Data Subject (78.7%), Processing (99.6%), Right (62.9%):

We believe you deserve to understand and make choices about how your data is collected, used and shared.

Organisational Measure (72.6%), Personal Data (99.8%), Processing (99.5%), Required Purpose (99.1%):

Expand/Collapse All Introduction Click to toggle answer This Privacy Policy explains how InMarket collects, uses, and may sell, share or disclose personal information that we receive about you via our Services.

Required Purpose (66.6%), Technical Measure (94.8%), Third Party (97.9%):

Our Services means our mobile applications, third party mobile applications that incorporate our software development kit, our advertising platform (including our demand side platform), our technology, our websites, and our related products and services.

Processing (90.7%), Required Purpose (92.7%), Third Party (98.8%):

We partner with third party companies to help us provide our Services.

Third Party (98.7%):

As used in this Privacy Policy, Third Party Partners are companies who integrate with or use our Services, such as advertisers and agencies (our customers), digital marketers, data companies, and web or app publishers and platforms.

Non-Personal Data (69.8%), Personal Data (69.0%), Required Purpose (97.1%), Technical Measure (98.7%):

Our Third Party Partners may use cookies, device/browser identifiers, hashed identifiers, or similar technologies in order to provide you with relevant advertising based upon your browsing activities and interests.

Automated Decision Making (73.1%), Consent (76.3%), Data Source (66.6%), Legal Basis (67.0%), Personal Data (99.3%):

Notice & Transparency Sources of Personal Information Collected Click to toggle answer Information from You You may provide information manually while using our Services, for example, by typing your name and email address or by using a social profile to register for or update an account in one of the InMarket Applications or by uploading purchase receipts through one of the InMarket Applications.

Personal Data (97.2%), Third Party (85.1%):

Some InMarket Applications allow you to link to your banking or payment card accounts via a third party provider; however, we do not collect your account number or payment card number.

Required Purpose (85.7%), Retention (71.0%):

We also collect personal information when you communicate with us, including for support or when you register for a promotion.

Technical Measure (89.8%):

Our Services and our Third Party Partners may also collect data using technology such as cookies, ad tags, and pixels.

Technical Measure (84.7%):

Pixels are invisibly embedded electronic images and are about the size of the period at the end of this sentence.

Processing (92.8%):

We use cookies to store this type of information when we serve ads onto Internet browsers.

Processing (89.4%), Technical Measure (88.0%), Third Party (84.4%):

Some of our partners send us information directly via a server to server file instead of using web technologies like cookies, ad tags, and pixels.

Art. 17 Right to erasure (right to be forgotten) (82.1%), Non-Personal Data (96.6%), Organisational Measure (66.6%), Personal Data (96.4%), Technical Measure (81.7%):

We also collect mobile advertising identifiers (IDFA for Apple devices or AAID for Android devices), third party proprietary identifiers, ad exposure information such as URL, site name, creative, publisher, and channel, precise geolocation information, session information, operating system, internet protocol address (IP address), hashed email address, device model and settings, and related statistical identifiers.

Required Purpose (95.6%):

All of these technologies help us (and Third Party Partners) to deliver relevant ads, provide ad measurement and reporting, and to generate market insights.

Third Party (97.6%):

Information from Third Party Sources We may also collect information about you and your device from third party sources including public databases, social media platforms, data append services, third party marketing partners, data brokers, and others.

Non-Personal Data (61.5%), Personal Data (89.6%):

The information we collect from third party sources may include categories such as demographic information, predicted interests or characteristics, and commercial information.

Processing (97.1%):

We combine this third party data with the personal information that we have collected.

Personal Data (99.7%), Retention (63.3%):

Categories of Personal Information Collected Click to toggle answer InMarket collects, and has collected in the past 12 months, the following categories of personal information: (a) personal identifiers (for example, your name (either first, last or both), email address, postal address, phone number, mobile advertising identifier, persistent IP address, and persistent cookie ID); (b) customer records information; (c) protected class characteristics (for example, gender); (d) commercial information (for example, shopping lists, purchase transaction receipts, purchase histories and tendencies).

Personal Data (84.0%):

We collect your purchase transaction details when, for example, you connect your bank account or payment card with an InMarket Application or a participating partner application.

Non-Personal Data (91.5%), Personal Data (97.4%):

The categories of data include vendor category, transaction date and time, amount, merchant name, merchant description, merchant location, financial institution name, last two to four digits of your

account number, and personal finance category.

Personal Data (78.3%), Processing (86.9%):

However, we do not collect, store, or use consumers actual bank account numbers or credit/debit card numbers.

Legal Basis (95.6%), Non-Personal Data (85.7%), Personal Data (89.8%), Required Purpose (60.2%):

(e) internet activity information (for example, information regarding your interactions with a website, mobile application or advertisement, device operating system and settings, browser type referring website, the pages viewed on the website or application, and the application name and version, social profile data); (f) precise geolocation information, which is a category of Sensitive Personal Information or Sensitive Data under certain state privacy laws; and (g) Inferences drawn from personal information (for example, to build audience attributes such as health food purchaser, discount shopper, fast food customer).

Processing (98.2%):

Notice of Financial Incentives Click to toggle answer InMarket offers financial incentives to consumers in exchange for voluntarily sharing certain personal information with us through websites and mobile applications we own, such as CheckPoints.

Personal Data (94.0%), Processing (79.1%):

In the CheckPoints mobile application, consumers can earn points redeemable in a rewards program in exchange for various activities such as sharing precise geolocation information (for example, by visiting a retail location), scanning product barcodes in a retail location, sharing purchase records, taking surveys, and sharing personal information such as name and email address.

Data Subject (63.5%), Required Purpose (97.8%):

We collect and use the information we obtain through the InMarket Applications to serve users and customers in accordance with our Privacy Policy.

Consent (93.7%):

You can opt out of participation in any of our incentive-based offers at any time.

Art. 17 Right to erasure (right to be forgotten) (89.8%), Personal Data (99.8%):

If you wish to opt out, stop submitting additional information and please submit a Do Not Sell My Personal Information request or a Delete My Personal Information request as described below in this Privacy Policy.

Processing (95.8%), Required Purpose (99.7%):

Responsible Data Usage How We Use Personal Information Click to toggle answer We use the data we collect to maintain and improve our Services.

Required Purpose (82.1%):

We may use and disclose the categories of personal information we collect for business and commercial purposes related to: Your Account.

Required Purpose (92.5%):

To participate in any of these incentive-based offers you can opt in by intentionally sharing the required information through the InMarket Applications.

Required Purpose (95.2%):

To manage your InMarket Applications accounts, operate our rewards programs, or maintain business records.

Required Purpose (94.0%):

To communicate with you about our Services and our offerings.

Required Purpose (85.3%):

For business operational needs like accounting, verifying advertisement performance, and other record keeping.

Required Purpose (95.4%):

We also use it to improve our Services, consider new opportunities in the marketplace, and make improvements to our operations and products.

Required Purpose (93.3%):

To help InMarket or our customers deliver more relevant advertising to you, including when you use our Services, in mobile applications, on websites, or across your devices, including CTV/OTT streaming devices (such as smart TVs or streaming hardware devices), and to fulfill advertising orders.

Legal Basis (88.6%), Personal Data (99.3%), Required Purpose (96.8%):

For example, as legally permitted, we use merchant addresses included on purchase transaction records, or precise geolocation information, such as latitude/longitude coordinates collected via mobile applications operated by InMarket and Third Party Partners, to help our customers deliver relevant advertisements to consumers, including when you use our Services, provide ad measurement and reporting, and generate market insights.

Processing (94.8%), Required Purpose (66.2%):

However, we do not process personal information to conduct profiling that produces legal or similarly significant effects.

Required Purpose (72.2%):

To create audience segments for use in targeted advertising.

Non-Personal Data (92.0%), Required Purpose (91.7%):

To perform analytics and produce market research reports based on aggregated data.

Required Purpose (94.4%):

To measure the impact of ad campaigns in driving consumer visits and sales and to help advertisers optimize investments and quantify return on ad spend.

Required Purpose (72.0%):

Security.

Required Purpose (98.9%):

To protect, defend or investigate potential violations of the Terms of Use for our websites, the InMarket Applications, or third party applications that integrate our Services.

Required Purpose (97.9%):

We may also use such information to protect privacy, security, safety, rights, property, and to prevent fraud.

Legal Basis (99.1%), Required Purpose (92.2%):

We may use and disclose personal information that we collect to comply with any applicable law or regulation.

Organisational Measure (69.5%):

We also use the personal information we collect to comply with legal process, including subpoenas and search warrants.

Consent (81.1%):

With your consent or with additional disclosures.

Legal Basis (91.6%):

To the extent permitted by applicable law, we also may use and share deidentified information without limitation.

Processing (97.2%):

We may use and disclose personal information we collect with your consent or as otherwise disclosed at the time information is collected.

Personal Data (99.7%), Required Purpose (73.8%):

Specifically, in the past 12 months, we disclosed for business purposes consumer personal information that falls within the following categories to Third Party Partners: (a) personal identifiers; (b) customer records information; (c) protected class characteristics; (d) commercial information; (e)

internet activity information; (f) geolocation data/precise geolocation information (which is sensitive under certain state privacy laws); and (g) inferences drawn from personal information.

Recipient (85.4%), Required Purpose (98.9%), Third Party (97.9%):

We may also disclose each category of personal information we collect to third parties : (i) to comply with any applicable law, regulation, subpoena, governmental request or legal process; (ii) to protect, defend or investigate potential violations of the Terms of Use for our websites, the InMarket Applications, or any third party applications that integrate our Services; (iii) to protect the safety, rights, property, or security of InMarket or any third party; (iv) to detect, prevent or address fraud, security or technical issues; and (v) in connection with a potential or actual corporate merger, consolidation, restructuring, sale of our business or assets, or any other corporate change.

Personal Data (94.0%):

NOTICE: Where permitted by law, we may sell your sensitive personal data.

Processing (96.5%):

As defined by certain state privacy laws, InMarket sells (including sharing for targeted advertising) personal information.

Processing (81.6%), Retention (70.8%):

In the past 12 months, InMarket has sold personal information to its Third Party Partners that falls within these categories: (a) personal identifiers; (b) customer records information; (c) protected class characteristics; (d) commercial information; (e) internet activity information; (f) geolocation data/precise geolocation information (which is sensitive under certain state privacy laws); and (g) inferences drawn from personal information.

Technical Measure (70.9%):

Data Security Click to toggle answer We incorporate commercially reasonable physical, electronic, and administrative security and safeguards to protect the information we collect.

Processing (60.3%):

We do not knowingly collect, store, use or sell the personal information of children who are under 16 years of age.

Retention (89.6%):

When you establish an account with us through any of the InMarket Applications, we retain personal information we collect about you so long as your account is active.

Retention (98.8%):

If required due to a pending legal matter, we may retain personal information for a longer period, and we will delete the information after this legal obligation expires.
