Non-Personal Data (79.0%), Required Purpose (90.8%):

Advertisers When we present information to our advertisers -- to help them understand our audience and confirm the value of advertising on our websites or Applications -- it is usually in the form of aggregated statistics on traffic to various pages / content within our websites or Applications.

Personal Data (97.5%), Required Purpose (87.3%):

These companies may use information (not including your name, address, email address or telephone number or any other personally identifiable information) about your visits to this and other websites or application, in order to provide advertisements about goods and services of interest to you.

Third Party (89.8%):

We do not provide any personally identifiable information to third party websites / advertisers / ad-servers without your explicit consent even though we don't have your PII data.

Consent (88.0%):

PII, as described in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context.

Consent (97.8%):

Opting out: Users can set preferences for how Google advertises to you using the Google Ad Settings page.

Legal Basis (73.9%), Scale Non-EU (67.7%), Third Party (85.5%):

California Online Privacy Protection Act CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy.

Scale Non-EU (79.2%):

The law's reach stretches well beyond California to require any person or company in the United States (and conceivably the world) that operates websites collecting Personally Identifiable Information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals or companies with whom it is being shared.

Consent (67.7%), Legal Basis (78.3%):

COPPA (Children Online Privacy Protection Act) When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control.

Data Controller (87.4%), Legal Basis (86.4%), Third Party (88.8%):

The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

Processing (60.3%):

However, we consider it the responsibility of parents to monitor their children's use of our services.

Required Purpose (69.4%):

In order to enable new features and enhanced functionality, you consent to downloading and installing updates to our Services.
