Art. 17 Right to erasure (right to be forgotten) (62.3%), Data Controller (96.5%), Personal Data (99.7%), Processing (99.1%), Required Purpose (98.6%), Retention (67.3%), Technical Measure (96.0%), Third Party (65.5%):

Information We Collect and Its Uses Create an Account Profile Securing the Transmission and Storage of Information Disclosure of Information to Third Parties Cookies Web Beacons Public Forums, Referrals, & Testimonials Careers & Partnerships Other Sites Website Survey Privacy Policy Changes Google Calendar Privacy Policy Information We Collect and Its Uses When we need to collect personally identifiable information to execute the requested transaction or provide a particular service, we will ask you to voluntarily provide us with any additional information we need.

Processing (95.7%), Required Purpose (90.7%):

If you elect to make an online payment, you will be asked to provide information that is necessary to process your payment.

Personal Data (95.9%), Processing (92.8%), Required Purpose (98.8%):

We typically use your email address to send a confirmation and, if necessary, might use the other information to contact you for help in processing.

Processing (89.1%), Required Purpose (69.1%), Right (67.3%):

We reserve the right to use information collected for market analysis and our direct marketing purposes.

Personal Data (98.2%), Required Purpose (98.0%), Retention (67.0%):

In addition, when you provide contact details for transaction requests, such as scheduling an appointment or requesting a proposal, we will use the contact information to keep you updated about our future offers or promotions.

Processing (81.2%), Technical Measure (97.8%):

OptSoft may also collect information through some commonly-used information-gathering tools, such as cookies and Web Beacons.

Non-Personal Data (76.8%):

This includes standard information from your Web browser (such as browser type and browser language), your Internet Protocol (IP) address, and the actions you take on the Companys Web site (such as the Web pages viewed and the links clicked).

Personal Data (98.7%), Processing (73.8%):

Creating an account profile makes it more convenient for you by eliminating the need to repeatedly enter personal contact or preference information.

Personal Data (99.2%), Required Purpose (73.9%):

Please note that we will never send you email requesting your user name, password, credit card, social security or national insurance numbers.

Personal Data (99.5%):

Creating an Account Profile Users of our products and programs may, at their choice, create a personal account profile online within our password-protected sites.

Personal Data (98.5%), Processing (87.2%):

If you receive an email that looks like its from one of our companies, but asks you for your credit card number, social security or national insurance number, it is a fraudulent email or phish. If you believe phishers have obtained access to your personal or financial information, we recommend that you do the following: Change your password.

Consent (88.9%), Personal Data (94.1%), Required Purpose (66.5%), Retention (68.8%):

Privacy Policy - OptSoft, Inc.

Personal Data (68.7%):

Contact credit reporting services and have a fraud alert attached to your credit report file.

Personal Data (69.7%), Required Purpose (63.3%):

Please be aware that the perpetrator may attempt to use your information to establish accounts or obtain credit at other businesses in their name.

Personal Data (99.4%), Processing (98.7%), Technical Measure (93.1%):

When we ask you for credit card information, it is transferred over a Secured Sockets Layer (SSL) line, provided you are using a SSL enabled browser such as Microsoft Internet Explorer, Google Chrome, Mozilla Firefox or Apple Safari.

Personal Data (99.6%):

We also use SSL on other selected pages where you would enter personally identifiable information.

Required Purpose (85.7%):

This ensures that your information is encrypted as it travels over the Internet.

Processing (94.4%):

This secure mode is enabled before any such information is transmitted from your computer.

Processing (98.5%), Technical Measure (66.9%):

In addition, when accessing a secure server, the first characters of the site address will change from http to https. All the information received, is stored on a secured server that resides behind firewalls designed to block unauthorized access.

Personal Data (99.5%):

Childrens Privacy This site is not intended for children and we do not knowingly solicit or collect personal information from children.

Processing (97.0%):

Cookies & Related Technologies Cookies are small text files that a website stores on a users computer.

Processing (88.4%):

This website requires the use of cookies to store and utilize the information you enter across multiple pages.

Retention (84.9%):

This is a session cookie, which expires when you close your browser.

Required Purpose (96.2%):

We use persistent cookies to measure usage of various pages on our website, to help us make our information more pertinent and easy for you to access, and as part of the functionality that allows you to interact with a representative while you are on some of our websites.

Organisational Measure (63.6%), Required Purpose (76.5%):

You may set your browser to block cookies (consult the instructions for your particular browser on how to do this), although doing so may adversely affect your ability to perform certain transactions, use particular functionality and access certain content on our website.

Required Purpose (93.8%), Technical Measure (97.1%):

Web Beacons When sending you emails, we may include a web beacon to allow us to determine the number of people who open our emails.

Non-Personal Data (61.8%), Processing (93.4%), Required Purpose (98.9%), Retention (69.9%):

When you click on a link in an email, we may record this individual response to allow us to customize our offerings to you.

Non-Personal Data (93.1%), Personal Data (78.2%), Technical Measure (89.5%):

Web beacons collect only limited information, such as a cookie identifier, time and date of a page

being viewed, and a description of the page on which the Web Beacon resides (the URL).

Consent (77.8%):

Web Beacons can be refused when delivered via email.

Consent (90.3%), Processing (93.1%), Required Purpose (93.8%):

Any personal information you choose to submit in such forum may be read, collected, or used by others who visit these forums and may be used to send you unsolicited messages.

Data Subject (81.4%), Personal Data (78.2%), Required Purpose (92.3%):

Customers and visitors may elect to use our referral program to inform friends about our web site.

Personal Data (96.3%):

When using the referral program, we request the friends name and email address.

Automated Decision Making (93.6%), Data Subject (62.4%):

OptSoft.com will automatically send the referrals an invitation to visit our website, and or any applicable promotions or offers.

Non-Personal Data (67.6%):

We post customer testimonials on our website that may contain information such as Customer names and titles.

Consent (73.2%):

OptSoft obtains the consent of each customer prior to posting any testimonial.
