Data Controller (96.7%), Data Subject (63.9%), Organisational Measure (63.4%), Personal Data (99.7%), Processing (98.8%), Required Purpose (93.3%):

owner of the websites Serialio.com, Cloud-in-Hand.com & restock.com (Serialio) respects your privacy and strives to protect your personal information.

Processing (98.4%):

We have prepared this Privacy Statement to inform you about how we gather information on websites, how we manage and safeguard this information, to whom we distribute this information, and under what circumstance such information is distributed.

Data Controller (74.0%), Organisational Measure (88.7%), Personal Data (85.0%), Processing (95.5%), Required Purpose (97.0%):

If you provide your email or other contact information as part of an order, ticket, contact us form, or subscription, we will strive to only contact you with information relevant to your request and you can unsubscribe from future contact at any point.

Personal Data (94.3%), Processing (84.3%):

Personally Identifiable Information We wont share your personal data e.g.

Consent (73.2%), Personal Data (99.2%), Processing (95.3%), Third Party (93.7%):

E-mail id, Contact Number with any third party which is not related with Serialio.com, without your explicit consent, with or without personally identifying information.

Personal Data (87.7%), Processing (88.3%):

Such information may include your name, telephone number, email address, billing address, shipping address, credit card or other payment information.

Personal Data (99.6%), Processing (99.5%), Required Purpose (85.7%):

Serialio collects your personally identifiable information when you request a quote, solicit a sales consultation, order a product, apply for credit, fill out surveys, download white papers and send us

feedback.

Processing (97.5%):

If you visit a link on our website, they will independently collect, use and share your personal information in accordance with their respective privacy policies.

Non-Personal Data (60.6%):

App Data Collection Apps optionally collect app performance information in logs.

Required Purpose (92.0%):

Logs are sent specifically by the user in order to assist in improving app performance.

Processing (99.4%):

Sensitive sensitive user data is not collected in app logs.

Retention (80.4%):

Logs (when user decides they want to send) are removed after 30 days.

Personal Data (99.5%):

Personal information, including email address, is not collected without your awareness.

Non-Personal Data (77.6%):

We may also gather non-personally identifiable information about how you navigate and shop on our site.

Consent (61.3%), Non-Personal Data (91.4%), Technical Measure (65.5%):

For example, such information may include the URL you leave our site to visit, what specific browser you are using, and your Internet Protocol (IP) address.

Personal Data (95.6%):

A URL is the global address of documents and other resources on the World Wide Web; while an IP address is an identifier for a computer or device on a Transmission Control Protocol/Internet Protocol (TCP/IP) network, such as the World Wide Web.

Processing (97.1%):

At times, Serialio may compile and analyze non-personally identifiable information on both an individual and an aggregated basis.

Processing (99.2%), Required Purpose (98.9%):

Use of Information Serialio uses the information collected from you to process orders and to provide a more personalized shopping experience.

Required Purpose (98.6%):

Serialio may use your information to provide you an order confirmation and shipment notification, as well as to communicate with you about products, services, and promotions in the future.

Third Party (97.7%):

Serialio does not sell information gathered on the Site to third parties.

Third Party (76.7%):

However, we may distribute such information to our Partners.

Required Purpose (91.8%):

Such collaboration helps marketing activities, such as direct mailings, online notifications, and distribution of other promotional offers.

Required Purpose (96.8%):

Your personal information will also help Serialio provide personalized technical support.

Data Processor (62.3%), Required Purpose (94.2%):

We may use third-party service providers to assist us in maintaining good consumer relations by communicating to you relevant announcements regarding exclusive sales, company information, and to conduct a consumer survey.

Recipient (96.0%), Required Purpose (98.7%), Third Party (83.9%):

We may also provide your information to third party service providers who assist us in fulfilling your order, as well as to financial institutions for customer verification and fraud prevention purposes.

Processing (91.9%):

All of our third party service providers are required by contract not to otherwise disclose your personal information.

Personal Data (77.7%):
