June 2024.

Data Controller (61.0%), Legal Basis (71.6%), Non-Personal Data (85.4%), Required Purpose (87.5%):

This Privacy Policy describes how Master Lock Company LLC, part of the Fortune Brands Innovations, Inc.

Consent (80.1%), Data Controller (98.0%), Data Processor (67.3%), Data Subject (85.3%), Organisational Measure (60.2%), Personal Data (99.8%), Processing (99.4%), Required Purpose (65.2%), Retention (90.7%), Right (94.5%), Third Party (84.8%):

family of companies (we, us, our), collects, uses, and shares your personal information as well as

your rights in connection with your personal information.

Non-Personal Data (73.6%), Processing (65.7%), Required Purpose (96.2%), Retention (71.6%), Technical Measure (91.7%):

This Privacy Policy applies to personal information you submit to us or we collect through our website and our other related mobile websites (Sites); social media pages; services, tools; mobile applications; other applications; and hardware products and associated software (Devices) that are embedded with sensors, software, and other technologies for the purpose of connecting and exchanging data with our services (collectively, the "Services"), or when you interact with us through the Services or otherwise, including making transactions, inquiring about our products or services, posting product reviews, or requesting assistance.

Consent (83.4%), Data Controller (97.6%), Data Source (68.3%), Processing (97.4%), Required Purpose (77.9%):

We may provide different or additional privacy notices in connection with certain products, services, programs, and offerings.

Consent (86.5%):

We may also provide additional just-in-time notices that may supplement or clarify our privacy practices or provide you with additional choices regarding your personal information.

Data Source (73.7%), Processing (99.8%), Third Party (96.3%):

This Policy DOES NOT apply to information you provide to or is collected by any third party, including social media sites, websites, and mobile apps not operated by us.

Scale Non-EU (84.9%):

Contents Information We Collect Why We Collect Your Information Targeted Advertising and Analytics Disclosure of Information Retention of Information Your Privacy Rights and Choices Transfer of Information to the United States and Other Countries Contact Us State-Specific Disclosures Notice to Canadian Residents Notice to Individuals in Europe Privacy Policy I.

Personal Data (97.4%):

If you register an account, create a profile, purchase Services, register products, or otherwise engage with us, you may provide personal information such as name, home address, email address, phone number, payment information (credit card information, bank account information, PIN), username, date of birth, and other similar identifiers.

Non-Personal Data (76.7%), Personal Data (93.2%):

We also may collect information relating to the business you represent and demographic information such as domain information, zip codes, trade group association, and areas of interest.

Consent (95.8%):

We may collect any other information you choose to provide.

Data Processor (69.9%), Personal Data (84.1%), Processing (98.7%), Required Purpose (68.5%), Third Party (75.3%):

We may receive the aforementioned personal information from third-party sources such as payment processors, product registration services, other service providers, and social media sites with which you interact to obtain or inquire about Services.

Art. 17 Right to erasure (right to be forgotten) (84.1%), Non-Personal Data (89.7%), Organisational Measure (60.4%), Personal Data (95.1%), Processing (95.9%), Required Purpose (77.0%), Retention (83.4%), Technical Measure (98.1%):

We also collect personal information about you when you use or interact with the Services: Access and Usage Information: We collect information about how you access our Services, including data about the device and network you use, such as your hardware model, operating system version, mobile network, IP address, unique device identifiers, browser type, and app version.

Non-Personal Data (93.8%), Required Purpose (63.7%):

We also collect information about your activity on our Sites and Devices, including device information, access times, pages viewed, links clicked, referral channel, items added to shopping cart, and the page you visited before navigating to our Services.

Personal Data (96.0%), Required Purpose (90.0%):

Precise Geolocation: If you use certain of our connected Devices, we may collect your geolocation data, including information that permits us to determine your location, such as if you provide location information or enable your mobile device to send us location information when using the Services.

Consent (63.0%), Personal Data (98.8%), Processing (98.2%):

You may stop the collection of precise location information at any time, but please note that the functionality or availability of the Services may be affected should you choose to do so (see the Your Privacy Rights and Choices section below for details).

Non-Personal Data (83.3%), Personal Data (93.7%):

Transactional Information: When you make, exchange, or return a purchase, we collect information about the transaction, such as product details, purchase price, and the date and location of the transaction.

Personal Data (80.6%), Processing (97.9%), Required Purpose (80.4%):

Audio Recordings, Photos, and Chat Content: If you contact customer service through our chat feature or by phone, we may monitor and retain those conversations, including for training purposes.

Contract (71.7%), Retention (62.8%), Scale Non-EU (94.2%):

If you are a California resident and a current or prospective employee or contractor of Master Lock, please see our separate Job Applicant and Employee Privacy Policy [here](#).

Personal Data (98.8%), Required Purpose (99.5%):

We may collect GPS location data to pair your Device with the associated mobile app or other Services.

Non-Personal Data (94.4%), Processing (94.0%):

When you have a Device connected to our Services, we will collect various Device event data, such as information required to provide the Services to you, when the Device is used, whether the Device is turned on or off, whether certain features on the mobile app or Device are used and how, and aggregate Device activity information.

Consent (72.2%), Personal Data (93.8%), Processing (99.3%), Required Purpose (95.7%):

Your Content: With your permission, we may collect information and content stored on your mobile device, such as your contact list for use with our Services.

Required Purpose (93.7%), Technical Measure (99.2%):

Information Collected by Cookies and Similar Technologies: We use cookies, pixels, web beacons, device identifiers, and other similar technologies to collect information about your interaction with the Services.

Required Purpose (89.2%):

These technologies help us improve our Services and your experience, see which areas and features of our Services are popular, and count visits.

Technical Measure (97.6%):

For more information about the cookies and other tracking technologies we use, and the choices available to you, see the Your Privacy Rights and Choices section below.

Data Source (63.8%), Processing (90.4%):

We may derive information or draw inferences about you based on the information we collect.

Non-Personal Data (64.3%), Personal Data (79.9%), Required Purpose (84.5%):

For example, we may make inferences about your approximate location based on your IP address or infer that you are looking to purchase certain products based on your browsing behavior and past purchases.

Personal Data (73.8%), Processing (99.0%), Required Purpose (96.3%):

Why We Collect Your Information We process your personal information for various purposes, including to: Provide, maintain, and improve our products, Devices, and services; Develop new

products and services; Process transactions and send you related information, including confirmations, receipts, invoices, customer experience surveys, product information and recall notices; Better understand your interests in order to personalize and improve your experience with our Services; Send you technical notices, security alerts, and support and administrative messages; Respond to your comments and questions and provide customer service; Provide support and services to you, including related to our limited and lifetime warranties (as applicable); Communicate with you about products, services, and events offered by us and our affiliates and provide news and information that we think will interest you; Monitor and analyze trends, usage, and activities in connection with our Services; Personalize the advertisements you see on third-party platforms and websites (for more information, see the Targeted Advertising and Analytics section below); Create customer profiles to personalize and enhance your experience across our affiliated brands; Facilitate trade programs, rebates, discounts, contests, sweepstakes, and promotions and process and deliver entries and rewards; Detect, investigate, and prevent security incidents and other malicious, deceptive, fraudulent, or illegal activity and protect our rights and property and those of others; Debug to identify and repair errors in our Services; Comply with our legal and financial obligations; and Carry out any other purpose described to you at the time the information was collected.

Required Purpose (87.3%):

Targeted Advertising and Analytics We engage others to provide analytics services, serve advertisements, and perform related marketing and analytics services across the web and in mobile applications.

Non-Personal Data (80.9%), Required Purpose (94.5%), Technical Measure (73.8%):

These entities may use cookies, pixels, web beacons, SDKs, device identifiers, and other technologies to collect information about your use of our Services and other websites and mobile apps, including your IP address, web browser and mobile network information, device fingerprint, pages viewed, time spent on pages or in mobile apps, links clicked, and conversion information.

Data Processor (83.9%), Required Purpose (95.5%):

This information is used to deliver advertising targeted to your interests on other companies sites or mobile apps and to analyze and track data, determine the popularity of certain content, and better understand your activity.

Personal Data (96.4%), Third Party (94.6%):

In addition, we may share identifiers, like email addresses and phone numbers, with some of our advertising partners.

Processing (95.0%), Required Purpose (98.5%):

These advertising partners translate that information into a unique identifier that can then be used to show ads that are more relevant to you across the web and in mobile apps.

Legal Basis (98.8%), Processing (96.9%):

Some of the activities described in this section may constitute targeted advertising, sharing, or selling under certain laws.

Scale EU (78.9%):

You can also learn more about interest-based ads or opt out of having your web browsing information used for behavioral advertising purposes by companies that participate in the Digital Advertising Alliance, by visiting www.aboutads.info/choices, or, if you reside in the European Union, by visiting www.youronlinechoices.eu.

Processing (96.8%), Required Purpose (72.1%):

Disclosure of Information We may disclose your personal information in the following situations: With vendors, service providers, and consultants that perform services for us, such as companies that assist us with web hosting, site analytics, shipping and delivery, payment processing, bill collection, fraud prevention, customer service, product development and maintenance, research, customer reviews, and marketing and advertising.

Third Party (98.3%):

If you choose to use or implement third party integrations we facilitate on our Services or with other third parties, such as a smart home platform, voice assistant, map service or a weather provider, we may disclose certain information to the entity and/or device integrated with our Services.

Personal Data (99.3%):

Personal information collected by such third parties or third-party platforms are governed by the applicable third party's privacy policy.

Consent (90.5%), Legitimate Interest (61.1%), Processing (97.2%), Third Party (73.2%):

If you choose to participate in a program we have with third parties, such as insurance companies, non-profit environmental organizations, or installation or repair service providers, we may disclose information about you, including certain information captured by your Device(s), to the third party with your consent.

Authority (78.2%), Legal Basis (99.0%), Organisational Measure (62.8%), Processing (90.7%):

We may disclose personal information if we believe that disclosure is in accordance with, or required by, any applicable law or legal process, including lawful requests by public authorities to meet national security or law enforcement requirements.

Data Subject (66.9%), Legal Basis (86.0%):

We may disclose personal information if we believe that your actions are inconsistent with our user agreements or policies, if we believe that you have violated the law, or if we believe it is necessary to protect the rights, property, or safety of us, our users, the public, or others.

Recipient (70.8%), Required Purpose (95.7%):

We disclose personal information to our lawyers and other professional advisers where necessary to obtain advice or otherwise protect and manage our business interests.

Third Party (60.8%):

Between and among our current and future parents, affiliates, and subsidiaries and other companies under common control and ownership.

Legal Basis (88.0%), Required Purpose (98.2%):

For example, we may retain some information from closed accounts so that we can comply with the law, prevent fraud, assist with investigations, resolve disputes, analyze or troubleshoot service, enforce our agreements, facilitate your ability to reactivate your account or take other actions permitted by law.

Processing (98.7%):

Your Privacy Rights and Choices Access, Correction, and Deletion Depending on where you reside, you may have the right to: Request to know more about and access your personal information we have processed, including in a portable format, Request deletion of your personal information, and Request correction of inaccurate personal information.

Personal Data (97.8%):

We may verify your request by asking you to provide information related to your recent interactions with us, such as your name, email address, or phone number.

Data Subject (81.1%):

Account Information Registered users may update and correct certain account information at any time by logging into their account at the website where you created the account.

Consent (72.6%), Organisational Measure (79.4%):

If you wish to delete your account, please log into your account at the same Site you created the account and select the options to delete the account, but note that we may retain certain information (see Retention of Information section above).

Required Purpose (98.2%):

Opting Out of Targeted Advertising, Sharing, and Sales As described in the Targeted Advertising and Analytics section above, we process personal information to understand and improve your experience with our Services and to serve you advertisements on third party properties.

Legal Basis (97.1%):

Some of these activities may be considered sales or sharing of your personal information or targeted advertising under certain privacy laws.

Organisational Measure (80.6%), Technical Measure (67.4%):

If you prefer, you can usually adjust your browser settings to remove or reject browser cookies.

Organisational Measure (75.3%):

You can also adjust certain cookie settings by selecting the appropriate option on the banner that appears when first visiting our website or by accessing the Privacy Settings link at the bottom of our website at any time and selecting the appropriate options.

Organisational Measure (67.8%):

Communications Preferences You may opt out of receiving promotional emails from us by following the instructions in those communications or, as applicable, by adjusting the communications options associated with your account.

Organisational Measure (84.1%):

Mobile Push Notifications With your consent, we may send push notifications to your mobile device.

Personal Data (82.1%):

Mobile Device Access With your consent, certain of our products and services with mobile applications may access information on your mobile device such as your camera or contact list.

Consent (67.7%):

Please note that if you deny or revoke this access, it could affect the availability and functionality of the product or Service and of certain features of the mobile application.

Scale Non-EU (85.7%):

Transfer of Information to the United States and Other Countries We are headquartered in the United States and we have operations and vendors in the United States and other countries.

Processing (96.0%):

Therefore, we and those that perform work for us may transfer your personal information to, or store or access it in, jurisdictions that may not provide levels of data protection that are equivalent to those of your home jurisdiction.

Legal Basis (83.7%), Personal Data (99.8%):

Where required by law, we provide adequate protection for the transfer of personal data in accordance with applicable law, such as by obtaining your consent, relying on the European Commissions adequacy decisions, or executing Standard Contractual Clauses.

Personal Data (99.4%):

Contact Us If you need information or have any questions or concerns about this Privacy Policy or our use of your Personal Information, you may contact our Customer Care via e-mail at customerservice@mlock.com, or via mail at: Master Lock Company LLC Attn: Customer Care 6744 S Howell Avenue Oak Creek, WI 53154 IX.

Legal Basis (90.1%), Scale Non-EU (93.8%):

State-Specific Disclosures California, Colorado, Connecticut, Oregon, Texas, Virginia, and Utah have enacted consumer privacy laws that grant their residents certain rights and require additional disclosures (State Laws).

Personal Data (98.3%):

Categories of Personal Information Collected We have collected the following categories of personal information: identifiers such as name, alias, postal address, unique personal identifier, online identifier, device identifier, Internet Protocol address, email address, or account name; commercial information such as records of products or services purchased; internet and electronic network activity; geolocation data; audio and visual information; professional or employment-related information; inferences drawn about your consumer preferences; and Characteristics of protected classifications under California or U.S.

us; companies which send you information about products on our behalf; and companies which you have requested or authorized us to share your personal information with Internet and electronic network activity information Between and among companies which are under common ownership with us (affiliates); Companies which store and process data on our behalf; companies which perform data analytics for us; companies which perform marketing and advertising services for us Commercial information Between and among companies which are under common ownership with us; service providers and consultants that perform services on our behalf; companies which store and process data on our behalf; companies which perform data analytics for us; companies which help service and install our products; companies which help deliver and track our products that are ordered, replaced or repaired; companies which provide information to you about where to find or have installed our products and services; law firms; companies which send you information about products on our behalf; and companies which you have requested or authorized us to share your personal information with Audio and visual information (e.g., recorded customer service calls) Companies which store and process data on our behalf; companies which help service and install our products Characteristics of protected classifications under California or U.S.

Required Purpose (99.5%):

federal law (such as age and gender) Between and among companies which are under common ownership with us (affiliates); Vendors, service providers and consultants that perform services on our behalf; companies which store and process data on our behalf; companies which perform data analytics for us; companies which provide information to you about where to find or have installed our products and services; and companies which send to you information about products on our behalf Categories of Personal Information Sold or Shared In the preceding 12 months, we have disclosed the following categories of personal information to third parties to engage in targeted advertising and other marketing activities, including to expand the reach and effectiveness of our own marketing campaigns.

Legal Basis (97.8%):

These disclosures may be considered sales or sharing or use of personal information for targeted advertising under certain State Laws.

Automated Decision Making (93.7%), Required Purpose (91.2%):

Category of Personal Information Categories of Recipients Internet and electronic network activity information Companies which provide advertising and marketing services may use such information to serve advertisements on our behalf that are determined to be relevant to you based on your online behavior Other Details About Our Information Practices As described in more detail in the

Information We Collect section above, we collect personal information from different sources, including: directly from you, automatically when you access or use our Services, and from third-party sources.

Processing (70.1%):

We do not knowingly collect, sell, or share personal information about consumers under the age of 16.

Personal Data (98.7%), Required Purpose (96.9%):

Sensitive Personal Information By using our Services in connection with certain connected Devices offered by us or another company within the FBIN family of companies, we may collect your precise geolocation in order to provide you with the Services you purchased or requested.

Organisational Measure (69.5%):

You may provide your consent to provide such information through settings on your mobile phone at the point of collection.

Consent (79.8%):

You may withdraw your consent to collection of such information by toggling off GPS or other location tracking on the Site or your mobile device.

Consent (70.2%):

We do not disclose this information, or any other sensitive personal information, with third parties, including for the purpose of inferring characteristics about you, without receiving your express consent.

Required Purpose (76.1%):

Financial Incentives We may provide discounts, coupons, and other benefits for customers who sign up to receive our marketing emails or join certain discount programs.

Personal Data (86.8%):

When you participate in such a program, we collect personal information from you, such as identifiers like your name and email address and commercial information like your purchase history.

Right (81.5%):

Your Rights Access, Correction, and Deletion Please see the Your Privacy Rights and Choices section above for more information about the privacy rights you have under applicable State Laws and how to exercise your rights.

Technical Measure (68.8%):

You can do so by following the prompts when first visiting our Sites, by clicking [here](#), or by visiting our Sites with a legally-recognized opt-out preference signal enabled (such as the Global Privacy

Control).

Scale Non-EU (82.0%):

Notice to Canadian Residents If you are a resident of Canada, these additional terms apply to our collection, use and disclosure of personal information.

Legal Basis (96.0%):

Any reference in this Privacy Policy to personal data should be understood to refer to personal information under applicable Canadian privacy laws.

Legal Basis (89.0%), Personal Data (85.4%), Processing (86.1%), Scale Non-EU (68.7%):

Consent: By submitting personal data to us, or our service providers and agents, you consent to the collection use, disclosure, and transfer of your personal data, including transfers outside of Quebec, for the purposes described in this Privacy Policy and as permitted or required by law.

Organisational Measure (90.3%):

We may charge a minimal fee for providing such access to you.

Organisational Measure (83.1%):

If you are able to establish that the information is not accurate or complete, we will take reasonable steps to delete and/or correct the information so that it is accurate, complete, and up-to-date.

Required Purpose (81.7%):

Any such information will only be used for the purpose of confirming your identity and will not be retained by us.

Required Purpose (74.9%):

Please note that, for your safety and to protect your privacy, we cannot fulfill certain requests if we cannot verify your identity.

Scale Non-EU (96.0%):

Notice to Individuals in Europe If you are located in the European Economic Area (EEA), the United Kingdom, or Switzerland, the following section applies to you.

Required Purpose (89.6%):

Legal Basis for Processing When we process your personal data as described above, we do so in reliance on the following lawful bases: To perform our responsibilities under our contract with you (e.g., processing payments for and providing the products and services you requested).

Legitimate Interest (89.8%):

When we have a legitimate interest in processing your personal data to operate our business or protect our interests (e.g., to provide, maintain, and improve our products and services, conduct data analytics, and communicate with you).

Consent (85.4%):

To comply with our legal obligations (e.g., to maintain a record of your consents and track those who have opted out of marketing communications).

Consent (70.2%), Legal Basis (97.7%):

When consent is the legal basis for our processing your personal data, you may withdraw such consent at any time.

Art. 21 Right to object (78.9%):

In addition, you may have the right to object to certain processing or request we restrict certain processing.

Authority (83.6%), Lodge Complaint (74.1%):

If you have a concern about our processing of personal data that we are not able to resolve, you have the right to lodge a complaint with the Data Protection Authority where you reside.

Scale EU (69.7%):

For customers or users in the EEA, the data controller for purposes of your personal data is Master Lock Company LLC.

Data Controller (73.5%):

Contact details for your Data Protection Authority can be found using the links below: For individuals in the EEA: https://edpb.europa.eu/about-edpb/board/members_en For individuals in the UK: <https://ico.org.uk/global/contact-us/> For individuals in Switzerland: <https://www.edoeb.admin.ch/edoeb/en/home/the-fdpic/contact.html> 2025 Master Lock Company LLC.

Data Subject (86.1%):

For end users of the Vault Enterprise product or end users of Master Lock customers, the data controller would be the Vault Enterprise customer or your employer.
