Privacy Policy for All Applications by Developer Anna Voronich Privacy Policy for Anna Voronich's Applications Last Updated: October 31, 2024 This Privacy Policy describes what information is collected and processed in the applications developed by Anna Voronich and how this information is used.

Processing (95.0%), Required Purpose (63.1%):

This data is collected and analyzed to improve the performance and functionality of our applications.

Personal Data (74.6%):

AI System Queries: When users interact with the AI system by asking questions, the queries are processed through an LLM (Large Language Model) API to provide responses.

Processing (97.7%), Required Purpose (79.9%):

The data is used solely for providing accurate answers and is not stored or shared beyond the necessary processing by the LLM.

Data Controller (68.6%), Technical Measure (99.1%):

Google Analytics for Firebase: We use Google Analytics for Firebase to analyze user behavior and improve the user experience.

Data Controller (77.6%), Organisational Measure (74.1%):

Usage Information: We collect anonymous data on how users interact with our applications.

Personal Data (74.5%), Required Purpose (93.0%):

OpenAI API, used for processing user queries and enhancing the question-answering capabilities of the app.

Third Party (64.4%):

Our applications may use the following third-party services and libraries: Google Play Services: We use the Google Play Services SDK to access various services provided by Google, such as Google Maps, Google Drive, and others.

Organisational Measure (80.6%):

We take all reasonable measures to ensure the security of the collected information.

Consent (88.9%):

By using any of our applications, you agree to this Privacy Policy, including the transmission of questions to OpenAI's API for analysis.

Right (85.3%):

We reserve the right to make changes to this Privacy Policy at any time.

Organisational Measure (71.7%):

We do not warrant that the application will be error-free, uninterrupted, or that any defects will be corrected.

Legal Basis (89.0%):

Limitation of Liability: To the maximum extent permitted by law, our applications and its developers will not be liable for any damages, including but not limited to, direct, indirect, incidental, special, or consequential damages arising out of your use of or inability to use the application, even if advised of the possibility of such damages.

Legal Basis (65.6%):

This Privacy Policy is governed by the laws of the jurisdiction in which the developer operates.
