

Consent (91.6%), Data Controller (98.8%), Data Protection Officer (66.5%), Data Subject (95.4%), Non-Personal Data (69.6%), Personal Data (99.8%), Processing (99.6%), Required Purpose (99.8%):

INTRODUCTION This General Oracle Privacy Policy (also referred to as the Privacy Policy) provides information on the collection, use, and sharing (collectively referred to processing or process) as of personal information by Oracle Corporation and its affiliates (Oracle, we or us) in connection with your use of Oracle websites, mobile applications, and social media pages that link to this Privacy Policy, your interactions with Oracle during in-person meetings at Oracle facilities or at Oracle events, and in the context of other online or offline sales and marketing activities.

Retention (70.0%), Right (89.9%):

This Privacy Policy also explains the privacy rights you have in relation to these processing activities.

Art. 16 Right to rectification (76.9%), Legal Basis (74.5%), Required Purpose (92.8%):

However, the Privacy Policy can change over time, for example to comply with legal requirements or to meet changing business needs.

Personal Data (98.1%), Processing (94.6%):

As used in this Privacy Policy, personal information or personal data means information that relates to an identified individual or to an identifiable individual.

Data Source (94.8%), Personal Data (97.8%):

For example, this could include among other things your name, address, email address, business contact details, or information gathered through your interactions with us via our websites or at events.

Personal Data (99.5%):

Personal information is also referred to as information about you. For more detail about the types of information about you that we may process, please refer to Section 4 below.

Consent (97.1%), Data Controller (97.5%), Data Source (75.6%), Legitimate Interest (78.9%), Organisational Measure (72.4%), Personal Data (86.4%), Required Purpose (98.2%), Retention (94.0%), Right (82.8%), Technical Measure (99.2%), Third Party (92.1%):

Processing (97.1%), Recipient (62.2%), Third Party (98.3%):

Disclosing Find out how Oracle discloses personal information within Oracle and with third parties.

Art. 17 Right to erasure (right to be forgotten) (90.0%), Processing (89.8%), Right (66.6%):

Rights Exercise your privacy rights (opt-out, deletion, correction, or access) by filling out our inquiry form.

Data Protection Officer (92.6%):

Contact Contact the Global Data Protection Officer with any questions or concerns.

Processing (99.2%):

The Privacy Policy does not apply to the following activities: Personal information collected about you by Oracle customers.

Personal Data (99.6%):

Sources Find out how Oracle obtains your personal information.

Processing (99.6%):

Personal information processed by Oracle to provide Cloud, Technical Support, Consulting/ACS or other services to Oracle customers.

Required Purpose (96.5%):

Services personal information is personal information processed by Oracle on behalf of a customer in order to provide and perform contracted services.

Processing (99.3%):

Categories of personal information Find out what categories of personal information Oracle processes.

Third Party (98.0%):

Personal information you provide on third party sites not controlled by Oracle.

Third Party (92.1%):

Oracle does not have any control over these features of other parties.

Data Controller (97.2%):

We encourage you to review the privacy policies of these parties before using these features.

Personal Data (97.0%):

Please select a region and country to view the registered address and contact details of the Oracle entity or entities located in each country.

Required Purpose (62.8%):

Oracle can process information about you collected directly from you both offline and online, including when you create an Oracle account to access Oracle products and services or attend an Oracle-sponsored event.

Processing (91.0%), Third Party (69.5%):

Information about you may also be provided to Oracle by selected third party sources, such as data aggregators who may not have a direct relationship with you or by third parties who collect information about you on behalf of Oracle such as when you download an Oracle whitepaper.

Automated Decision Making (89.5%), Consent (84.8%), Data Source (64.7%), Non-Personal Data (90.2%), Personal Data (98.3%), Technical Measure (89.8%):

Specific pieces of information about you that Oracle may collect and process depending on your interaction with Oracle, includes: name and physical address, email addresses, and telephone numbers; demographic attributes, when tied to personal information that identifies you; photographs that identify you and testimonials; public information about your work and education history, including professional affiliations; information you provide on your public social media profiles related to your professional and educational history, such as LinkedIn; transactional data, including products and services ordered, financial details and payment methods; company data such as the name, size and location of the company you work for and your role within the company as well as publicly available company information and activity associated with company data; data from surveys conducted by Oracle or by third parties on behalf of Oracle and publicly available information, such as social media posts; call recording and chat transcript data from Sales and customer support calls and live chat sessions or interviews; unique IDs such as your mobile device identifier or cookie ID on your browser; IP address and information that may be derived from IP address, such as geographic location; information about a device you use, such as browser, device type, operating system, the presence or use of apps, screen resolution, and the preferred language; certain location or geolocation information you provide directly or through automated means, if you choose to enable location based services from your device or Oracle app; and behavioral data of the internet connected computer or device you use when interacting with the sites, such as advertisements clicked or viewed, sites and content areas, date and time of activities or the web search used to locate and navigate to a site.

Technical Measure (99.5%):

Certain online information about you or device information may originate from the use of cookies and similar technologies (for example, pixel tags and device identifiers) on our sites or sites of third parties.

Legal Basis (99.5%), Processing (66.9%), Required Purpose (96.7%):

We may use personal information for the following business purposes: to communicate and respond to your requests and inquiries to Oracle; to create and administer an Oracle single sign-on (SSO) account (also referred to as an Oracle Account) and to deliver functionality on our sites and for their technical and functional management; to engage in transactions with customers, suppliers and business partners and to process orders for Oracle products and services; to analyze, develop, improve and optimize the use, function and performance of our sites and products and services; to manage the security and operation of our sites, facilities, and networks and systems; and to comply with applicable laws and regulations and to operate our business.

Personal Data (91.2%), Required Purpose (98.6%):

We may use personal information for the following commercial purposes: to administer subscriptions of Oracle publications and newsletters; to market our products and services or related products and services, and to tailor our marketing and sales activities to your or your companys interests; and to provide select business-to-business services to Oracle customers using publicly available information about companies which may include personal information such as the name of a companys CEO that is publicly available.

Legitimate Interest (82.6%), Personal Data (68.9%), Required Purpose (97.6%):

To communicate and respond to your requests and inquiries to Oracle If you get in touch with us (such as by submitting contact forms on our sites, reaching out to us via Oracle Sales chat, attending Oracle events or other occasions, sending an email or by visiting social media platforms), we process information about you to communicate with you and to respond to your requests or other inquiries.

Required Purpose (97.1%):

We can also process personal information to interact with you on third party social networks.

Required Purpose (96.7%):

To create an Oracle SSO account and deliver functionality on our sites and for their technical and functional management When you choose to register with us (such as to make use of our communities), we need to process the personal information provided by you so that we can create an Oracle account for you.

Third Party (74.1%):

SCOPE This Privacy Policy applies to the processing of personal information by Oracle of: visitors and users of the various Oracle sites, including our websites on oracle.com, computer or mobile software applications and our social media pages that link to this Privacy Policy (collectively referred to as the sites); attendees of Oracle events, such as Oracle CloudWorld, or Oracle-sponsored events; customers and prospective customers and their representatives; subscribers to Oracle publications and newsletters; visitors to Oracle facilities; and suppliers and business partners and their representatives.

Processing (78.8%), Required Purpose (99.0%):

To engage in transactions with customers, suppliers and business partners and to process purchases of our products and services If you place an order for our products and services, or if you provide services to Oracle, our employees, customers or partners as a supplier or business partner, Oracle processes information about you to engage in and administer the relevant transactions (such as by sending invoices and making payments), administer your order, and help you get started and adopt our products and services (e.g., by contacting you to activate your Cloud services credits).

Processing (98.8%):

Data use Find out how Oracle uses personal information.

Required Purpose (96.4%):

If you download products or services from our sites, Oracle uses information about you to confirm certain information about your order (for example, that you did not experience problems in the download process).

Required Purpose (99.2%):

To analyze, develop, improve and optimize the use, function and performance of our sites and products and services We may process personal information in order to analyze, develop, improve and optimize the use, function and performance of our sites and products and services, including for quality assurance and training purposes, as well as for marketing and sales campaigns.

Required Purpose (99.2%):

This includes processing personal information to conduct surveys to improve Oracle products and services.

Personal Data (87.8%), Required Purpose (96.5%):

To manage the security of our sites, facilities, networks and systems We may collect site use data for security and operations management to help keep our sites, facilities, networks and systems secure, or to investigate and prevent potential fraud, including ad fraud and cyber-attacks and to

detect bots.

Required Purpose (92.3%):

To comply with applicable laws and regulations and to operate our business In some cases, we have to process personal information to comply with applicable laws and regulations.

Required Purpose (74.4%):

For example, to respond to a request from a regulator or to defend a legal claim.

Required Purpose (96.6%):

We may also process personal information in the performance and operation of our business, such as to conduct internal audits and investigations or for finance and accounting and archiving and insurance purposes.

Required Purpose (91.8%):

To administer subscriptions of Oracle publications and newsletters If you subscribe to our magazines (such as Oracle or Profit), we process information about you to administer your subscription to our magazines (including the renewal process) and newsletters.

Required Purpose (98.2%):

To market our products, services, events, or related products and services and to tailor marketing and sales activities Oracle may use information about you to notify you about new product releases and service developments, events, alerts, updates, prices, terms, special offers and associated campaigns and promotions (including via newsletters).

Required Purpose (84.7%):

Oracle may also use personal information to advertise Oracles products and services or related products and services, and also to have our distributors, resellers or partners notify you about our products or services or their related products or services (such as via joint sales or product promotions).

Required Purpose (95.0%):

We do our best to tailor your website visit, marketing experience and our communications to your expressed interests.

Processing (99.3%), Recipient (65.0%):

If you attend an event, Oracle may process information about you gathered in relation to the event and can share information about your attendance with your company.

Third Party (90.1%):

Oracle may also permit designated event partners or conference sponsors to send you up to two communications related to your event attendance.

Consent (67.8%):

We may also process your personal information to post testimonials on our sites, but will first obtain your consent to use your name and testimonial.

Personal Data (84.2%), Required Purpose (99.7%):

To provide select services to Oracle customers using publicly-available information which may include personal information such as the name of a company's CEO. For some business-to-business services, we may collect the publicly available names of company directors and officials to better understand the status of these companies and help inform our services which relate to providing customers information about other companies.

Legitimate Interest (97.1%), Personal Data (89.1%), Scale EU (84.4%), Scale Non-EU (92.7%):

For personal information collected about you in the EU/EEA, the UK and other relevant jurisdictions, our basis for processing is the following: We rely on our legitimate interest in processing contact and related information about you in order to communicate adequately with you, to respond to your requests, and to tailor our marketing and sales activities to your professional interests.

Contract (73.7%), Required Purpose (96.1%):

In order to engage in transactions with customers, suppliers and business partners, and to process purchases and downloads of our products and services, we need to process information about you as necessary to enter into or perform a contract with you.

Legitimate Interest (77.0%):

Please consult that company directly if you have any further questions about its use of information about you.

Legitimate Interest (96.8%):

We process personal information for marketing and sales activities (including events) based on your consent where so indicated on our sites at the time your personal information was collected, or further to our legitimate interest to keep you updated on developments around our products and services which may be of interest to you.

Legitimate Interest (77.6%), Required Purpose (71.0%):

We rely on our legitimate interest to analyze, develop, improve and optimize our sites, facilities, products and services, and to maintain the security of our sites, networks and systems.

Required Purpose (85.8%):

Oracle customers are responsible for their own personal information collection and processing practices, including when customers use Oracle products or services to process your personal information.

Required Purpose (79.8%), Retention (93.6%):

FOR WHAT PERIOD DO WE RETAIN PERSONAL INFORMATION Oracle maintains personal information for the following retention periods: Information about you we collect to engage in transactions with our customers, suppliers and business partners, and to process purchases of our products and services, will be retained for the duration of the transaction or services period, or longer as necessary for record retention and legal compliance purposes.

Personal Data (61.3%), Retention (91.5%):

If you have registered for an Oracle SSO account (Oracle Account) to access Oracle sites or to sign up for Oracle marketing materials, your account information will be retained for as long as you maintain an active account.

Processing (63.5%), Retention (95.6%):

Your account and account information will be deleted if you do not log in for 18 consecutive months.

Personal Data (91.3%), Retention (74.3%):

Oracle retains records of that deletion for 90 days.

Retention (70.8%):

If you are an Oracle customer and Oracle is processing personal information on behalf of your company, please refer to the Services Privacy Policy for information on how Oracle processes services personal information, available at <https://www.oracle.com/legal/privacy/services-privacy-policy/>.

Retention (81.0%):

After service termination, minimal account information will be held for records retention purposes.

Personal Data (71.8%), Retention (94.8%):

If you have registered for our newsletters and blogs, including Oracle magazine or Profit magazine, your subscription data will be retained for as long as you are subscribed to our distribution lists.

Retention (77.2%):

Oracle retains records of that deletion for 30 days.

Data Source (78.2%), Retention (88.6%):

Contact information such as your email address or phone number collected online on our sites or offline from our interactions with you at Oracle events and conferences, and used for direct marketing and sales activities will be retained for as long as we have an active (customer) relationship with you.

Retention (77.1%):

In case there is an important change that we want to highlight to you, we will also inform you in

another appropriate way (for example via a pop-up notice or statement of changes on our website).

Personal Data (76.6%), Retention (68.2%):

We treat you as an active contact if (i) you have interacted with Oracle or updated your contact details and preferences in the past 18 months; and (ii) you have not made a deletion request.

Personal Data (78.6%), Retention (97.1%):

If you have reached out to us via Oracle Sales chat, we will delete all chat transcripts 90 days after the chat has concluded.

Consent (85.2%), Personal Data (84.2%), Retention (89.1%):

If you have reached out to us via our support line and you have not opted out of call recording, we will delete call recordings 60 days after the call has concluded unless otherwise specified during the call.

Retention (88.4%):

If you have visited an Oracle facility, the personal information needed to allow you to enter the facility will be held for one year after your last visit for records retention purposes.

Processing (88.2%):

Sharing within Oracle As a global organization, information about you may be shared globally throughout Oracles worldwide organization.

Authority (61.0%), Required Purpose (96.2%):

Oracle employees are authorized to access personal information only to the extent necessary to serve the applicable purpose(s) and to perform their job functions.

Processing (84.4%), Required Purpose (92.1%):

Disclosing personal information to third parties We may disclose personal information with the following third parties for a business purpose: Third-party service providers (for example, credit card processing services, order fulfilment, analytics, event/campaign management, website management, information technology and related infrastructure provision, customer service, e-mail delivery, auditing, and other similar service providers) in order for those service providers to perform business functions on behalf of Oracle; Relevant third parties in the event of a reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in connection with any bankruptcy or similar proceedings); As required by law, such as to comply with a subpoena or other legal process, when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to government requests, including public and government authorities outside your country of residence, for national security and/or law enforcement purposes.

Third Party (73.1%):

We may share personal information with the following third parties for a commercial purpose: Oracle distributors or resellers for further follow-up related to your interests, specific partners that offer complementary products and services or with third parties to facilitate interest-based advertising; and Event partners or conference sponsors for Oracle events such as when you scan your badge at a sponsored booth.

Legal Basis (99.5%), Organisational Measure (97.3%):

When third parties are given access to personal information, we will take appropriate contractual, technical and organizational measures designed to ensure that personal information is processed only to the extent that such processing is necessary, consistent with this Privacy Policy, and in accordance with applicable law.

Data Controller (66.6%):

Oracle is a global corporation with operations in over 80 countries and personal information is processed globally as necessary in accordance with this policy.

Legal Basis (83.0%), Processing (93.1%):

If personal information is transferred to an Oracle recipient in a country that does not provide an adequate level of protection for personal information, Oracle will take adequate measures designed to protect the personal information, such as ensuring that such transfers are subject to the terms of the EU Model Clauses or other adequate transfer mechanism as required under relevant data protection laws.

Organisational Measure (70.5%):

Oracle has implemented appropriate technical, physical and organizational measures designed to protect personal information against accidental or unlawful destruction or accidental loss, damage, alteration, unauthorized disclosure or access, as well as all other forms of unlawful processing.

Required Purpose (70.5%), Technical Measure (97.3%):

Cookies and similar technologies (e.g., pixels tags and device identifiers) are used by Oracle and our advertising technology partners to recognize you and/or your device(s) on, off and across different services and devices for the purposes specified in Section 5 above.

Consent (76.1%):

Depending on your jurisdiction, you may be presented with different consent options, including the option to reject all non-essential cookies, prior to Oracle placing cookies on your browser.

Required Purpose (99.8%):

We use cookies and other technologies on all our sites to ensure the best possible and secure

experience on our sites and to provide you with tailored information on products and services.

Non-Personal Data (73.9%), Personal Data (96.3%):

Oracle also uses cookies or similar technologies on its sites to collect online information such as your mobile device ID, IP address, and other information about your device, as well as behavioral data of your device usage on our sites (e.g.

Non-Personal Data (93.2%):

pages viewed, links clicked, documents downloaded).

Organisational Measure (64.5%):

If you do not want to receive cookies, you can also change your browser settings on your computer or other device you are using to access our services.

Processing (91.7%):

To find out more about our customers use of personal information about you, you are encouraged to review the relevant privacy policy of the company who collected your information from you.

Technical Measure (90.0%):

Most browsers also provide functionality that lets you review and delete cookies, including Oracle cookies.

Consent (96.2%):

You have multiple privacy rights, subject to applicable law, in respect of the information we process about you: Opt-out of our use or sharing of your personal information You may withdraw consent you have previously provided for the processing of information about you, including for email marketing by Oracle.

Data Subject (79.9%):

You should carefully consider whether you wish to submit personal information to these forums or social networks and whether you wish to make your profile available to other users, and you should tailor any content you may submit accordingly.

Art. 17 Right to erasure (right to be forgotten) (87.3%):

Delete personal information You can ask us to erase or delete all or some of the information about you.

Art. 17 Right to erasure (right to be forgotten) (64.8%):

Please note that Oracle does not control the content that you may post to Oracle Communities forums or social networks; in some cases, such content may be publicly available on the Internet.

Art. 16 Right to rectification (77.0%):

This Privacy Policy was last updated on October 10, 2024.

Art. 16 Right to rectification (69.8%):

You can also ask us to change, update or fix information about you in certain cases, particularly if it is inaccurate.

Art. 18 Right to restriction of processing (61.6%), Legal Basis (90.1%):

Object to, or limit or restrict use of personal information You can ask us to stop using all or some of the information about you (for example, if we have no legal right to keep using it) or to limit our use of it (for example, if the information about you is inaccurate).

Art. 15 Right to access by the data subject (63.5%), Legal Basis (64.1%), Scale Non-EU (81.6%):

Right to access and/or have your information provided to you You can also ask us for a copy of information about you and can ask for a copy of information about you provided in machine readable form if you reside in the EU, California or other jurisdiction that provides you this right as a matter of law.

Authority (88.5%):

If you are authorized to make an access or deletion request on behalf of a data subject, please reach out to us via the inquiry form and indicate that you are an authorized agent.

Personal Data (92.2%), Processing (95.2%):

In the event you have previously created an account for a certain Oracle portal, you can access and manage your personal information stored in these portals (i) by clicking the links and following the corresponding instructions, and (ii) taking the actions within each portal with regards to your personal information, such as updating your contact details, deleting certain entries or records, or downloading a copy of your profile.

Personal Data (92.2%):

Sensitive personal information We ask that you do not send us, and do not share any sensitive personal information (for example, government-issued IDs, information related to racial or ethnic origin, political opinions, religion or other beliefs, health, genetic, or biometric data, criminal background or trade union membership).

Consent (71.3%):

Childrens privacy As a company focused on serving the needs of businesses, Oracle's sites are not directed to minors and Oracle does not promote or market its services to minors, except in very limited circumstances as part of specific educational outreach programs with parental permission.

Legal Basis (98.1%), Scale Non-EU (76.4%):

Under the California Consumer Privacy Act (CCPA), as amended, California residents may request

that we: 1.

Processing (98.1%):

disclose to you the following information: the categories and specific pieces of personal information we collected about you and the categories of personal information we sold (see Section 4); the categories of sources from which we collected such personal information (see Section 4); the business or commercial purpose for collecting or selling personal information about you (see Section 5); and the categories of third parties to whom we sold or otherwise disclosed personal information (see Section 8).

Right (70.4%):

If you are a California resident, you may obtain information about exercising your rights, as described above, by contacting us at 1-800-633-0748.

Data Protection Officer (93.3%):

DATA PROTECTION OFFICER Oracle has appointed a Global Data Protection Officer.

Consent (68.9%):

If you believe your personal information has been used in a way that is not consistent with the Privacy Policy or your choices, or if you have further questions, comments or suggestions related to this Privacy Policy, please contact the Global Data Protection Officer by filling out an inquiry form.

Data Protection Officer (69.4%):

Written inquiries may be addressed to: Robert Niedermeier Hauptstrae 4 D-85579 Neubiberg / Munchen Germany For personal information collected from individuals INSIDE Brazil, written inquiries to the Brazilian Data Protection Officer may be addressed to: Alexandre Sarte Rua Dr.

Authority (81.1%), Lodge Complaint (86.6%):

You also have the right to file a complaint with a competent data protection authority (see Contact information for Data Protection Authorities and Country Specific Disclosures).
