Information We Collect and How We Collect It The information we collect about you falls into two

categories: information you provide directly to us, and information we collect automatically.

Personal Data (99.5%), Required Purpose (88.1%):

Account and Profile Information Some apps or parts of our Services use a registration or account set-up process where you will be asked to give us certain information, including: your age or birthday; your first and last names; your e-mail address; a password; and other information so we can authenticate you or so we can improve our services.

Automated Decision Making (74.2%), Personal Data (88.6%), Processing (69.5%):

If you create a player profile, we will automatically collect certain information, including: if you sign in through or link your social media profile, information associated with your profiles on that social network; details about the apps you play; and a CC player ID number that is created by CC and used to identify your profile.

Personal Data (96.1%), Processing (99.1%):

Information about your contacts Certain of our Services give you the ability to import your address book contacts, including names, e-mail addresses, and social media handles, if available, or manually enter them so that you can find your contacts on CC and invite them to play our apps or to other of our Services.

Consent (95.6%), Personal Data (97.0%), Required Purpose (79.7%):

You are responsible for obtaining your contacts permission when you choose to provide their contact information to us.

Data Subject (65.3%):

We may receive information about you from other CC users who import or manually share their contacts.

Processing (80.0%), Required Purpose (97.8%):

We use and may store any or all of this contact information to enable you and your contacts to connect through all of our Services.

Processing (95.2%):

If you want to remove the contacts stored in our apps or Services, follow the instructions provided in the particular app or Service to request that we remove them from our systems for that app or Service.

Third Party (88.9%):

Information You Generate Using Our Communications Features Certain of our Services allow you to communicate or share information with CC and with other CC players.

Non-Personal Data (63.5%), Personal Data (90.0%), Processing (81.7%):

You acknowledge and expressly agree that we may access in real-time, record and/or store any of these communications, comments, photos, and drawings on our servers.

Personal Data (99.2%), Required Purpose (98.9%), Third Party (95.3%):

Payment Information If you make a purchase in our Services, such as a license to use in-app virtual currency or virtual items in an app you play, our third party payment processor will collect the billing and financial information to process your charges.

Personal Data (94.9%), Processing (77.1%):

CC does not collect or store your financial information.

Non-Personal Data (73.7%), Personal Data (94.3%), Required Purpose (90.7%):

However, CC s payment processors may share non-financial information with us related to your purchases, like transaction information, transaction ID, the items purchased and value in order to fulfill your order.

Third Party (94.1%):

Please note that purchases of third party credits or currencies may also be subject to those parties policies.

Required Purpose (60.9%), Retention (74.6%):

Information about You That You Share with Us Directly When you use our Services, through a social network or through CC, you can provide us information directly.

Data Source (65.1%), Non-Personal Data (81.4%), Personal Data (98.3%), Required Purpose (72.2%):

Customer Support Correspondence When you contact our Customer Support team, we will collect and store the contact information you give them (generally, your name and e-mail address), information about your game play or activity on our Services, and your CC player and/or social network ID number.

Required Purpose (92.4%):

We will also store the communications you have with the Customer Service team and any information in those communications in order to provide support.

Automated Decision Making (78.2%):

Information From Social Networks (like Facebook) If you play CC s apps or access any of our other Services by using a social network (such as Facebook) ID, we automatically receive certain information about you from the social network, depending upon the CC app youre playing, the social network, and your friends and your privacy settings on that social network.

Data Source (68.4%), Personal Data (99.6%):

For example, CC will automatically collect and store some or all of the following information provided by the social network: your first and last name; your profile picture or its URL; your social network ID number, which is linked to publicly-available information like your name and profile photo; public data for your friends (including their social network ID numbers); information from friends who have also linked their social media account with our App; the login e-mail you provided to that social network when you registered with it; the location of the devices you use to access our Services; your gender; your exact age and/or age range; other publicly-available information on the social network; and/or any other information that you or the social networks share with us.

Personal Data (95.0%):

Your player profile will include the following information you provide us: a profile photo; a username(s); your gender; biographic details (like your age or age range); and the approximate location that you provide.

Processing (94.4%):

These features include: player forums, message boards and chat function; the ability to post public comments to other players profiles; private messaging; the ability to send invitations to other players, either directly on our websites or to their e-mail accounts; and/or photo or drawing sharing.

Tracking Technologies We, and service providers acting on our behalf, like Google Analytics, store log files and use tracking technologies such as: device identifiers such as the IDFA on mobile devices and cookies on our websites, which are small pieces of data transferred to your mobile device or computer that enable us to (i) recognize your computer; (ii) store your preferences and settings; (iii) understand the web pages of the Services you have visited; (iv), enhance your user experience by delivering and measuring the effectiveness of content and advertising tailored to your interests; (v) perform searches and analytics; and (vi) assist with security and administrative functions.

Consent (95.5%), Legitimate Interest (82.1%), Processing (99.5%), Required Purpose (63.4%), Right (67.8%):

This Privacy Policy describes: What information we collect and how we collect it; How we use that information; Legal bases for use of your information; How we share and disclose your information; Data subject rights and your choices; Third party links and features; Childrens privacy; Transfer of information to other countries; How long we keep your information; How we protect the information we store about you; California privacy rights; Changes to our Privacy Policy; and How to contact us.

Non-Personal Data (78.1%), Organisational Measure (73.1%), Personal Data (98.6%), Processing (84.2%):

We and our service providers use these technologies to collect and analyze certain kinds of technical information, such as: IP addresses; the type of computer or mobile device you are using; your operating system version and platform type; your mobile devices identifiers, such as your MAC Address, Identifier For Advertising (IDFA), and/or International Mobile Equipment Identity (IMEI); your browser types and language; the website you visited before or after visiting our Services, domain names, landing pages, pages viewed, clicks and time on a page; whether or not some of CCS other apps are installed on your device; app activity; app state and the date and time of activity on our websites or apps.

Personal Data (97.8%):

We may connect this information with your social network ID (where available) or CC user ID.

Third Party (93.8%):

Please note that companies delivering advertisements on our Services may also use cookies or other technologies as described below in Third Party Advertising and Analytics, and those practices are subject to those companies own policies.

Technical Measure (94.7%):

For more information on how to limit the types of cookies you allow, please see [Opting out of Cookies](#).

Personal Data (98.6%):

We may also automatically collect, with your permission, your precise GPS location information.

Personal Data (94.7%), Required Purpose (96.9%):

Information Across Devices and Applications Sometimes, we (or our service providers) may use the information we collect for instance, usernames, IP addresses and unique mobile device identifiers or other IDs (like social network ID) to locate or try to locate the same unique users across multiple browsers or devices (such as smartphones and tablets), or work with providers that do this, in order to better tailor content and features and provide you with a seamless experience across devices.

Art. 16 Right to rectification (69.7%), Required Purpose (99.6%), Third Party (74.4%):

How We Use the Information We Collect We, or our service providers, primarily use the information we collect and store to improve the experience for our users, but we will also use that information for other purposes, including: to operate, improve and optimize our Services and our players experiences; to create player accounts or profiles and to enable you to play our apps; to find and recommend other CC players to you; to personalize our Services for you; to enable players to

communicate with each other; to provide technical support and respond to player inquiries; to protect the safety and well-being of our players; to protect CC s rights and property in connection with our Services; to prevent fraud or potentially illegal activities; to enforce our Terms of Service; to manage and deliver contextual and behavioral advertising; to notify players of in-app updates, new products or promotional offers; to administer rewards, surveys, sweepstakes, contests, or other promotional activities or events sponsored or managed by us or our business partners; to comply with our legal obligations, resolve any disputes we may have with you or other players, and to enforce our agreements with third parties; and to conduct research.

Processing (68.5%), Required Purpose (92.7%), Third Party (68.9%):

We use these communications to protect the safety and well-being of our players and CC s rights and property in connection with our Services; to conduct research; to operate, improve, and personalize our Services and our players experiences, including through analytics; and to manage and deliver contextual advertising.

Non-Personal Data (74.2%), Third Party (80.2%):

We may also let you create a player profile, separate from your social networking site profile that other CC players can see.

Required Purpose (91.4%):

If you provide your e-mail address to CC, we will use it to respond to your customer support inquiries, inform you about in-app activity, including comments from friends and in-app status updates and upgrades.

Personal Data (99.0%), Required Purpose (86.3%):

Some messages, such as invitations to friends to play an app, may include your name and profile photo.

Processing (98.0%):

For the purposes discussed in this Privacy Policy, we may combine the information that we collect through the Services with information that we receive from other sources, both online and offline, and use such combined information in accordance with this Privacy Policy.

Non-Personal Data (72.1%), Processing (98.3%):

We may aggregate and/or anonymize any information collected through the Services so that such information can no longer be linked to you or your device (Aggregate/Anonymous Information).

Personal Data (68.6%), Required Purpose (83.4%):

We may use Aggregate/Anonymous Information for any purpose, including without limitation for research and marketing purposes, and may also disclose or publish such data for industry analysis,

demographic profiling, marketing, analytics, and advertising, and other business purposes.

Consent (92.3%), Legal Basis (97.0%), Legitimate Interest (87.6%), Required Purpose (99.6%), Right (84.5%):

Legal Bases for Use of Your Information If you are located in the EU/EEA, the legal bases for using your information as set out in this Privacy Policy are as follows: Where use of your information is necessary to perform our obligations under a contract with you (for example, to comply with: our Terms of Service and/or our contract to provide our Services to you); Where use of your information is necessary for our legitimate interests or the legitimate interests of others (for example, to provide security for our websites, products, software, or applications; to operate our business and our Services; to make and receive payments; to comply with legal requirements and defend our legal rights; to prevent fraud and to know the customer to whom we are providing Services); or Where we have obtained your prior consent.

Legitimate Interest (84.4%):

We conduct certain marketing activities on the basis of consent, and others on the basis of our legitimate interest in informing you about our services and offers.

Organisational Measure (72.5%), Required Purpose (97.4%):

Aggregated/Anonymous Information From time to time, CC may share Aggregate/Anonymous Information about use of the Services for industry analysis, demographic profiling, marketing, analytics, advertising, and other business purposes.

Personal Data (77.9%):

In most CC apps, if you play or register through a social network (for example, Facebook Connect), your friends will see your name, profile photo and your app activity.

Personal Data (99.1%):

In some CC apps, other players, including those who are not your social network friends, will be able to see your app activity and profile, which may include your name or user name and your profile photo, and communicate with you within our Services.

Required Purpose (93.6%):

Third Party Advertising and Analytics We allow advertising on our Services so we can continue to offer many of our Services for free.

Non-Personal Data (92.5%), Technical Measure (64.3%), Third Party (74.4%):

When advertisers or ad networks place ads in our Services, they may collect or we may share with them and with analytics providers the following types of information from our Services: performance data (like the number of clicks on an advertisement); aggregated and/or de-identified information

about you and other players collectively that is not intended to specifically identify you (for example, players between the ages of 29 and 34 who live in Berlin); certain technical information (such as, IP addresses, non-persistent device identifiers such as IDFAs, and de-identified persistent device identifiers such as a hashed Android ID); your social network ID; and other contextual data about your game play (such as, your level and session duration).

Technical Measure (95.2%), Third Party (96.2%):

This information may be used to: measure the effectiveness of advertising and/or show you advertisements for products and services that are more likely to appeal to you (a practice known as behavioral advertising) Advertisers or advertising networks may collect this information by using one of more tracking technologies described above, such as browser cookies and web beacons.

Required Purpose (90.5%):

We may also use third-party web analytics services (such as those of Google Analytics) on our website Services to collect and analyze traffic and player activity through cookies and similar tools to improve your experience; engage in auditing, research, or reporting; assist with fraud prevention; and provide certain features to you.

Legal Basis (98.7%), Organisational Measure (81.3%), Personal Data (84.0%), Processing (94.9%), Required Purpose (92.9%):

Safety, Security and Compliance with Law Your information, the contents of all of your online communications in our Services, and the communications between you and CC may be accessed and monitored as needed to provide our Service and may be disclosed: when we have a good faith belief that we must disclose the information in response to legal process (for example, a court order, search warrant or subpoena); to comply with any applicable laws or regulations; where, in our sole discretion, we believe that the Service is being used to commit a crime, including in order to report criminal activity or to share information with other companies and organizations for the purposes of fraud protection, credit risk reduction, and other security precautions; when we have a good faith belief that there is an emergency that poses a threat to the health and/or safety of you, another person, or the public generally; and to protect the rights or property of CC and other applicable third parties, including to enforce our Terms of Service.

Third Party (78.9%):

Offer Walls CC apps or their purchase pages may display an offer wall that is hosted by an offer wall provider.

Personal Data (83.7%):

These offers may be shown to you based on certain technical information, like your geographic area

or de-identified demographic information.

Personal Data (87.5%), Processing (86.1%), Required Purpose (90.9%):

To properly credit player accounts and to prevent fraud, a unique identifier, in some cases your social network ID or CC player ID, will be shared with the offer wall provider.

Recipient (70.6%):

Sale or Merger In the event that CC undergoes a business transition, like a merger, acquisition by another company, or sale of all or part its assets (like selling an app), we may transfer all of your information, including personal information, to the successor organization in the transition.

Processing (95.4%):

We will make reasonable efforts to inform you and other players (in the way described in [Changes to Our Privacy Policy](#)) of the business transition before transferring your personal information.

Right (77.5%):

Data Subject Rights and Your Choices You have certain rights with respect to your information as further described in this section.

Authority (70.1%), Data Processor (87.7%), Legal Basis (98.8%):

Children under 13 should not use our websites or apps at any time.

Organisational Measure (95.9%):

If we learn that we have inadvertently gathered personal information from a child under 13, we will take reasonable measures to promptly remove that information from our records.

Organisational Measure (92.6%):

We do not knowingly process data of EU residents under the age of 16 without parental consent.

Organisational Measure (93.6%):

If we become aware that we have collected data from an EU resident under the age of 16 without parental consent, we will take reasonable measures to promptly remove that data.

Legal Basis (86.3%), Organisational Measure (80.2%):

We also comply with other age restrictions and requirements in accordance with applicable local laws.

Required Purpose (99.1%), Scale Non-EU (77.1%):

Transfer of Information to Other Countries Your information may be transferred to the United States to process and store data in accordance with our Privacy Policy and to provide you with our Services.

Legal Basis (97.6%), Processing (79.5%):

Please note that privacy laws vary from jurisdiction to jurisdiction, and the laws applicable in the location where your information is transferred, stored, used or processed, may be different from the applicable privacy laws in the country in which you are resident.

Retention (87.7%):

For instance, we may retain some information for a few years after you have closed your account with us if this is necessary to meet our legal obligations or to exercise, defend or establish legal rights.

Organisational Measure (76.1%), Required Purpose (63.1%):

Security of Your Information We implement appropriate security measures to protect the security of your information.

Personal Data (77.0%):

If you have an account registered directly with CC, your profile information is protected by the password you use to access your CC account.

Required Purpose (62.9%):

It is important that you protect and maintain your CC accounts security and that you immediately tell us of any unauthorized use of your account.

Organisational Measure (67.8%):

If you forget the password to your CC account, the Service allows you to request that instructions be

sent to you that explain how to reset your password.

Organisational Measure (84.3%):

If you need to enter a password to allow us to access your address book, we will not store that password.

Personal Data (96.4%):

When you sign into your CC account or enter payment information, we or our third party payment processor use secure socket layer technology (SSL) to encrypt the transmission of that information.

Technical Measure (87.5%):

So, be careful to keep your social network account information, including your social network account password, secure as well.

Processing (89.9%):

Although we strive to protect your personal information, we cannot guarantee that unauthorized access, hacking, data loss, or other breaches will never occur, we cannot guarantee the security of your information while it is being transmitted to our Service.

Legal Basis (62.1%), Scale Non-EU (78.0%):

Your California Privacy Rights California law permits users who are California residents to request and obtain a list of the third parties to whom we disclose their personal information (if any, and as defined under applicable California law) for their direct marketing purposes in the prior calendar year.

Third Party (88.3%):

Please note, if you click on a third party advertisement, you may no longer be on a site hosted by CC or the social network through which you are playing CC s apps.

Required Purpose (67.6%):

However, we do not share personal information (as defined by such law) with third party advertisers for their direct marketing purposes.

Right (61.0%):
