

Non-Personal Data (86.3%), Organisational Measure (97.4%), Personal Data (94.2%), Required Purpose (98.1%), Retention (88.9%), Scale Non-EU (91.5%), Technical Measure (97.7%):

Privacy Policy This is the privacy and cookies policy for www.minutesapps.com and the Minutes Apps application.

Data Controller (98.6%), Required Purpose (71.6%):

For the purposes of this privacy policy, both the website and application shall be referred to as the "App".

Consent (92.2%), Data Controller (95.6%):

The App is operated by PT Mitra Aplikasi Persada, trade mark as Minutes (we, us and our).

Data Controller (72.6%), Legal Basis (89.8%), Personal Data (75.1%):

For the purposes of the Data Protection Act 1998, we are the data controller.

Data Controller (94.9%), Data Source (61.6%), Data Subject (93.5%), Personal Data (85.6%):

We are committed to protecting your privacy online.

Consent (61.7%), Non-Personal Data (76.2%), Personal Data (99.6%), Processing (99.5%), Required Purpose (74.8%):

We appreciate that you do not want the personal information you provide to us distributed indiscriminately and here we explain how we collect information, what we do with it and what controls you have.

Consent (86.8%), Processing (98.8%):

By using the App, you consent to the collection and use of information in accordance with this privacy policy.

Required Purpose (88.7%), Retention (90.3%), Right (81.4%):

We reserve the right to change this privacy policy from time to time by changing it on the App.

Personal Data (99.0%), Processing (96.0%), Required Purpose (94.6%):

INFORMATION WE MAY COLLECT FROM YOU We may collect and process the following information about you: information (such as your name, email address, postal address and telephone number) that you provide by completing forms on the App, including if you register as a user of the App, subscribe to any service, booking any service via the App; in connection with an account sign-in facility, your password and log-in details; your preferences, which helps us provide you with more tailored offers; details of any transactions made by you through the App; communications you send to us, for example to report a problem or to submit queries, concerns or comments regarding the App or its content; details of your visits to the App, the resources you access and any data you download; non-personal data.

Personal Data (67.4%):

Additionally, non-personal data means aggregate and de-personalized information, which is data we collect about the use of Minutess services, from which any personally identifiable data has been removed.

Automated Decision Making (96.7%), Technical Measure (79.6%), Third Party (95.2%):

We may use tools or third party analytical software to automatically collect and use certain non-personal data that does not directly enable us to identify you.

Personal Data (98.9%), Required Purpose (87.8%):

The types of non-personal data we may collect and use include, but are not limited to: (i) device properties, including, but not limited to IP address, Media Access Control (MAC) address and unique device identifier or other device identifier ("UDID"); (ii) device software platform and firmware; (iii) mobile phone carrier; (iv) geographical data such as post code and coarse location; (v) other non-personal data as reasonably required by Minutes to enhance our products and services.

Data Source (90.3%):

information obtained from your social networking profile, if you log-in via a social networking site.

Consent (94.7%), Required Purpose (82.7%):

However, if you should choose to withhold requested information, we may not be able to provide you with certain services.

Authority (95.7%), Legal Basis (84.5%), Personal Data (85.3%), Processing (83.5%), Recipient (68.8%), Required Purpose (98.2%), Third Party (81.1%):

USES MADE OF YOUR INFORMATION We will use the information you provide to: help us to build a profile of your preferences so we can offer you services, promos, and merchants you might be interested with; enable us to process your booking and to connect you with your selected merchant and confirms your booked slot within that merchant; administer your account with us; share with our merchants for the purposes of securing your appointment slot in the merchant queue; contact you by post, phone or email when necessary to discuss the transactions entered into by you on the App; audit the downloading of data from the App; improve the layout and/or content of the pages of the App and customise them for users; identify visitors to the App; carry out research on our users' demographics and tracking of sales data; share with social networking sites at your request; and disclose to lawful authorities when required to do so by law.

Consent (76.7%):

This shall only be done with your consent and our direct marketing policy which is explained in full below.

Non-Personal Data (95.3%), Retention (80.5%):

ADDITIONAL INFORMATION When you visit the App, we may automatically collect additional information about you, such as the type of phone or operating system you use and, if you came to the website, the type of internet browser you use and the website from which you have come to the site.

Data Source (66.3%), Personal Data (97.7%):

Also, depending on whether you access Minutes on your PC or via your mobile device, we will collect your IP address (the unique address which identifies your home computer on the internet) or the unique identifier (which is linked to your mobile device) which are automatically recognised by our servers.

Data Subject (88.4%), Required Purpose (93.7%):

You are under no obligation to provide any such information.

Processing (76.9%), Required Purpose (95.9%):

You cannot be identified solely from this information and it is only used to assist us in providing an effective service on the App and to collect broad demographic information for aggregate use.

Processing (96.8%):

The website uses cookies to store certain information.

Processing (99.1%), Required Purpose (70.0%), Technical Measure (97.7%):

Cookies are pieces of information that a website transfers to your hard drive to store and sometimes track information about you.

Technical Measure (97.2%):

For more information about how we use cookies and other tracking devices, please refer to our Cookie Policy.

Non-Personal Data (76.3%), Personal Data (98.9%), Required Purpose (90.9%), Third Party (98.7%):

INFORMATION SHARING We may disclose aggregate statistics about visitors to the App, customers and sales in order to describe our services to prospective partners, advertisers, potential merchants and other reputable third parties and for other lawful purposes, but these statistics will include no personally identifiable information.

Processing (95.8%), Recipient (70.6%), Required Purpose (94.2%), Third Party (78.2%):

We may disclose your personal information to any of our affiliates, merchants, or to our agents or contractors who assist us in providing the services we offer through the App, processing transactions, fulfilling requests for information, receiving and sending communications, updating

marketing lists, analysing data, providing support services or in other tasks, from time to time.

Required Purpose (98.1%):

Our agents and contractors will only use your information to the extent necessary to perform their functions.

Processing (96.6%), Third Party (93.1%):

In the event that we undergo re-organisation or are sold to a third party, you agree that any personal information we hold about you may be transferred to that re-organised entity or third party.

Required Purpose (96.5%):

We may disclose your personal information if required to do so by law or if we believe that such action is necessary to prevent fraud or cyber crime or to protect the App or enforce the terms under which you transact with us or enforce the rights, property or personal safety of any person.

Third Party (95.8%):

EXTERNAL LINKS The App may, from time to time, contain links to external sites.

Consent (92.2%):

MARKETING TO YOU We may send you information we think you may find useful or which you have requested from us by push notification and/or (if you provide us with your e-mail address) by e-mail, including information about the latest or upcoming events featured on the App, provided you have indicated that you do not object to being contacted for these purposes and we will always give you the option to opt-out of receiving further e-mails or push notifications by following the unsubscribe instructions on any communications sent to you.

Personal Data (78.6%), Processing (63.7%), Retention (61.0%):

When you made an appointment booking from Minutes, Your data will be made accessible to the merchants that you booked.

Required Purpose (87.7%):

Additionally we may allow our merchants, and if you consent by opting-in to receive such information and offers, other carefully selected third parties, to send you information directly which you may find useful regarding their products and services.

Personal Data (83.3%), Required Purpose (97.4%):

YOUR LOCATION DATA In order to get the most out of our service and to allow us to provide you with tailored offers, we need to process your approximate location from time to time.

Personal Data (93.5%), Processing (99.4%):

The types of location data that will be processed are your latitude, longitude, cell tower ID, etc.

Required Purpose (95.1%), Retention (89.7%):

Your location data will only be processed for as long as necessary in order for us to respond to your request for tailored offers.

Retention (63.6%):

After this the data will be deleted.

Required Purpose (97.9%):

The location data may be transferred to our merchants for the purpose of providing you with the best offers at that time to match your preferences.

Consent (68.2%):

You can choose not to allow us to process your approximate location at the time you connect to the app, or any time after that either by changing the settings on your mobile device or by contacting us using the contact details at the end of this privacy policy.

Required Purpose (92.5%):

Please note that if you choose not to allow us to process your location data, we will not have enough data in order to provide you with the full benefit of our service (e.g.

Organisational Measure (96.4%):

We have security measures in place to attempt to protect against the loss, misuse and alteration of personal information under our control.

Organisational Measure (65.5%):

We are not responsible for the privacy policies or the content of such sites.

Organisational Measure (76.2%), Personal Data (97.5%):

For example, our security and privacy policies are periodically reviewed and enhanced as necessary and only authorised personnel have access to personal information.

Organisational Measure (95.1%):

Whilst we cannot ensure or guarantee that loss, misuse or alteration of information will never occur, we use all reasonable efforts to prevent it.

Processing (96.7%), Scale Non-EU (84.9%):

STORAGE OF YOUR INFORMATION Information that you submit via the App is sent to and stored on secure servers located in the United States and Singapore.

Required Purpose (94.0%):

This is necessary in order to process the information.

Processing (89.6%), Scale Non-EU (93.5%):

Information submitted by you may be transferred by us to our other offices and/or to the third parties mentioned in the circumstances described above, which may be situated outside the United States

and Singapore and may be processed by staff operating outside those area.

Consent (67.3%), Processing (97.8%):

By submitting information via the App, you agree to this storing, processing and/or transfer.

Art. 15 Right to access by the data subject (71.1%):

YOUR RIGHTS You have a legal right under the Data Protection Act 1998 to a copy of all the personal information about you held by us.

Art. 16 Right to rectification (68.2%):

You also have a right to correct any errors in that information.

Right (69.8%):

As mentioned above, you have a right to prevent the use of your personal information for direct marketing purposes.

Retention (89.1%):

MINUTES COOKIES POLICY When you interact with the App, we try to make that experience simple and meaningful.

Processing (98.1%):

When you visit our App our Web server sends a cookie to your computer or mobile device (depending on how you access the site).

Retention (93.3%):

Cookies are small pieces of information which are issued to your computer when you visit a website and which store and sometimes track information about your use of the site.

Retention (93.7%):

A number of cookies we use last only for the duration of your web session and expire when you close your App.

Technical Measure (77.9%):

These are known as session cookies.

Retention (79.8%):

Other cookies are used to remember you when you return to the App and will last for longer.

Technical Measure (80.0%):

These are known as persistent cookies.

Non-Personal Data (73.9%), Required Purpose (71.0%):

This allows us to make sure we have enough capacity for the number of users that we get; customise elements of the promotional layout and/or content of the pages of the site; and collect statistical information about how you use the site so that we can improve the site and learn which

parts of the website are most popular to visitors.

Data Processor (60.2%):

Some of the cookies used by our App are set by us, and some are set by third parties who are delivering services on our behalf.

Organisational Measure (76.7%):

Most web browsers automatically accept cookies but, if you prefer, you can change your browser to prevent that or to notify you each time a cookie is set.

Required Purpose (66.3%), Technical Measure (92.0%):

Tracking Gifs are small image files within the content of our site or the body of our newsletters so we or third parties can understand what parts of the website are visited or whether particular content is of interest.
