Face Data.

Data Source (69.4%):

We only use the photographs you provide.

Personal Data (95.9%):

We do not use any other face data from you.

Personal Data (74.9%), Processing (89.3%):

We may combine personal information we receive from you with personal information we obtain from other sources, such as: Public sources, such as government agencies, public records, and other publicly available sources.

Third Party (75.4%):

Private sources, such as social media platforms and data providers (including information services and data licensors that provide contact data).

Third Party (64.9%):

Marketing partners, such as joint marketing partners and event co-sponsors.

Third Party (82.5%):

We may also partner with selected third-party vendors such as Firebase and Google Analytics, using their API features.

Personal Data (68.8%), Required Purpose (85.9%), Technical Measure (82.9%):

These Features include and not limited to: firebase-config, firebase-analytics, firebase-crashlytics to allow tracking technologies and remarketing service on the <https://www.getthereferral.com>, iOS mobile applications and Android mobile applications through the use of first party cookies and third-party cookies, to, among other things analyze and track users use of mobile applications, determine information about the devices different behaviors, obtaining actionable insight into app issue by crash reporting.

Consent (81.2%):

You can revoke consent or request us to delete your data by sending email to us.

Processing (99.2%):

Other data not specifically listed here, which we will use as described in this Privacy Policy or as otherwise disclosed at the time of collection.

Personal Data (84.8%):

By accessing our mobile application, you consent to the collection and use of your information by these third-party vendors.

Consent (98.9%), Processing (85.5%), Required Purpose (92.9%):

However, if you do not want any information to be collected and used by tracking technologies, you can visit third-party vendors or the Network Advertising Opt-Out Tool or Digital Advertising Alliance Opt-Out Tool.

Non-Personal Data (94.2%), Personal Data (99.5%):

Device data, such as your computers or mobile devices operating system type and version, manufacturer and model, browser type, screen resolution, RAM and disk size, CPU usage, device type (e.g., phone, tablet), IP address, unique identifiers (including identifiers used for advertising purposes), language settings, mobile device carrier, radio/network information (e.g., Wi-Fi, LTE, 3G), and general location information such as city, state or geographic area.

Non-Personal Data (89.1%), Personal Data (81.4%), Processing (68.4%):

Online activity data, such as pages or screens you viewed, how long you spent on a page or screen, the website you visited before browsing to the Service, navigation paths between pages or screens, information about your activity on a page or screen, access times and duration of access, and whether you have opened our marketing emails or clicked links within them.

Technical Measure (94.3%):

Cookies and similar technologies.

Required Purpose (96.8%):

Like many online services, we use the following technologies: Cookies, which are text files that websites store on a visitors device to uniquely identify the visitors browser or to store information or settings in the browser for the purpose of helping you navigate between pages efficiently, remembering your preferences, enabling functionality, helping us understand user activity and patterns, and facilitating analytics and online advertising.

Processing (86.3%), Technical Measure (98.2%):

Local storage technologies, like HTML5 and Flash, that provide cookie-equivalent functionality but can store larger amounts of data, including on your device outside of your browser in connection with specific applications Web beacons, also known as pixel tags or clear GIFs, which are used to demonstrate that a webpage or email address was accessed or opened, or that certain content was viewed or clicked.

Data Subject (69.7%):

Users of the Service may have the opportunity to refer other contacts to us and share their contact information with us.

Consent (87.6%):

Please do not refer someone to us or share their contact information with us unless you have their permission to do so.

Required Purpose (98.7%):

We may use your personal information to: provide, operate and improve the Service and our business; establish and maintain your user profile on the Service; enable security features of the Service, such as by sending you security codes via email or SMS, and remembering devices from which you have previously logged in; communicate with you about the Service, including by sending announcements, updates, security alerts, and support and administrative messages; understand your needs and interests, and personalize your experience with the Service and our communications; and provide support for the Service, and respond to your requests, questions and feedback.

Required Purpose (85.1%):

Research and development.

Required Purpose (96.9%):

We may use your personal information for research and development purposes, including to analyze and improve the Service and our business.

Required Purpose (93.4%):

To manage our recruiting and process employment applications.

Processing (68.5%), Required Purpose (96.7%):

We may use personal information, such as information submitted to us in a job application, to facilitate our recruitment activities and process employment applications, such as by evaluating a job candidate for an employment activity, and monitoring recruitment statistics.

Authority (86.0%), Legal Basis (92.7%), Required Purpose (97.4%):

We may use your personal information to: comply with applicable laws, lawful requests, and legal process, such as to respond to subpoenas or requests from government authorities; protect our, your or others rights, privacy, safety or property (including by making and defending legal claims); audit our internal processes for compliance with legal and contractual requirements or our internal policies; enforce the terms and conditions that govern the Service; and prevent, identify, investigate and deter fraudulent, harmful, unauthorized, unethical or illegal activity, including cyberattacks and identity theft.

Consent (86.9%):

With your consent.

Legal Basis (84.3%), Processing (74.9%):

In some cases, we may specifically ask for your consent to collect, use or share your personal information, such as when required by law.

Non-Personal Data (88.1%):

To create anonymous, aggregated or de-identified data.

Legitimate Interest (64.8%), Recipient (94.1%), Third Party (98.4%):

We may use this anonymous, aggregated or de-identified data and share it with third parties for our lawful business purposes, including to analyze and improve the Service and promote our business.

Processing (93.8%), Required Purpose (91.4%):

We generally retain personal information to fulfill the purposes for which we collected it, including for the purposes of satisfying any legal, accounting, or reporting requirements, to establish or defend legal claims, or for fraud prevention purposes.

Legal Basis (64.9%), Required Purpose (63.1%):

To determine the appropriate retention period for personal information, we may consider factors such as the amount, nature, and sensitivity of the personal information, the potential risk of harm from unauthorized use or disclosure of your personal information, the purposes for which we process your personal information and whether we can achieve those purposes through other means, and the applicable legal requirements.

Third Party (91.1%):

Third parties that provide services on our behalf or help us operate the Service or our business (such as hosting, information technology, customer support, email delivery, marketing, and website analytics).

Personal Data (98.5%), Processing (93.4%):

Any payment card information you use to make a purchase on the Service is collected and processed directly by our payment processors, such as Stripe.

Third Party (81.3%):

Advertising partners.

Required Purpose (77.3%):

Professional advisors, such as lawyers, auditors, bankers and insurers, where necessary in the course of the professional services that they render to us.

Authority (78.9%), Third Party (89.9%):

Law enforcement, government authorities, and private parties, as we believe in good faith to be necessary or appropriate for the compliance and protection purposes described above.

Legal Basis (67.6%), Processing (76.2%):

We make commercially reasonable efforts to verify that the parties with whom our mobile application shares personal information provide a level of protection of personal information consistent with the practices described in this Privacy Policy, except that all such parties described above other than service providers and affiliates may, to the extent permitted by law, use personal information as described in their own privacy policies.

Organisational Measure (78.5%):

Malware Policy This app is developed and maintained in accordance with industry best practices for secure coding, to minimize the risk of malware injection.

Processing (98.5%):

Deletion Policy Users are informed of the types of data that the app collects and how it is used, as part of the app's privacy policy.

Processing (95.6%):

You are encouraged to review their privacy policy and contact the third-party vendors directly for responses to your questions.

Retention (78.0%):

The user may choose to delete their data immediately, or after a 30 day delay.

Legal Basis (84.6%), Personal Data (98.4%):

Upon request, user data will be deleted in compliance with all applicable federal and state laws.

Processing (76.0%):

Media/Files, such as images uploaded from users that choose to share photos for profile configuration, adding an avatar in the referral form or sending files over chat screen.

Consent (70.5%):

Advertising choices.

Third Party (82.4%):

Google and Facebook offer opt-out features that let you opt-out of use of your information for interest-based advertising: Google: <https://adssettings.google.com/> Facebook: <https://www.facebook.com/about/ads> Ad industry tools.

Required Purpose (99.0%):

We need to collect personal information to provide certain services.

Third Party (95.1%):

Other sites and services The Service may contain links to websites, mobile applications, and other online services operated by third parties.

Third Party (98.3%):

These links and integrations are not an endorsement of, or representation that we are affiliated with, any third party.

Scale Non-EU (81.0%):

International data transfer We are headquartered in the United States and may use service providers that operate in other countries.

Legal Basis (76.8%), Processing (81.7%):

Your personal information may be transferred to the United States or other locations where privacy laws may not be as protective as those in your state, province, or country.

Right (80.3%):

Changes to this Privacy Policy We reserve the right to modify this Privacy Policy at any time.

Organisational Measure (75.2%):

If we make material changes to this Privacy Policy, we will notify you by updating the date of this Privacy Policy and posting it on the Service.
