Organisational Measure (71.9%), Processing (76.9%):

If it is brought to our attention that we have received data from individuals under 18 years old, we will make appropriate efforts to remove it from our records.

Required Purpose (94.3%):

To ensure a smooth connection to the website and running of the mobile apps; 3.1.2.

Required Purpose (86.9%):

To ensure comfortable use of our website and the mobile apps; 3.1.3.

Consent (74.9%), Required Purpose (98.4%), Technical Measure (60.1%):

We only process the data listed in number 2.2 for marketing purposes to provide you with information about our products and services in a newsletter, if you have given us your permission to do this.

Legal Basis (97.5%):

On what legal basis do we process your data?

Legitimate Interest (94.2%), Processing (98.5%):

The legal basis for the processing described in numbers 3.1 arises from our legitimate business interest pursuant to Art.

Personal Data (94.0%), Required Purpose (96.7%):

For what purposes do we process your data?

Processing (92.1%), Third Party (93.6%):

Subject to explicit regulations otherwise in this policy, your data is only transmitted to third parties if 5.1.1.

Consent (64.1%):

We have received your explicit consent to this pursuant to Art.

Processing (95.5%):

The transmission is necessary pursuant to Art.

Legitimate Interest (77.5%), Required Purpose (61.5%):

6 (1), sentence 1, point (f) of the GDPR to establish, exercise, or defend legal claims and there is no reason to assume that you have a prevailing protected interest in non-transmission of your data; 5.1.3.

Contract (85.4%):

This is legally permissible and is required to process contractual relationships with you pursuant to Art.

Consent (90.3%), Processing (98.0%):

If you have consented to receiving a newsletter: 2.2.1.

Data Source (67.8%), Personal Data (82.3%):

The email address you provided.

Contract (75.1%), Organisational Measure (75.1%):

Such transmission takes place solely within the framework of a contract data processing agreement under which we have authority to issue instructions in regard to the affected data.

Data Processor (62.0%):

If you have consented to receive newsletters, your email address will be transmitted to service providers of Fox & Sheep that support us technically in sending our newsletters.

Processing (98.6%):

If you click on an affiliate link on our website or in our mobile apps, the relevant vendor of the shop only receives from us the information that the click came from our website or our mobile app.

Processing (93.0%):

Please read the data privacy conditions of this third-party website before transmitting personal data to such a website.

Required Purpose (96.6%), Retention (97.6%):

We only store your personal data as long as necessary to fulfill the purposes for which we collected it, including to fulfill legal, accounting, or reporting obligations.

Processing (63.2%), Retention (75.1%):

In some cases, we may anonymize your personal data so that it can no longer be linked to you; in such a case, we may use this data without further notifying you.

Personal Data (96.4%), Technical Measure (98.0%):

Cookies We use cookies on our website and our mobile apps.

Automated Decision Making (91.8%), Processing (99.0%):

Cookies are small files automatically created by your browser and stored on your end device (laptop, tablet, smartphone, etc.) when you visit our website or use our mobile apps.

Organisational Measure (83.0%), Processing (67.1%), Technical Measure (83.2%):

Cookies do not harm your end device and do not contain viruses, Trojan horses or other malware.

Organisational Measure (69.9%), Processing (98.3%):

The cookie stores information created in connection with the specific end device used.

Organisational Measure (61.9%):

However, this does not mean that we obtain direct knowledge of your identity.

Required Purpose (97.4%):

One purpose of cookies is help us make using our offer more enjoyable for you.

Required Purpose (92.7%), Technical Measure (92.2%):

For example, we may use so-called session cookies to detect that you have already visited individual pages on our website or used our mobile apps.

Automated Decision Making (81.1%):

These are automatically deleted after your leave our website or our mobile apps.

Required Purpose (96.0%), Technical Measure (61.4%):

We also use temporary cookies to optimize user friendliness.

Retention (83.2%):

They are stored on your end device for a specific fixed amount of time.

Required Purpose (90.1%):

We also use cookies to record statistics about the use of our website or mobile apps and analyze them in order to optimize our offer for you (see number 3).

Automated Decision Making (72.7%):

If you visit our website or our mobile apps again, these cookies allow us to automatically detect that you have already been there.

Legitimate Interest (95.2%), Processing (98.2%), Required Purpose (83.6%):

The data processed by cookies is needed for the stated purposes to protect our legitimate interests as well as those of third parties pursuant to Art.

Legal Basis (85.8%):

6 (1), sentence 1, point (f) of the GDPR.

Required Purpose (83.9%):

However, you can configure your browser so that no cookies are stored on your computer or so that a notice always appears before a new cookie is created.

Required Purpose (95.6%):

However, wholesale deactivation of cookies may lead to you not being able to use all the functions of our website or our mobile apps.

Organisational Measure (80.6%), Technical Measure (70.9%):

Tracking tools The tracking measures listed below and used by us are implemented based on Art.

Required Purpose (98.7%):

We also use tracking measures to record statistics about the use of our website or mobile apps and analyze them in order to optimize our offer for you.

Legal Basis (61.1%), Legitimate Interest (65.1%):

These interests are legitimate as defined by the regulation cited above.

Data Controller (85.9%), Recipient (60.7%), Required Purpose (78.5%), Technical Measure (98.1%):

Google Analytics For purposes of needs-based design and continuous optimization of our pages, we use Google Analytics, a web analysis service of Google Inc.

Processing (65.4%):

Pseudonymized use profiles are generated and cookies (see number 4) are used in this context.

Legitimate Interest (91.3%), Personal Data (94.1%):

The information about your use of our website or our mobile apps generated by the cookie, such as Browser type/version, Operating system used, Referrer URL (previously visited page), Host name of accessing computer (IP address), Time of server query, is sent to a Google server in the USA and stored there.

Contract (65.4%), Legal Basis (79.2%):

This information may also be sent to third parties if required by law or if third parties are processing this data on a contract basis.

Personal Data (94.5%), Required Purpose (80.7%), Technical Measure (69.1%):

IP addresses are anonymized to make association impossible (IP masking).

Technical Measure (64.7%):

If you delete cookies on this browser, you must replace the opt-out cookie.

Required Purpose (93.9%), Technical Measure (62.1%):

Google Adwords conversion We also use Google conversion tracking to record statistics about the use of our website or our mobile apps and analyze them in order to optimize our website or our mobile apps for you.

Required Purpose (73.0%):

individuals under 18 years old) in connection with visits to our website and use of our mobile apps.

Personal Data (73.3%), Retention (76.4%):

These cookies expire after 30 days and do not act as personal identification.

Consent (74.0%), Processing (90.2%), Required Purpose (78.3%):

The information obtained using conversion cookies helps create conversion statistics for Adwords customers that have chosen to use conversation tracking.

Required Purpose (62.8%):

You can also deactivate cookies for conversion tracking by setting your browser so that cookies from the domain www.googleadservices.com are blocked.

Required Purpose (97.3%):

Matomo We use the open source software Matomo for analysis and statistical evaluation of the use of the website or our mobile apps.

Non-Personal Data (71.0%), Required Purpose (67.4%):

The information is used to analyze the use of our website or our mobile apps, to compile reports about website activities, and to perform other services related to website use and Internet use for purposes of market research and needs-based design of our website or our mobile apps.

Technical Measure (88.6%):

The information about website use or the use of our mobile apps generated by the cookie is sent to our servers and summarized in pseudonymous use profiles.

Processing (73.5%), Required Purpose (86.3%):

The information is not disclosed to third parties.

Processing (97.5%):

Your visit to our website or our mobile app is recorded live by Matomo web analysis.

Data Controller (88.1%), Technical Measure (87.9%), Third Party (67.0%):

Facebook Analytics for Apps (Facebook Inc.) Facebook Analytics for Apps is an analytics service provided by Facebook Inc., 1 Hacker Way, Menlo Park, CA 94025, USA.

Data Controller (85.9%), Processing (65.5%):

The data collector in this regard is Facebook Ireland Ltd.

Personal Data (98.2%), Processing (99.5%):

Facebook Analytics for Apps collects the usage data and various types of personal data as specified in the privacy policy of the service (<https://www.facebook.com/about/privacy/>).

Required Purpose (96.9%):

We use Facebook Analytics for Apps for analysis and statistical evaluation of the use of our apps.

Required Purpose (99.2%):

We can use the statistics we obtain to improve our services and to make our apps for you as a user more interesting.

Processing (89.0%), Scale EU (72.3%):

For the cases, in which personal data is transferred to the USA, Facebook uses standard data protection clauses adopted by the European Commission.

Scale EU (75.8%):

If the service providers registered office is outside the EU or the EEA, we ensure a level of data privacy that complies with applicable data privacy regulations.

Scale Non-EU (85.8%):

Furthermore, the transfer of data from the EEA to the United States and other countries can be based on adequacy decisions of the European Commission.

Data Controller (92.1%):

Fabric Answers (Google Inc.) Fabric Answers is an analytics service provided by Crashlytics, a business division of Google Inc.

Data Controller (62.4%):

(<https://www.google.com/intl/de/analytics/>) (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; hereinafter Google).

Personal Data (82.0%):

This service of Fabric Answers is designed for mobile apps analytics and can collect various information about your mobile phone, highlighted in the Fabric Answers privacy policy (<https://policies.google.com/privacy>).

Technical Measure (73.2%):

In particular, this application uses identifiers for mobile devices (including Android Advertising ID or Advertising Identifier for iOS, respectively) and technologies similar to cookies to run the Fabric Answers service.

Processing (93.8%), Third Party (74.7%):

Fabric Answers may share data with other tools provided by Crashlytics, such as Crashlytics or

Twitter.

Personal Data (98.5%), Required Purpose (63.1%):

Fabric Answers collects the following personal data: cookies, unique device identifiers for advertising (Google Advertiser ID or IDFA, for example) and usage data.

Third Party (67.2%):

This personal data is processed in the USA by Google.

Third Party (77.4%):

Responsibility for operation that complies with data privacy must be guaranteed by the respective providers.

Required Purpose (95.9%):

We incorporate these plug-ins using the so-called two-click method to protect users of our website or our mobile apps as well as we can.

Required Purpose (84.8%):

Facebook Our website or our mobile apps use Facebook social media plug-ins to personalize use.

Processing (94.5%):

Facebook sends the content of the plug-in directly to your browser, which incorporates it into our website or our mobile apps.

Required Purpose (61.0%):

Facebook may use this information for purposes of advertisement, market research, and needs-based design of Facebook pages.

Required Purpose (73.3%):

The tracking measures used are intended to ensure needs-based design and continuous optimization of our website or our mobile apps.

Processing (94.0%), Required Purpose (60.1%):

to analyze your use of our website or our mobile apps in relation to the advertisements displayed to you on Facebook, to inform other Facebook users about your activities on our website or our mobile apps, and to perform other services related to the use of Facebook.

Right (62.5%):

Please find the purpose and scope of the data collection and further processing and use of the data by Facebook as well as your rights in this regard and possible settings for protecting your privacy in Facebooks data privacy policy (<https://www.facebook.com/about/privacy/>).

Personal Data (92.8%):

Twitter thereby receives the information that you have visited our website or our mobile apps with

your IP address.

Required Purpose (73.1%):

The incorporation of the plug-ins gives Facebook the information that your browser has accessed the relevant page of our website or our mobile apps even if you do not have a Facebook account or are not logged into Facebook.

Processing (93.0%):

The information is further published on Facebook and shown to your Facebook friends.

Processing (92.6%):

You can also prevent the collection of the data generated by the cookie about your use of our website (including your IP address) and the processing of this data by Google by downloading and installing a browser add-on (<https://tools.google.com/dlpage/gaoptout?hl=de>).

Required Purpose (73.3%):

However, they do not receive any information that could personally identify users.

Data Controller (73.6%), Technical Measure (69.6%):

SuperAwesome SuperAwesome is a COPPA compliant advertising network that provides contextual advertising and does not collect identifiers to track users.

Third Party (82.9%):

We use the SuperAwesome Development Kits in some of our apps, which are provided by SuperAwesome Trading Limited, a private limited company incorporated in England (Company Number: 09769338), having its registered office at 22 Long Acre, London, WC2E 9LY (SuperAwesome).

Technical Measure (91.8%):

If the user visits certain pages on the website or mobile apps of the Adwords customer and the cookie has not yet expired, Google and the customer can detect that the user clicked on the ad and was forwarded to this page.

Personal Data (79.9%):

Information about your use of our information and communications systems; 2.1.4.

Required Purpose (65.4%):

This hashed ID is also used for the purpose of ad frequency capping.

Processing (86.7%), Third Party (97.7%):

Information that is collected through our apps by SuperAwesome in this regard will only be available to SuperAwesome as well as Fox & Sheep and is not shared with any third party.

Data Source (71.2%), Processing (95.0%):

Facebook Ads conversion tracking connects data from the Facebook advertising network with actions performed on this app.

Technical Measure (63.8%):

Facebook Ads conversion tracking (Facebook, Inc.) Facebook Ads conversion tracking is an analytics service provided by Facebook Inc., 1 Hacker Way, Menlo Park, CA 94025, USA.

Art. 16 Right to rectification (74.1%):

16 of the GDPR, to request the rectification of inaccurate or completion of the personal data stored by us without undue delay; 13.3.

Art. 17 Right to erasure (right to be forgotten) (65.7%), Retention (73.1%):

17 of the GDPR, to request erasure of personal data stored by us unless the processing is necessary to exercise the right to free expression and information, to comply with a legal obligation, for reasons of public interest, or to establish, exercise, or defend legal claims; 13.4.

Art. 18 Right to restriction of processing (87.8%):

18 of the GDPR, to request the restriction of processing of your personal data if you contest the accuracy of the data, if the processing is unlawful but you oppose erasure, and we no longer need the data, but you need it to establish, exercise, or defend legal claims or you have objected to processing under Art.

Lodge Complaint (69.9%):

In particular, you can request information about the purposes of the processing, the categories of personal data concerned, the categories of recipients to whom the personal data has been or will be disclosed, the envisaged period for which it will be stored, the existence of a right to rectification, erasure, restriction of processing, or objection, the existence of a right to lodge a complaint, the source of your information if it was not collected from us, and the existence of automated decision-making, including profiling, and, if applicable, meaningful information about the details; 13.2.

Authority (91.2%):

77 GDPR, to lodge a complaint with a supervisory authority.

Art. 21 Right to object (93.8%):

21 of the GDPR to object to the processing of your personal data if there are grounds that arise from your particular situation or the objection is to direct marketing.

Art. 21 Right to object (68.9%):

In the latter case, you have a general right to object that we will implement without requiring any particular situation.

Art. 21 Right to object (62.4%):

Right to object Insofar as your personal data is processed based on legitimate interests pursuant to Art.

Organisational Measure (71.1%):

Data security We make use of appropriate technical and organizational security measures to protect your data against accidental or intentional manipulation, full or partial loss or destruction, and unauthorized access by third parties.

Organisational Measure (82.2%):

Our security measures are continuously being improved as technology develops.
