Authority (63.6%), Data Controller (97.5%), Data Subject (68.6%), Organisational Measure (67.6%), Personal Data (70.9%), Required Purpose (95.8%):

Privacy Policy Makeblock Buy More, Save More Up to 15% Off on Back-to-school Essentials!

Data Controller (91.9%):

(we, or us) through Makeblocks website, products, and applications (the Application) relating to all the services for DIY robotics construction makers, hobbyists, (STEM) learners, and educators.

Personal Data (99.6%), Processing (89.5%):

This Privacy Policy covers the treatment of personally identifiable information (Personal Data) gathered when you are using or accessing the Application.

Consent (70.0%), Data Controller (87.5%), Third Party (89.3%):

If you do not agree to the terms of this Privacy Policy, you should immediately stop using our services.

Personal Data (85.2%), Processing (97.2%):

Please note that we use Shopify for data storage and transfer, and you can review Shopify's Privacy Policy and Data Transfer Terms for details on data storage and processing information.

Data Controller (93.7%), Processing (99.2%):

Personal Data We collect information that you provide when setting up a Makeblock account.

Personal Data (99.4%), Processing (62.7%):

Such personal information may include information that can be used to identify and/or contact a

natural person, such as name and email address.

Consent (91.4%), Personal Data (95.7%), Processing (96.0%), Required Purpose (99.0%):

In addition to this, the information we collect also relates to your telephone number if you have consented to our SMS service for you in the popup window or from the checkout. If you contact Makeblock, we keep a record of your communication (Communication Content, e-mail address, contact telephone number, address, etc.) to help solve any issues you might be facing.

Required Purpose (98.7%):

We may use your email address to inform you about our services.

Art. 17 Right to erasure (right to be forgotten) (64.0%), Non-Personal Data (98.3%), Personal Data (98.7%):

Use of Data When you have access to our applications, we also collect certain device and network connection information such as IP address, device model, operating system version, unique device identifier and mobile network information, as well as a running record of how long and how often you have used your device.

Personal Data (99.8%), Required Purpose (92.5%), Retention (97.7%):

We also collect personal data when you visit our applications and use specific functions, such as creating and posting content using the applications, and we collect specific content that you post.

Personal Data (95.9%), Processing (71.4%):

In addition Makeblock makes use of server logs, which process a record of your visits (when you visit the website and from which IP address).

Processing (94.8%), Required Purpose (90.0%), Right (88.1%):

The purpose of these server logs is to help maintain the server and prevent malicious use (for example, blocking an IP address if it is the source of a DDOS attack).

Processing (99.5%), Technical Measure (99.0%), Third Party (88.8%):

Use of Cookies and Google Analytics We use information collected from cookies (which are text files placed on your computer) and other technologies.

Data Subject (89.7%), Processing (98.2%):

Cookies (random-generated numbers to tell us that these visits are from the same anonymous user) are also stored by Google Analytics, the corporate service which measures how well our websites meet the needs of its users by analyzing how users use the site.

Consent (65.5%):

You may refuse the use of cookies by selecting the appropriate settings on your browser.

Processing (66.0%), Required Purpose (86.8%):

Purpose of Use To better fulfill our contracts, process your requests and provide and maintain our services.

Personal Data (73.4%), Required Purpose (99.7%):

We use the personal data we collect from you to understand your experience in order to provide, maintain, protect and improve applications and develop new products and services.

Personal Data (95.8%), Required Purpose (92.2%):

We protect our website and our customers by analyzing account access records to screen for dangerous violations of our terms and conditions.

Organisational Measure (69.2%), Required Purpose (78.8%):

We maintain this personal data for internal purposes only, to contact you by email, phone, text message, etc.

Not Required Purpose (64.2%), Organisational Measure (67.9%), Required Purpose (93.9%):

and to ensure that you receive any information you may request from Makeblock and to provide you with information about our products and services, company news, changes to our policies or other advertising and marketing information that we think may be of interest to you.

Consent (84.2%), Organisational Measure (74.5%):

We will seek your explicit and informed consent before using information for purposes other than those specified in this privacy policy.

Retention (74.2%):

Storage of Data Makeblock does not store or keep Personal Data stored longer than necessary for the purposes for which the Personal Data was processed.

Retention (94.2%):

Personal Data will be kept until a customer deletes their account.

Retention (96.4%):

After your account gets deleted, Makeblock will no longer be able to retrieve the Personal Data any longer.

Consent (91.7%):

Privacy for Children If you are under the age of 18, you must obtain the written consent of your parents or legal guardians to use the Application and other services we provide.

Organisational Measure (64.0%):

You can contact us to delete your account.

Required Purpose (82.9%):

You can contact us and provide information to enable us to deal with the matter promptly.

Consent (87.0%), Organisational Measure (83.5%), Processing (72.8%), Third Party (98.8%):

Disclosure of Personal Data As a general matter, we do not sell, trade, or otherwise transfer your Personal Data to third parties without your explicit and informed consent.

Processing (91.6%):

We will share your Personal Data with companies, organizations or individuals outside of Makeblock with your explicit and informed consent to do so.

Third Party (94.6%):

This does not apply to trusted third parties so designated by Makeblock, who assist us in operating the Site, conducting our business, or servicing you (Trusted Third Parties).

Organisational Measure (89.2%), Third Party (98.6%):

We may transfer your personal data to trusted third parties with notice to you, which may be in the form of an update of the third party's relevant information in the privacy policy.

Organisational Measure (73.8%), Processing (96.6%):

We will only transmit your Personal Data to Trusted Third Parties following their agreement and commitment to keep all Personal Data confidential.

Organisational Measure (80.8%), Processing (78.0%):

This Personal Data is given to Trusted Third Parties based on our instructions and in compliance with our Privacy Policy and any other confidentiality and security measures.

Organisational Measure (66.9%), Personal Data (88.9%), Processing (96.0%):

Such third parties include:(Please refer to our privacy policy under the homepage for details of application and collection.)If Makeblock is involved in any kind of merger, acquisition, or sale, we will still ensure the confidentiality of any Personal Data.

Required Purpose (98.3%):

Managing Email Addresses and Sending Messages These services provided by third parties make it possible to manage a database of subscription-based email contacts to communicate with customers via email.

Processing (97.8%):

The interaction and information obtained by this Application are always subject to the users privacy settings for each social network.

Third Party (66.9%):

Our websites use cookies to remember:Your preferences,Also, some videos embedded in our pages use a cookie to anonymously gather statistics on how you got there and what videos you visited.

Organisational Measure (65.2%), Personal Data (99.6%):

Information collected by third parties, which may include such aspects as location data or contact details, is governed by their privacy practices.

Personal Data (84.3%):

If a service-enabling interaction with social networks is installed, it may still collect traffic data for the pages where the service is installed, even when customers do not use it.

Organisational Measure (61.8%), Required Purpose (70.2%):

If you would like to change the way data is collected about you in Twitter, visit Twitter account settings, Do Not Track browser setting, and the opt-out choices of Twitters ads.

Third Party (72.4%):

The services are used to collect data concerning the date and time when the mail is viewed by the customer, as well as when the user interacts with incoming mail, such as by clicking on links included in the email.(Please refer to our privacy policy under the homepage for details of application and collection.) Interaction with External Social Networks and Platforms The Site allows for direct interaction with external social networks or other external platforms that are outside our control.

Required Purpose (94.5%):

Our third-party advertising providers, including Google Analytics, also use these technologies for marketing on our behalf, including the delivery of interest-based ads and measurement of their performance.

Required Purpose (78.5%):

To opt-out of activity-based ads in Instagram, visit your Instagram Ad Settings.(Please refer to our privacy policy under the homepage for details of application and collection.) Security We use a variety of security measures to maintain the safety of your Personal Data.

Organisational Measure (64.1%):

We take great care to ensure that your Personal Data is stored securely on our servers, and we follow the standards generally accepted in the industry to protect Personal Data submitted to us.

Processing (97.4%), Technical Measure (97.9%):

We encrypt many of our services using SSL (Secure Sockets Layer) when transmitting data.

Technical Measure (87.4%):

When a browser attempts to access a website that is secured by SSL, the browser and the web server establish a SSL connection, using keys.

Processing (64.1%):

Hashing is used when storing passwords.

Technical Measure (62.8%):

Only an encryption key can decrypt the password.

Organisational Measure (83.4%):

We review our information collection, storage, and processing practices, including physical security measures, to guard against unauthorized access to systems.

Contract (68.0%), Data Processor (69.5%), Required Purpose (86.2%):

We restrict access to Personal Data to our employees, contractors, and agents who need to know that information in order to process it for Makeblock and who are subject to strict contractual confidentiality obligations.

Processing (93.6%):

It is important to note, however, that no method of transmission or storage via the internet is 100% secure, and thus we cannot absolutely guarantee the security of your Personal Data submitted via the Site.

Legal Basis (87.3%):

Changes to Our Privacy Policy We may amend this Privacy Policy from time to time as we add new features and services to the Application, as laws change, and as privacy and security practices evolve.

Organisational Measure (66.0%):

Should we change our Privacy Policy, we will notify you of any material changes by posting them to the Site, and to other places that we deem appropriate for informing you thereof.

Organisational Measure (75.5%):

In case of significant changes, you will be provided with a notice (such as an email notification).

Organisational Measure (75.5%), Right (94.6%):

We will, in any case, not reduce your rights under this Privacy Policy without your explicit and informed consent.

Legal Basis (82.0%), Scale Non-EU (65.1%):

Applicable Law By visiting this Site, you agree that the laws of the United States, without regard to principles of conflict of laws, will govern this Privacy Policy.

Personal Data (98.8%):

If personal data is incorrect or incomplete, we will endeavor to provide our customers with a quick way to update or delete it by contacting us as described in the section of this Privacy Policy entitled "Contact Information", and if you request deletion, please be aware that deletion does not

necessarily delete all of your User Data on this server, but we guarantee that the retained user data will not be linked to your personal information.

Required Purpose (61.2%):

This may not be the case if the information must be retained for legal purposes.

Data Subject (85.7%):

The Rights of Users We understand that our customers have different privacy concerns.

Right (78.7%):

Users have the right to withdraw their consent for the processing of Personal Data or the further processing of Personal Data by Makeblock at any time.

Processing (65.0%):

The application is not available to minors and if we become aware that a minor has provided any information to us, we will delete or destroy that information.

Right (75.6%):

Users have the right at any time, to know whether their Personal Data has been stored and can consult Makeblock to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, canceled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons.
