

Art. 16 Right to rectification (76.0%), Art. 17 Right to erasure (right to be forgotten) (66.6%), Data Controller (98.4%), Data Protection Officer (62.1%), Data Subject (94.7%), Legal Basis (77.2%), Personal Data (93.6%), Processing (99.7%), Recipient (71.1%), Required Purpose (98.4%), Retention (65.6%), Technical Measure (73.1%):

Global Policy California Policy UK Policy South Africa policy Global Policy California Policy UK Policy South Africa policy Table of content Summary Privacy Policy Part I - Information Zoho collects and controls Part II - Information that Zoho processes on your behalf Part III - General Summary of our privacy policy Summary of our privacy policy It covers every Zoho website that links here, and all of the products and services contained on those websites.

Processing (95.9%), Retention (91.9%):

This has been our approach for almost 25 years, and we remain committed to it.

Data Controller (97.4%):

Part I - Information Zoho collects and controls We only collect the information that we actually need.

Data Controller (96.6%), Required Purpose (86.2%):

Some of that is information that you actively give us when you sign up for an account, register for an event, ask for customer support, or buy something from us.

Personal Data (98.9%), Processing (98.9%), Required Purpose (72.5%):

We store your name and contact information, but we don't store credit card numbers (except with your permission and in one of our secured payment gateways).

Automated Decision Making (88.1%), Non-Personal Data (90.7%), Processing (95.8%):

When you visit one of our websites or use our software, we automatically log some basic information like how you got to the site, where you navigated within it, and what features and settings you use.

Required Purpose (97.9%):

We use this information to improve our websites and services and to drive new product development.

Processing (96.2%), Retention (61.3%):

Sometimes we receive information indirectly.

Data Controller (67.0%), Processing (97.6%), Third Party (76.4%):

If you ask about our products through one of our referral programs or reselling partners, or sign in to one of our products through an authentication service provider like LinkedIn or Google, they'll pass on your contact information to us.

Required Purpose (97.1%):

We'll use that information to complete the request that you made.

Organisational Measure (62.2%), Personal Data (94.8%):

If you engage with our brand on social media (for instance, liking, commenting, retweeting, mentioning, or following us), we'll have access to your interactions and profile information.

Consent (88.1%), Organisational Measure (60.5%), Personal Data (99.1%), Processing (62.5%), Required Purpose (97.0%):

Our privacy commitment: Zoho has never sold your information to someone else for advertising, or made money by showing you other people's ads, and we never will.

Data Protection Officer (67.1%), Required Purpose (97.5%):

What we do with your information We use your information to provide the services you've requested, create and maintain your accounts, and keep an eye out for unauthorized activity on your accounts.

Processing (98.7%), Required Purpose (99.4%):

We analyze the information we collect to understand user needs and to improve our websites and services.

Legal Basis (97.6%), Processing (98.3%):

We're required to have a legal basis for collecting and processing your information.

Art. 15 Right to access by the data subject (67.9%), Legal Basis (62.8%), Organisational Measure (89.5%), Personal Data (62.0%), Required Purpose (94.7%), Retention (85.4%), Technical Measure (84.3%), Third Party (78.0%):

ManageEngine Privacy Policy ManageEngine Privacy Policy Last updated on: 5th June 2023.

Consent (86.3%):

In most cases, we either have your consent or need the information to provide the service you've requested from us.

Legitimate Interest (93.1%), Retention (77.6%):

When that's not the case, we must demonstrate that we have another legal basis, such as our legitimate business interests.

Consent (62.7%), Data Subject (64.3%), Organisational Measure (62.8%), Processing (81.0%):

You can decline certain kinds of information use either by not providing the information in the first place or by opting out later.

Organisational Measure (69.8%), Technical Measure (98.2%):

You can also disable cookies to prevent your browser from giving us information, but if you do so, certain website features may not work properly.

Contract (96.7%), Data Processor (69.9%), Personal Data (99.8%):

We limit access to your personal information to our employees and contractors who have a

legitimate need to use it.

Organisational Measure (74.9%), Processing (99.2%), Required Purpose (82.5%), Third Party (80.9%):

If we share your information with other parties (like developers, service providers, domain registrars, and reselling partners), they must have appropriate security measures and a valid reason for using your information, typically to serve you.

Processing (89.0%):

We also use it to communicate with you about the products you're currently using, your customer support requests, new products you may like, chances for you to give us feedback, and policy updates.

Art. 18 Right to restriction of processing (60.4%), Personal Data (78.2%), Required Purpose (88.9%), Right (96.6%), Scale EU (91.7%):

The European Economic Area (EEA) provides certain rights to data subjects (including access, rectification, erasure, restriction of processing, data portability, and the right to object and to complain).

Consent (88.7%):

Zoho undertakes to provide you the same rights no matter where you choose to live.

Required Purpose (62.6%), Retention (93.5%):

We keep your personal information for as long as it is required for the purposes stated in this Privacy Policy.

Art. 17 Right to erasure (right to be forgotten) (77.8%), Processing (75.3%), Retention (80.4%):

When we no longer have a legitimate need to process your information, we will delete, anonymize, or isolate your information, whichever is appropriate.

Personal Data (96.9%):

If you use a Zoho mobile app and give the app access to your contacts and photo library, you are entrusting data to us.

Personal Data (90.0%):

The data you entrust to us for processing is called service data.

Organisational Measure (65.1%), Processing (89.1%):

We protect it, limit access to it, and only process it according to your instructions.

Processing (94.3%):

This policy tells you what information we collect from you, what we do with it, who can access it, and what you can do about it.

Processing (93.4%), Retention (81.8%):

We hold the data in your account as long as you choose to use Zoho Services.

Automated Decision Making (73.5%), Processing (89.5%), Retention (91.9%):

After you terminate your account, your data will be automatically deleted from our active database within 6 months and from our backups within 3 months after that.

Processing (98.2%), Required Purpose (64.8%):

We will disclose personal information if it's necessary to comply with a legal obligation, prevent fraud, enforce an agreement, or protect our users' safety.

Organisational Measure (79.9%), Technical Measure (77.5%):

We do not currently honor Do Not Track signals from internet browsers; when a universal standard for processing them emerges, we will follow it.

Third Party (98.5%):

Always check the relevant privacy policy before sharing personal information with third parties.

Organisational Measure (65.3%), Personal Data (97.7%), Processing (98.3%):

You can always contact us to: ask questions about our privacy practices, request a GDPR-compliant Data Processing Addendum, alert us if you believe we have collected personal data from a minor, or ask to have your personal information removed from our blogs or forums.

Processing (84.3%), Required Purpose (96.0%):

We ask for only the least amount of information necessary, gathering only what we believe is essential for doing business, or for the specific transaction at hand.

Organisational Measure (69.5%), Required Purpose (79.8%):

We let customers know the information we have on them and allow them to opt out of specific engagements.

Data Subject (73.2%), Personal Data (98.4%), Processing (90.8%):

This Privacy Policy is divided into three parts: Part I - Information Zoho collects and controls This part deals with how Zoho collects and uses information about website visitors, potential customers, users of Zoho's products and services, and others who contact Zoho through forms or email addresses published on or linked to our websites.

Processing (95.8%):

Part II - Information that Zoho processes on your behalf This part deals with how Zoho handles data that you entrust to Zoho when you use our products and services, or when you share any personal or confidential information with us while requesting customer support.

Legitimate Interest (85.6%):

Part I - Information Zoho collects and controls Part I - Information Zoho collects and controls What information Zoho collects We collect information about you only if we need the information for some legitimate purpose.

Processing (86.3%):

It also applies to the products and services provided by Zoho through these websites, our mobile applications, and applications posted by Zoho on Zoho's online marketplace and in other third-party online marketplaces.

Automated Decision Making (75.0%), Processing (93.3%), Third Party (99.2%):

Zoho will have information about you only if (a) you have provided the information yourself, (b) Zoho has automatically collected the information, or (c) Zoho has obtained the information from a third party.

Personal Data (99.1%), Required Purpose (82.7%):

Account signup: When you sign up for an account to access one or more of our services, we ask for information like your name, contact number, email address, company name and country to complete the account signup process.

Personal Data (96.5%):

You'll also be required to choose a unique username and a password for accessing the created account.

Non-Personal Data (90.5%):

You may also provide us with more information such as your photo, time zone and language, but we don't require that information to sign up for an account.

Consent (84.2%), Processing (94.2%):

After signing up, you will have the option of choosing a security question and an answer to the security question. If you provide these, they will be used only while resetting your password.

Processing (90.0%), Required Purpose (91.5%):

Event registrations and other form submissions: We record information that you submit when you (i) register for any event, including webinars or seminars, (ii) subscribe to our newsletter or any other mailing list, (iii) submit a form in order to download any product, whitepaper, or other materials, (iv) participate in contests or respond to surveys, or (v) submit a form to request customer support, get a quote or to contact Zoho for any other purpose.

Personal Data (99.2%):

Payment processing: When you buy something from us, we ask you to provide your name, contact information, and credit card information or other payment account information.

Personal Data (94.9%):

When you submit your card information, we store the name and address of the cardholder, the expiry date and the last four digits of the credit card number.

Processing (67.6%):

The detailed policy follows the same structure as this summary and constitutes the actual legal document.

Consent (71.5%), Personal Data (95.4%), Required Purpose (93.0%):

For quick processing of future payments, if you have given us your approval, we may store your credit card information or other payment information in an encrypted format in the secured servers of our Payment Gateway Service Providers.

Consent (87.3%), Processing (93.3%):

You will be given an opportunity to review and approve the testimonial before we post it.

Personal Data (82.0%), Processing (91.1%), Required Purpose (96.8%):

Interactions with Zoho: We may record, analyze and use your interactions with us, including email, telephone, and chat conversations with our sales and customer support professionals, for improving our interactions with you and other customers.

Non-Personal Data (93.2%):

Information from browsers, devices and servers: When you visit our websites, we collect information that web browsers, mobile devices and servers make available, such as the internet protocol address, browser type, language preference, time zone, referring URL, date and time of access, operating system, mobile device manufacturer and mobile network information.

Processing (67.7%):

Testimonials: When you authorize us to post testimonials about our products and services on websites, we may include your name and other personal information in the testimonial.

Required Purpose (99.6%):

We include these in our log files to understand more about visitors to our websites.

Required Purpose (98.9%), Technical Measure (74.6%):

Information from cookies and tracking technologies: We use temporary and permanent cookies to identify users of our services and to enhance user experience.

Personal Data (87.0%), Required Purpose (99.6%):

We embed unique identifiers in our downloadable products to track usage of the products.

Required Purpose (99.5%), Technical Measure (86.7%):

We also use cookies, beacons, tags, scripts, and other similar technologies to identify visitors, track

website navigation, gather demographic information about visitors and users, understand email campaign effectiveness and for targeted visitor and user engagement by tracking your activities on our websites.

Required Purpose (77.4%):

We mostly use first-party cookies and do not use third-party cookies or other third-party tracking technologies on our websites for non-essential or intrusive tracking.

Technical Measure (91.5%):

You can also learn more about Zoho's stance against non-essential and intrusive third-party cookies and tracking technology [here](#).

Third Party (74.3%):

We completely disable non-essential and intrusive third-party cookies from all Zoho websites and products.

Required Purpose (90.6%), Technical Measure (90.1%):

We also use first-party Local Storage Objects (LSOs) such as HTML5 to store content information and preferences to provide certain features.

Required Purpose (99.6%):

Information from application logs and mobile analytics: We collect information about your use of our products, services and mobile applications from application logs and in-house usage analytics tools, and use it to understand how your use and needs can improve our products.

Non-Personal Data (94.8%), Personal Data (90.7%), Processing (96.0%):

This information includes clicks, scrolls, features accessed, access time and frequency, errors generated, performance data, storage utilized, user settings and configurations, and devices used to access and their locations.

Consent (61.6%), Personal Data (98.1%):

These services will authenticate your identity and give you the option to share certain personal information with us, such as your name and email address.

Personal Data (97.4%):

Referrals: If someone has referred any of our products or services to you through any of our referral programs, that person may have provided us your name, email address and other personal information.

Required Purpose (67.0%):

If you provide us information about another person, or if another person gives us your information, we will only use that information for the specific reason for which it was provided to us.

Third Party (71.9%):

Zoho may also receive information about you from review sites if you comment on any review of our products and services, and from other third-party service providers that we engage for marketing our products and services.

Required Purpose (99.8%):

Information from social media sites and other publicly available sources: When you provide feedback or reviews about our products, interact, or engage with us on marketplaces, review sites or social media sites such as Facebook, Twitter, LinkedIn and Instagram through posts, comments, questions and other interactions, we may collect such publicly available information, including profile information, to allow us to connect with you, improve our products, better understand user reactions and issues, or to reproduce and publish your feedback on our websites.

Retention (77.3%):

We must tell you that once collected, this information may remain with us even if you delete it from these sites.

Processing (96.1%):

This policy is unfortunately longer than we would like, but we must unambiguously address all the relevant cases.

Consent (62.9%), Required Purpose (97.1%):

Purposes for using information In addition to the purposes mentioned above, we may use your information for the following purposes: To communicate with you (such as through email) about products that you have downloaded and services that you have signed up for, changes to this Privacy Policy, changes to the Terms of Service, or important notices; To keep you posted on new products and services, upcoming events, offers, promotions and other information that we think will be of interest to you; To ask you to participate in surveys, or to solicit feedback on our products and services; To set up and maintain your account, and to do all other things required for providing our services, such as enabling collaboration, providing website and mail hosting, and backing up and restoring your data; To understand how users use our products and services, to monitor and prevent problems, and to improve our products and services; To provide customer support, and to analyze and improve our interactions with customers; To detect and prevent fraudulent transactions and other illegal activities, to report spam, and to protect the rights and interests of Zoho, Zoho's users, third parties and the public; To update, expand and analyze our records, identify new customers, and provide products and services that may be of interest to you; To analyze trends, administer our websites, and track visitor navigations on our websites to understand what visitors are looking for

and to better help them; To monitor and improve marketing campaigns and make suggestions relevant to the user.

Recipient (77.3%), Required Purpose (98.1%):

To exercise those data rights, please contact the person or company that entrusted the data to us and we will work with them on your request.

Processing (94.2%):

Legal bases for collecting and using information Legal processing bases applicable to Zoho: If you are an individual from the European Economic Area (EEA), our legal basis for information collection and use depends on the personal information concerned and the context in which we collect it.

Legitimate Interest (90.8%):

Most of our information collection and processing activities are typically based on (i) contractual necessity, (ii) one or more legitimate interests of Zoho or a third party that are not overridden by your data protection interests, or (iii) your consent.

Legal Basis (92.7%), Required Purpose (60.7%):

Sometimes, we may be legally required to collect your information, or may need your personal information to protect your vital interests or those of another person.

Consent (71.6%):

Withdrawal of consent: Where we rely on your consent as the legal basis, you have the right to withdraw your consent at any time, but this will not affect any processing that has already taken place.

Consent (97.9%), Required Purpose (80.5%):

Your choice in information use Opt out of non-essential electronic communications: You may opt out of receiving newsletters and other non-essential messages by using the [unsubscribe](#) function included in all such messages.

Organisational Measure (66.0%), Personal Data (94.2%):

Optional information: You can choose not to provide optional profile information such as your photo.

Organisational Measure (89.2%):

We share your information only in the ways that are described in this Privacy Policy, and only with parties who adopt appropriate confidentiality and security measures.

Data Processor (60.3%):

Employees and independent contractors: Employees and independent contractors of relevant Zoho group entities have access to the information covered in Part I on a need-to-know basis.

Legal Basis (62.6%), Third Party (86.2%):

Third-party websites and social media widgets have their own separate privacy policies.

Non-Personal Data (68.8%), Third Party (73.4%):

Third-party service providers: We may need to share your personal information and aggregated or de-identified information with third-party service providers that we engage, such as marketing and advertising partners, event organizers, web analytics providers and payment processors.

Required Purpose (68.1%):

These service providers are authorized to use your personal information only as necessary to provide these services to us.

Legal Basis (85.8%), Personal Data (87.0%):

Domain registrars: When you register a domain through Zoho from domain name registrars, we share your name and contact information such as your physical address, email address and phone number with them as per the ICANN domain registration rules.

Processing (98.3%), Recipient (84.9%):

Marketplace application developers: When you install or purchase any application developed using Zoho's APIs that is posted on Zoho's online marketplace, your name and email address will be shared with the developer of the application, so they may engage with you directly as the provider of that application or service.

Right (77.2%):

Your rights with respect to information we hold about you as a controller If you are in the European Economic Area (EEA), you have the following rights with respect to information that Zoho holds about you.

Art. 15 Right to access by the data subject (77.0%), Art. 16 Right to rectification (84.5%):

Right to access: You have the right to access (and obtain a copy of, if required) the categories of personal information that we hold about you, including the information's source, purpose and period of processing, and the persons to whom the information is shared Right to rectification: You have the right to update the information we hold about you or to rectify any inaccuracies.

Art. 17 Right to erasure (right to be forgotten) (86.2%):

Right to erasure: You have the right to request that we delete your personal information in certain circumstances, such as when it is no longer necessary for the purpose for which it was originally collected.

Art. 18 Right to restriction of processing (93.1%):

Right to restriction of processing: You may also have the right to request to restrict the use of your information in certain circumstances, such as when you have objected to our use of your data but

we need to verify whether we have overriding legitimate grounds to use it.

Art. 20 Right to data portability (70.9%), Automated Decision Making (78.9%), Processing (99.0%):

Right to data portability: You have the right to transfer your information to a third party in a structured, commonly used and machine-readable format, in circumstances where the information is processed with your consent or by automated means.

Art. 21 Right to object (85.0%):

Right to object: You have the right to object to the use of your information in certain circumstances, such as the use of your personal information for direct marketing.

Art. 21 Right to object (62.4%):

Zoho does not control the use of your personal information by the developers, which will be based on their own privacy policies.

Authority (93.7%), Processing (70.7%):

Right to complain: You have the right to complain to the appropriate supervisory authority if you have any grievance against the way we collect, use or share your information.

Contract (63.7%), Legal Basis (71.0%), Required Purpose (82.0%), Retention (87.0%):

Sometimes, we may retain your information for longer periods as permitted or required by law, such as to maintain suppression lists, prevent abuse, if required in connection with a legal claim or proceeding, to enforce our agreements, for tax, accounting, or to comply with other legal obligations.

Retention (67.3%):

When we no longer have a legitimate need to process your information, we will delete or anonymize your information from our active databases.

Retention (88.6%):

We will also securely store the information and isolate it from further processing on backup discs until deletion is possible.

Required Purpose (93.9%):

Part II - Information that Zoho processes on your behalf Part II - Information that Zoho processes on your behalf Information entrusted to Zoho and purpose Information provided in connection with services: You may entrust information that you or your organization (ayoua) control, to Zoho in connection with use of our services or for requesting technical support for our products.

Processing (98.9%):

The data may either be stored on our servers when you use our services, or transferred or shared to us as part of a request for technical support or other services.

Personal Data (97.8%):

Information from mobile devices: When you elect to allow it, some of our mobile applications have access to the camera, call history, contact information, photo library, and other information stored on your mobile device.

Required Purpose (61.0%):

Similarly, when you elect to provide access, location-based information is also collected for purposes including, but not limited to, locating nearby contacts or setting location-based reminders.

Required Purpose (87.9%):

This information will be exclusively shared with our mapping providers and will be used only for mapping user locations.

Personal Data (78.0%), Processing (62.6%):

The data stored on your mobile device and their location information to which the mobile applications have access will be used in the context of the mobile application, and transferred to and associated with your account in the corresponding services (in which case the data will be stored on our servers) or products (in which case the data will remain with you unless you share it with us).

Organisational Measure (78.3%):

You may access it, share it through third-party integrations, and request that we export or delete it.

Organisational Measure (61.5%):

We provide you complete control of your service data by providing you the ability to (i) access your service data, (ii) share your service data through supported third-party integrations, and (iii) request export or deletion of your service data.

Retention (81.1%):

How we use service data We process your service data when you provide us instructions through the various modules of our services.

Personal Data (92.3%), Processing (67.4%), Required Purpose (88.6%):

For example, when you generate an invoice using our invoicing service, information such as the name and address of your customer will be used to generate the invoice; and when you use our campaign management service for email marketing, the email addresses of the persons on your mailing list will be used for sending the emails.

Required Purpose (91.3%):

Who we share service data with Zoho group and third party sub-processors: In order to provide services and technical support for our products, the contracting entity within the Zoho group engages other group entities and third parties.

Third Party (65.1%):

Who we share your information with All Zoho group entities listed here have access to the information covered in Part I.

Automated Decision Making (65.0%), Organisational Measure (62.3%), Required Purpose (89.5%):

Employees and independent contractors: We may provide access to your service data to our employees and individuals who are independent contractors of the Zoho group entities involved in providing the services (collectively our employees) so that they can (i) identify, analyze and resolve errors, (ii) manually verify emails reported as spam to improve spam detection, or (iii) manually verify scanned images that you submit to us to verify the accuracy of optical character recognition.

Organisational Measure (76.4%):

We ensure that access by our employees to your service data is restricted to specific individuals, and is logged and audited.

Required Purpose (98.9%):

Our employees will also have access to data that you knowingly share with us for technical support or to import data into our products or services.

Organisational Measure (89.5%):

We communicate our privacy and security guidelines to our employees and strictly enforce privacy safeguards within the Zoho group.

Third Party (67.4%):

Collaborators and other users: Some of our products or services allow you to collaborate with other users or third parties.

Personal Data (90.7%), Processing (82.2%), Required Purpose (78.2%):

For example, when you edit a document that you have shared with other persons for collaboration, your name and profile picture will be displayed next to your edits to allow your collaborators to know that you made those edits.

Retention (87.8%):

Once you terminate your Zoho user account, your data will eventually get deleted from active database during the next clean-up that occurs once in 6 months.

Personal Data (97.7%), Processing (76.9%):

Data subject requests If you are from the European Economic Area and you believe that we store, use or process your information on behalf of one of our customers, please contact the customer if

you would like to access, rectify, erase, restrict or object to processing, or export your personal data.

Organisational Measure (82.2%), Personal Data (85.3%):

If we become aware that a child under 16 has provided us with personal information, we will take steps to delete such information.

Legal Basis (94.0%):

If you process information relating to children, you acknowledge and agree that you will be responsible for complying with the applicable laws and regulations related to protection of such personal information.

Organisational Measure (95.3%), Processing (67.3%):

We have taken steps to implement appropriate administrative, technical and physical safeguards to prevent unauthorized access, use, modification, disclosure or destruction of the information you entrust to us.

Data Protection Officer (89.2%):

Data Protection Officer We have appointed a Data Protection Officer to oversee our management of your personal information in accordance with this Privacy Policy.

Data Protection Officer (91.9%):

If you have any questions or concerns about our privacy practices with respect to your personal information, you can reach out to our Data Protection Officer by sending an email to dpo@zohocorp.com or by writing to: Data Protection Officer, Zoho Corporation BV, Beneluxlaan 4B, 3527 HT UTRECHT, The Netherlands.

Personal Data (71.9%), Scale Non-EU (70.2%):

By accessing or using our products and services or otherwise providing personal information or service data to us, you understand that the processing, transfer, and storage of your personal information or Service Data within the United States of America, the European Economic Area (EEA) and other countries where Zoho operates.

Organisational Measure (80.1%), Personal Data (94.1%), Processing (82.8%):

Locations and international transfers We share your personal information and service data within the Zoho Group and with third parties engaged by Zoho Group for the purposes described above.

Contract (83.2%):

Such transfers are subject to appropriate data protection agreements such as a group company agreement that is based on EU Commissionas Model Contractual Clauses for data processing activities to which GDPR applies.

Organisational Measure (62.9%), Required Purpose (74.4%):

Data processing addendum To enable you to be compliant with your data protection obligations , we are prepared to sign an appropriate Data Processing Addendum (DPA).

Organisational Measure (63.5%):

You can request a DPA from Zoho by completing this form .

Required Purpose (93.0%), Technical Measure (91.4%):

Automation and Artificial Intelligence In order to provide enhanced productivity and predictive capabilities to our users, we employ a variety of technologies such as regex parsing, template matching, artificial intelligence and machine learning.

Required Purpose (98.1%):

In keeping with Zoho's promise not to exploit your data in a way that is not respectful of your privacy and confidentiality expectations, we make only the following limited use of service data for these technologies: (i) using anonymized crops of service data to improve accuracy of the algorithms; and (ii) using your organization's data for developing models specific for your organization.

Technical Measure (79.5%):

Our automation and artificial intelligence technologies are mostly powered by our own organization's data such as internal communications, communications with customers and internal documents as well as free and paid external sources Do Not Track (DNT) requests Some internet browsers have enabled 'Do Not Track' (DNT) features, which send out a signal (called the DNT signal) to the websites that you visit indicating that you don't wish to be tracked.

Required Purpose (64.1%):

Please be aware that any information you provide on these blogs and forums may be used to contact you with unsolicited messages.

Art. 17 Right to erasure (right to be forgotten) (69.1%):

To request the removal of your information from our blogs and forums, you can contact us at privacy@zohocorp.com.

Non-Personal Data (69.3%), Personal Data (96.8%), Required Purpose (79.7%):

These widgets may collect information such as your IP address and the pages you navigate in the website, and may set a cookie to enable the widgets to function properly.

Third Party (85.4%):

Your interactions with these widgets are governed by the privacy policies of the companies providing them.

Legal Basis (73.1%), Processing (98.7%), Required Purpose (76.6%):

Disclosures in compliance with legal obligations We may be required by law to preserve or disclose

your personal information and service data to comply with any applicable law, regulation, legal process or governmental request, including to meet national security requirements.

Required Purpose (95.4%):

Enforcement of our rights We may disclose personal information and service data to a third party if we believe that such disclosure is necessary for preventing fraud, spam filtering, investigating any suspected illegal activity, enforcing our agreements or policies, or protecting the safety of our users.

Organisational Measure (63.2%):

Business transfers We do not intend to sell our business.

Organisational Measure (92.1%):

However, in the unlikely event that we sell our business or get acquired or merged, we will ensure that the acquiring entity is legally bound to honor our commitments to you.

Organisational Measure (96.4%):

We will notify you via email or through a prominent notice on our website of any change in ownership or in the uses of your personal information and service data.
