WHAT YOU NEED TO KNOW Parents are in control.

Organisational Measure (78.0%), Processing (77.2%):

Parents download our App and set up an account for their children as part of our initial setup process.

Personal Data (87.1%), Processing (99.0%):

Our Services are not designed to allow children to access the wider internet or share any personal information with anyone other than their parent.

Data Source (80.8%), Legitimate Interest (65.7%), Non-Personal Data (61.1%), Organisational

Measure (61.9%), Processing (99.0%):

We want you, as a parent and/or legal guardian (collectively Parent(s)) to feel safe and have full confidence in our handling of your data, whether you use our mobile application (App), our websites, which include our main website at <http://www.lingokids.com>, our merchandising store at store.lingokids.com and microsites and landing pages (Sites) or other services or otherwise interact with us (collectively referred to here as our Services.).

Required Purpose (98.6%), Technical Measure (96.0%):

Our promotional and store Sites are designed for adults, and we use standard web tracking technology on these Sites to support our advertising and analytics efforts.

Technical Measure (99.5%), Third Party (98.4%):

We may partner with third parties, who use industry-standard technologies such as cookies to track visitors to our adult-oriented Sites.

Required Purpose (99.5%):

These third parties use this data to encourage adults to purchase our products and Services, including on other websites.

Organisational Measure (89.1%):

As an adult, you can control this tracking by managing your cookie settings (for instance by using the cookie banner that appears on our promotional website) or otherwise by contacting us, as described in more detail below.

Data Source (64.7%), Processing (99.3%):

We do not use data collected from children as part of our marketing efforts.

Organisational Measure (64.3%), Required Purpose (61.6%):

We strive to collect only the information we need to make our Services work.

Personal Data (99.5%):

The App does not collect any biometric identifying information such as facial geometry or voice prints.

Consent (85.7%), Personal Data (98.5%), Required Purpose (75.3%):

While we may invite you to take part in more in-depth research sessions (with your consent), the App will not ask for your physical location or other sensitive information, such as race, sexual orientation, or health information.

Automated Decision Making (92.7%), Data Subject (71.5%):

Information We Collect At Lingokids, we generally collect and obtain information, including personal information, in three ways: directly from our users, automatically through your use of our Services,

and from third parties in some situations.

Personal Data (99.0%), Required Purpose (86.0%), Third Party (70.1%):

Adults year of birth Adults name (optional) Player information Childs first name or nickname (optional) Childs year of birth (optional) Childs interests (optional) Payment information We do not directly collect or store any payment card information entered through our Services, and instead rely on third-party payment processors (such as Apple or Google) to handle these payments.

Processing (92.9%):

However, if you make a purchase on our website or subscribe to our paid plans (Plus version) of the App, we may receive certain information about your purchase, such as: Payment method (e.g.

Consent (86.3%), Personal Data (98.5%), Processing (93.0%):

whether you used a Credit Card/PayPal), Full name of bank card or PayPal cardholder; Shipping and/or Billing address; Record of payment information for future purchases, with your consent.

Non-Personal Data (68.1%):

We also keep a record of the total amount spent by each user within the App, as well as any amounts refunded.

Processing (96.1%), Required Purpose (95.6%):

This information helps us process refunds accurately and maintain proper transaction records.

Data Subject (84.9%), Personal Data (81.4%):

Introduction Lingokids is an interactive learning app and universe that surrounds your child with a modern curriculum to help them thrive in today's changing world.

Consent (96.7%), Organisational Measure (64.8%), Personal Data (93.2%), Processing (84.0%), Required Purpose (81.6%):

If we make a material change to the Privacy Policy, we'll provide you with appropriate notice in accordance with legal requirements, such as by email.

Data Source (76.7%), Legal Basis (98.0%), Organisational Measure (64.5%), Processing (91.1%):

Any information you provide using the public sharing features of the Services will be considered public, unless otherwise required by applicable law, and is not subject to the privacy protections referenced in this Privacy Policy.

Consent (68.7%):

Microphone, camera and speech recognition permissions On the App, parents can optionally allow microphone, camera and speech recognition permissions.

Personal Data (96.8%), Processing (94.6%), Third Party (98.2%):

No images, videos or speech data is shared with Lingokids or any third parties.

Personal Data (91.1%), Processing (98.9%):

This data is transmitted off the device or collected by Lingokids, and Lingokids does not store and cannot access audio or visual recordings that are saved locally on the users device.

Required Purpose (93.1%):

The App includes certain interactive games for which spoken responses are required to advance and complete activities.

Art. 16 Right to rectification (68.6%), Non-Personal Data (76.6%), Processing (83.8%), Required Purpose (94.9%), Technical Measure (79.6%):

Although our speech recognition technology records and recognizes the users answers in order to correctly develop the activity or game and its functionalities, the technology does not collect any information that would identify individual speakers, such as a voice print.

Processing (98.3%):

Moreover, the recording is only stored on your devices.

Processing (92.2%):

This information does not travel and is not stored on our systems or servers, nor can it be accessed, played or broadcast by us.

Consent (78.6%), Processing (99.2%), Required Purpose (80.6%):

These surveys will be conducted with your express consent only, and the categories of personal information we collect and the purposes for which they are gathered will be disclosed to you in advance of each session.

Personal Data (99.4%), Required Purpose (80.5%):

Your Communications with Us When you contact us, such as to request customer support or to partner with us, we may collect your name and surname, email address, and any other information you provide us during our communication.

Non-Personal Data (63.6%), Personal Data (99.3%):

In some jurisdictions, we are required to publicly share information (such as names and addresses) of sweepstakes and contest winners.

Required Purpose (96.2%):

Business Development and Strategic Partnerships We may collect personal information from individuals and third parties to assess and pursue potential business opportunities.

Consent (67.6%), Non-Personal Data (77.0%), Personal Data (99.6%), Processing (87.4%), Required Purpose (81.6%):

This information may vary, but primarily includes the following: App and Sites activity and usage data Types of content viewed, downloaded, or interacted with Functions used and actions performed Information on when a user takes a screenshot within the app (note that we cannot see the contents of the screenshot) Frequency of use and duration of the activities and games Progress and achievements: activities completed, curriculum progress, grades, and progress reports (Plus version) Age of the account (account tenure) Activation of notifications, including push notifications (collected only from users who have completed the onboarding process) Session duration Total time spent actively using the App Device and other mobile identifiers, including cookies Device language IP address General device location data (derived from IP address) Internet service provider User settings Crash Reports.

Non-Personal Data (71.1%):

If you provide crash reports, we may collect personal information related to such crash reports, including detailed diagnostic information about your device and the activities that led to the crash.

Technical Measure (99.2%):

Cookies and Other Tracking Technologies We and our service providers also collect data through cookies, pixel tags, web beacons, and other technologies (Technologies).

Data Source (76.7%), Recipient (97.4%), Third Party (95.7%):

Data We Collect from Third Parties and Other Sources We also obtain and receive information about you from our vendors and other third parties with whom we have relationships, both from your use of our App and from other interactions you have with us on other platforms.

Third Party (78.2%):

We may obtain personal information about you from third-party services and organizations.

Personal Data (88.6%):

For example, if you access our services through a third-party login service such as your Apple ID, we may collect personal information about you from that third-party application or service that you have made available via your privacy settings.

Data Source (68.6%), Processing (94.7%), Required Purpose (99.2%), Third Party (68.2%):

We use web analytics tools and services provided by our vendors and partners to support our marketing and user acquisition efforts for adults.

Required Purpose (95.0%):

These tools allow us to know and track audiences of adult users and potential users by looking at their interactions and visits to our Sites, the App, publications, and content on our profiles on social networks and platforms (Facebook, Instagram, TikTok, Twitter, Pinterest, Spotify).

Data Source (80.8%), Third Party (97.3%):

Also, when we contact you to conduct research sessions or when you participate in interviews or surveys as a Parent, your contact information (email) may be provided to us by third party platforms or agencies from user dashboards generated from databases in which you voluntarily enrolled.

Personal Data (99.0%), Required Purpose (93.2%):

Purposes for Processing Your Data We use your information for a variety of business purposes, including to provide our Services, for administrative purposes, and to market our products and Services, as described below.

Contract (81.6%), Legal Basis (97.1%), Organisational Measure (62.5%), Personal Data (91.1%), Processing (98.9%), Required Purpose (85.6%):

Provide Our Services We use your information to fulfill our contract with you and provide you with our Services, such as: Managing your information and accounts; Providing access to certain areas, functionalities, and features of our Services; Evaluating the child's use of the app, as well as the child's participation, to provide you with regular reports on your child's progress Answering requests for customer or technical support; Communicating with you about your account, activities on our Services, and policy changes; Processing your financial information and other payment methods for products or Services purchased and refunds; Authenticating and verifying individual identities, including requests to exercise your rights under this Privacy Policy; Debugging to identify and repair errors with our Services; Additional information for EU residents: The legal basis for the above processing activities is the performance of a contract between you and Monkimun.

Processing (74.8%):

Information Collected Automatically We collect certain information automatically when you use our Services.

Legitimate Interest (88.1%), Personal Data (89.6%), Required Purpose (98.9%), Right (69.5%):

Administrative Purposes We use your information for various administrative purposes, such as: Pursuing our legitimate interests such as direct marketing of similar products and services, requesting customer feedback, network and information security, and fraud prevention; Detecting security incidents, protecting against malicious, deceptive, fraudulent, or illegal activity, and prosecuting those responsible for that activity; Measuring interest and engagement in our Services; Short-term, transient use, such as contextual customization ads; Improving, upgrading, or enhancing our Services; Developing new products and services; Ensuring internal quality control and safety; Additional information for EU residents: The legal basis for the above processing activities is the legitimate interest of our Company, taking into account your fundamental rights and freedoms with

respect to your personal data.

Processing (88.0%), Required Purpose (83.1%):

Legal Obligations We use your information to comply with applicable legal obligations, such as: Auditing relating to interactions, transactions, and other compliance activities; Enforcing our agreements and policies; and Carrying out activities that are required to comply with our legal obligations.

Third Party (90.5%):

In some cases, we may partner with third-party ad networks, publishers, and other advertising companies (Ad Vendors) to display our ads on other sites and apps.

Processing (98.4%):

IP address) collected on such third-party sites or apps and later recorded within our systems when an adult user takes certain actions within our app (e.g.

Required Purpose (99.1%):

installs the app or starts a free trial) to measure the effectiveness of our marketing campaigns.

Required Purpose (99.6%):

We may also use certain personal information of adults to help determine who should see our ads.

Required Purpose (81.4%):

If you are a Parent, we may use your personal information, including your email, to send you promotional content for our Services via email messages (newsletter and offers) and if you use our App, we may also send you promotional content via push notifications, and in-app messages.

Consent (77.5%):

The frequency of these messages and the decision to send them may depend on certain actions you as an adult take in relation to our Service (e.g.

Consent (88.3%):

You may decide not to receive and opt out of these communications at any time and without any charge.

Required Purpose (96.1%), Technical Measure (95.5%):

Finally, we use cookies or similar technologies on our Sites for technical purposes and for other purposes as specified in our Cookie Policy.

Required Purpose (78.8%):

For information about our automatic information collection practices, please see our Cookie Policy.

Legal Basis (99.5%):

We do this with your consent where required by applicable law.

Legal Basis (74.6%):

Other Purposes We also use your personal information for other purposes as requested by you or as permitted by applicable law.

Non-Personal Data (96.7%):

We may use personal information to create de-identified and/or aggregated information (for example, aggregate reports detailing the total number of users we have in a given jurisdiction).

Organisational Measure (64.8%):

That's why we develop our App and Services to ensure that parents, caregivers, and guardians are in control.

Required Purpose (98.2%):

We require an adult to register their child and provide the child's information to establish an account; in particular, we collect the child's first name (optional) so that you can easily distinguish between different profiles and the child's year of birth (optional) so that we can customize App content for the child.

Non-Personal Data (62.5%), Organisational Measure (64.0%), Required Purpose (87.5%):

Once the parent has created the child's account, then we strive to collect only as much information about a child player as is reasonably necessary for the child to participate in the educational activities in our Services.

Art. 17 Right to erasure (right to be forgotten) (92.4%), Required Purpose (99.6%):

We use the information we collect to improve our App and to deliver a better and more personalized experience.

Processing (99.4%), Required Purpose (96.1%):

Store information about the child's preferences regarding the activities played in our App and context (such as language), allowing us to customize the content according to individual interests.

Art. 21 Right to object (61.5%):

You can object to this processing of your child's data at any time through the channels provided.

Processing (81.0%), Technical Measure (72.6%):

We do not share, sell, rent, or transfer children's personal information other than as described in this section: If a Parent opts to share content from the app (e.g., achievements) we will provide the content via shareable links with secure tokens.

Contract (83.3%), Personal Data (99.7%), Required Purpose (87.5%):

In addition, we may disclose children's Personal Information: To vendors we use to support the internal operations of our App, or data processors, and who are bound by contractual or other

obligations to use the information only for such purpose and to keep the information confidential.

Authority (72.0%), Legal Basis (88.0%):

If we are required to do so by law or legal processes, such as to comply with any valid court order or subpoena or to respond to any valid request from a governmental, regulatory, or law enforcement entity.

Personal Data (97.1%):

Accessing and Correcting Your Childs Personal Information.

Processing (83.7%):

At any time, you may review the childs Personal Information maintained by us, require us to correct or delete the Personal Information, and/or refuse to permit us from further collecting or using the childs Personal Information.

Processing (68.6%), Retention (88.8%):

If we learn that we mistakenly collected any personal information from a child (as defined based on the minimum age for data collection in their jurisdiction), we will delete it immediately, unless we have a legal obligation to retain it, and then disable the childs account.

Required Purpose (77.4%):

Vendors We may use a variety of vendors to help provide the services.

Processing (87.8%), Technical Measure (78.0%):

This includes companies providing IT services, business tools or IT infrastructure such as hosting providers, CRMs, emailing service companies, and payment processing, customer service, services that process and administer consumer surveys and related services.

Contract (81.3%):

Such companies are data processors of Lingokids and we have proper data processing agreements in place with them.

Organisational Measure (75.9%):

We take appropriate contractual, legal, technical, and organizational measures designed to ensure that your personal information is treated securely.

Required Purpose (99.3%):

Business Partners If you are a Parent, we may disclose your personal information with our business partners when necessary to provide a product or service you have requested.

Legal Basis (89.7%):

We may also disclose your personal information with partners with whom we jointly offer products or services, based on appropriate legal grounds (where applicable).

Required Purpose (98.8%):

Finally, if you request a refund through a third party, like Apple, we may disclose to Apple the necessary information to help analyze and process that request.

Legal Basis (95.9%), Required Purpose (95.2%), Third Party (97.0%):

Advertising Partners If you are a Parent, we may also disclose your personal information to third-party advertising partners, under appropriate legal bases (where applicable), to advertise the Services on third-party sites or apps and to assist in measuring the effectiveness of our marketing campaign.

Processing (76.7%):

We encourage you to read the Privacy Policy carefully, and if you have any questions, please contact us as set forth in Contact Us below.

Non-Personal Data (84.8%), Personal Data (89.5%), Required Purpose (95.7%), Technical Measure (89.3%):

In addition to information collected within our App we may share directly, third-party advertising partners may set Technologies and other tracking tools on our Sites to collect information regarding your activities on our Sites and your device (e.g., your IP address, cookie identifiers, page(s) visited, location, time of day).

Required Purpose (98.1%):

These advertising partners may use this information to show our advertisements to you on other websites and applications and help us measure the effectiveness of our marketing campaigns.

Third Party (71.3%):

Note that we do not disclose information collected from children or within child-directed properties of our Services to our advertising partners.

Legal Basis (74.2%), Processing (96.0%), Required Purpose (90.6%), Third Party (81.0%):

Disclosures to Protect Us or Others We may access, preserve, and disclose any information we store associated with you to external parties if we, in good faith, believe doing so is required or appropriate to: comply with law enforcement or national security requests and legal process, such as a court order or subpoena; protect your, our, or others rights, property, or safety; enforce our policies or contracts; collect amounts owed to us; or assist with an investigation or prosecution of suspected or actual illegal activity, as permitted by Law.

Legal Basis (92.6%), Processing (76.7%):

Disclosure in the Event of Merger, Sale, or Other Asset Transfers If we are involved in an actual or proposed merger, acquisition, financing due diligence, reorganization, bankruptcy, receivership,

purchase or sale of assets, or transition of service to another provider, your information may be sold or transferred in connection with such a transaction, as permitted by law and/or contract, to the extent permitted by law.

Retention (95.7%):

Retention of Your Data We will retain your information for as long as needed to provide you with our Services, and after that, as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements, and during the statute of limitations for legal actions.

Organisational Measure (72.0%):

Security of Your Data We have implemented appropriate security measures designed to ensure the security of your personal information and prevent its alteration, loss, and treatment and/or unauthorized access.

Consent (81.5%):

If you choose to opt-out, we will still send you non-promotional communications, such as those about your account.

Consent (61.5%):

Do Not Track / Global Privacy Control: Do Not Track (DNT) is a privacy preference that users can set in certain web browsers.

Legal Basis (83.5%):

Additionally, some browsers or plug-ins use a Global Privacy Control (GPC), which you can learn more about at <https://globalprivacycontrol.org/>.

Legal Basis (80.0%):

The laws of your jurisdiction may provide you with certain rights regarding personal data.

Art. 15 Right to access by the data subject (63.6%), Required Purpose (88.3%):

Depending on the laws where you live, you may have the right to: Access Personal Information about you, including: (i) confirming whether we are processing your personal information; (ii) obtaining access to or a copy of your personal information; Request Correction of your personal information where it is inaccurate, incomplete, or outdated.

Consent (71.5%):

With Your Consent In addition to our marketing activities described above, we may use personal information for other purposes that are clearly disclosed to you at the time you provide personal information, or with your separate consent.

Personal Data (97.9%):

To the fullest extent permitted by applicable law, we do not accept liability for unauthorized access,

use, disclosure, or loss of personal information.

Automated Decision Making (88.5%), Consent (62.1%), Processing (63.7%):

Request data portability and receive an electronic copy of the personal information that you have provided to us; Be informed about third parties with which your personal information has been shared; and Request the review of, or opt-out of, certain decisions taken exclusively based on automated processing.

Legal Basis (83.5%):

Please note, however, that certain information may be exempt from such requests in some circumstances, which may include if we need to keep processing your information to comply with a legal obligation.

Authority (89.4%):

You may be able to designate an authorized agent to make requests on your behalf.

Right (75.4%):

The law of your jurisdiction may provide you with the right to appeal a denial of your request.

Authority (62.5%):

Supervisory Authority.

Authority (94.6%), Consent (87.4%), Legal Basis (90.8%), Lodge Complaint (73.3%), Scale EU (78.8%), Scale Non-EU (80.8%):

If your personal information is subject to the applicable data protection laws of Australia, Brazil, the European Economic Area, Switzerland, or the United Kingdom, you have the right to lodge a complaint with the competent supervisory authority or attorney general if you believe our processing of your personal information violates applicable law: Office of the Australian Information Commissioner Autoridade Nacional de Protecção de Dados (ANPD) EEA Data Protection Authorities (DPAs) Swiss Federal Data Protection and Information Commissioner (FDPIC) UK Information Commissioners Office (ICO) Spanish Data Protection Agency (AEPD) Opting Out of Sales of Personal Information or Targeted Advertising.

Legal Basis (99.5%):

Additional Information for Residents of California This section applies only to personal information about California residents, as that term is defined in the California Consumer Privacy Act (CCPA), and it supplements the information in the rest of our Privacy Notice.

Personal Data (99.1%):

Parents: A real name, alias, postal address, unique personal identifier, online identifier, Internet Protocol address, email address, account name, other similar identifiers.

Non-Personal Data (83.7%):

Lingokids is audited and certified by the kidSAFE Seal Program, and complies with its standards and requirements for online security and privacy.

Personal Data (98.6%):

Child Users: First name, unique personal identifier, online identifier, Internet Protocol address, other similar identifiers.

Required Purpose (98.9%):

Parents: Providing the Services (as further described in Section 3.A.) Direct marketing to adults (via email, push notifications, and in-app messaging) Internal administrative purposes such as; requesting customer feedback; network and information security, fraud prevention; detecting security incidents, protecting against malicious, deceptive, fraudulent, or illegal activity, and prosecuting those responsible for that activity; measuring interest and engagement in our Services; short-term, transient use, such as contextual customization ads; improving, upgrading, or enhancing our Services; developing new products and services; ensuring internal quality control and safety.

Required Purpose (76.8%), Technical Measure (60.8%):

Generate regular reports on your child's progress, using artificial intelligence, so that you can be part of your child's learning journey, see your child's strengths and areas for improvement and explore other resources inside and outside the app to support your child's learning progress.

Personal Data (97.8%):

Parents: Advertising partners (IP address, unique personal identifier and device identifier, email address) Data analytics providers (IP address, unique personal identifier and device identifier, email address) Child Users: Service providers Data analytics providers Parents: A name, address, financial information.
