Required Purpose (89.0%):

We may also use it for the other purposes set out in this Privacy Policy.

Consent (90.7%), Non-Personal Data (83.4%), Personal Data (98.8%), Technical Measure (94.7%):

If you choose not to create a Nazara Technologies profile by connecting your Facebook account, the personal data that we collect when you play our games will be anonymous, but we will collect device level identifiers and other information associated with those identifiers including: The type of device(s) you are using to play our games or access our Services; Identifiers such as IP address, device identifiers, ad identifiers, a Nazara Technologiesaplayer ID, and the country or region that you are playing in; How you play our games and interact with our websites (such as level start, level end, session start, booster use, spending, rewards, your progress through the games, session time and duration, number of attempts at each level and purchases made).

Consent (97.5%), Required Purpose (98.1%):

Providing and Optimizing our Services We use your personal data to enable us to provide our websites, advertising and other Services to you and to optimize all of them so that we can make them the best they can be for you and all our players.

Required Purpose (98.6%), Technical Measure (77.0%):

This will include use and analysis of aggregated data to make sure that our websites work properly on all devices and are as enjoyable as they can be for all our players.

Consent (67.7%), Data Source (85.8%), Personal Data (76.2%), Required Purpose (98.6%):

Customer Services We use your personal data, including data that you provide directly to us in communications, to provide you with support through our customer service channels when you need it.

Processing (73.9%), Required Purpose (94.9%):

We may also use it to contact you, for example as part of customer service or to send you updates about our games and Services.

Personal Data (71.4%), Required Purpose (97.4%):

Finally, we will use your data to manage your account and relationship with us and improve your experience when you use our Services.

Personal Data (99.6%):

User Reviews From time to time, you may share your comments about our games and provide certain information that may include personal data.

Processing (93.2%), Third Party (63.1%):

This Privacy Policy applies to websites, mobile applications, forums and every kind of blog of Nazara Technologies and any other online or offline services provided by Nazara Technologies.

Data Source (66.5%), Processing (98.1%), Required Purpose (79.6%):

All personal data collected from your participation in such reviews is provided by you voluntarily.

Required Purpose (71.1%):

We may use such personal data to improve our products, websites and/or Services and in any manner consistent with the policies provided herein.

Data Subject (75.9%), Third Party (93.3%):

Users of our chat service(s) can send messages to other players.

Processing (98.2%), Required Purpose (97.3%):

Your messages may be used and stored by us: (a) to convey your messages; and (b) to enable you and your recipients to view your message history (although please note that after 3 months from the last action, your in-game chat messages will no longer be accessible).

Automated Decision Making (78.0%), Required Purpose (61.1%), Right (66.1%):

We reserve the right to review the content of your messages, including by using automatic filters, to ensure that you are complying with our terms of service and we also reserve the right to prevent your use of our chat service(s) or to block the sending of any message for any reason.

Required Purpose (95.7%), Technical Measure (85.2%), Third Party (98.3%):

Analytics and Research We use analytics tools, which may include third party analytics tools, to collect information about how you play our games or use our Services.

Organisational Measure (64.7%), Technical Measure (99.1%):

Those tools may use cookies or other similar tracking technologies.

Required Purpose (97.4%):

We may use your data to carry out research, surveys.

Required Purpose (99.8%):

Cheating, Crime and Fraud Prevention We may use personal data that we hold to prevent cheating, crime or fraud.

Personal Data (72.3%), Processing (76.0%):

We may also need to pass your information to fraud prevention agencies and other organizations involved in crime and fraud prevention, such as the police.

Legal Basis (98.4%):

Legal Uses We may use your data as required or permitted by any applicable law.

Retention (69.1%):

Personal Data Collected from Third Parties As mentioned above, most of the information that we collect about you comes directly from you when you play our games, or interact with our Websites, advertising or other Services.

Consent (72.3%), Third Party (98.6%):

However, when you allow third party companies to access your personal data (e.g., downloading our mobile applications through App Store, Google Store and linking your Facebook account to mobile applications), we also collect information from such third parties.

Personal Data (86.0%), Processing (93.1%):

Connection of Facebook Account When you log in to your Nazara Technologies profile using your Facebook account details, we will receive some of your Facebook account information.

Automated Decision Making (93.7%):

If you choose to play our games online, your basic Facebook account information will automatically be associated with your Nazara Technologies profile.

Personal Data (97.4%):

Exactly what information we receive is Facebook ID, profile picture and your name.

Non-Personal Data (69.5%), Personal Data (96.8%):

We will also collect the email account associated with your Facebook account and the name and avatar of those of your Facebook friends that are already playing our games.

Personal Data (97.3%):

You can choose not to allow us to access your email address in the Facebook dialog box the first time at which you associate your Facebook account with your Nazara Technologies profile.

Consent (74.9%):

Logging in with Facebook will not allow us to post anything to your page without your permission and we will not receive any information about your Facebook friends who do not play our game.

Consent (90.7%), Processing (87.1%):

If you do not wish your Facebook friends to be able to see you and your progression in our game, you can prevent this by disconnecting from Facebook from our game and updating your app permissions from within your Facebook settings.

Processing (92.9%):

We would recommend that you read Facebook's Privacy Policy and review your privacy settings from time to time to make sure that you understand fully how your Facebook data is shared.

Personal Data (97.2%):

Installation of our Mobile Applications via App Store and Google Store When you install or purchase items related to our mobile apps (such as those you can purchase/download via App Store or Google Store), Nazara Technologies does not have access to your credit card or bank account data.

Processing (75.3%):

The personal data received from the third-party companies will depend on privacy settings on relevant third-party applications.

Legal Basis (72.2%), Non-Personal Data (72.6%), Required Purpose (98.7%), Right (68.2%):

Purposes for Processing of Your Personal Data We collect and use your personal data for the following purposes: To enable us to provide our games, to ensure that your purchases are activated in the games, and to provide you with player support if you need it; To enable us to optimize our games for you and for the device that you are using, as well as to deliver customized in game events, offers and promotions; For the other purposes as set out in this Privacy Policy, including for marketing and advertising purposes; To operate, improve and optimize our games and other Services; To personalize our Services, understand our users and their preferences to enhance user

experience and enjoyment using our Services and improve our users' experience; To provide access to certain areas, functionalities and features of our Services; To notify you about in-game updates, new products or promotional offers; To send related information, including confirmations, technical notices, updates, and security alerts and support and administrative messages; To enable players to communicate with each other in games or on our social media accounts; To respond to your comments and inquiries and provide customer support services; To prevent potentially prohibited or illegal activities and protect our players; To measure interest in our Services; To ensure internal quality control; To enable us to comply with laws that apply to us, to prevent fraud, to ensure compliance with our terms of service or where necessary to defend, exercise or establish our legal rights including our rights under our Terms of Service; To contact you as a part of our recruitment processes; and As otherwise expressly set out in this Privacy Policy or as required by law.

Required Purpose (99.7%):

Marketing We and our third-party partners use personal data collected about you to send you marketing communications about our mobile applications and related Services based on your interests.

Third Party (90.8%):

For example, we may serve ads within our Services or place ads on third party websites and apps.

Required Purpose (99.1%):

This might include: Advertising within third party websites and apps; Offering you customized promotions for our services in the game you play; Offering you in-game advertisements and special offers regarding the Nazara Technologies services and games.

Required Purpose (99.3%):

We use information about you to try to make sure you only see marketing from us that might be of interest to you.

This includes using information that we may have about you, such as: Ad identifiers and other non-personal data collected from your device; The games you play and information about how you interact with our games and Services; Country or region; and Other information that we might acquire from our third-party marketing partners or other third parties who have obtained your consent or have another legal right to share that information with us.

Required Purpose (63.9%):

Marketing Partners When we market our games in media published by other companies, we use

various third-party marketing partners to assist us on our behalf, and we may share data which we have collected about you with such third parties for these purposes.

Processing (97.8%):

Our marketing partners may help us to serve ads to you by combining this information with data which they have collected about you elsewhere.

Required Purpose (86.3%):

Our partners use this information to make assumptions about the kinds of advertising you would prefer to see.

Processing (98.2%):

By accepting this Privacy Policy and downloading or continuing to play our games, and unless you opt out of interest-based advertising as explained in this section, your personal data shall be used for our marketing partners collecting and using information about you to improve advertising, targeting and measurement systems as described in their privacy policies.

Processing (98.7%), Third Party (92.8%):

This Privacy Policy does not apply to the collection of your data by our marketing partners.

Recipient (63.3%), Required Purpose (65.6%), Technical Measure (99.0%), Third Party (73.3%):

Cookies Used by the Third Parties Service providers acting on our behalf, may use cookies or similar technologies to automatically collect information through the Services.

Required Purpose (96.4%):

Cookies are small text files placed in users a computer browsers to store their preferences.

Required Purpose (98.3%):

Performance Related: Cookies may be used to assess the performance of our Website, including as part of to understand how our visitors use our Websites.

Organisational Measure (97.5%):

You can set your web browser to warn you about attempts to place cookies on your computer or limit the type of cookies you allow.

Art. 17 Right to erasure (right to be forgotten) (75.4%), Technical Measure (89.0%):

Flash Cookies operate differently than browser cookies, and cookie management tools available in a web browser may not remove flash cookies.

Required Purpose (76.3%):

Please be advised that if you disable cookies, you may lose some of the features and functionality of our Services because the cookies are necessary to track and enhance your activities.

Technical Measure (88.3%):

Ad identifiers, Software Development Kits and Similar Technologies To provide our games, Websites and interest-based advertising, we use ad identifiers, software development kits and similar technologies.

Required Purpose (96.0%):

Ad identifiers and similar technologies are used by us to provide our Services to you and in order to collect data from your device.

Art. 16 Right to rectification (76.3%), Consent (80.9%), Required Purpose (97.8%), Third Party (79.6%):

These technologies allow us and our third-party advertising partners to: Recognize you and your device; Provide interest-based advertising to you; Allow our Services to interact with a third-party social network or platform (where you have chosen to allow such interaction); Enable us and third parties to provide you with more customized services, for example to provide our Services in the correct language.

Right (90.4%):

Your Rights You have certain rights in connection with your personal data and how we handle it.

Art. 18 Right to restriction of processing (71.4%), Processing (96.2%):

Restriction on processing of personal data: You may have the right to ask Nazara Technologies to restrict the use of your personal data, when certain conditions apply.

Art. 21 Right to object (81.3%):

Object to processing of personal data: You may have the right to object to the use of your personal data by Nazara Technologies, when certain conditions apply.

Processing (92.6%), Required Purpose (84.0%), Scale Non-EU (73.7%):

Right to opt-out (California, USA): California residents have the right to opt out of the sale of personal data, which is defined in a way that may include the transfer of data to third parties to personalize ads for you.

Not Required Purpose (63.3%):

If you opt out of the asalea of your data, we will not sell your data, including to our advertising partners, but you may still see ads in the game and some of our partners may deliver ads to you, based on information they hold on you.

Third Party (63.1%):

We recommend that you review our partnersa privacy policies for more information.

Non-Personal Data (67.9%):

We may occasionally send you push notifications through our mobile applications with game updates, high scores and other notices that may be of interest to you.

Scale EU (85.7%):

If you believe that we might have any information from or about a child under 13 years old (or under 16 years old in certain jurisdictions in the European Union countries and/or districts), please Contact Us.

Data Processor (62.8%):

Cookies belonging to such service providers may be set on your device when using our Website or Services.

Data Processor (72.1%):

However, third party payment processors stated above may share non-financial information with us related to your purchases, like the items purchased to fulfill your order.

Required Purpose (84.0%):

The types of service providers (data processors) to whom we entrust include companies that provide: Provision of IT and related services; Provision of information and services you have requested; Customer service activities; Analytics and search engine activities that assist us in the improvement and optimization of the Services; and Any supporting activities in connection with our Services.

Contract (62.1%), Processing (81.4%), Required Purpose (75.9%):

Nazara Technologies has executed appropriate contracts with the service providers that prohibit them from using or sharing personal data except as necessary to perform the contracted services on our behalf or to comply with applicable legal requirements.

Personal Data (85.0%), Processing (91.2%), Required Purpose (90.1%):

Disclosures to Protect Rights of Us, You or Others We may access, preserve, and disclose your personal data, other account information and content if we believe doing so is required or appropriate: To comply with law enforcement or national security requests and legal process, such as a court order or subpoena; To respond to your requests; To protect yours, ours or othersa rights, property or safety; To enforce Nazara Technologiesa policies or contracts; To collect amounts owed to Nazara Technologies; When we believe disclosure is necessary or appropriate to prevent physical harm or financial loss or in connection with an investigation or prosecution of suspected or actual illegal activity; or If we, in good faith, believe that disclosure is otherwise necessary or advisable.

Personal Data (96.3%), Processing (87.7%), Required Purpose (91.5%):

In addition, from time to time, server logs may be reviewed for security purposes (e.g., to detect unauthorized activity on the Services).

Personal Data (99.6%), Required Purpose (89.2%):

In such cases, server log data containing IP addresses may be shared with law enforcement bodies, so they may identify users in connection with their investigation of the unauthorized activities.

Personal Data (83.8%), Processing (96.1%):

Sale of Assets and Change of Control If there is a sale of the assets of Nazara Technologies or corporate restructuring, or as a result of a change of control in shareholding structure of Nazara Technologies, or in preparation of any of these events, any third party to which Nazara Technologies transfers or sells Nazara Technologiesa assets will have the right to continue to use the personal and other information that you provide to us in the manner set out in this Privacy Policy.

Scale Non-EU (83.3%):

International Transfer All personal data collected or stored by Nazara Technologies may be stored anywhere in the world, including, but not limited to, in Republic of Turkey, the United States, the European Union, in the cloud, on our servers and on the servers of our service providers.

Organisational Measure (75.5%):

When we transfer your personal data internationally, we will take reasonable steps to ensure that it is treated securely, lawfully and in the manner we describe here.

Legal Basis (95.2%), Processing (91.3%):

Please note that laws vary from jurisdiction to jurisdiction, so the privacy laws applicable to the places where your personal data is transferred to or stored, used or processed in may be different from the privacy laws applicable to the place where you are resident.

Processing (92.7%):

By providing your personal data to us, you consent to the storage of your personal data in the above-mentioned locations.

Consent (60.5%), Legal Basis (93.0%), Scale Non-EU (61.3%):

If you are using our Services from the European Union or other regions with laws governing data collection and use, please note that you are agreeing to the transfer of your personal data to Turkey and the United States and to processing of your data globally.

Contract (70.1%):

By choosing to visit the Website, utilize the Services or otherwise provide information to us, you agree that any dispute over privacy or the terms contained in this Privacy Policy will be governed by

the laws of Republic of Turkey and the adjudication of any disputes arising in connection with Nazara Technologies or the Website will be in accordance with the terms of our Terms of Service.

Technical Measure (87.9%):

Security The personal data that you provide to Nazara Technologies is stored on servers that are located in secured facilities and protected by protocols and procedures designed to ensure industry-standard security of such data such as firewalls and data encryption.

Processing (93.4%):

As a result, while Nazara Technologies strives to protect your personal data, Nazara Technologies cannot ensure or warrant the security of any personal data you transmit to Nazara Technologies or through the Services.

Organisational Measure (65.7%):

If we learn of a security systemas breach, we may attempt to notify you electronically by posting a notice on the Services or sending an e-mail to you.

Processing (70.8%):

Depending on which of our Services you interact with we may collect and process the following types of information: Details about how you use and interact with our games, advertising and other Services (for example, information about how and when you play our games or visit our website(s), what device you use to access our games and Services or details regarding profile visits); Your interactions with us on our social media channels.

Legal Basis (99.2%):

Legal Bases (for European Economic Area users) If you are an individual in the European Economic Area (EEA), we collect and process personal data about you only where we have legal bases for doing so under applicable EU laws.

Consent (75.1%), Legal Basis (85.7%), Legitimate Interest (60.2%), Non-Personal Data (64.0%), Personal Data (95.3%), Required Purpose (77.0%):

The legal bases which we rely upon are the following: **Contractual Necessity:** This covers data used by us in order to provide you with Services that you have requested a and that we have agreed a to provide to you, such as our games, customer services, chat functionality and third-party social network connectivity; **Legal Obligation:** This covers data used by us to comply with a legal obligation, such as to maintain records relating to tax or to respond to a valid legal request for certain data; **Legitimate Interests:** This covers data used by us for purposes that are not harmful to your privacy and can be reasonably expected within the context of your use of our Services, such as marketing, advertising, analytics, research and optimization of our games and other Services; and

This is used as a legal basis in the following contexts: the collection of data stored on your device by us and our advertising partners, including device information, ad identifiers, IP address, country and region.

Legitimate Interest (64.0%):

Disclosure of Your Personal Data We may share your information as described in this Privacy Policy (to provide the Services with our third-party service providers; to comply with legal obligations; to protect and defend our rights and property) within the scope of our Services described in this Privacy Policy.

Consent (60.1%):

You consent to this collection when you agree to install our game and you can withdraw your consent to this by uninstalling our games.

Consent (67.5%):

In this Privacy Policy we have explained how you can opt out of certain types of processing that we undertake and where any processing is based on your consent, you can withdraw that consent at any time in the ways described in this Privacy Policy.

Retention (95.5%):

Retention We retain your data for as long as your account is active or as needed to provide you the Service.

Legitimate Interest (88.4%):

Note that if you ask us to remove your personal data, we will retain your data as necessary for our legitimate business interests, such as to comply with our legal obligations, resolve disputes, and enforce our agreements.
