Legal Basis (79.3%), Organisational Measure (77.8%), Retention (73.8%):

For that reason, Danfoss has implemented a set of Binding Corporate Rules (BCRs), introducing a global standard of data protection requirements to be complied with by all Danfoss entities.

Authority (81.7%), Processing (98.5%), Required Purpose (60.0%):

The BCRs have been approved by the European data protection agencies and establish the foundation for Danfoss processing of personal data.

Consent (71.0%), Data Source (73.8%), Processing (99.4%):

If you provide Danfoss with personal data or we collect personal data about you from other sources, Danfoss will treat it in accordance with this policy which also contains the primary contents of the Danfoss BCRs.

Art. 16 Right to rectification (68.5%), Legal Basis (75.7%), Organisational Measure (74.4%), Personal Data (99.7%), Processing (97.2%), Required Purpose (84.0%):

General principles for processing of personal data In order to ensure that your personal data is processed correctly and with a suitable level of data protection, Danfoss has adopted the following processing principles: Personal data is processed lawfully, fairly and in a transparent manner; Personal data is collected only for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes.

Personal Data (99.3%), Processing (72.8%):

Personal Data shall be accurate and, where necessary kept up to date and inaccurate or incomplete

personal data will be rectified or erased or further processing suspended.

Retention (80.3%):

Personal data shall not be kept in a form which permits identification of the Data Subjects for longer time than necessary for the purposes for which the data was collected or for which it is further processed.

Legitimate Interest (67.5%), Processing (98.6%):

Danfoss will always inform you of the collection and processing of your personal data unless we have a legitimate reason not to do so.

Data Controller (96.0%), Retention (67.1%):

Types of personal data We will collect and process your personal data in a number of ways when you engage with us via the various existing channels.

Required Purpose (94.0%):

Some of the personal data is necessary to process in order for us to provide you with the services you have requested and some personal data you can choose to provide voluntarily.

Personal Data (99.1%):

The personal data that we collect and process can generally be divided into the following categories: Contact information such as name, address, phone number, email address, title, place of work, etc.

Consent (77.9%), Legal Basis (82.3%):

Information received via our Ethics Hotline As a general rule we will not process any special categories of personal data (special personal data) about you unless you have provided your explicit consent thereto or we are required to do in order to comply with applicable regulation.

Consent (92.6%), Legal Basis (66.6%), Legitimate Interest (92.8%), Required Purpose (60.5%):

Our purposes for processing your personal data and legal basis We only process your personal data in order to pursue a legitimate purpose and generally we will only process your personal data if: You have provided your consent to such processing; or The processing is necessary for the performance of a contract; or The processing is necessary for compliance with a legal obligation that we are subject to; or The processing is necessary for the purposes of the legitimate interests pursued by us or by a third party and such processing is not considered to be harmful towards you.

Legal Basis (98.8%), Required Purpose (98.7%):

We process your personal data for the following purposes: To provide you with products, services and information that you request from us; or To send you newsletters or other marketing material, including surveys; or To administer our business relations and negotiate and execute agreements; or To administer the participation in trainings or webinars; or To provide general customer service and support; or To gain customer insights and knowledge of how our various services, including websites and applications, and products are used as well as evaluation and improvement hereof; or To communicate with you regarding various matters; or To complete investigations of reports filed by you via our whistle blower system, the Ethics Hotline; or To process sample and product inquiries To comply with any applicable law.

Technical Measure (97.1%):

Cookies We may use cookies on our websites or our applications.

Required Purpose (98.8%):

The purposes of processing of data collected by the use of cookies, are the following: to operate, improve and optimize the performance and user experience of the website and its services, perform customer and user analysis and segmentation in order to improve our understanding of our users, and provide better and tailored services to users, including you, statistical purposes.

Data Controller (89.2%):

As a general rule, the data controller with respect to the personal data processed about you will be the local Danfoss entity in which you are a customer, with whom you engage in contact or enter into an agreement with.

Legal Basis (72.8%), Legitimate Interest (82.0%), Processing (93.2%), Required Purpose (66.4%):

However, in order to pursue the purposes listed above in section 3, we may share your personal data with other Danfoss group entities either to carry out a task as instructed by the data controller (recipient acting as data processor) or to pursue a legitimate purpose of its own (recipient acting as individual data controller) provided that such making available or disclosure of your personal data is

not restricted by law.

Scale Non-EU (83.7%):

With respect to Danfoss entities established in countries outside the EEA not considered a safe third country (i.e.

Authority (91.5%), Processing (97.8%), Recipient (96.6%):

Disclosure, transfer and making available personal data to recipients Our disclosure and transfer of your personal data to recipients (natural or legal persons, public authorities, agencies or another body, to which the personal data is disclosed) is kept to a minimum and is subject to the existence of an adequate level of data protection.

Data Processor (62.4%):

We may disclose or make personal data available to recipients under the following circumstances: Recipients who carry out services on our behalf, such as e.g.

Consent (69.4%), Contract (71.1%), Processing (69.8%), Right (89.9%):

Such recipients are only allowed to process the personal data in accordance with our instructions and the relationship will be governed by a written data processor agreement; or To establish, exercise or defend our legal rights; or If you have provided your prior consent to the disclosure of personal data to a recipient or In the event of any merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of Danfoss assets or stock (including without limitation in connection with any bankruptcy or similar proceedings) or As set out in our cookie-policy, cf.

Contract (79.9%):

If the recipient of the personal data is located in a country outside the EU/EEA not ensuring an adequate level of data protection, we will only transfer your personal data to such recipient following execution of a written transfer agreement based on the EU Commissions Standard Contractual Clauses.

Automated Decision Making (94.5%):

Automated individual decisions We may use automated decision making based on your personal data.

Consent (87.0%), Contract (71.1%), Legal Basis (71.4%):

Automated decision making will only take place if the decision is: necessary for entering into, or performance of a contract between you and Danfoss; authorized by Union or Member State law to which Danfoss is subject and which also lays down suitable measures to safeguard your rights and freedoms and legitimate interests; or based on your consent.

Organisational Measure (72.3%):

In case we use automated decision making, we will ensure that suitable security measures are implemented.

Legitimate Interest (77.7%):

Special personal data will in no event be subject to automated decision making unless you have provided your explicit consent or the processing is necessary for reasons of substantial public interest, on the basis of applicable law.

Consent (86.4%):

In such case, you will have the right to withdraw your consent at any time.

Legal Basis (94.3%), Personal Data (90.1%), Retention (64.7%):

If you withdraw your consent, we will cease to process your personal data, unless and to the extent the continued processing or storage is permitted or required according to the applicable personal data legislation or other applicable laws and regulations.

Required Purpose (79.5%):

Further, as a consequence of your withdrawal of your consent, we may not be able to satisfy your requests or provide you with our services.

Required Purpose (86.7%):

Among other things you may provide your consent to Danfoss, in order to subscribe to receiving marketing information of new, relevant and upcoming Danfoss products, solutions and services as well as newsletters about e.g.

Retention (98.4%):

Data Retention We store your personal data as long as it is required to fulfill the underlying purpose, however, no longer than the applicable legal retention period.

Retention (66.3%):

As soon as the underlying purpose or lawful basis has disappeared personal data will be deleted.

Organisational Measure (75.8%):

Data Security In order to safeguard your personal data, Danfoss has implemented appropriate technical and organizational measures to ensure a level of security appropriate to the risks represented by the processing and the nature of the personal data to be protected, having regard to the state of art and the costs of their implementation.

Organisational Measure (61.7%), Processing (95.7%):

Following the evaluation of the risk, Danfoss has taken measures to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, in particular where the processing involves the transmission of personal data over a network, and

against all other unlawful forms of processing.

Legal Basis (68.0%), Organisational Measure (69.3%), Required Purpose (86.2%):

Training In order to ensure that we always comply with applicable data protection legislation and the requirements laid down in the Danfoss BCRs and to ensure that our employees are familiar with such regulation, we have established an internal privacy training and education program that our employees across the world with permanent or regular access to personal data are obligated to complete.

Organisational Measure (74.9%):

Internal audits Danfoss carries out regular audits of the ongoing processing of personal data to ensure that all Danfoss entities abide to the Danfoss BCRs and process personal data accordingly.

Organisational Measure (62.7%):

The audits cover all aspects of the BCRs including all IT systems, databases, security policies/standards, training programmes, privacy policies and manuals in place within Danfoss in respect of the BCRs.

Art. 21 Right to object (71.9%):

Furthermore, you can object to the collection and further processing of your personal data.

Art. 18 Right to restriction of processing (60.5%):

You may also choose to request us to restrict the processing.

Retention (95.6%):

If you provide us with a written request, we will also delete your personal data without undue delay, unless we have a legal basis to continue the processing, e.g.

Retention (77.7%):

if the processing is necessary to establish, exercise or defeat a legal claim or necessary to the performance of a contract with you.

Personal Data (91.2%), Required Purpose (98.7%):

With regard to such requests, kindly provide us with relevant information to take care of your request, including your full name and email address so that we can identify you.

Authority (88.6%), Lodge Complaint (80.7%):

If you disagree with our processing of your personal data please be informed that you can lodge a complaint with your local data protection agency.

Processing (74.7%):

Complaints If you have any complaints about the processing of personal data carried out by Danfoss, please feel free to contact us at any time.

Processing (62.9%), Required Purpose (76.1%):

Data Protection Office GDPO@danfoss.com We will review and assess your complaint and if necessary we may contact you in order to obtain further information.

Organisational Measure (95.2%):

We strive at processing any complaint or objection within one month.

Third Party (82.2%):

Our websites may contain links to other websites or to integrated sites.

Third Party (69.0%):

We are not responsible for the contents of the websites of other companies (third-party websites) or for the practices of such companies regarding the collection of personal data.

Legal Basis (98.4%):

Changes to this Privacy Policy We reserve the right to amend this Privacy Policy in the future due to changes in applicable legislation, the Danfoss BCRs or in Danfoss processes.

Data Protection Officer (93.9%):
