Scale Non-EU (78.5%):

(collectively, Joint Academy PC), an independent medical group with a network of United States based health care providers (each, a Provider).

Personal Data (99.7%), Processing (93.4%), Required Purpose (80.6%):

Joint Academy Medical (or your own medical provider if you do not use a Joint Academy Medical Provider) is responsible for providing you with a Notice of Privacy Practices describing its collection and use of your health information, not Joint Academy.

Consent (68.4%):

If you do not agree with our policies and practices, your choice is not to use our Website and Applications.

Consent (95.0%), Processing (98.1%):

It does not apply to information collected by: us offline or through any other means, including on any other website operated by Joint Academy or any third party; any third party, including through any application or content (including advertising) that may link to or be accessible from or on the Website or Application.

Consent (73.6%):

If you do not agree to be bound by those terms, you are not authorized to access or use our Website and Application, and you must promptly exit our Website and Application.

Personal Data (98.7%):

If you are under 18, do not use or provide any information on our Website or in our Applications or on or through any of their features, including your name, address, telephone number, email address, or any screen name or user name you may use.

Processing (92.8%):

If we learn we have collected or received Personal Data from a child under 18 without verification of parental consent, we will delete that information.

Data Subject (86.3%), Organisational Measure (65.9%):

Your continued use of our Website or Application after we make changes is deemed to be acceptance of those changes.

Personal Data (85.9%), Processing (69.1%):

Information We Collect About You and How We Collect It We collect different types of information about you, including information that may directly identify you, information that is about you but individually does not personally identify you, and information that we combine with our other users.

Automated Decision Making (85.9%), Technical Measure (85.4%):

This includes information that we collect directly from you or through automated collection technologies.

Non-Personal Data (84.8%), Personal Data (99.7%):

Generally We collect several types of information from and about users of our Website and Application, specifically information: by which you may be personally identified, such as name, address, telephone number, insurance information, date of birth, credit or debit card number (for payment purposes only), images and video of you, Social Security Number, your medical history, biometrics (including fingerprints), and health information (Personal Data); that is about you but individually does not identify you, such as traffic data, logs, referring/exit pages, date and time of your visit to our Website or use of our Application, error information, clickstream data, and other communication data and the resources that you access and use on the Website or through our Application; or about your Internet connection, the equipment you use to access our Website or use our Application and usage details.

Automated Decision Making (90.3%):

We collect this information: directly from you when you provide it to us; automatically as you navigate through the Website or use our Application.

Personal Data (99.4%), Required Purpose (64.7%), Technical Measure (99.2%), Third Party (98.7%):

Information collected automatically may include usage details, IP addresses, and information collected through cookies and other tracking technologies; and From third parties, for example, our business partners.

Data Source (64.0%):

Information You Provide to Us The information we collect on or through our Website or through our Application is: information that you provide by filling in forms on our Website or the Application.

Required Purpose (77.7%):

This includes information provided at the time of registering to use our Website or Application, using our Provider consultation services, purchasing products, or requesting further services.

Personal Data (96.8%):

We may also ask you for information when you report a problem with our Website or Application; records and copies of your correspondence (including email addresses), if you contact us; and details of transactions you carry out through our Website or through the Application and of the fulfillment of your orders.

Personal Data (91.5%):

You may be required to provide financial information before placing an order through our Website or Application.

Processing (98.9%):

You also may provide information to be published or displayed (hereinafter, posted) on public areas of the Website or Application or transmitted to other users of the Website or Application or third parties (collectively, User Contributions).

Organisational Measure (67.6%):

Although we limit access to certain pages, please be aware that no security measures are perfect or impenetrable.

Consent (93.9%), Processing (90.4%):

Additionally, we cannot control the actions of other users of the Website and Application with whom you may choose to share your User Contributions.

Non-Personal Data (96.6%), Personal Data (83.0%), Retention (65.0%), Technical Measure (81.8%):

Information We Collect Through Automatic Data Collection Technologies As you navigate through and interact with our Website and Application, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions, and patterns, specifically: details of your visits to our Website or Application, such as traffic data, location, logs, referring/exit pages, date and time of your visit to our Website or use of our Application, error information, clickstream data, and other communication data and the resources that you access and use on the Website or in the Application; and information about your computer, mobile device, and Internet connection, specifically your IP address, operating system, browser type, and Application version information.

Third Party (62.3%):

The information we collect automatically may include Personal Data or we may maintain it or associate it with Personal Data we collect in other ways or receive from third parties.

Processing (99.7%), Required Purpose (98.5%):

It helps us to improve our Website and Application and to deliver a better and more personalized service by enabling us to: estimate our audience size and usage patterns; store information about your preferences, allowing us to customize our Website and our Application according to your individual interests; recognize you when you return to our Website and our Application.

Technical Measure (76.7%):

The technologies we use for this automatic data collection may include: Cookies (or browser cookies).

Recipient (69.5%), Technical Measure (99.1%):

We and our service providers may use cookies, web beacons, and other technologies to receive and store certain types of information whenever you interact with our Website and Application through

your computer or mobile device.

Consent (82.0%):

On your computer, you may refuse to accept browser cookies by activating the appropriate setting on your browser, and you may have similar capabilities on your mobile device in the preferences for your operating system or browser.

Processing (89.5%):

Unless you have adjusted your browser or operating system setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our Website or use our Application.

Technical Measure (96.3%):

Google Analytics.

Technical Measure (61.2%):

We use Google Analytics, a web analytics service provided by Google, Inc.

Required Purpose (85.3%):

(Google) to collect certain information relating to your use of the Website.

Required Purpose (91.4%):

Google Analytics uses cookies, which are text files placed on your computer, to help the Website analyze how users use the site.

Contract (62.3%), Data Source (70.0%), Organisational Measure (69.5%), Required Purpose (97.8%):

We use information that we collect about you or that you provide to us, including any Personal Data: to present our Website and its contents to you; to present our Application; to provide our products and services to you; to provide you with information, products, or services that you request from us; to process, fulfill, support, and administer transactions and orders for products and services ordered by you; to provide you with notices about your Joint Academy account; to contact you in response to a request; to fulfill any other purpose for which you provide it; to carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection; to notify you about changes to our Website, our Application, or any products or services we offer or provide through them; in any other way we may describe when you provide the information; and for any other purpose with your consent.

Required Purpose (99.6%):

We may also use your information to contact you about goods and services that may be of interest to you, including through newsletters.

Recipient (69.1%), Required Purpose (95.0%):

We may disclose Personal Data that we collect or you provide as described in this privacy policy: to contractors, service providers, and other third parties we use to support our business.

Processing (97.5%), Recipient (67.8%), Required Purpose (89.9%):

The services provided by these organizations include providing IT and infrastructure support services, and ordering, marketing, and payment processing services; to a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Personal Data held by Joint Academy about our Website and Application users are among the assets transferred; to fulfill the purpose for which you provide it.

Personal Data (98.6%):

For example, we may disclose your personal information to a Provider; for any other purpose disclosed by us when you provide the information; with your consent.

Legal Basis (84.8%), Required Purpose (97.0%):

We may also disclose your Personal Data: to comply with any court order, law, or legal process, including to respond to any government or regulatory request; to enforce or apply our Terms of Use and other agreements, including for billing and collection purposes; and if we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Joint Academy, our customers, or others.

Required Purpose (93.6%):

This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

Processing (97.7%):

For more information, see Choices About How We Use and Disclose Your Information.

Consent (69.4%), Technical Measure (80.7%):

Choices About How We Use and Disclose Your Information We offer you choices on how you can opt out of our use of tracking technology, disclosure of your Personal Data for our advertising to you, and other targeted advertising.

Processing (97.9%):

However, we may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

Consent (61.1%):

In addition, we strive to provide you with choices regarding the Personal Data you provide to us.

Technical Measure (66.4%):

We have created mechanisms to provide you with control over your Personal Data: Tracking Technologies and Advertising.

Organisational Measure (77.7%):

You can set your browser or operating syetem to refuse all or some cookies, or to alert you when cookies are being sent.

Processing (82.8%), Required Purpose (90.7%):

If you do not wish to have your email address used by Joint Academy to promote our own products and services, you can opt-out at any time by clicking the unsubscribe button on the app or other marketing communications you receive from us or logging onto your account Preferences page.

Consent (80.3%):

By accessing or using our Website and/or Application, you agree to this Privacy Policy.

Consent (68.7%):

By giving your consent when prompted on the Guidelines page, you accept these terms before joining a group.

Retention (90.5%):

We continue to store your data after you leave a group, but will anonymize or delete it upon request, or when your Joint Academy account is closed.

Personal Data (99.4%), Required Purpose (85.5%):

Personal data intended to verify your login identity and ensure you get access to and assigned to a group: Contact information (name and email address); Coverage and/or subscription status.

Required Purpose (92.3%):

In order to fulfill its group functions and be able to remove inappropriate content*, Joint Academy will have access to: Your posts, comments, likes, and other reactions; Your activities; Your profile picture and presentation.

Required Purpose (65.2%):

However, if you select this setting you may be unable to access certain parts of our Website or use certain parts of our Application.

Right (88.3%):

Your Rights Regarding Your Information and Accessing and Correcting Your Information You may review and change your personal information by logging into the Application or Website and visiting your account Preferences page.

Organisational Measure (90.4%):

You may also notify us through the Contact Information below of any changes or errors in any Personal Data we have about you to ensure that it is complete, accurate, and as current as possible or to delete your account.

Legal Basis (96.9%):

We may also not be able to accommodate your request if we believe it would violate any law or legal requirement or cause the information to be incorrect.

Automated Decision Making (73.6%):

Do Not Track Signals We may use automated data collection technologies to track you across websites.

Third Party (88.1%):

We also may use automated data collection technologies to collect information about your online activities over time and across third-party websites or other online services (behavioral tracking).

Processing (95.5%):

Some web browsers permit you to broadcast a signal to websites and online services indicating a preference that they do not track your online activities.

Not Required Purpose (67.7%):

At this time, we do not honor such signals and we do not modify what information we collect or how we use that information based upon whether such a signal is broadcast or received by us.

Personal Data (95.3%):

Data Security Information transmitted over the Internet is not completely secure, but we do our best to protect your Personal Data.

Personal Data (92.7%):

You can help protect your Personal Data and other information by keeping your password to our Website confidential.

Organisational Measure (78.8%):

We have implemented measures designed to secure your Personal Data from accidental loss and from unauthorized access, use, alteration, and disclosure.

Technical Measure (98.1%):

We use encryption technology for information sent and received by us.

Processing (97.4%):

Unfortunately, the transmission of information via the Internet is not completely secure.

Organisational Measure (65.1%):

Changes to Our Privacy Policy We will post any changes to our Privacy Policy on our Website.

Organisational Measure (75.4%):

This Privacy Policy may change from time to time (for changes see <https://www.jointacademy.com/us/en/policy/>).

Organisational Measure (74.1%):

If we make material changes to our Privacy Policy, we may notify you of such changes through your contact information and invite you to review (and accept, if necessary) the changes.

Organisational Measure (71.8%):

It is our policy to post any changes we make to our Privacy Policy on this page with a notice that the Privacy Policy has been updated on the Websites home page or the Applications home screen.

Organisational Measure (74.3%):

You are responsible for ensuring we have an up-to-date active and deliverable email address for you, and for periodically accessing the Application or visiting our Website and reviewing this Privacy Policy to check for any changes.
