Required Purpose (78.3%):

Description and scope of data processing In order to provide the services related to KptnCook, data is also transmitted to third countries.

Scale EU (76.3%):

If processing by third party services takes place outside the European Union or the European Economic Area, these must meet the special requirements of Art.

Contract (73.8%):

Legal basis for data processing The processing takes place on the basis of special guarantees, such as compliance with officially recognized contractual obligations, the so-called "standard contractual clauses".

Recipient (62.8%), Required Purpose (67.2%):

Recipients of data (in third countries) / Service providers with access to personal data (from third countries) a KptnCook works together with service providers to offer services related to KptnCook.

Processing (99.1%):

A service provider receives personal data from KptnCook and is commissioned to process this data for certain purposes.

Data Controller (68.8%):

Rights of the data subject If your personal data is processed, you are a data subject within the meaning of the GDPR and you have the following rights vis-A -vis the controller.

Retention (65.4%):

the planned storage duration of your personal data or, if specific information in that regard is not possible, criteria for determining the storage period; 5.

Authority (95.6%), Lodge Complaint (80.4%):

right to lodge a complaint with a supervisory authority; 7.

Legal Basis (97.2%):

1 and 4 GDPR and meaningful information on the logic involved and the scope and intended effects of such processing for the data subject.

Personal Data (96.4%), Right (64.1%):

You have the right to request information regarding whether your personal information will be transmitted to a non-EU country or an international organization.

Art. 16 Right to rectification (73.8%):

Right to have data corrected You have a right to correct and/or add to the personal data we have on file about you if it is incorrect or incomplete.

Retention (92.3%):

you dispute the accuracy of the personal data we have on file; its processing would then be restricted for as long as it takes us to verify its accuracy; 2.

Art. 21 Right to object (63.5%), Legitimate Interest (73.6%):

1 GDPR and it has not yet been established whether our legitimate reasons for continued processing of your data outweigh your right to object to the same.

Legitimate Interest (90.2%), Required Purpose (75.7%):

a If the processing of personal data concerning you has been restricted, such data may be processed - with the exception of their storage - only with your consent or for the establishment, exercise or defense of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or a Member State.

Required Purpose (90.6%):

Your personal data is required in order to comply with a legal obligation under Union or Member State law to which we are subject.

Organisational Measure (87.1%):

1 GDPR, we will take appropriate measures, including technical measures, taking into account the

available technology and the implementation costs, to inform data processors who process the personal data that you have requested the deletion of all links to the same as well as any copies thereof.

Right (82.4%):

to exercise the right to freedom of expression and information; 2.

Legal Basis (93.0%), Legitimate Interest (66.8%):

for the performance of a legal obligation which makes such processing mandatory under the law of the Union or of the Member States to which we are subject or for the performance of a task in the public interest or in the exercise of official authority conferred upon us; 3.

Legitimate Interest (70.0%), Required Purpose (68.0%):

for reasons of public interest in the field of public health in accordance with Art.

Required Purpose (63.7%):

or archival purposes in the public interest, scientific or historical research purposes or for statistical purposes in accordance with Art.

Art. 15 Right to access by the data subject (71.6%):

Possibility of objection and deletion As a user, you have the possibility to object to data processing at any time and have your personal data deleted.

Contract (86.4%):

This also applies to processing operations that are necessary for carrying out pre-contractual measures.

Automated Decision Making (87.4%):

the processing takes place with the help of automated procedures.

Art. 20 Right to data portability (61.5%):

In exercising this right, you also have the right to have us transfer the personal data we have on file about you directly to another party if this is technically feasible.

Art. 21 Right to object (79.4%):

Right of objection You have the right, for reasons arising from your specific situation, to object to the processing of personal data concerning you at any time, which is carried out in accordance with Art.

Art. 21 Right to object (66.4%), Automated Decision Making (64.2%):

In the context of the use of information company services, and Directive 2002/58/EC notwithstanding, you may exercise your right to object using an automated process.

Automated Decision Making (61.3%):

Automated decision in individual cases, including profiling You have the right not to be subject to a

decision based exclusively on automated processing - including profiling - that has legal effect against you or significantly impairs you in a similar manner. This shall not apply if the decision: 1.

Legal Basis (88.0%), Legitimate Interest (74.7%):

is authorized by EU or national law to which we are subject, provided said law also sets forth suitable measures for safeguarding your rights, and freedoms, and legitimate interests; or 3.

Legitimate Interest (66.7%):

and/or GDPR apply and appropriate measures have been taken to protect your rights and freedom as well as your legitimate interests.

Organisational Measure (84.9%), Right (80.1%):

In the cases referred to in (1) and (3), we shall take reasonable measures to safeguard your rights, freedoms, and legitimate interests, including, at a minimum, the right to obtain the intervention of a person on our part to state our position and to challenge the decision.

Legal Basis (85.7%):

The right to lodge a complaint with a supervisory authority Without prejudice to any other administrative or judicial remedy, you have the right to lodge a complaint with a supervisory authority, in particular in the Member State where you reside, work or where the infringement is suspected, if you believe that the processing of personal data concerning you infringes the GDPR.
