

Art. 17 Right to erasure (right to be forgotten) (83.1%), Data Controller (99.8%), Data Subject (89.5%), Organisational Measure (61.7%), Processing (99.2%), Required Purpose (95.6%):

Privacy Policy ZingMagic Limited Skip to content Home Products About Toggle Navigation Toggle Navigation Home Products About Privacy Policy This privacy policy sets out how ZingMagic Limited uses and protects any information that you give when you use this website or any of our applications.

Data Controller (93.2%):

Web site ZingMagic Limited is committed to ensuring that your privacy is protected.

Personal Data (99.4%):

We don't ask you to provide any personal information to view the content of the web site.

Technical Measure (91.5%):

Cookie Policy What are Cookies?

Processing (97.9%):

Cookies are small text files that are stored by your browser on your device to save certain information.

Processing (98.7%), Right (66.1%), Technical Measure (99.3%), Third Party (61.0%):

The next time you visit our website on the same device, the information saved in the cookies will subsequently be transmitted either to our website (First Party Cookie) or to another website to which the cookie belongs (Third Party Cookie).

Consent (93.5%), Required Purpose (99.3%):

We use this information to be able to design and display the website in an optimum way in line with your preferences.

Processing (91.2%):

Through this information a website recognizes that you have already accessed and visited it with the browser you previously used.

Consent (93.1%):

Consent to the use of Cookies Cookies that are not strictly necessary to make the services available on our website are only used when you provide us with your consent.

Consent (60.3%), Technical Measure (96.4%):

As soon as you actively accept the use of cookies via the cookie banner on our website, you consent to the use of cookies.

Art. 17 Right to erasure (right to be forgotten) (62.9%), Consent (79.0%):

Deactivation or deletion of cookies You can set your web browser in such a way that cookies are

prevented from being saved to your device and/or that you are asked each time whether you are in agreement with cookies being enabled.

Required Purpose (97.4%):

Performance cookies These allow us to recognise and count the number of visitors and to see how visitors move around the site when they are using it.

Required Purpose (95.7%):

This helps us to improve the way the site works, for example, by ensuring that users are finding what they are looking for easily.

Required Purpose (94.5%):

Functionality cookies These are used to recognise you and remember your preferences or settings when you return to the site, so that we can provide you with the personalised experience you previously chose.

Non-Personal Data (67.3%), Required Purpose (69.4%):

Some of the products provide access to social media services such as high score tables.

Required Purpose (98.2%):

by logging in) is used solely for the purpose of enabling you to participate in social activities such as posting a high score or comparing your score with others.

Non-Personal Data (93.5%), Organisational Measure (60.6%), Required Purpose (98.5%):

We only use the platform specific software APIs to obtain sufficient anonymous run time information to provide the social functions.

Non-Personal Data (63.6%), Processing (81.3%), Third Party (76.3%):

This information is not stored by us + we do not maintain the high score lists, the platform providers perform this task.

Required Purpose (97.2%):

This enables us to provide you with free to use products yet still generate some revenue to develop and support the products.

Consent (85.3%):

You can choose to remove the adverts by using an In App Purchase.

Personal Data (95.8%), Technical Measure (73.9%):

iOS and Android Ad funded products The advertising, analytics and social media services use device identifiers, local storage and cookies/mobile Ids.

Processing (99.1%), Required Purpose (99.7%):

Information will be collected and shared with back end services to provide appropriate advertizing

content and information.

Personal Data (96.1%), Required Purpose (99.8%):

For example, country or language information will be collected at run time to provide adverts relevant to the country or language currently in use.

Third Party (81.2%):

We do not display adverts on the web site.

Data Processor (70.9%), Required Purpose (99.0%), Third Party (94.1%):

Google and their ad technology partners) will use these identifiers and cookies (or their mobile equivalents) to track which adverts you have been delivered, prevent fraud and which adverts you have shown interest in.

Required Purpose (95.3%):

By doing so they are able to generate revenue from advertizers which in turn they share with us, thereby enabling you to benefit from free to use products.

Consent (93.0%):

On Android choose the Settings

Google

Ads

Opt out of Ads Personalization option.

Data Controller (84.4%):

On Huawei devices without Google Play services choose the Settings

Privacy

Ads and Privacy Settings

Security & privacy

More settings

Device identifier option.

Processing (99.4%):

By downloading and continuing to use our ad-funded products you consent to these technology providers to collecting and sharing information.

Third Party (65.4%):

Some of our games are available via the Google Play Store and incorporate SDKs from Google.

Technical Measure (69.0%):

Google provide an depth description of how they and their ad technology partners use the information that gets collected by their SDKs and platforms that we use in our apps and games: How

Google Uses Info Collected by their ads SDK Google ad technology providers information We use the standard set of Commonly Used Ad Technology Providers as defined by Google.

Data Controller (94.5%):

One time purchase products.

Technical Measure (74.5%):

Some of our ad-funded games contain Firebase Analytics.

Non-Personal Data (66.9%), Required Purpose (98.8%):

The Analytics service collect anonymous device information and identifiers as described by Googles policies: Google FireBase Analytics information We use the analytics information to understand roughly how many, how and where in the world people are playing our games so we can improve the products.

Art. 15 Right to access by the data subject (83.2%), Art. 16 Right to rectification (60.5%), Art. 17 Right to erasure (right to be forgotten) (60.2%), Processing (62.0%), Right (93.8%):
