Contract (81.4%), Data Controller (97.4%), Data Subject (89.9%), Non-Personal Data (69.9%), Organisational Measure (63.1%), Processing (98.5%), Required Purpose (68.6%):

Throughout this document, this website and all other Momentive Software websites will be collectively referred to as the Websites. Services provided by or enabled via the Websites will be referred to as the Services. This Privacy Policy (Privacy Policy) describes the types of information we collect about users of our Company websites and users of websites hosted by the Company on behalf of Momentive Softwares contracted customers (Customers).

Processing (91.6%), Required Purpose (94.8%):

This Privacy Policy is designed to help you understand how we collect, use, and safeguard the information you provide to us and to assist you in making informed decisions when using our Services.

Personal Data (81.8%), Processing (99.7%):

Momentive Software processes Customer data in accordance with Customer direction and has no direct relationship, control, or ownership of the data it processes under any Customer Agreement.

Legal Basis (95.4%), Processing (98.6%):

Customers are responsible for complying with applicable laws and regulations, including without limitation laws regarding the provision of notice, disclosure, and/or the legal basis for disclosure prior to transfer of the data to Momentive Software for processing purposes.

Contract (77.8%), Processing (99.5%), Required Purpose (93.1%):

The use of information collected through these platforms is strictly limited to the purpose of meeting our contractual obligations to our Customers and providing the services requested by our Customers, which are defined within our Customer Agreements.

Personal Data (89.0%), Processing (87.9%):

Access and process your data, including the interaction data, diagnostic data, and the contents of your communications and files associated with your Momentive Software product and product accounts.

Third Party (60.6%):

Momentive Software Platforms In addition to the Websites, Momentive Software operates cloud-based software for its association, business, and nonprofit Customers.

Legal Basis (96.4%), Non-Personal Data (70.8%), Organisational Measure (95.2%), Personal Data (80.4%), Processing (67.7%), Required Purpose (91.3%), Third Party (84.7%):

more about it here and click on the button to learn more.

Right (96.6%):

You should direct your privacy inquiries, including any requests to exercise your data protection rights, to your organizations administrator.

Personal Data (99.0%):

When you use a Momentive Software product provided by your organization, Momentive Softwares processing of your personal data in connection with that product is governed by a contract between Momentive Software and your organization.

Consent (89.7%), Personal Data (74.9%), Required Purpose (74.7%):

Products Provided by Your OrganizationNotice to End Users If you use a Momentive Software product with an account provided by an organization you are affiliated with, such as your association or non-profit organization, that organization can: Control and administer your Momentive Software product and product account, including controlling privacy-related settings of the product or product account.

Required Purpose (99.7%):

Momentive Software processes your personal data to provide the product to your organization and you.

Contract (69.3%):

Through our agreements with our Customers, we require that our Customers comply with all laws with regard to processing data about children.

Consent (94.1%), Scale EU (80.2%), Scale Non-EU (92.6%):

A Note to Parents & Children If you are a child under 16 in the European Union or UK or a child under 13 in the United States, you may access the Service only to the extent that consent is given or authorized by the holder of parental responsibility over you.

Personal Data (91.4%):

Please speak with your parent or guardian about this Privacy Policy so you can better understand how we use your personal data.

Art. 17 Right to erasure (right to be forgotten) (86.9%), Data Source (91.7%), Organisational Measure (61.4%):

We make reasonable efforts to verify that consent is given or authorized by the holder of parental responsibility over you, and, if we learn or have reason to suspect that we have collected personal data from you without parental consent, we will promptly delete it.

Art. 17 Right to erasure (right to be forgotten) (68.3%), Consent (69.5%), Personal Data (99.7%), Processing (98.7%):

Parental Access A parent who has already given Momentive Software or our Customer permission to collect, use, and share their child's personal information can, at any time, do the following: (1) review, correct, or delete the child's personal information; and/or (2) discontinue further collection, use, or sharing of the child's personal information.

Data Subject (83.6%), Personal Data (99.1%), Processing (95.2%):

What Data Do We Collect Depending upon the Momentive Software Website or Service you are accessing or other method of contact, we may collect the following information: Contact details such as (for example) your full (i.e., first, and last) name, institutional affiliations, phone number, email address, and postal address Educational and professional background information Employment and application data Event registration information Payment data Usernames and passwords that may be used on some of the Momentive Software Websites Comments, feedback, posts, and other content you submit to the Momentive Software Websites Information you provide to or post on message boards or chat rooms that are part of the Momentive Software Websites Interests and

communication preferences How Do We Collect and Use Data Momentive Software provides products such as platforms, websites, and apps to our Customers.

Consent (79.8%), Third Party (98.5%):

Our Customers decide what data to collect (this typically includes information about their end-users customers, prospects, employees, consultants or independent contractors, suppliers, and other individuals or third parties).

Processing (98.9%):

If your organization provides you with access to Momentive Software products, your use of Momentive Software products is subject to your organizations policies, if any.

Processing (99.6%):

Momentive Software accesses and collects information that you voluntarily give us via email, webform or other direct contact from you.

Required Purpose (85.0%):

We will use your information to respond to you, regarding the reason you contacted us.

Not Required Purpose (84.5%):

We will not sell or rent this information to anyone.

Recipient (62.4%), Required Purpose (90.8%):

We may disclose information to our corporate affiliates and third parties to provide products and services to you or related to products or services you have purchased or downloaded from Momentive Software.

Consent (82.7%), Personal Data (66.3%), Required Purpose (90.7%):

Unless you ask us not to, we may contact you via email or text message in the future to tell you about our services, new products, changes to this privacy policy or to provide you with informational or educational newsletters.

Contract (68.1%), Legal Basis (88.5%), Required Purpose (98.7%):

Momentive Software may access Customer Data for the purposes of providing and enhancing a service, preventing or addressing service or technical problems, responding to support issues, and responding to a Customers instructions, or as may be required by law, in accordance with the relevant Agreement between the Customer and Momentive Software.

Processing (83.9%), Required Purpose (84.9%):

For instance: Product Updates: Some products provide you with the ability to download and register product and/or tax updates as they become available.

Non-Personal Data (90.2%), Personal Data (98.4%):

During the download and registration process, we collect Business Information, including customer ID number and product version, type, and serial number.

Required Purpose (96.4%):

This is collected so that we can authorize your access, provide you with the appropriate update, and to update our records as to the product and products updates you have downloaded or installed, so that we may provide the appropriate support.

Personal Data (89.9%):

Account Set-Up and Access: Upon subscribing to our services, Momentive Software collects Business Information, which may include information such as product serial number, customer ID and your customer profile information.

Required Purpose (97.2%):

This allows us to identify you to authorize your access and use of the services, and to provide you with your relevant account information.

Non-Personal Data (67.9%), Personal Data (60.8%):

Certain products allow you to access your account to obtain information such as your support plan status, service subscriptions, registrations, and order history.

Personal Data (99.5%):

Information requested may include federal ID numbers, bank account, payroll, credit card and contact information.

Required Purpose (93.9%):

This information is used to process your enrollment request and, if approved, to set up and administer your account.

Non-Personal Data (97.8%), Personal Data (99.5%):

Web-based Services: Some of our web-based Services collect certain additional information, including IP address, browser, connection speed, domain, referring URL and other environment-related information.

Organisational Measure (73.4%), Required Purpose (98.8%):

We use this information to better protect you and to provide a better user experience.

Required Purpose (82.2%):

Support.

Personal Data (79.1%), Required Purpose (98.6%):

If you access our support services, you may be asked for information such as customer ID, product name, product version, and other information to help us determine what the technical issues are and

how best to help you resolve them.

Automated Decision Making (95.2%), Non-Personal Data (87.9%), Required Purpose (74.1%):

If you access online support services from a product, information about your network, operating system, and other similar information will be automatically pre-populated for submission to our customer support representatives to assist them in answering your questions.

Personal Data (82.2%), Required Purpose (83.7%):

Momentive Software may use your Business Information to inform you of special discounts or offers from other companies we have carefully selected and whose products and services may be of interest to you.

Personal Data (79.3%), Processing (74.5%):

Information (including personal and Business Information) that you submit, post, or otherwise reveal in a public forum (such as comments to a blog or product discussion forum) is not subject to this Privacy Policy, will be seen by third parties not related to Momentive Software, and may be used by them or Momentive Software to contact you for any purpose.

Personal Data (96.2%), Processing (91.6%):

Some Momentive Software mobile apps and web-based services provide Momentive Software Customers with the ability to publish information about their members such as name, contact information, photos, and other personal details.

Required Purpose (97.6%):

Momentive Software Customers use this information to connect their members with other users and provide networking opportunities.

Organisational Measure (66.7%):

We request information from you on our order forms.

Personal Data (99.3%):

To buy from us, you must provide contact information (like name and shipping address) and financial information (like credit card number, expiration date).

Consent (68.6%), Personal Data (83.7%), Scale EU (81.8%):

Event Management Simplify event planning and create unforgettable experiences.

Data Processor (65.6%), Personal Data (96.3%), Processing (99.6%):

All payment data is stored by our payment processors, and you should review their Privacy Policies and contact the payment processor directly to respond to your questions.

Processing (97.9%), Required Purpose (97.1%):

Momentive Software uses this information for billing purposes and to fill your orders.

Required Purpose (93.4%):

If we have trouble processing an order, we'll use this information to contact you.

Consent (67.2%), Third Party (68.0%):

Third-Party Products.

Consent (96.8%):

Participation in these surveys or contests is completely voluntary, and you may choose whether or not to participate and therefore disclose this information.

Personal Data (98.5%):

Information requested may include contact information (such as name and shipping address), and demographic information (such as zip code).

Personal Data (92.8%):

Contact information will be used to notify winners and award prizes, if applicable.

Required Purpose (99.0%):

Survey information will be used for purposes of monitoring or improving the use and satisfaction of the Websites.

Organisational Measure (85.7%):

We send notification emails about the Website and Services from time to time as necessary.

Consent (84.7%):

If you do not wish to receive them, you have the option to deactivate your account.

Processing (80.5%), Third Party (64.4%):

If you access and/or use any of our third-party providers (our Partners) services from a link on our Websites, a Momentive Software/Partner co-branded site or by any other means, any information you reveal in connection with such service is submitted to our Partner and is not subject to this Privacy Policy.

Third Party (75.9%):

You should consult the privacy policy of any Partners or third-party site with respect to its treatment of any information that you may reveal through such service.

Consent (87.7%), Non-Personal Data (86.3%), Processing (89.8%), Required Purpose (99.5%), Third Party (91.7%):

Momentive Software will not access your Product Data or Services Data except in the following limited circumstances: to provide you with technical support, solely at your request and with your permission on a limited-access basis to install updates, produce regular backups or restore data from backups at your request where the inherent purpose of the product or service requires

Momentive Software to provide the Product Data or Services Data to a third party on your behalf (for example where Momentive Software makes tax filings on your behalf or initiates bank transfers on your behalf); and to utilize aggregate information derived from Product Data and Services Data to help us improve our products and services and in developing additional offerings.

Personal Data (85.5%):

Services and Product Data.

Required Purpose (80.6%):

Aggregate information is non-identifying information about you that is provided to third parties for analysis.

Required Purpose (98.3%):

For example, we might inform third parties regarding the number of users of this Website and the activities they conduct while on this Website to better understand user experience.

Processing (89.8%):

Each email and/or text we send will contain instructions on how to unsubscribe should you decide not to receive future promotional communication.

Personal Data (81.5%):

Business Information collected by Momentive Software does not include your company's data entered in the course of operating our products (Product Data) or data provided by you while using our services (Services Data).

Contract (60.8%), Required Purpose (82.4%):

In addition, if at any time you decide to discontinue your use of the applicable service, your Services Data will be destroyed and removed from all servers according to terms set forth in your Customer Agreement, subject to applicable back-up and disaster recovery practices and procedures.

Required Purpose (61.2%):

Employment Applications and Talent Management.

Required Purpose (85.3%):

As part of our recruitment and talent management process, we collect personal information with respect to individuals who are interested in working for us.

Data Source (83.6%), Non-Personal Data (70.7%), Personal Data (96.0%), Required Purpose (99.4%):

In this context, we collect employment and application data, such as the following: contact information (e.g., name, title, residential or postal address, telephone number, and personal email address); information in a curriculum vitae, resume, cover letter, or similar documentation; details

regarding the type of employment sought, willingness to relocate, job compensation and benefit preferences; health data (e.g., medical conditions); information related to your background, education, criminal record, credit history and similar data; information provided about or by your references or other third parties related to your employment history, skills, qualifications, or education; and, information related to previous applications to us or previous employment history with us.

Legal Basis (87.1%), Personal Data (84.9%), Required Purpose (99.8%):

When permitted by law, we may collect information about your race and ethnicity to assist with our diversity and inclusion programs.

Legal Basis (86.8%), Required Purpose (99.0%):

We use this information for the following purposes: to identify and evaluate job applicants; to verify your information; to complete employment, education, background and reference checks; to communicate with you about the recruitment process and your application; to comply with our legal, judicial, regulatory, administrative, or other corporate requirements; to analyze and improve our application and recruitment process; to accommodate individuals who may have specialized needs during the employment process; and to protect the rights, interests, and property of our business, other job applicants, employees, or the public, as required, or permitted, by law.

Technical Measure (91.7%):

Cookies.

Processing (84.2%), Technical Measure (96.0%):

Momentive Software may place cookies on the browser of your computer.

Consent (82.7%):

You may choose to decline cookies if your browser permits but doing so may affect your ability to access or use certain features of the Website.

Technical Measure (97.5%):

Momentive Software may also utilize web beacons on our Websites.

Processing (93.7%), Technical Measure (86.6%):

A web beacon, also known as an Internet tag, pixel tag or clear GIF, links web pages to web servers and their cookies and may be used to transmit information collected through cookies back to a web server.

Automated Decision Making (85.8%), Non-Personal Data (92.1%), Personal Data (70.8%), Processing (99.5%):

The information collected through these automated means may include information that we gather

and store about your visit to, and use of, the Websites, such as your IP address, type of browser and operating system used, date and time you access the websites, pages you visit, and, if you linked to the Websites from another website, the address of that website.

Personal Data (99.5%):

This data does not include Personal Information and is not treated as Personal Information under this Privacy Policy, but it may include the IP address of your device.

Processing (96.3%):

Momentive Software is not responsible for the content or privacy practices of non-Momentive Software websites to which this website, or any other Momentive Software website, may link.

Personal Data (93.4%):

We may link an IP address to information that is personally identifiable.

Data Processor (61.0%), Processing (95.0%), Third Party (60.4%):

We may also allow certain third-party analytics service providers to include cookies and web beacons within the pages of the Websites on our behalf and to retain and use the information received from such cookies and web beacons themselves.

Consent (94.4%), Third Party (82.3%):

We do not currently commit to responding to browsers DNT signals with respect to the Companys Web sites, in part, because no common industry standard for DNT has been adopted by industry groups, technology companies or regulators, including no consistent standard of interpreting user intent.

Organisational Measure (62.2%):

We take privacy and meaningful choice seriously and will make efforts to continue to monitor developments around DNT browser technology and the implementation of a standard.

Retention (91.0%):

How Long Do We Keep Your Data We may retain your information for a period of time consistent with the original purpose of collection.

Retention (97.1%):

For instance, we may retain your information during the time in which you have an account to use our Web sites or Services and for a reasonable period of time afterward.

Legitimate Interest (78.8%), Required Purpose (85.4%), Retention (91.7%):

We also may retain your information during the period of time needed for us to pursue our legitimate business interests, conduct audits, comply with our legal obligations, resolve disputes and enforce our agreements.

Organisational Measure (87.3%):

How Do We Protect Your Data We take precautions to protect your information.

Organisational Measure (71.3%):

We offer certain support services.

Organisational Measure (95.0%):

We use appropriate security measures to protect the security of your data both online and offline.

Third Party (79.4%):

How We Share Data Unless you give us your permission, we dont share data we collect from you with third parties, except as described below: Third-party service providers or consultants.

Required Purpose (97.4%):

We may share data collected from you on Momentive Software Websites with third-party service providers or consultants who need access to the data to perform their work on Momentive Software behalf.

Organisational Measure (73.8%), Required Purpose (86.6%):

These third-party service providers are limited to only accessing or using this data to provide services to us and must provide reasonable assurances that they will appropriately safeguard the data.

Legal Basis (75.5%):

Compliance with Laws.

Required Purpose (99.3%):

We may disclose your data to a third party if (i) we believe that disclosure is reasonably necessary to comply with any applicable law, regulation, legal process or government request (including to meet national security or law enforcement requirements), (ii) to enforce our agreements and policies, (iii) to protect the security or integrity of the Momentive Software Website or our Services and products, (iv) to protect ourselves, our other customers, or the public from harm or illegal activities, or (v) to respond to an emergency which we believe in good faith requires us to disclose data to assist in preventing a death or serious bodily injury.

Legal Basis (65.5%), Organisational Measure (81.2%):

If Momentive Software is required by law to disclose any of your data that directly identifies you, then we will use reasonable efforts to provide you with notice of that disclosure requirement, unless we are prohibited from doing so by statute, subpoena or court or administrative order.

Data Source (87.5%):

This information is used to contact you about the products/services on our Websites in which you

have expressed interest.

Processing (97.7%):

If we go through a corporate sale, merger, reorganization, dissolution or similar event, data we gather from you through our Websites may be part of the assets transferred or shared in connection with due diligence for any such transaction.

Consent (80.6%), Data Subject (84.1%), Required Purpose (70.3%):

We do not share your data (including, but not limited to, the personal data of your end users) with third parties for their direct marketing purposes, unless you give us your consent to do so.

Data Subject (70.2%), Required Purpose (91.5%):

An Employer, in our Career Center Solution, is a recruiter, company representative, agency or other individual who has contracted with Momentive Software and is interested in contacting potential candidates, or job-seekers, for job openings.

Personal Data (82.7%):

Relevant job-seeker resumes are provided to Employers, who may use that resume information to contact the job-seeker.

Consent (64.9%):

This information is only made available to employers with the consent of the job-seeker.

Legal Basis (75.2%), Scale Non-EU (82.3%):

Cross Border Transfers of Data Momentive Software headquarters are in the United States and as such, data may be transferred to the United States from the European Economic Area (EEA), Switzerland, or another country that requires legal protections for international data transfer.

Contract (67.2%), Legitimate Interest (84.4%), Personal Data (99.8%), Scale Non-EU (87.9%):

Personal data will be transferred to the United States or another country in which Momentive Software operates business (in certain scenarios, India and/or Philippines): to fulfill contractual obligations to you; with your consent; or to fulfill a compelling legitimate interest of Momentive Software in a manner that does not infringe upon your rights and freedoms.

Legal Basis (94.5%):

We are committed to protecting the privacy of personal data and adherence to Global Data Protection laws.

Contract (90.6%):

Momentive Software implements Standard Contractual Clauses to govern the international transfer of data.

Authority (91.9%):

For EEA residents, you can find the contact details for your local data protection authority here https://ec.europa.eu/justice/article-29/structure/data-protection-authorities/index_en.htm View our Data Protection Agreement here.

Legal Basis (90.9%), Processing (74.6%):

The personal information collected, stored, used, and/or processed by Momentive Software, as described in this Privacy Policy, is collected, stored, used and/or processed in accordance with the Australian Privacy Act 1988 (Commonwealth), as amended, and the Australia Privacy Principles (APPs).

Authority (85.5%):

Notwithstanding the foregoing, you may submit a complaint at any time to the Office of the Australian Information Commissioner.

Legal Basis (94.9%):

Canada Privacy Rights Personal data (as the term is defined in the Personal Data Protection and Electronic Documents Act of Canada (PIPEDA)) may be collected, stored, used and/or processed by Momentive Software in accordance with this Privacy Policy and Momentive Software obligations under PIPEDA and other applicable Canadian provincial laws.

Art. 16 Right to rectification (74.7%), Legal Basis (74.6%):

Pursuant to Canadian law, you have a right to request access to your personal information and to request that inaccurate personal information be corrected.

Personal Data (86.7%), Required Purpose (87.2%):

When requesting access to, or correction of, your personal information, we will require that you verify our request via email and request specific data from you to enable us to confirm the authenticity of the request and your identity, and to enable us to search our records and databases.

Legal Basis (74.2%), Scale Non-EU (78.8%):

California Privacy Rights Data Privacy Rights.

Legal Basis (98.8%), Processing (97.2%), Right (71.7%):

Pursuant to the California Consumer Privacy Act of 2018, as amended (CCPA), California residents have additional data privacy rights, including (i) the right to be notified about what personal information is collected about you, and our intended use and purpose for collecting your personal information, (ii) the right to know and access personal information we have collected, used, disclosed, or sold about you over the past twelve (12) months, including the categories of personal information we have collected, used, disclosed, or sold about you, the categories of sources from which the personal information is collected, the business or commercial purpose for which your

personal information was collected, used, disclosed, or sold, and the categories of third parties with whom we have shared your personal information, (iii) the right to request Momentive Software to transfer, to the extent feasible, personal information in certain forms and formats, (iv) the right to request that we delete/erase your personal information under certain circumstances, and (v) the right not to be subject to discrimination for asserting your rights under the CCPA.

Authority (79.8%):

If you would prefer, you may designate an authorized agent to submit a CCPA privacy request on your behalf.

Authority (83.7%):

An authorized agent must be registered with the California Secretary of State to conduct business in California.

Processing (71.5%):

Momentive Software will, to the extent required or permitted by law, require you (or your authorized agent) to verify your request via email or other means and match at least two or three pieces of personal information we have previously collected from you before granting you access to, or erasing, specific pieces or categories of personal information, or otherwise responding to your request.

Legal Basis (80.8%):

None of the CCPAs rights are absolute and are subject to legal and regulatory exceptions and exemptions.

Right (61.5%):

Australia Privacy Rights Data Privacy Rights.

Organisational Measure (69.4%):

Customers users may access, correct, and delete some information within the Platforms.

Legal Basis (78.8%), Legitimate Interest (95.3%), Third Party (94.0%):

In compliance with federal, state, or global Data Protection laws, Momentive Software provides its Customers with specific additional rights such as the right to access, correction, and deletion as described below: request access to categories and specific pieces of personal information about you; request that we correct inaccurate or incomplete personal information about you; request deletion of personal information about you; request restrictions, temporarily or permanently, on our processing of some or all personal information about you; request transfer of personal information to you or a third party where we process the data based on your consent or a contract with you, and where our processing is automated; and opt-out or object to our use of personal information about you where

either: our use is based on your consent or our legitimate interests, or you do not want us to share with third parties.

Legal Basis (95.6%), Organisational Measure (85.4%), Required Purpose (88.3%):

Momentive Software will utilize commercially reasonable security and confidentiality measures to securely maintain Customer information, including but not limited to compliance with applicable data privacy legislation (meaning all laws and regulations, now or hereafter in effect, in any country or jurisdiction of the world, which protect the privacy rights of individuals submitting information to Momentive Software Platforms, including without limitation the Regulation (EU) 2016/679 (GDPR), GDPR as applicable as part of UK domestic law by virtue of section 3 of the European Union (Withdrawal) Act 2018 and as amended by the Data Protection, Privacy and Electronic Communications (Amendments etc) (EU Exit) Regulations 2019 (as amended), state and federal laws in the United States, such as the California Consumer Privacy Act, the California Privacy Rights Act, the Virginia Consumer Data Protection Act, the Utah Consumer Privacy Act, the Connecticut Act Concerning Personal Data Privacy and Online Monitoring, the Colorado Privacy Act, the Delaware Personal Data Privacy Act, the Iowa Consumer Data Protection Act, the Nebraska Data Privacy Act, the New Hampshire Privacy Act, the New Jersey Data Privacy Act, and the Oregon Consumer Privacy Act).

Legal Basis (77.8%):

All requests will be addressed within the timeframe required based on the applicable regulation.

Organisational Measure (74.4%):

Changes to this Privacy Policy We update this privacy statement when necessary to provide greater transparency or in response to: Feedback from customers, regulators, industry, or other stakeholders Changes in our products Changes in applicable laws and/or regulations Changes in our data processing activities or policies When we post changes to this statement, we will revise the Effective Date date at the top of the statement.

Organisational Measure (97.6%):

If there are material changes to the statement, such as a change to the purposes of processing of personal data that is not consistent with the purpose for which it was originally collected, we will notify you either by prominently posting a notice of such changes before they take effect or by directly sending you a notification.
