

Art. 16 Right to rectification (67.8%), Consent (90.8%), Data Controller (99.5%), Data Subject (86.5%), Processing (99.3%), Required Purpose (87.3%):

JOX Development - Privacy Policy Data collected in JOX Development Games Last updated 05 May 2021 JOX Development LLC ("JOX Development") is committed to the protection of your privacy.

Data Controller (91.2%), Personal Data (61.7%), Processing (88.2%):

Any collected data will only ever be used in accordance with this policy.

Consent (90.9%), Processing (97.1%):

By playing JOX Development Games you are consenting to the collection of data as outlined in this privacy policy.

Personal Data (99.7%):

Personally identifiable Data: Our Games collect certain non-sensitive, data as outlined in this privacy policy.

Automated Decision Making (69.6%), Processing (84.5%):

Some of this information is automatically gathered, and could be considered personally identifiable in certain circumstances, however it will generally always be anonymised prior to being viewed by JOX Development, and never sold or shared.

Data Source (67.1%), Personal Data (98.5%), Processing (92.5%), Technical Measure (97.3%):

Player Feedback and Support: If you contact us with a comment or query, JOX Development will keep a copy of any personal information you provide.

Required Purpose (95.4%):

This is so that we can respond to your comments and questions as a part of our commitment to providing you with player support.

Consent (68.9%), Data Controller (96.9%):

This policy applies to all versions of the games "Orbia", "Orbia: Tap and Relax", "Tap Tap Dash", "Towers" and their associated websites or other applications ("Games").

Required Purpose (97.9%), Technical Measure (97.4%):

Advertising and Analytics: Advertising: When we offer our Games as free-to-play, we still require the game to generate income to help fund development costs and efforts to make the best game possible.

Required Purpose (69.0%), Technical Measure (70.7%):

Advertising is one way we can help cover our costs, and in order to implement relevant advertising a certain amount of information may be collected by each third-party ad network that operates within our Games.

Legitimate Interest (91.6%):

This information is only ever used for our legitimate business interests and will never be sold or shared by us.

Processing (74.1%), Third Party (95.5%):

Nevertheless, the data is provided to us by third parties.

Legal Basis (94.3%), Organisational Measure (78.3%):

While we use all reasonable commercial endeavours to ensure that they adhere to any applicable laws, we encourage you to familiarise yourself with their data policies.

Processing (62.2%):

A list of each ad network we use and information about what data they collect is contained at the conclusion of this policy.

Non-Personal Data (79.1%), Required Purpose (90.1%):

Analytics: Information collected about our Game usage and about your device and location, allows us to better integrate updates, find potential device specific problems and bugs, explore localisation opportunities and make better Games that are tailored to our user's needs.

Data Controller (89.3%), Processing (89.9%), Required Purpose (98.7%):

How Do we Use Data We Collect Data collected for Advertising Because many JOX Development Games are free-to-play, we periodically display in-game advertising by third parties to generate revenue.

Consent (86.9%), Personal Data (68.3%), Processing (98.0%), Required Purpose (93.6%):

In order to display relevant advertising (also known as "interest based advertising") and measure performance of advertising campaigns we have implemented several ad-networks within the game which may collect and transfer non-sensitive device information such as: The advertisement you have viewed and if you have engaged with it; Device make and manufacturer; Operating System; Generic geographic location, such as the city you are located in; Carrier; Language settings; IP Address; Android Advertising identifier or Apple Identifier for Advertisers.

Required Purpose (99.3%):

Data collected for Analytics We have implemented Analytics tools to help us understand how our Games are being used in order to help us improve our Games and plan for future game releases.

Non-Personal Data (78.9%), Personal Data (73.2%), Technical Measure (92.9%):

For example we use Flurry Analytics and Firebase Analytics to keep track of how many players are engaging with our Games, player progress, any in-app purchases, as well as device type, operating system, language settings, play session lengths and broad geographic information like your country

and city.

Processing (92.6%):

In doing so, a lot of the data captured by us or our third-party service providers will not be collected.

Consent (96.2%):

Apple devices: Follow the steps outlined on this Apple support page Android devices: Navigate to the Google settings App, select Ads and then choose to reset your Android Ad ID or opt-out of personalized ads.

Art. 17 Right to erasure (right to be forgotten) (70.3%):

If you are a guardian or parent who is concerned that we may have any information from or about a child under the age of 13, please contact us, and we will permanently delete any information we have under our control.

Personal Data (75.2%), Required Purpose (65.4%):

What happens if I log into Facebook Some JOX Development Games will allow you to login to Facebook to compete against your friends.

Personal Data (87.9%), Processing (99.3%), Required Purpose (90.0%):

Any data about your full name, gender or friends will not be stored on our server, and is only saved locally on your device and within your linked Facebook account to allow us to correctly display your friends in game.

Legitimate Interest (89.1%), Personal Data (74.4%), Processing (95.1%):

Access to your data, and permanent deletion of your data JOX Development will retain your data only as necessary for our legitimate business interests, such as to comply with our legal obligations, resolve disputes, and enforce our agreements.

Art. 15 Right to access by the data subject (62.2%):

No matter how we come in contact with your data, you have the right to access the data JOX Development holds about you and to update and/or correct it, subject to certain exceptions.

Legal Basis (98.9%), Personal Data (97.1%):

Data Subject Requests In the event that you send a data subject request to JOX Development, or one of our third-party partners informs us that you have contacted them directly about your personal data they collected while you were using our service, We will respond to that request in accordance with any applicable legislation.

Consent (77.8%):

Disclosure, and Security of Your Information We will not sell, trade, rent or disclose any of the personal information you provide to us for any reason, without your prior consent.

Legal Basis (92.8%), Personal Data (99.0%), Processing (89.4%):

Otherwise, your Personal Information will only be disclosed where required or allowable by law.
