Third Party (97.9%):

How We Use Your Information We do not sell or rent your Personally Identifiable Information to any third party.

Personal Data (98.7%), Required Purpose (94.8%):

We may also use public information collected to determine the kinds of content that you would like to view and to assist any advertisers in targeting their advertising.

Organisational Measure (70.8%), Personal Data (89.9%):

We also use your name, email address, telephone number, and other information on our system to notify you of new product releases, service notifications, and to solicit your feedback and input.

Consent (62.8%):

With your consent we may send push notifications to your mobile device to provide updates and relevant messages.

Processing (99.0%), Required Purpose (93.3%):

The Company uses the Information you provide to (a) manage your account; (b) respond to your inquiries about its offerings and the transactions carried out on the website; (c) provide you with information about products and services available on the website and offer you other products and services that the Company believes may be of interest to you; (d) resolve any glitches on the website including addressing any technical problems; (e) improve the services and content on the website and your experience of navigating through the website and carrying out transactions on the website and; and (f) manage the Companys relationship with you.

Third Party (79.0%):

The Company uses our partners, such as social media interaction tools, functionalities through application programming interfaces (APIs) or software development kits (SDKs) and in-game advertising.

Personal Data (96.6%):

These partners may access data regarding your activities and your device (such as your IP address, mobile identifiers, page(s) visited, location, time of day).

Processing (72.6%), Third Party (88.9%):

We may also combine and share data we have collected about you with third-party advertising partners.

Required Purpose (81.0%):

These advertising partners may use this data (and similar data collected from other websites) for purposes of delivering targeted advertisements to you when you visit third-party services within their networks or for retargeting you via advertisements of our games.

Processing (98.8%):

This practice is commonly referred to as interest-based advertising or online behavioral advertising. By accepting our Privacy Policy or otherwise providing information to us, you consent to us collecting and using the information, as well as the processing and transferring of the information as deemed necessary.

Processing (96.6%):

We encourage you to check their privacy policies to learn more about their data processing practices.

Legal Basis (82.7%), Personal Data (74.7%), Processing (95.9%), Required Purpose (64.5%), Right (93.4%):

You understand and agree that we may access, preserve, and disclose any information we may have about you and the contents of your account if required to do so by law or in a good faith belief that such access, preservation or disclosure is reasonably necessary to avoid liability, to comply with legal process, such as a search warrant, subpoena, statute, or court order, to protect our rights and property, or that of our affiliates or the public, or when there is a violation of our Terms of Service Agreement.

Consent (84.0%), Personal Data (64.5%):

Gametion Global Technologies Pte Ltd may maintain copies of your Content indefinitely, or delete certain Content in whole or in part if Gametion Global Technologies Pte Ltd determines, in its sole discretion, that such Content constitutes an infringing or a prohibited posting as set forth in our

Terms of Service or for any or no reason.

Required Purpose (95.9%):

We also use non-Personally Identifiable Information and certain technical information about your computer and your access to the Service (including your IP address) in order to operate, manage and maintain the Service, improve the Service and create new services.

Required Purpose (99.2%):

Gametion Global Technologies Pte Ltd may disclose information about you to its partners in order to provide the Service, resolve service problems and correct errors in the Service, to communicate with you about the Service, to provide you with advertising and promotional information in connection with the Service, and to enhance your experience on the Service.

Contract (61.1%), Required Purpose (99.1%), Third Party (85.2%):

Due to our contractual obligations with these third parties and the need to share information to deliver and support the Service, we cannot provide you with the opportunity to opt-out of sharing information (whether Personally Identifiable Information or other information) with these third parties.

Personal Data (93.2%):

Gametion Global Technologies Pte Ltd may use the services of a third party provider(s) to process your email IDs as you would have shared with Facebook or us for logging in to Gametion Global Games.

Personal Data (75.1%), Processing (69.7%), Required Purpose (96.2%):

This processing is only done to provide you invoices for any payments made by you to avail in-app purchases on the Gametion Global's games Gametion Global Technologies Pte Ltd, certain of its partners, and each of their contractors and employees may view the Content that you transmit to the service to provide the Service and otherwise perform the tasks set forth in this Privacy Policy.

Third Party (74.4%):

Controlling Your Personal Information Be advised that if you send messages or post material containing personal information, that information may be collected and used by others.

Consent (94.5%):

You may opt-out of interest-based advertising on mobile applications by checking the privacy settings of your Android or iOS device and turning off Allow Apps to Request to Track or selecting Limit Ad Tracking (Apple iOS) or Opt-out of Interest Based Ads (Android).

Consent (68.1%):

Others' Information You may decide to provide us with another persons email address so that person may be invited to join Gametion Global Technologies Pte Ltd or so that we may facilitate

your communication with other people through the Service (such as when you upload an address book).

Processing (88.0%):

The Company may also collect Non-Personal Information that you voluntarily provide, such as information included in response to a questionnaire or a survey conducted by the Company.

Processing (91.0%):

We use this information to contact and, if necessary, remind that person that he or she has been invited to join Gametion Global Technologies Pte Ltd or received content through an SNS App or Mobile App.

Required Purpose (97.3%), Technical Measure (95.8%):

Cookies To enhance your experience with the website, many of the web pages use cookies and pixel tags and clear gifs on certain pages of the website.

Required Purpose (64.3%):

Cookies are text files the Company places in your computers browser to store your preferences.

Consent (93.9%):

In addition to information about yourself, you may choose to share information about yourself in other content (Content), such as in games.

Processing (99.2%):

However, once you choose to furnish the website with personally identifiable information, this information may be linked to the data stored in the cookie.

Required Purpose (99.0%):

The Company uses cookies to understand site usage and to improve the content and offerings on the website.

Required Purpose (99.4%):

For example, the Company may use cookies to personalize your experience on the website (e.g., to recognize you by name when you return to the website) or save your password in password-protected areas.

Required Purpose (99.6%):

The Company may also use cookies to offer you products, programs, or services.

Automated Decision Making (70.7%), Technical Measure (88.4%):

Session cookies are automatically deleted from your hard drive once a session ends, and most cookies are session cookies.

Consent (84.1%):

If your browser permits, you may decline the cookies, however, if you decline the cookies, you may be unable to use certain features on the website and you may be required to re-enter your password frequently.

Consent (80.7%):

Control Over Your Personal Information You have the right to withdraw your consent at any point, provided such withdrawal of the consent is intimated to the Company in writing through an email at requesting the same.

Personal Data (62.3%), Required Purpose (81.9%):

The Company reserves the right to verify and authenticate your identity and your account Information and/or payment Information in order to ensure accurate delivery of services.

Art. 16 Right to rectification (65.3%), Personal Data (91.3%), Required Purpose (93.5%):

If you need to update or correct your Personal Information that the Company may have collected to offer you personalized services and offers, you may send updates and corrections to the Company at citing the reason for such rectification of Personal Information.

Third Party (71.8%):

DATA SHARING We use third-party advertising companies to serve ads on our site and on certain Gametion Global Technologies Pte Ltd.

Required Purpose (96.9%):

Similarly, third-party advertising companies may provide us with pixel tags (also called clear gifs or beacons) to help manage and optimize our online advertising.

Technical Measure (90.6%):

Security We use standard, industry-wide, commercially reasonable security practices such as encryption, firewalls and SSL (Secure Socket Layers) for protecting your information, so the protected Information and usage Information we collect is securely stored within our databases.

Processing (96.5%), Technical Measure (70.7%):

However, it should be noted that as effective as encryption technology is, no security system is impenetrable, thus we cannot guarantee the security of our databases, nor can we guarantee that the information you supply us with won't be intercepted while being transmitted to us over the Internet or wireless communication, and that any information you transmit to Gametion you do at your own risk.

Personal Data (99.2%):

Contacting Us If you have any query or feedback regarding this Notice, or any complaint you have relating to how we manage your personal data, you may contact our Data Protection Officer (DPO)

at: Any query or complaint should include, at least, the following details: * Your full name and contact information * Brief description of your query or complaint We treat such queries and feedback seriously and will deal with them confidentially and within reasonable time.

Consent (89.1%):

All correspondence received by us from you is classified as restricted-access information and may not be disclosed without your written consent.

Legal Basis (82.1%):

The personal data and other information about you may not be used without your consent for any purpose other than for response to the inquiry, except as expressly provided by law.
