Last updated, January 07 ,2024 GENERAL Our company (Company or we or us or our), ZenoRadio LLC, builds, hosts, maintains and manages the radio broadcast app (the Radio App) you have downloaded and are using.

Data Controller (98.2%), Processing (90.1%), Required Purpose (68.3%):

We do not have any ownership of or control over the content delivered over the Radio App, except to the extent that we may inlay and serve certain advertisements that you hear via the Radio App.

Consent (94.9%), Data Subject (60.5%), Legal Basis (64.0%), Personal Data (99.3%), Processing (99.4%), Required Purpose (64.4%), Right (60.7%):

The following privacy policy (Privacy Policy) is designed to inform you, as a user of the Radio App, about the types of information that Company may gather or collect from you in connection with your access to the Radio App.

Processing (99.5%), Right (97.8%):

It also is intended to explain the conditions under which Company uses and discloses that information, and your rights in relation to that information.

Consent (96.5%), Personal Data (99.8%), Processing (98.6%), Required Purpose (65.8%):

If you are accessing the Radio App from other jurisdictions, please be advised that you are transferring your personal information to us in the United States, and by accessing the Radio App, you consent to that transfer and use of your personal information in accordance with this Privacy Policy.

Scale Non-EU (91.6%):

The Radio App is hosted in the United States of America (United States or U.S.) and is subject to U.S.

Contract (65.3%):

federal law concerning your access to the Radio App and your agreements with us.

Legal Basis (76.7%), Personal Data (99.4%), Processing (96.5%):

Any persons accessing the Radio App from any jurisdiction with laws or regulations governing personal data collection, use and disclosure different from those of the jurisdictions mentioned above may only use the Radio App in a manner lawful in their jurisdiction.

Legal Basis (99.4%):

state and federal law.

Legal Basis (93.2%):

We do not knowingly collect or maintain personal information from anyone under the age of 13, unless or except as permitted by law.

Art. 17 Right to erasure (right to be forgotten) (67.8%), Organisational Measure (73.1%), Processing (99.4%):

If we learn that personal information has been collected from a listener under 13 years of age through the Radio App, then we will take the appropriate steps to cause this information to be deleted.

Legitimate Interest (66.0%), Personal Data (98.3%), Processing (98.3%):

If you are the parent or legal guardian of a child under 13 who has become a user of the Radio App or has otherwise transferred personal information to us through the Radio App, please contact the Company using our contact information below to have that child's personal information deleted.

Non-Personal Data (61.2%), Processing (97.8%), Required Purpose (68.8%), Technical Measure (76.1%), Third Party (94.0%):

GATHERING, USE AND DISCLOSURE OF NON-PERSONALLY- IDENTIFYING INFORMATION
This Privacy Policy regulates the processing of your personally-identifiable information.

Non-Personal Data (83.0%), Organisational Measure (66.7%), Personal Data (99.8%):

Personally-Identifying Information, is information such as a name, email address or telephone number that, without more, can be directly associated with a specific person.

Non-Personal Data (98.7%), Personal Data (87.0%):

That information includes, for users accessing the Radio App over the Internet, a user's Internet Protocol (IP) address, operating system, and browser type.

Non-Personal Data (79.7%), Personal Data (99.1%), Required Purpose (81.1%):

If you use a mobile device to access the Radio App or download any of our applications, we may collect device information (such as your mobile device ID, model and manufacturer), operating system and version information, and IP address.

Non-Personal Data (85.4%), Processing (99.0%), Required Purpose (99.3%):

Company collects and analyzes Non-Personally-Identifying Information gathered from users of the Radio App to help Company better understand how the Radio App is being used, how to promote the Radio App, and for the delivery of targeted advertising.

Organisational Measure (61.3%), Personal Data (64.2%):

We also collect and process Non-Personally-Identifying Information which is information that,

without the aid of additional information, cannot be directly associated with a specific person.

Non-Personal Data (69.1%), Required Purpose (86.5%):

By identifying patterns and trends in usage, including radio station listening habits and patterns, Company is able to better design the Radio App to improve users experiences, both in terms of content, advertising and ease of use.

Non-Personal Data (81.0%), Processing (87.4%):

From time to time, Company may also release the Non-Personally-Identifying Information gathered from the Radio App users in the aggregate, such as by publishing a report on trends in the usage of the Radio App.

Data Controller (65.1%), Processing (99.2%), Required Purpose (68.9%):

LAWFUL BASES OF PROCESSING Where Company is acting as a data controller, that determines the purposes and means of processing your personal data, such as when we collect, use, and share personal data as described herein, we must have a lawful processing basis for doing so.

Contract (92.3%), Processing (76.1%):

The lawful bases we rely on for processing personal information are (if and when applicable): Processing is necessary for the performance of a contract to which the data subject is party.

Consent (92.0%), Data Processor (62.6%), Legitimate Interest (97.1%), Processing (98.0%), Required Purpose (93.1%):

For example, to respond to your customer service inquiries and requests for information; Our legitimate interest to facilitate the functionality of the Radio App, as well as to maintain, improve, and analyze our website, apps, advertisements, and the products and services, or in order to detect, prevent, or investigate security breaches or fraud;; In order to comply with our legal obligations, for example to maintain appropriate records for internal administrative purposes and as required by applicable law; and Your consent.

Legal Basis (99.1%), Required Purpose (60.9%):

You also agree to abide by the applicable laws of applicable states and U.S.

Required Purpose (84.5%):

For example: to send you via email and other electronic means personalized promotions and special offers or informing you about our professional services, offerings, events, or other promotional purposes.

Personal Data (75.8%), Processing (99.3%):

A Web Cookie is a string of information which assigns you a unique identification that a website stores on your computer or device, and that the users browser provides each time the user logs on

to or submits a query to the Radio App.

Processing (89.6%):

Any person who provides personal information through the Radio App represents to us that he or she is 13 years of age or older.

Organisational Measure (66.6%), Processing (99.1%), Required Purpose (78.6%):

The Radio Station owns and controls the particular account on the app store from which you downloaded the Radio App, and the Radio Station has full control over all content transmitted through the Radio App.

Contract (64.6%), Personal Data (98.6%), Required Purpose (98.6%), Technical Measure (92.7%), Third Party (94.4%):

We use cookies on the Radio App to keep track of services you have used and activities you have performed, radio stations you have listened to and listening and call-in habits, to record, if applicable, registration information regarding your login name and password, to record your use preferences, if applicable, to keep you logged into the Radio App, if applicable, and to facilitate purchase procedures, if applicable.

Technical Measure (99.3%):

Web Cookies.

Required Purpose (96.7%):

Company also uses Web Cookies to track the pages that users visit and activities performed during each Radio App session, both to help Company improve users experiences and to help Company understand how the Radio App is being used.

Data Subject (88.7%), Required Purpose (97.1%):

Company gathers from users of the Radio App Non-Personally-Identifying Information of the sort that devices, depending on their settings, may make available.

Required Purpose (94.0%), Third Party (76.0%):

As with other Non-Personally-Identifying Information gathered from users of the Radio App, Company analyzes and discloses in aggregated form information gathered using Web Cookies, so as to help Company, its partners and others better understand how the Radio App is being used.

Required Purpose (77.5%), Technical Measure (65.4%):

Most browsers allow you to change your cookie settings.

Consent (74.5%), Required Purpose (98.2%):

These settings will typically be found in the options or preferences menu of your browser.

Required Purpose (82.8%):

In order to understand these settings and learn how to use them, please consult the Help function of your browser, or the documentation published online for your particular browser type and version you can check if the procedure for your browser is mentioned in this explanatory website or here.

Non-Personal Data (83.5%):

This Privacy Policy can be updated from time to time and, therefore, we ask you to check back periodically for the latest version of this Privacy Policy.

Third Party (93.7%):

Advertising Tools and Services. We or broadcasters may either directly or through third-party companies serve ads to you when you access the Radio App.

Art. 15 Right to access by the data subject (68.1%), Required Purpose (91.0%):

Advertisers may use information about your use of the Radio App (including, without limitation, stations accessed, listening habits, and location of accessing telephone number) that are contained in Web Cookies, Flash Cookies or that we gather when you access the Radio App via a telephone (wireless or wired device) or other application or access method in order to provide advertisements about goods and services that may be of interest to you.

Consent (92.4%), Personal Data (84.8%), Required Purpose (94.4%):

We also allow advertisers to choose the characteristics of listeners who will be presented with their advertisements and we may use any of the non-personally identifiable attributes we have collected to select the appropriate audience for those advertisements.

Consent (97.4%), Processing (93.9%), Required Purpose (71.3%):

The reference to Radio App will also include, as and when appropriate for the context, where listeners access Radio Station broadcasts off of our or another website.

Third Party (99.4%):

If you are accessing the Radio App via the Internet, then using a tool created by the Network Advertising Initiative, you can opt out of several third party ad servers and networks Web Cookies simultaneously.

Consent (93.3%):

If you would like more information about this practice and to know your choices about not having this information used by these companies, please follow the following link:
http://networkadvertising.org/managing/opt_out.asp.

Required Purpose (97.5%), Third Party (98.5%):

We use third party services that we use to track activity related to our services, such as Google Analytics and Google Firebase.

Required Purpose (92.1%), Technical Measure (71.9%):

We may use third-party vendors, including Google, who use first-party cookies (such as the Google Analytics cookie) and third-party cookies together to inform, optimize, and serve ads based on your past activity on our applications, including Google Analytics for Display Advertising.

Third Party (99.0%):

Aggregated and Non-Personally Identifying Information we collect under any of the above circumstances we may share with third parties.

Required Purpose (93.0%), Third Party (95.3%):

We may also share it with third parties and our affiliate companies to develop and deliver targeted advertising on the Radio App and on websites of third parties.

Data Source (69.5%), Processing (96.7%):

We may combine Non-Personally Identifying Information we collect with additional Non-Personally Identifying Information collected from other sources.

Required Purpose (85.7%), Third Party (76.0%):

We also may share aggregated information with third parties, including advisors, advertisers and investors, for the purpose of conducting general business analysis.

Processing (69.3%), Required Purpose (92.4%):

For example, we may tell our advertisers the number of visitors to the Radio App and the most popular features or services accessed.

Required Purpose (94.7%):

This information does not contain any Personally-Identifying Information and may be used to develop website content and services that we hope you and other listeners will find of interest and to target content and advertising.

Non-Personal Data (68.1%), Personal Data (64.6%), Required Purpose (60.5%):

We derive certain inferences based upon your IP address, the telephone number that you use to access the Radio App, Wi Fi network data or cell tower triangulation.

Automated Decision Making (97.4%), Non-Personal Data (73.7%):

As stated above, we may also automatically collect anonymous information about you when you have geographical location tools on your Internet-enabled device which have not been disabled.

Technical Measure (62.6%):

If you do not want any information to be collected and used by Google Analytics, you can install an opt-out in your web browser ([https:// tools.google.com/dlpage/gaoptout/](https://tools.google.com/dlpage/gaoptout/)) and/or opt out from Google Analytics for Display Advertising or the Google Display Network.

Automated Decision Making (65.5%), Processing (69.7%):

If you have geo-location tools on your Internet-enabled device which you have not disabled, we may automatically receive information on your devices location and may use it to comply with our contractual arrangements which restrict our sending certain programming channels outside of defined areas, such as when you want to listen to the Radio App while in another country.

Required Purpose (96.8%), Technical Measure (95.1%):

We use mobile analytics software to allow us to better understand the functionality of our mobile software on your mobile device.

Non-Personal Data (98.4%):

This software may record information such as how often you use the application, the events that occur within the application, aggregated usage, performance data, and where the application was downloaded from.

Consent (72.0%), Organisational Measure (87.5%):

PUSH NOTIFICATIONS We may send you push notifications if you choose to receive them for other service-related matters.

Data Subject (75.1%):

Company may collect Personally Identifying Information from and about the Radio App users.

Personal Data (85.7%), Processing (76.8%), Required Purpose (88.4%):

Much of the Personally-Identifying Information collected by Company about users is information provided by users themselves when (1) registering for the Radio App, (2) dialing in to the Radio App, (3) logging in with social network credentials, (4) participating in polls, contests, surveys or other features of the Radio App, or responding to offers or advertisements on the Radio App, (5) communicating with us, or (6) signing up to receive newsletters or other communications.

Personal Data (96.3%):

That Personally Identifying Information may include each users name, address, email address, and telephone number.

Personal Data (99.4%):

We also may request information about your interests and activities, your gender, age, date of birth, language preference, hometown and other demographic information, and other relevant information as determined by Company from time to time.

Processing (96.6%), Required Purpose (73.1%):

Additionally, when you access the Radio App from a telephone or mobile device we may also obtain your telephone number which may also be used for tracking your use of the Radio App.

Legal Basis (86.6%), Processing (99.6%):

USE BY CHILDREN The Childrens Online Privacy Protection Act (COPPA) protects the online privacy of children under 13 years of age.

Personal Data (67.8%), Required Purpose (98.7%):

Company Communications We may occasionally use your name and email address to send you notifications regarding new services or products offered by Company that we think you may find valuable.

Required Purpose (89.6%), Third Party (82.8%):

Social Media We may provide you the option to connect your account, if applicable, on the Radio App to your account on some social networking sites (such as via Facebook Connect) for the purpose of logging in, uploading information or enabling certain features on the Radio App.

Data Source (67.0%), Non-Personal Data (65.7%), Personal Data (98.9%):

When logging in using your social network credentials, such as your Facebook account, we may collect the Personally Identifying Information you have made publicly available in Facebook, such as your name, profile picture, cover photo, username, gender, friends network, age range, locale, friend list, and any other information you have made public.

Consent (73.2%):

We may also obtain other non-public information from the social network website with your permission.

Non-Personal Data (73.7%):

Once connected, others may also be able to see information about your social network, such as the size of your network and your friends, including common friends.

Processing (94.0%):

This feature is subject to continuous change and improvement by us and each social networking site involved, and therefore the available features and shared information are subject to change without notice to you.

Third Party (81.2%):

Company Disclosures Company will disclose Personally-Identifying Information to the following categories of third-parties, under the following circumstances: Broadcasters/Advertisers.

Processing (94.9%):

If we have obtained proper authorization, we may also contact you via email, telephone, text or push notification.

Third Party (90.6%):

We may disclose this information to broadcasters of radio stations that you access via the Radio App as well as to our advertisers.

Required Purpose (95.2%):

Broadcasters may use the information we disclose about you only for their internal purposes, such as improving programming, contacting you as a listener of their programming, in order to deliver advertising, and for related purposes.

Required Purpose (99.5%):

Advertisers may use information to assist in providing you with targeted advertising.

Right (61.8%):

As Required by Law or to Protect Rights.

Authority (93.7%), Organisational Measure (74.9%), Required Purpose (97.5%):

When we believe disclosure is appropriate in connection with efforts to investigate, prevent, or take other action regarding illegal activity, suspected fraud or other wrongdoing; to protect and defend the rights, property or safety of our Company, our users, our employees, or others; to comply with applicable law or cooperate with law enforcement; or to enforce our terms of use or other agreements or policies, in response to a subpoena or similar investigative demand, a court order, or a request for cooperation from a law enforcement or other government agency; to establish or exercise our legal rights; to defend against legal claims; or as otherwise required by law.

Third Party (91.9%):

Affiliates would include a parent company or any subsidiaries, joint venture partners, or other companies that we control or that is under common control with us.

Required Purpose (93.1%):

Such intercompany transfers may be to and from the United States and any other country in which we or our agents maintain facilities for the purposes identified in this Privacy Policy, as well as for storage, processing or other business use as permitted under this Agreement.

Required Purpose (91.0%), Third Party (91.5%):

Third Party Service Providers.

Required Purpose (95.7%):

These services may include fulfilling orders, credit card processing, payment gateways, subscription processing providing customer service and marketing assistance, performing business and sales analysis, supporting our website functionality, supporting or maintaining our service platform or technologies, and supporting contests, sweepstakes, surveys and other features offered through the Radio App.

Personal Data (98.5%):

We may also share your name, contact information and credit card information with our authorized service providers who process credit card payments.

Processing (97.1%):

Personally-Identifying Information submitted or collected after a transfer, however, may be subject to a new privacy policy adopted by the successor organization.

Required Purpose (99.6%):

General Use We use the Personally-Identifying Information in the data we maintain about you, and other information we obtain from your current and past activities in connection with the Radio App to: deliver the products and services that you have requested, manage your account, if applicable, and provide you with customer support, communicate with you by email, postal mail, telephone and/or mobile devices about products or services that may be of interest to you either from us, our affiliate companies or other third parties, develop and display content and advertising tailored to your interests on the Radio App and other sites, resolve disputes, troubleshoot problems, measure consumer interest in our services, inform you of updates, customize your experience, detect and protect us against error, fraud and other criminal activity, enforce our terms of use, and as otherwise described to you at the time of collection.

Processing (93.3%), Required Purpose (99.3%):

In particular, we may examine your Personally Identifying Information to identify users using multiple listener IDs or aliases.

Processing (92.8%), Required Purpose (90.5%):

We may compare and review your Personally-Identifying Information for accuracy and to detect errors and omissions.

Personal Data (95.8%), Required Purpose (98.8%):

We may use financial information or payment method to process payment for any purchases made through the Radio App, enroll you in the discount, rebate, and other programs in which you elect to participate, to protect against or identify possible fraudulent transactions, and otherwise as needed to manage our business.

Processing (76.2%):

Any information submitted in connection with such activities will be treated in accordance with this Privacy Policy.

Required Purpose (89.5%):

From time to time, Company may also ask users to participate in surveys designed to help Company

improve the Radio App.

Processing (96.0%):

Any Personally-Identifying Information provided to Company in connection with any survey will be used only in relation to that survey, and will be disclosed to third parties not bound by this Privacy Policy only in non-personally- identifying, aggregated form.

Third Party (98.9%):

COLLECTION AND USE OF INFORMATION BY THIRD PARTIES GENERALLY Third parties are under no obligation to comply with this Privacy Policy, with respect to Personally-Identifying Information that users provide directly to those third parties or that those third parties collect for themselves.

Third Party (97.1%):

These third parties include advertisers, providers of games, utilities, widgets and a variety of other third party applications accessible through the Radio App.

Organisational Measure (67.2%), Required Purpose (62.8%):

SECURITY We take security of your Personally-Identifying Information seriously and use reasonable electronic, personnel, and physical measures to protect it from loss, theft, alteration, or misuse.

Organisational Measure (85.0%):

However, please be advised that even the best security measures cannot fully eliminate all risks.

Non-Personal Data (91.6%), Personal Data (98.4%), Required Purpose (91.9%), Third Party (91.8%):

WIRELESS CONSENT POLICY You authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to use your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status details, if available, solely to allow verification of your identity and to compare information you have provided to us with your wireless operator account profile information for the duration of the business relationship.

Personal Data (94.1%):

Please note that "opt-out" and "unsubscribe" requests may not take effect immediately and may take a reasonable amount of time to receive, process and apply, during which time your information shall remain subject to the prior privacy settings.

Required Purpose (85.7%), Scale Non-EU (62.4%):

CALIFORNIA PRIVACY RIGHTS California Civil Code Section 1798.83, also known as the Shine

The Light law, permits our users who are California residents to request and obtain from us once a year, free of charge, information about the personal information (if any) we disclosed to third parties for direct marketing purposes in the preceding calendar year.

Personal Data (99.6%):

If applicable, this information would include a list of the categories of personal information that was shared and the names and addresses of all third parties with which we shared information in the immediately preceding calendar year.

Legal Basis (94.4%):

US State Privacy laws Provisions for persons governed by the different state privacy laws are found in Annex 2.

Data Protection Officer (67.6%):

Organisational Measure (71.8%):

SECURITY We have implemented appropriate technical, organizational and security measures designed to reduce the risk of accidental destruction or loss, or the unauthorized disclosure or access to such information appropriate to the nature of the information concerned.

Legal Basis (96.5%):

Nevertheless, we make commercially reasonable efforts to make the collection and security of such information consistent with this Privacy Policy and all applicable laws and regulations.

Personal Data (97.9%):

As the security of information depends in part on the security of the computer, device or network you use to communicate with us and the security you use to protect your user IDs and passwords, please make sure to take appropriate measures to protect this information.

Personal Data (67.8%), Required Purpose (97.3%), Retention (93.7%):

RETENTION OF YOUR PERSONAL DATA In addition to the retention periods mentioned in the table above, in some circumstances we may store your Personal Data for longer periods of time, for example (i) where we are required to do so in accordance with legal, regulatory, tax or accounting requirements, or (ii) for us to have an accurate record of your dealings with us in the event of any complaints or challenges, or (iii) if we reasonably believe there is a prospect of litigation relating to your Personal Data or dealings.

Data Processor (76.5%), Personal Data (78.7%):

Where we transfer your Personal Data outside of the Company, for example to third parties who help provide our products and services, we will obtain contractual commitments from them to protect your Personal Data.

Legal Basis (88.4%):

GDPR Provisions for persons governed by the General Data Protection Regulation (GDPR) are found in Annex 1.

Art. 15 Right to access by the data subject (60.6%):

Please note that some of these rights may also apply under other jurisdictions as well: You have a right to access information held about you.

Art. 17 Right to erasure (right to be forgotten) (96.0%):

You have the right to request the erasure of the Personal Data that relates to you.

Art. 18 Right to restriction of processing (85.2%), Processing (61.1%), Required Purpose (86.2%):

Please note that there may be circumstances in which we are required to retain your data, for example for the establishment, exercise or defense of legal claims; The right to object to or to request restriction of the processing.

Art. 20 Right to data portability (81.7%):

However, there may be circumstances in which we are legally entitled to refuse your request; The right to data portability.

Art. 20 Right to data portability (66.1%), Authority (88.8%), Lodge Complaint (81.2%):

This means that you may have the right to receive your Personal Data in a structured, commonly used and machine-readable format, and that you have the right to transmit that data to another controller; You have the right to object to profiling; You have a right to lodge a complaint with your local data protection supervisory authority (i.e., your place of habitual residence, place or work or place of alleged infringement) at any time.

Consent (86.8%), Right (75.1%):

The right to withdraw your consent.

Scale EU (74.8%):

You also have a right to request details of the basis on which your Personal Data is transferred outside the European Economic Area, but you acknowledge that data transfer agreements may need to be partially redacted for reasons of commercial confidentiality.

Legal Basis (96.9%):

ANNEX 2 US States Privacy Laws Please note that this Annex 2 of our privacy policy shall apply to processing operations of Personal Data related to individuals that are protected by applicable US State Privacy Laws.

Legal Basis (98.6%):

"US State Privacy Laws" are any United States state-specific privacy laws that apply to the Company, including, if applicable: the California Consumer Privacy Act of 2018, as amended by the California Privacy Rights Act of 2020 and its updates and amendments (the "CCPA"), the Virginia Consumer Data Protection Act, the Colorado Privacy Act, the Connecticut Data Privacy Act, the Utah Consumer Privacy Act and any other applicable federal and/or state law.

Personal Data (99.3%):

Personal Data or "Personal Information" means any information that can be used, alone or together with other data, to uniquely identify any living human being.

Art. 16 Right to rectification (72.3%):

YOUR RIGHTS The following rights (which may be subject to certain exemptions or derogations) shall apply to individuals protected by some US state privacy laws (the applicability of these rights depends on the applicability of some of these laws to you): You have the right to know what Personal Information is being collected about you, This include the right to request that we disclose what Personal Information of yours we collect, use, disclose, and sell; You have a right to correct inaccurate Personal Information we have about you; You have the right to request the erasure/deletion of your Personal Information (e.g.

Personal Data (97.1%), Processing (90.1%):

Please note that there may be circumstances in which we are required to retain your Personal Information, for example for the establishment, exercise or defense of legal claims; You have the right to know whether your Personal Information is sold or disclosed and to whom; You have the right to restriction of, or object to, processing of your Personal Information, including the right to opt in or opt out of the sale or sharing of your Personal Information to third parties, if applicable, where such requests are permitted by law; You have the right to limit the use of your Sensitive Personal Information; You have the right not to receive discriminatory treatment for the exercise of the privacy rights; You have a right to lodge a complaint with your local data protection supervisory authority (i.e., your place of habitual residence, place or work or place of alleged infringement) at any time or before the relevant institutions in your place of residence (e.g.

Authority (70.2%):

the Attorney General in your State).

Authority (85.5%):

We ask that you please attempt to resolve any issues with us before you contact your local supervisory authority and/or relevant institution.

Personal Data (97.3%):

You have certain choices about your Personal Information.

Required Purpose (69.1%):

Even if you opt out, we may still collect and use non-Personal Information regarding your activities on our services and for other legal purposes as described above.

Organisational Measure (79.4%):

While we cannot guarantee privacy perfection, we will address any requests to the best of our ability as soon as possible.

Legal Basis (98.7%):

We will process such requests in accordance with applicable laws.

Authority (89.1%):

You may use an authorized agent to submit a request on your behalf if you provide the authorized agent written permission signed by you.

Organisational Measure (88.2%):

To protect your privacy, we may take steps to verify your identity before fulfilling your request.

Organisational Measure (62.4%):

Subject to legal and other permissible considerations, we will make every reasonable effort to honor your request promptly in accordance with applicable law or inform you if we require further information in order to fulfil your request.

Organisational Measure (78.0%):

When processing your request, we may ask you for additional information to confirm or verify your identity and for security purposes, before processing and/or honoring your request.

Legal Basis (87.5%):

We reserve the right to charge a fee where permitted by law, for instance if your request is manifestly unfounded or excessive.

Legal Basis (99.3%), Organisational Measure (73.2%):

In the event that your request would adversely affect the rights and freedoms of others (for example, would impact the duty of confidentiality we owe to others) or if we are legally entitled to deal with your request in a different way than initially requested, we will address your request to the maximum extent possible, all in accordance with applicable law.

Legal Basis (98.3%):

BY ACCESSING THE RADIO APP, YOU ARE ACCEPTING THE PRACTICES DESCRIBED IN THIS PRIVACY POLICY.

Organisational Measure (63.0%):

We do not knowingly sell or share the Personal Information of consumers under 16 years of age.
