May 07, 2025 Santa Monica Public Library has entered into an agreement with BiblioCommons to provide online services that make it easier to find, discover and use collections, services and programs at the library.

Consent (95.5%), Data Subject (81.9%), Personal Data (98.1%), Processing (84.2%), Required Purpose (68.3%):

In addition, you may also choose to use this service to share ratings and commentary about the titles you find at Santa Monica Public Library, and to connect with other library users.

Data Controller (66.3%), Personal Data (67.2%), Processing (99.3%):

When you use Santa Monica Public Library services that say "Powered by BiblioCommons" at the bottom of the page, you are using what is referred to in this document as the "BiblioCommons Service," and any information that is collected or shared here will be governed by this Privacy Statement.

Organisational Measure (67.8%):

BiblioCommons believes that effective privacy controls are the cornerstone of open and engaged communities.

Data Source (76.8%), Processing (92.3%):

Information you provide on the BiblioCommons Service may be transmitted to your library and its

designated service partners, where it will be handled according to the policies your library has implemented in those environments.

Processing (98.7%):

Several types of information may be collected and stored on the BiblioCommons service: Personal information Borrowing information Shared content Feedback and Suggestions Non-Identifying information.

Personal Data (99.8%), Processing (95.8%):

Personal Information What personal information is gathered?

Processing (95.8%):

BiblioCommons gathers personal information that you provide or choose to import from Santa Monica Public Library.

Automated Decision Making (97.0%), Data Source (68.6%), Personal Data (99.2%), Processing (93.2%):

If you register for the BiblioCommons Service, your library barcode, PIN and borrower ID, name, birth month and year, and email address are automatically loaded into your online account from your library record.

Personal Data (90.1%), Processing (92.2%):

The BiblioCommons Privacy Statement and BiblioCommons Terms of Use can be accessed anytime through the links at the bottom of each page that is powered by BiblioCommons; together they are the only documents that govern your relationship with BiblioCommons.

Processing (79.8%), Required Purpose (98.7%):

We use your personal information to create an online account in your name, provide the services that you have requested, monitor and improve the service, keep your library record up to date, and customize content.

Third Party (73.7%):

We do not share your information or activity with ad networks or other entities that are not directly involved in the services you choose to use.

Consent (93.6%), Personal Data (95.5%), Processing (95.8%):

If you choose to share information or opinions about books, movies, music, and other topics, participate in online conversations, or create selections using Lists or My Shelves (Shared Content), information such as the username or name you have chosen to display, your library affiliation(s) and age group may accompany your Shared Content and appear on a profile page that summarizes your Shared Content.

Contract (60.8%), Legal Basis (71.1%), Required Purpose (86.6%):

BiblioCommons may disclose your personal information and any content associated with your account if required to do so by law or in a good faith belief that such disclosure is reasonably necessary to: (a) satisfy any applicable law, regulation, legal process or enforceable governmental request, or (b) enforce the Terms of Use, including investigation of potential violations hereof.

Personal Data (85.6%), Processing (70.0%):

Information in your BiblioCommons account that personally identifies you is encrypted during transmission and storage.

Processing (88.4%):

How is my personal information used?

Required Purpose (99.5%):

This information will be used by BiblioCommons and Santa Monica Public Library to deliver the services you request in accordance with this Privacy Statement.

Processing (63.7%):

BiblioCommons will not share, gift, sell, rent or trade your personal information (e.g.

Personal Data (92.3%):

your email address or month and year of birth).

Legal Basis (71.0%):

Law Enforcement Requests BiblioCommons does not share information in response to law enforcement requests unless it is presented with a warrant or other legal compulsion.

Personal Data (98.5%), Processing (68.1%):

You may alter or delete any of the personal information in your BiblioCommons account except for your name, birth information and your library card number(s); please contact your library staff to make changes to these.

Art. 17 Right to erasure (right to be forgotten) (75.4%):

At any time, you may request to have your BiblioCommons account deleted without impacting your account with Santa Monica Public Library.

Personal Data (97.8%):

Do I have to provide contact information?

Consent (68.8%):

Your contact information will not be used by BiblioCommons for any other purpose without your consent, or shared with any party other than Santa Monica Public Library without your direction to do so.

Consent (82.2%), Personal Data (83.8%):

BiblioCommons may send email or display messages on the service that provide you with the choice to take advantage of new features and functionality based on your past activity and stated preferences.

Organisational Measure (63.9%):

What measures are in place to protect children?

Data Subject (81.3%), Processing (68.2%):

The BiblioCommons Service contains functionality that will enable you to collapse community-created content that has been flagged by Users who feel the content may be offensive to some users.

Personal Data (98.8%):

When using the internet, children should be advised: never to give out personal information such as their real name, phone number, email address, or school without first consulting their parents or guardians, and never to arrange a meeting with someone they met online.

Organisational Measure (81.6%), Processing (70.2%), Retention (77.2%):

Guardians of children under the age of thirteen may make a request to review and alter the personal information collected from their children on this service, or to deactivate their child's BiblioCommons account.

Organisational Measure (65.6%):

The first step in gaining access to your child's account is to make your request in person to staff at one of the library's locations.

Organisational Measure (89.5%):

Be prepared to show proof of your identity and of your relationship with the child.

Processing (97.3%):

Staff will then have the information retrieved and delivered to you by mail or held for pick-up.

Personal Data (94.9%):

Lists of your current loans, due dates, outstanding fees, etc.

Required Purpose (80.1%):

Shared Content may be useful for your own reference and can help other users find resources and information.

Processing (82.8%):

When you contribute content to an individual title, that title is automatically added to My Shelves, a collection that gathers all of the titles to which you have contributed content or chosen to add to your

shelves.

Data Subject (66.5%):

You will find a description of how this information is handled in the sections that follow.

Processing (92.6%):

Shared Content has been designed for sharing, and is usually public.

Third Party (71.7%):

You may also create Shared Content by interacting with others through messaging, forums, or collaborative guides.

Processing (79.6%):

Deleted content is removed from our databases and inaccessible to other users, but may remain in our data back-up system and in third-party search indexes like Google.

Retention (84.8%):

Shared Content that is not deleted may remain available on the BiblioCommons Service indefinitely, even if you have closed your library account.

Non-Personal Data (61.8%), Processing (99.2%), Required Purpose (96.1%):

Non-Identifying Information BiblioCommons also records anonymous information and activity in order to improve the quality and scope of the features and content you access through the BiblioCommons Service.

Required Purpose (99.1%):

No, you do not need to provide contact information to use the BiblioCommons Service.

Non-Personal Data (94.8%), Personal Data (75.4%), Required Purpose (97.5%):

For example: Information such as your browser type or anonymized IP address may be used to help us understand how visitors use the service over time and how it might be improved.

Processing (86.4%):

Data from your account may also be aggregated in an anonymous way.

Non-Personal Data (81.3%), Personal Data (74.4%), Processing (93.2%), Required Purpose (94.4%):

Anonymous search logs are analyzed to improve the search algorithms.

Technical Measure (70.4%):

Non-identifying information may be stored in a secure online service such as Google Analytics for use by BiblioCommons or your library.

Organisational Measure (68.1%):

You can opt out of recording your non-identifying site-activity data on Google Analytics by installing

the Google Analytics opt-out browser add-on.

Personal Data (63.9%):

We may store some of this information in a secure third-party data repository.

Technical Measure (97.7%):

Cookies Cookies are small files used to enhance the functionality of websites.

Required Purpose (90.9%), Technical Measure (90.0%):

BiblioCommons may set and access temporary session cookies on your computer in order to make our system easier for you to use.

Processing (98.7%):

These files do not contain or transfer any personally-identifiable information.

Personal Data (98.5%):

External Sites The Internet is a big place: take care to guard your personally identifying information.

Personal Data (99.7%):

This website may link to other websites that collect personal information.

Personal Data (99.5%):

We recommend that you review the privacy policies of these sites before providing them with any personal data.

Legal Basis (93.8%):

Changes to this Privacy Statement This privacy statement may change from time to time in response to new laws, or to an evolution in BiblioCommons policies or practices.

Organisational Measure (83.5%):

We encourage you to check this privacy statement from time to time for changes.

Processing (95.0%), Third Party (60.8%):

In addition, Santa Monica Public Library may agree to have your information transferred to a successor entity of BiblioCommons or to any entity which purchases substantially all of the assets related to BiblioCommons or a division of BiblioCommons.
