Personal Data (94.8%), Required Purpose (94.0%):

For such Services, DEVGAME will request users' ages and, if a user indicates that s/he is under 13, DEVGAME will only collect personal information, such as persistent identifiers (e.g., IP address and device information), necessary for internal operations of the Service.

Required Purpose (96.8%):

DEVGAME will only use such information to support internal operations of the Service and not for other purposes.

Personal Data (99.1%):

If you are under 13, please do not attempt to register an account with any of the Services or send any information about yourself to us, including your name, address, telephone number, or email

address.

Organisational Measure (63.8%):

In the event that we learn that we have collected personal information other than persistent identifiers used to support internal operations of the Services, from a child under the age of 13, we will delete that information as quickly as possible.

Consent (73.3%), Data Subject (62.1%), Legal Basis (88.7%), Processing (86.1%):

This Children's Online Privacy Policy explains our information collection, disclosure, and parental consent practices with respect to information provided by children under the age of 13 ("child" or "children"), and uses terms that are defined in our general PRIVACY AND COOKIE POLICY.

Organisational Measure (61.0%):

Below we summarize potential instances of collection and outline how and when we will provide parental notice and/or seek parental consent.

Retention (88.3%):

In any instance that we collect personal information from a child, we will retain that information only so long as reasonably necessary to fulfill the activity request or allow the child to continue to participate in the activity, and ensure the security of our users and our services, or as required by law.

Personal Data (99.2%):

During the registration process, we may ask the child to provide certain information for notification and security purposes, including a parent or guardian's email address, the child's first name and gender, the child's member or account username, and password.

Personal Data (98.0%), Required Purpose (81.1%):

We also may ask for birth dates from children to validate their ages.

Consent (81.8%):

Please note that children can choose whether to share their information with us, but certain features cannot function without it.

Personal Data (95.1%):

About the collection of parent email address: Consistent with the requirements of COPPA, on any child-targeted site or application, or in any instance where we ask for age and determine the user is age 12 or under, we will ask for a parent or guardian email address before we collect any personal information from the child.

Consent (97.2%):

We will not use parent emails provided for parental consent purposes to market to the parent, unless

the parent has expressly opted in to email marketing or has separately participated in an activity that allows for such email contact.

Processing (71.0%):
