%), Processing (88.5%), Required Purpose (70.7%), Right (74.3%):

Sharing: We may also share personal information with external organizations or individuals, Government of India or State Governments if we believe that access, use, preservation or disclosure of the information is reasonably necessary to: (a) meet any applicable law, regulation, legal process or enforceable governmental request; (b) detect, prevent or otherwise address fraud, security or

technical issues; (c) protect against harm to the rights, property or safety of our customers or the public, as required or permitted by law.

Recipient (74.6%), Required Purpose (97.0%):

We may also share your sensitive personal data with the doctors, healthcare practitioners or service providers when you consent to share such information in order to avail diagnosis or treatment as a part of the service made available by the Application.

Required Purpose (90.1%):

Subject to applicable laws, we may also share your personal information with entities and engage such entities to provide services on our behalf, such as software services, fulfilling customer requests, and communicating with you in relation to the Application.

Legal Basis (97.0%):

These entities are obligated to protect your personal information in accordance with applicable laws.

Authority (81.9%), Legal Basis (90.6%), Required Purpose (81.7%), Right (70.1%):

The Application takes your right to privacy very seriously and other than as specifically stated in this privacy Policy, will only disclose your personal information in the event it is required to do so by law, rule, regulation, law enforcement agency, governmental official, legal authority or similar requirements or when the Application, in its sole discretion, deems it necessary in order to protect its rights or the rights of others, to prevent harm to persons or property, to fight fraud and credit risk, or to enforce or apply the Terms of Use.

Retention (91.6%):

Retention: The information so collected shall be retained only for a limited duration necessary to fulfil the purposes outlined herein unless a longer retention period is required or permitted by law and only for the purposes defined above.

Retention (89.6%):

Once the purpose is achieved, all personal information is deleted in a safe and secure mode.

Consent (70.5%), Processing (86.3%):

You may review the sensitive personal information which HealthPatri has access to at any time and may also refuse or revoke sharing of such sensitive personal information for which you can contact us on care.jiohealth@jio.com.

Non-Personal Data (81.9%):

NON-PERSONAL INFORMATION: Non-personal information is defined as any data that does not personally identify you and may include unique system or hardware identifiers, system or application software, and peripherals.

Personal Data (99.5%):

Any non-personal information, when clubbed with personal information shall be treated as personal information.

Non-Personal Data (73.8%):

The following is the manner in which we collect, use, share and retain non-personal information:

Collection: You agree that the Application may collect diagnostic, technical, usage related information, for the usage purposes described below.

Processing (76.0%), Required Purpose (99.6%):

Usage: The above-mentioned information is gathered periodically to provide and improve the Application and services therein, facilitate the provision of Application support and other services to you (if any) and to verify compliance with the terms of this Policy.

Required Purpose (97.4%), Retention (86.2%):

Sharing: To enable the Application partners to improve their software, hardware and services designed for use with the Application, we may also provide any such partner with a subset of diagnostic information that is relevant to that partners software, hardware and/or services, as long as the diagnostic information is in a form that does not personally identify you.

Automated Decision Making (72.3%), Non-Personal Data (61.8%):

RELEVANCE ALGORITHM: The relevance algorithm for the Practitioners is a fully automated system that lists the Practitioners and Service Providers, their profile and information regarding their Practice on the Platform.

Not Required Purpose (63.5%):

We will not be liable for any change in the relevance of the Practitioners or Service Providers on search results, which may take place from time to time.

Automated Decision Making (86.3%):

The listing of Practitioners and Service Providers will be based on automated computation of the various factors including inputs made by the Users including their comments and feedback.

Required Purpose (83.6%):

Such factors may change from time to time, in order to improve the listing algorithm.

Processing (95.5%):

BUSINESS TRANSITIONS: In the event we go through a business transition, including but not limited to a merger, acquisition by another organisation, or sale of all or a portion of our assets, your personal data might be among the assets transferred.

Processing (97.6%), Required Purpose (97.4%), Technical Measure (94.8%):

COOKIES: Cookies are small files that a site or its service provider transfers to your devices hard drive through your web browser (if you permit it to) that enables the sites or service providers systems to recognise your browser and capture and remember certain information.

Required Purpose (97.3%), Technical Measure (97.8%):

We use cookies to help us distinguish you from other users of the Platform, understand and save your preferences for future visits, keep track of advertisements, and compile aggregate data about site traffic and site interaction so that we can offer you a seamless user experience.

Technical Measure (69.4%):

Information collected by cookies and other technologies are treated as non-personal information.

Legal Basis (97.6%), Personal Data (99.6%):

However, to the extent that IP addresses or similar identifiers are considered personal information by local law, we treat any information linked to such identifiers as personal information.

Technical Measure (72.5%):

Additionally, you may encounter cookies or other similar devices on certain pages of the Platform that are placed by third parties.

Personal Data (97.8%):

If you send us personal correspondence, such as emails, or if other users or third parties send us correspondence about your activities or postings on the Platform, we may collect such information within a file specific to you.

Consent (89.5%):

OTHER INFORMATION THE APPLICATION COLLECTS: The Application also may collect other information about you in ways that the Application describe to you or otherwise with your consent.

Consent (78.0%), Personal Data (72.3%):

The features of the Application may allow you to post content such as profile information, status update, comments, and other content and/or information (User Content).

Consent (63.5%):

If the modifications to the terms are not agreeable to you, you may opt to not use the Application.

Processing (96.9%):

GRIEVANCE REDRESSALS: We are committed to protect your personal information collected and processed by us and look forward to your continued support for the same.
