Consent (73.9%), Personal Data (98.4%), Processing (98.3%):

These services will authenticate your identity and provide you the option to share certain personal information with us such as your name, gender, age, country, and email address.

Personal Data (98.8%):

Larry Page Andi Al-Rizki "Don't compare yourself with anyone in this world."

Personal Data (90.2%), Processing (88.9%):

Services like Facebook Connect give you the option to post information about your activities on this web site to your profile page to share with others within your network.

Processing (98.5%):

We may collect and record information through the Social Media Service in accordance with the policies and terms of the Social Media.

Personal Data (99.6%):

The information we collect when you connect your user account to a Social Media Service may include: (1) your name; (2) your Social Media user identification number and/or user name; (3) locale, city, state, and country; (4) sex; (5) birth date; (6) email address; (7) profile picture or its URL; and (8) the Social Media User Identification numbers for your friends that are also connected to PaperPlay Studios game(s).

Required Purpose (68.3%):

Push Notifications We may occasionally send you push notifications through our mobile applications to send you game updates, high scores, and other services related notifications that may be of importance to you.

Consent (84.3%):

You may at any time turn off this feature by turning it off at the device level through your settings.

Non-Personal Data (80.1%), Personal Data (93.5%), Retention (77.9%):

Data Collection Whenever you play our games or applications, we may collect data about all of your interactions with the application and with other users inside the application via server log files.

Personal Data (98.3%), Required Purpose (92.8%):

This information may be associated with your ID, IP address, location, or device ID for the purpose of providing you our Services and improving them.

Personal Data (84.4%), Technical Measure (98.4%), Third Party (66.2%):

Tracking Technologies We and our marketing and outsourcing partners, affiliates, or analytics service providers use technologies such as cookies, beacons, scripts, and tags to identify a user computer/device and to remember things about your visit, such as your preferences or a user name and password.

Personal Data (90.0%), Processing (94.1%), Required Purpose (92.2%):

Information contained in a cookie may be linked to your personal information, such as your user ID, for purposes such as improving the quality of our Services, tailoring recommendations to your interests, and making the Services easier to use.

Processing (90.5%):

We may feature advertisements served by third parties that deliver cookies to your computer/device so the content you access and advertisements you see can be tracked.

Third Party (85.4%):

Since the third party advertising companies associate your computer/device with a number, they will be able to recognize your computer/device each time they send you an advertisement.

Required Purpose (96.2%):

These advertisers may use information about your visits to our Services and third party sites and applications in order to measure advertisements performance and to provide advertisements about goods and services of interest to you.

Technical Measure (61.7%):

This Policy does not apply to, and we are not responsible for the data collection practices of these third party advertisers, and we encourage you to check their privacy policies to learn more about their use of cookies and other technology.

Required Purpose (97.1%), Technical Measure (79.7%):

Mobile Analytics We use mobile analytics software to allow us to better understand the functionality of our Mobile Application on your device.

Non-Personal Data (97.6%):

This software may record information such as how often you use the application, the events that occur within the application, aggregated usage, performance data, and where the application was downloaded from.

Technical Measure (80.7%):

Third Party Services Our Services may contain third party tracking tools from our service providers, example of which include Google Analytics and Firebase.

Required Purpose (89.8%), Technical Measure (72.3%):

Such third parties may use cookies, APIs, and SDKs in our Services to enable them to collect and analyze user information on our behalf.

Personal Data (84.9%), Required Purpose (91.6%):

The third parties may have access to information such as your device identifier, MAC address, IMEI, locale (specific location where a given language is spoken), geo-location information, and IP address for the purpose of providing their services under their respective privacy policies.

Non-Personal Data (90.0%), Personal Data (92.0%):

The advertisers may collect and use information about you, such as your Service session activity, device identifier, MAC address, IMEI, device's location, geo-location information, and IP address.

Required Purpose (98.7%):

They may use this information to provide advertisements of interest to you.

Processing (94.6%):

In order to verify the installs, a device identifier may be shared with the advertiser.

Required Purpose (93.2%):

How We Use Information: We use information collected through our Service for purposes described in this policy or disclosed to you in connection with our Service.

Personal Data (74.2%), Required Purpose (96.3%):

For example, we may use your information to: Understand your preferences to enhance your experience and enjoyment of using our Service; Respond to your comments and questions and provide customer service; Provide and deliver products and services you request; Offer ads that match your interest and location.

Consent (70.3%), Processing (96.0%), Required Purpose (77.2%), Third Party (74.0%):

Disclosure of Your Information PaperPlay Studio does not share your personal information except as approved by you or as described below: With your consent, for example, when you agree to our sharing your information with other third parties for their own marketing purposes subject to their separate privacy policies.

Legal Basis (85.6%), Organisational Measure (65.3%), Processing (97.3%), Required Purpose (83.3%):

We may release your information as permitted by law, such as to comply with a subpoena, or when

we believe that release is appropriate to comply with the law; investigate fraud, respond to a government request, enforce or apply our rights; or protect the rights, property, or safety of us or our users, or others.

Processing (99.1%):

You're excited to get up in the morning.

Required Purpose (79.5%):

This includes exchanging information with other companies and organizations for fraud protection.

Organisational Measure (77.0%), Personal Data (97.2%):

You will be notified via email and/or notice on our site of any change in ownership or users of your personal information.

Non-Personal Data (66.4%), Third Party (96.2%):

We may share aggregate or anonymous information about you with advertisers, publishers, business partners, sponsors, and other third parties.

Organisational Measure (72.8%):

Security PaperPlay Studio takes reasonable measures to protect your information from unauthorized access or against loss, misuses, or alteration by third parties.

Processing (93.5%):

Although we make good faith efforts to store the information collected on the Service in a secure operating environment that is not available to the public, we cannot guarantee the absolute security of that information during its transmission or its storage on our systems.

Organisational Measure (63.4%), Processing (74.1%):

Further, while we attempt to ensure the integrity and security of our network and systems, we cannot guarantee that our security measures will prevent third party hackers from illegally obtaining access to this information.
