Retention (94.1%):

We retain such information indefinitely.

Processing (60.8%), Retention (89.4%):

When you update personal information, we may keep a backup copy of the prior version for a reasonable period of time to enable reversion to the prior version of that information.

Consent (78.5%), Data Subject (66.6%), Non-Personal Data (74.9%), Required Purpose

(92.8%):

You can choose not to provide certain personal information to us, but some basic information about your language skills and language goals are required in order for you to register and participate in the features offered through the Site.

Automated Decision Making (81.7%), Retention (65.1%):

We automatically collect some information about your computer or other device when you visit the Site.

Non-Personal Data (79.0%), Personal Data (94.5%), Technical Measure (71.5%):

Such automatically-collected information includes, for example, your IP address, Web browser software (e.g., Google Chrome or Internet Explorer), and referring web site.

Non-Personal Data (72.4%):

We also may collect information about your activity on this Site, such as the courses in which you enroll.

Automated Decision Making (72.3%), Processing (94.2%), Required Purpose (97.4%):

One of our goals in collecting this automatic information is to help improve your user experience.

Personal Data (68.2%), Technical Measure (98.6%):

We may collect this information passively using technologies such as standard server logs, cookies, and clear GIFs (also known as Web beacons).

Processing (98.9%):

If we link or associate any information gathered through passive means with personal information, we treat the combined information as personal information under this privacy policy.

Non-Personal Data (80.1%), Third Party (99.1%):

We may use and disclose information that has been aggregated or otherwise is not personally identifiable to third parties for various purposes.

Processing (97.6%):

We also may receive information about you, including personal information, from third parties, and may combine this information with other personal information we maintain about you that we collect on the Site.

Consent (85.0%):

We may also use personal information for any other purposes that we may disclose to you in connection with a request for your personal information, and for any other use for which you may provide your consent.

Consent (83.5%):

Please review Your choices with respect to the Collection and Use of Personal Information below.

Consent (74.0%), Personal Data (99.5%), Third Party (67.8%):

Use of Personal Information We will use personal information about you for the following general purposes: to provide you with the products and services you request; to respond to your questions and comments; to communicate with you via regular mail and email (or other electronic means) about our programs and services; to personalize content on the Site; to measure interest in, and to administer and improve, our services and Site, and to develop new features, functionality, products, and services; to solicit information from you, including through surveys; to resolve disputes, collect fees, or troubleshoot problems; to understand and analyze the usage trends and preferences of our users; to prevent potentially illegal activities; and to enforce our Terms of Service.

Personal Data (82.1%), Processing (95.5%), Required Purpose (85.6%):

Disclosure of Personal Information We display your profile information (minus your email address and password) to other registered and unregistered users of the Site, including people browsing for connections on the Site, and to support other Site functions.

Recipient (65.2%), Required Purpose (73.2%):

We also may disclose your personal information in the following circumstances: (a) To third-party vendors who provide services or functions on our behalf, such as customer service, business analytics, marketing, and services to us in connection with operating the Site.

Processing (99.0%), Required Purpose (78.2%):

These vendors have access to personal information needed to perform their functions and we require them to agree not to share or use the information for any other purpose.

Recipient (86.0%):

(b) To business partners with whom we may jointly offer a product or service offering.

Right (82.5%):

(d) As necessary, in our sole discretion, to protect the perceived rights, safety and property of users of the Site, and the public.

Recipient (77.1%):

(e) In connection with a change of control or operations, including without limitation in any merger, acquisition, reorganization, restructuring or any other transfer of all or substantially all of our assets, or a transfer of the operations of the Site.

Processing (76.7%):

Other than as set out above and for any other disclosures for which you provide your consent, you will be notified when personal information about you will be shared with third parties, and you will

have an opportunity to choose not to have us share such information.

Processing (90.4%):

Otherwise, we use and disclose information collected by passive means in aggregate form or otherwise in a non-personally identifiable form.

Personal Data (99.1%), Processing (94.5%), Third Party (84.0%):

A Special Word about Communications Channels and Profile Information Please keep in mind that whenever you voluntarily disclose personal information on areas of our Site that are accessible by third parties (including users of the Site and others), such as user profiles or information that you share through communications channels available on the Site, that information can be collected and used by others.

Third Party (95.9%):

By posting personal information online that is publicly accessible, you may receive unsolicited messages from other parties in return.

Processing (75.5%):

This list is generated using only the information about languages you both speak and learn and your proficiency in each.

Legal Basis (89.2%), Required Purpose (88.7%):

Your Choices With Respect to the Collection and Use of Personal Information (a) As noted above, you can choose not to provide us with personal information, although it may be needed to register as a member on the Site and to participate in certain features offered through the Site.

Organisational Measure (68.7%):

Security While no web site can guarantee security, we have implemented administrative, technical, and physical security procedures to help protect personal information in our control.

Personal Data (98.5%):

We do not authorize disclosure of personally identifiable information by any child under 10.

Processing (74.1%):

We will immediately investigate and delete any personally identifiable information about a child under 10 and inform the school or educational organization of the change.

Processing (74.2%):

(b) You may stop the delivery of email communications by making the appropriate election while logged into the Site, following the instructions accompanying a particular communication, or by contacting us at admin@livemochas.com.

Processing (79.4%):

We recommend that you examine the privacy statements posted on those other web sites and services to understand their procedures for collecting, using, and disclosing personal information.

Third Party (94.5%):

Third Party Connected Services We may from time to time permit users with accounts on certain third-party services such as Facebook (Third-Party Connected Services) to log in to such third-party services through the Site, and may offer you the ability to connect to Third-Party Connected Services on the Site.

Consent (74.7%):

In any request for authorization to connect, we may ask you for additional rights or permissions with respect to Third-Party Connected Services and information, including personal information, that we obtain from them.

Consent (74.8%):

(f) If you have access to premium content on the Site via a Livemocha enterprise subscription agreement between Livemocha and your employer or another entity, you hereby permit Livemocha to provide reports regarding your usage of the services on the Site, including personal information, to the subscribing entity during the term of that enterprise subscription.

Personal Data (95.6%):

For example, if you permit us to connect to your Facebook profile, we may collect information from your Facebook profile such as your name, profile picture, gender, networks, user ID, list of friends, and any other information youve made public.

Legal Basis (96.0%):

Changes to this Privacy Policy We may update this Privacy Policy in the future to reflect changes in our privacy practices, our website functionality, or applicable legislation, so please check back often.

Organisational Measure (87.3%):

We will notify you about material changes to this Privacy Policy by sending a notice to the e-mail address you provided to us or by placing a prominent notice on the Site.

Processing (89.3%):

Also, as an example of the uses and disclosures that we may make of information that has been aggregated or otherwise is anonymous, we may share such information with third parties, including advertisers and investors.
