

Data Controller (99.3%), Data Source (60.2%), Data Subject (91.8%), Personal Data (82.0%), Required Purpose (93.7%), Right (74.4%):

kasookoo Privacy Policy Yuave Limited ("we", "us" or "our"), trading as kasookoo, is committed to protecting and respecting your privacy.

Consent (90.7%), Data Controller (96.2%), Organisational Measure (63.7%):

We own and operate www.kasookoo.com (the Website) and the kasookoo downloadable mobile application (the App).

Data Source (88.2%), Personal Data (99.8%), Processing (99.6%):

When you access the Services, we may ask you to provide us with information about you and, when using the Services, we collect and process personal information about the user of the Services.

Data Subject (64.1%), Legitimate Interest (77.4%), Personal Data (79.3%), Processing (93.4%), Technical Measure (98.7%):

In this Privacy and Cookies Policy, references to you are to any business or person who subscribes to and/or uses the Services, and submits data to us or an Access Point about him/herself or about any living individual in relation to use of the Access Points or the telecommunications services that are available through the Access Points or that we otherwise make available (the Services).

Data Source (83.2%), Personal Data (99.7%), Processing (97.6%):

This Privacy and Cookies Policy (together with our Terms and Conditions, and any other documents referred to in them) sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us.

Processing (99.0%), Required Purpose (76.8%):

It is important that you read this Privacy and Cookies Policy together with any other privacy notice or fair processing notice we may provide on specific occasions when we are collecting or processing personal data about you so that you are fully aware of how and why we are using your data.

Art. 17 Right to erasure (right to be forgotten) (72.8%), Art. 21 Right to object (71.7%), Organisational Measure (88.8%), Personal Data (60.9%), Required Purpose (71.1%):

Omnichannel Contact Center for Remote Working.

Data Controller (71.9%), Processing (98.3%):

Controller Yuave Limited is the controller and responsible for certain personal data shared through use of the Services.

Legal Basis (74.1%), Personal Data (71.2%), Processing (99.1%), Right (76.7%):

If you have any questions about this Privacy and Cookies Policy, including any requests to exercise your legal rights under paragraph 12 below, please contact the DPO using the details set out below:

Full name of legal entity: Yuave Limited Email address: support@yuave.com Postal address: 4th Floor, Silverstream House, 45 Fitzroy Street, Fitzrovia, London, W1T 6EB.

Lodge Complaint (74.6%), Scale Non-EU (65.8%):

You have the right to make a complaint at any time to the Information Commissioner's Office (ICO), the UK supervisory authority for data protection issues (www.ico.org.uk).

Personal Data (98.5%):

The business that has subscribed to the Services will be the controller of such personal data.

Non-Personal Data (88.3%), Personal Data (89.3%):

Such personal data relates to use of the Services, and includes information about how you use the Access Points and the Services, such as call logs, call duration, traffic data, weblogs and other communication data (Usage Data).

Personal Data (85.5%), Required Purpose (69.1%):

The Website and the App, together with any other websites, administrative tools and applications that we make available from time to time, are the Access Points.

Contract (74.7%):

Our and your respective obligations in relation to that personal data are set out in our Terms and Conditions.

Processing (88.8%):

Any changes we may make to this Privacy and Cookies Policy in the future will be posted on the Access Points and, where appropriate, notified to you by email.

Third Party (98.5%):

Clicking on those links or enabling those connections may allow third parties to collect or share data about you.

Personal Data (99.5%):

The data we collect about you Personal data, or personal information, means any information about an individual from which that person can be identified.

Data Subject (62.0%), Personal Data (99.6%), Processing (99.4%):

We may collect, use, store and transfer different kinds of personal data about you which we have grouped together follows: Identity Data includes title, first name, last name, username or similar identifier, business/company name, job title, and profession, for the business subscribing to the Services, and the administrator and authorised users of the Services.

Art. 17 Right to erasure (right to be forgotten) (93.0%), Personal Data (99.2%):

Contact Data includes billing address and delivery address in respect of the business subscribing to

the Services, and email address and telephone numbers for the business subscribing to the Services, and the administrator and authorised users of the Services.

Personal Data (97.9%):

Financial Data includes bank account and payment card details in respect of the business subscribing to the Services.

Personal Data (73.7%):

Transaction Data includes details about payments to and from you and other details of products and services you have purchased from us in respect of the business subscribing to the Services.

Non-Personal Data (98.9%), Personal Data (91.0%), Processing (68.1%):

Technical Data includes, in respect of any user of the Services, internet protocol (IP) address, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access the Website and the type of device you use, a unique device identifier (for example, your Device's IMEI number, the MAC address of the Device's wireless network interface, or the mobile phone number used by the Device), mobile network information, your mobile operating system and the type of mobile browser you use when you access the App.

Personal Data (97.4%):

Profile Data includes your username and password, purchases or orders made by you, and your interests, preferences and feedback, for the business subscribing to the Services, and the administrator and authorised users of the Services.

Non-Personal Data (89.3%):

We also collect, use and share Aggregated Data such as statistical or demographic data for any purpose.

Processing (89.3%), Required Purpose (79.3%):

For example, we may aggregate your Usage Data to calculate the percentage of users accessing a specific feature.

Processing (83.8%):

However, if we combine or connect Aggregated Data with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data which will be used in accordance with this Privacy and Cookies Policy.

Personal Data (88.0%):

We do not collect any Special Categories of Personal Data about you (this includes details about your race or ethnicity, religious or philosophical beliefs, sex life, sexual orientation, political opinions,

trade union membership, information about your health and genetic and biometric data).

Personal Data (74.5%):

Nor do we collect any information about criminal convictions and offences.

Contract (72.7%), Legal Basis (85.9%):

If you fail to provide personal data Where we need to collect personal data by law, or under the terms of a contract we have with you and you fail to provide that data when requested, we may not be able to perform the contract we have or are trying to enter into with you (for example, to provide you with goods or services).

Data Source (73.6%), Personal Data (86.6%):

You may give us your Identity, Contact, Marketing and Communications, Profile and Financial Data by filling in forms or by corresponding with us by post, phone, email or otherwise.

Non-Personal Data (64.7%):

We use different methods to collect data from and about you including through: Direct interactions.

Automated Decision Making (68.8%), Non-Personal Data (88.9%), Retention (64.3%):

As you interact with the Access Points, we may automatically collect Technical Data and Usage Data about your equipment, browsing actions and patterns.

Technical Measure (99.1%):

We collect this personal data by using cookies, server logs and other similar technologies.

Technical Measure (96.2%):

Please see paragraph 8 below for more information about our use of cookies.

Data Source (64.1%), Third Party (97.9%):

Third parties or publicly available sources.

Data Source (63.7%), Processing (79.1%), Scale Non-EU (78.6%), Third Party (76.4%):

We may receive data about you from various third parties and public sources as set out below: analytics providers such as Google based outside the EU.

Third Party (71.1%):

advertising networks such as Google, Bing, Facebook, Twitter based outside the EU.

Scale Non-EU (60.8%), Third Party (89.1%):

Usage Data from communications providers such as BT based inside the EU, and Hutchison 3G based outside the EU.

Personal Data (97.9%):

Identity and Contact Data from publicly available sources such as Companies House and the Electoral Register based inside the EU.

Legal Basis (89.8%):

How we use your personal data We will only use your personal data when the law allows us to.

Legitimate Interest (96.7%), Right (81.1%), Third Party (95.3%):

Where it is necessary for our legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests.

Authority (75.3%), Required Purpose (64.0%):

Where we need to comply with a legal or regulatory obligation.

Legal Basis (97.4%):

Aggregated Data may be derived from your personal data but is not considered personal data in law as this data does not directly or indirectly reveal your identity.

Consent (97.9%), Legal Basis (96.6%):

Generally we do not rely on consent as a legal basis for processing your personal data other than in relation to sending third party direct marketing communications to you via email or text message.

Consent (61.0%), Right (65.5%):

You have the right to withdraw consent to marketing at any time by contacting us.

Legal Basis (97.0%), Personal Data (80.9%):

Purposes for which we will use your personal data We have set out below, in a table format, a description of all the ways we plan to use your personal data, and which of the legal bases we rely on to do so.

Legal Basis (97.4%):

Please contact us if you need details about the specific legal ground we are relying on to process your personal data where more than one ground has been set out in the table below.

Legal Basis (60.6%), Legitimate Interest (87.3%), Personal Data (80.2%), Required Purpose (97.6%):

Purpose/Activity Type of data Lawful basis for processing including basis of legitimate interest To register you as a new customer (a) Identity (b) Contact Performance of a contract with you To allow your use of the Services (a) Identity Data (b) Contact Data (c) Technical Data (d) Profile Data (a) Performance of a contract with you (b) Necessary to comply with a legal obligation To process and deliver your order including: (a) Manage payments, fees and charges (b) Collect and recover money owed to us (a) Identity (b) Contact (c) Financial (d) Transaction (e) Marketing and Communications (a) Performance of a contract with you (b) Necessary for our legitimate interests (to recover debts due to us) To manage our relationship with you which will include: (a) Notifying you about changes to our Terms and Conditions or Privacy and Cookies Policy (b) Communicating with you if you

contact us (a) Identity (b) Contact (c) Profile (d) Marketing and Communications (a) Performance of a contract with you (b) Necessary to comply with a legal obligation (c) Necessary for our legitimate interests (to keep our records updated and to study how customers use our products/services) To administer and protect our business and the Services (including troubleshooting, data analysis, testing, system maintenance, support, reporting and hosting of data) (a) Identity (b) Contact (c) Technical (a) Necessary for our legitimate interests (for running our business, provision of administration and IT services, network security, to prevent fraud and in the context of a business reorganisation or group restructuring exercise) (b) Necessary to comply with a legal obligation To deliver relevant content and advertisements to you and measure or understand the effectiveness of the advertising we serve to you (a) Identity (b) Contact (c) Profile (d) Marketing and Communications (e) Technical Necessary for our legitimate interests (to study how customers use our products/services, to develop them, to grow our business and to inform our marketing strategy) To use data analytics to improve the Services, marketing, customer relationships and experiences Technical Necessary for our legitimate interests (to define types of customers for our products and services, to keep our Services updated and relevant, to develop our business and to inform our marketing strategy) To make suggestions and recommendations to you about goods or services that may be of interest to you (a) Identity (b) Contact (c) Technical (d) Profile Necessary for our legitimate interests (to develop our products/services and grow our business) Marketing We strive to provide you with choices regarding certain personal data uses, particularly around marketing and advertising: Promotional offers from us We may use your Identity, Contact, Technical, Marketing and Communications, and Profile Data to form a view on what we think you may want or need, or what may be of interest to you.

Required Purpose (64.5%):

This is how we decide which products, services and offers may be relevant for you (we call this marketing).

Consent (87.3%):

You will receive marketing communications from us if you have requested information from us or purchased Services from us and, in each case, you have not opted out of receiving that marketing.

Required Purpose (73.2%):

Third-party marketing We will get your express opt-in consent before we share your personal data with any other business for marketing purposes.

Data Source (86.7%):

Where you opt out of receiving these marketing messages, this will not apply to personal data

provided to us as a result of a product/service purchase or other transactions.

Required Purpose (76.5%):

Change of purpose We will only use your personal data for the purposes for which we collected it, unless we reasonably consider that we need to use it for another reason and that reason is compatible with the original purpose.

Legal Basis (88.4%):

Please note that we may process your personal data without your knowledge or consent, in compliance with the above rules, where this is required or permitted by law.

Processing (65.7%):

Third parties to whom we may choose to sell, transfer, or merge parts of our business or our assets.

Third Party (66.4%):

Alternatively, we may seek to acquire other businesses or merge with them.

Processing (75.4%):

If we are under a duty to disclose or share your personal data in order to comply with any legal obligation; or to protect the rights, property, or safety of us, our customers, or others.

Required Purpose (87.5%), Third Party (65.5%):

This includes exchanging information with other companies and organisations for the purposes of fraud protection and credit risk reduction.

Legal Basis (87.7%):

We require all third parties to respect the security of your personal data and to treat it in accordance with the law.

Personal Data (97.1%), Required Purpose (72.1%):

IP addresses We may collect information about the Device from which you access the Services, including where available your IP address, operating system and browser type, for system administration.

Processing (98.9%):

Cookies are tiny text files which identify your computer or device to our server as a unique user when you visit certain pages on the Access Points and they are stored by your Internet browser on your computer's hard drive.

Personal Data (88.8%):

Cookies can be used to recognise your Internet Protocol address, saving you time while you are on the Access Points.

Processing (76.8%):

We only use cookies for your convenience in using the Access Points and not for obtaining or using any other information about you (for example targeted advertising).

Required Purpose (80.1%), Technical Measure (71.5%):

Please note that we collect data from the Access Points about use of the Access Points using a web analysis tool which uses cookies that are (able to be) used to generate pseudonyms for a users profile.

Technical Measure (89.3%):

We use industry standard security and firewalls on our servers.

Organisational Measure (71.7%), Personal Data (65.4%), Processing (76.7%):

We maintain physical, electronic and procedural safeguards in connection with the collection, storage and disclosure of your information.

Processing (81.1%):

The Website uses the following cookies: Website usage tracking Google (google.com) 2 years Intercom (intercom.io) 2 years Hubspot (hubspot.com) 2 years Hotjar (hotjar.com) 1 year Facebook (facebook.com) 2 years Twitter (twitter.com) 2 years LinkedIn (linkedin.com) 2 years Bing (bingads.com) 2 years Information capture Hubspot (hubspot.com) 2 years Affiliate marketing conversion tracking Rakuten (rakuten.com) 1 year Name Expiration date Purpose Google (google.com) 2 years Website usage tracking Intercom (intercom.io) 2 years Website usage tracking Hubspot (hubspot.com) 2 years Information capture & website usage tracking Hotjar (hotjar.com) 1 year Website usage tracking Facebook (facebook.com) 2 years Website usage tracking Twitter (twitter.com) 2 years Website usage tracking LinkedIn (linkedin.com) 2 years Website usage tracking kasookoo (kasookoo.com) 1 year Website session storage Bing (bingads.com) 2 years Website usage tracking Rakuten (rakuten.com) 1 year Affiliate marketing conversion tracking The App uses the following cookies: Name Expiration date Purpose Intercom 2 years App usage tracking Where we store your personal data All information you provide to us is stored on our secure servers.

Organisational Measure (73.9%):

Our security procedures mean that we may occasionally request proof of identity before we disclose personal information to you.

Organisational Measure (88.9%):

We have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed.

Data Processor (66.4%):

In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know.

Legal Basis (85.8%), Organisational Measure (61.5%):

We have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

Processing (96.4%):

Unfortunately, the transmission of information via the Internet is not completely secure.

Processing (61.1%):

Although we will do our best to protect your personal data, we cannot guarantee the security of your data transmitted to the Access Points; any transmission is at your own risk.

Organisational Measure (83.1%):

Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access.

Personal Data (87.2%):

Security When you make any payment to us through the Access Points, you must make that payment to us through Stripe, using your credit or debit card, or such other payment methods as we make available from time to time.

Required Purpose (90.9%), Retention (96.7%):

We will only retain your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

Legal Basis (85.8%):

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

Legal Basis (68.2%), Personal Data (91.7%), Retention (98.3%):

By law we have to keep basic information about our customers (including Contact, Identity, Financial and Transaction Data) for six years after they cease being customers.

Retention (72.6%):

For all other data, details of retention periods for different aspects of your personal data are available in our retention policy which you can request from us by contacting us.

Required Purpose (80.5%), Retention (94.2%):

In some circumstances we may anonymise your personal data (so that it can no longer be

associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

Art. 17 Right to erasure (right to be forgotten) (92.6%):

It does not include data where the identity has been removed (anonymous data).

Art. 17 Right to erasure (right to be forgotten) (67.3%):

This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it.

Art. 17 Right to erasure (right to be forgotten) (61.5%):

The Services are not intended for use by children, although you acknowledge that we will collect and process data relating to children (and anyone else) if they use the Services.

Art. 21 Right to object (61.0%), Legal Basis (97.5%):

You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law.

Art. 21 Right to object (67.7%):

Important information and who we are Purpose of this Privacy and Cookies Policy This Privacy and Cookies Policy aims to give you information on how we collect and process personal data through your use of the Services, including any data you may provide through the Access Points when you purchase our products and services, or otherwise through your use of the Services.

Art. 21 Right to object (73.2%), Right (65.1%):

Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms.

Right (63.6%):

In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.

Third Party (84.5%):

Request the transfer of your personal data to you or to a third party.

Automated Decision Making (91.6%):

Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.

Consent (82.6%):

Withdraw consent at any time where we are relying on consent to process your personal data.

Consent (95.2%):

However, this will not affect the lawfulness of any processing carried out before you withdraw your consent.

Required Purpose (70.5%):

If you withdraw your consent, we may not be able to provide certain products or services to you.

Required Purpose (77.0%):

What we may need from you We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other rights).

Required Purpose (71.4%):

No fee usually required You will not have to pay a fee to access your personal data (or to exercise any of the other rights).

Required Purpose (78.5%):

We may also contact you to ask you for further information in relation to your request to speed up our response.

Retention (76.9%):

Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests.

Legitimate Interest (89.4%), Organisational Measure (60.6%):

We make sure we consider and balance any potential impact on you (both positive and negative) and your rights before we process your personal data for our legitimate interests.

Data Controller (78.9%), Third Party (84.1%):

Professional advisers acting as processors or joint controllers including lawyers, bankers, auditors and insurers based UK who provide consultancy, banking, legal, insurance and accounting services.

Authority (85.9%), Scale Non-EU (76.0%):

HM Revenue & Customs, regulators and other authorities acting as processors or joint controllers based in the United Kingdom who require reporting of processing activities in certain circumstances.
