The data subject is obliged to provide the personal data.

Personal Data (97.2%), Processing (97.5%):

Without affecting the generality of the foregoing and for the sake of clarity: i) In case the data regarding the location where the products has to be delivered are not provided, the products cannot be delivered; ii) In case the email address is not provided, we cannot send you any information about confirmation or reject of the order or about the missed orders and/or other information

regarding your order and the communications with you cannot be performed; v) In case the name and surname are not provided, we will not have the minimum identification data to have a valid agreement with you and also your order will not be processed and we wont be able to send you the information about confirmation or reject of the order or about the missed orders vi) In case the IP addresses are not provided, no further investigations can be performed in order to determine what happened and whether or not you were a victim of a fraudulent ordering session (e.g.

Art. 18 Right to restriction of processing (66.7%), Art. 20 Right to data portability (62.6%), Art. 21 Right to object (63.3%), Authority (94.2%), Automated Decision Making (62.5%), Legitimate Interest (86.0%), Lodge Complaint (80.8%), Processing (99.4%), Right (97.3%):

The data subject has the right to obtain from the Controller confirmation as to whether or not personal data concerning him or her are being processed, and, where that is the case, access to the personal data and the following information: (a) the purposes of the processing; (b) the categories of personal data concerned; (c) the recipients or categories of recipient to whom the personal data have been or will be disclosed, in particular recipients in third countries or international organizations; (d) where possible, the envisaged period for which the personal data will be stored, or, if not possible, the criteria used to determine that period; (e) the existence of the right to request from the Controller rectification or erasure of personal data or restriction of processing of personal data concerning the data subject or to object to such processing; (f) the right to lodge a complaint with a supervisory authority; (g) where the personal data are not collected from the data subject, any available information as to their source; (h) the existence of automated decision-making, including profiling, referred to in the Regulation and, at least in those cases, meaningful information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject.

Processing (96.3%):

The Controller provides a copy of the personal data undergoing processing.

Organisational Measure (84.3%):

For any further copies requested by the data subject, the Controller may charge a reasonable fee based on administrative costs.

Right (97.9%):

The right to obtain a copy referred to in paragraph 8.3 doesnt adversely affect the rights and freedoms of others.

Art. 16 Right to rectification (86.1%):

Right to rectification The data subject has the right to obtain from the Controller without undue delay,

the rectification of inaccurate personal data concerning him or her.

Art. 16 Right to rectification (86.8%):

Taking into account the purposes of the processing, the data subject has the right to have incomplete personal data completed, including by means of providing a supplementary statement.

Art. 17 Right to erasure (right to be forgotten) (77.4%), Art. 21 Right to object (82.6%), Legal Basis (95.3%), Organisational Measure (72.3%), Processing (82.4%):

The data subject has the right to obtain from the Controller the erasure of personal data concerning him or her without undue delay, and the Controller has the obligation to erase personal data without undue delay where one of the following grounds applies: (a) the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed; (b) the data subject withdraws consent on which the processing is based, where the processing takes place on the basis of the data subjects consent given for processing personal data for one or more specific purposes and where there is no other legal ground for the processing; (c) the data subject objects to the processing, on grounds relating to his or her particular situation, in accordance with the Regulation, and there are no overriding legitimate grounds for the processing, or the data subject objects to the processing for direct marketing purpose and where there is no other legal ground for the processing; (d) the personal data have been unlawfully processed; (e) the personal data have to be erased for compliance with a legal obligation in Union or Member State law to which the Controller is subject; (f) the personal data have been collected in relation to the offer of information society services to a child, in accordance with the Regulation.

Data Controller (77.1%), Data Processor (66.4%), Organisational Measure (92.1%), Processing (66.6%):

Where the Controller has made the personal data public and is obliged pursuant to paragraph 10.1 to erase the personal data, the Controller, taking account of available technology and the cost of implementation, takes reasonable measures, including technical measures, to inform controllers and processors which are processing the personal data that the data subject has requested the erasure by such controllers of any links to, or copy or replication of, those personal data.

Art. 21 Right to object (60.8%), Legitimate Interest (76.0%), Required Purpose (90.9%), Right (88.3%):

Paragraphs 10.1 and 10.2 do not apply to the extent that processing is necessary: (a) for exercising the right of freedom of expression and information; (b) for compliance with a legal obligation which requires processing by Union or Member State law to which the Controller is subject or for the performance of a task carried out in the public interest or in the exercise of official authority vested in

the Controller; (c) for reasons of public interest in the area of public health in accordance with the Regulation; (d) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with the Regulation, in so far as the right referred to in paragraph 10.1 is likely to render impossible or seriously impair the achievement of the objectives of that processing; or (e) for the establishment, exercise or defense of legal claims.

Art. 18 Right to restriction of processing (67.3%), Retention (69.7%):

The data subject has the right to obtain from the Controller restriction of processing where one of the following applies: (a) the data subject contests the accuracy of the personal data for a period enabling the Controller to verify the accuracy of the personal data; (b) the processing is unlawful and the data subject opposes the erasure of the personal data and requests the restriction of their use instead; (c) the Controller no longer needs the personal data for the purposes of the processing, but they are required by the data subject for the establishment, exercise or defense of legal claims; (d) the data subject has objected to processing on grounds relating to his or her particular situation, in accordance with the Regulation, pending the verification whether the legitimate grounds of the Controller override those of the data subject.

Legitimate Interest (92.6%):

Where processing has been restricted under paragraph 11.1, such personal data shall, with the exception of storage, only be processed with the data subject's consent or for the establishment, exercise or defense of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or of a Member State.

Organisational Measure (70.6%):

and paragraph 11 to each recipient to whom the personal data have been disclosed, unless this proves impossible or involves disproportionate effort.

Art. 20 Right to data portability (66.3%), Automated Decision Making (79.6%):

The data subject has the right to receive the personal data concerning him or her, which he or she has provided to the Controller, in a structured, commonly used and machine-readable format and has the right to transmit those data to another controller without hindrance from the Controller to which the personal data have been provided, where: (a) the processing is based on consent or on a contract; and (b) the processing is carried out by automated means.

Art. 18 Right to restriction of processing (69.4%), Art. 20 Right to data portability (62.1%):

Right to data portability 13.1.

Legal Basis (62.7%):

The exercise of the right referred to in paragraph 13.1 of the present Article is without prejudice to

Article 17.

Art. 21 Right to object (66.3%), Legitimate Interest (81.6%), Right (61.4%):

At any time, the data subject has the right to object, on grounds relating to his or her particular situation, to processing, for the purpose of the legitimate interests pursued by the Controller or a third party, personal data concerning him or her, including profiling based on those provisions.

Art. 20 Right to data portability (67.7%):

Where personal data are processed for direct marketing purposes, the data subject has the right to object at any time to processing of personal data concerning him or her for such purpose, which includes profiling to the extent that it is related to such direct marketing.

Retention (71.9%):

Where the data subject objects to processing for direct marketing purposes, the personal data is longer processed for such purposes.

Automated Decision Making (63.1%), Legal Basis (98.8%):

In the context of the use of information society services, and notwithstanding Directive 2002/58/EC, the data subject may exercise his or her right to object by automated means using technical specifications.

Art. 21 Right to object (86.4%):

Where personal data are processed for scientific or historical research purposes or statistical purposes in accordance with the Regulation, the data subject, on grounds relating to his or her particular situation, has the right to object to processing of personal data concerning him or her, unless the processing is necessary for the performance of a task carried out for reasons of public interest.

Automated Decision Making (77.8%):

The data subject has the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning him or her or similarly significantly affects him or her.

Contract (68.6%), Data Controller (61.9%):

does not apply if the decision: (a) is necessary for entering into, or performance of, a contract between the data subject and a data controller; (b) is authorized by Union or Member State law to which the Controller is subject and which also lays down suitable measures to safeguard the data subject's rights and freedoms and legitimate interests; or (c) is based on the data subject's explicit consent.

Right (88.6%):

In the cases referred to in points (a) and (c) of paragraph 15.2., the data controller shall implement suitable measures to safeguard the data subject's rights and freedoms and legitimate interests, at least the right to obtain human intervention on the part of the Controller, to express his or her point of view and to contest the decision.

Right (74.9%):

Right of access by the data subject 8.1.

Authority (66.1%), Processing (73.6%):

Where proceedings are brought against a decision of a supervisory authority which was preceded by an opinion or a decision of the Board in the consistency mechanism, the supervisory authority forwards that opinion or decision to the court.

Authority (76.5%):

Alternatively, such proceedings may be brought before the courts of the Member State where the data subject has his or her habitual residence, unless the Controller or processor is a public authority of a Member State acting in the exercise of its public powers.

Legal Basis (87.5%), Right (72.6%):

The data subject has the right to mandate a not-for-profit body, organization or association which has been properly constituted in accordance with the law of a Member State, has statutory objectives which are in the public interest, and is active in the field of the protection of data subjects' rights and freedoms with regard to the protection of their personal data to lodge the complaint on his or her behalf, to exercise the rights referred to in Articles 16, 17 and 18 and to exercise the right to receive compensation referred to in the Regulation on his or her behalf where provided for by Member State law.

Legal Basis (74.7%), Right (76.3%):

Member States may provide that any body, organization or association referred to in paragraph 19.1 of this Article, independently of a data subject's mandate, has the right to lodge, in that Member State, a complaint with the supervisory authority which is competent pursuant to Article 16 and to exercise the rights referred to in Articles 17 and 18 if it considers that the rights of a data subject under the Regulation have been infringed as a result of the processing.

Legal Basis (64.2%):

Any controller involved in processing is liable for the damage caused by processing which infringes this Regulation.

Right (75.3%):

The refusal to provide (certain) (personal) data will lead (as consequences of not fulfilling the

obligation to provide respective data) to the impossibility of (fully) using the application and/or certain functionalities of the application and/or to the impossibility to order and/or to buy and/or to pick-up and/or delivery of products and/or services, as the case may be, the Controller being entitled not to process the order.

Legal Basis (94.4%):

For the sake of clarity the withdrawal of the consent shall not affect the processing of the personal data based on other legal basis.

Technical Measure (94.1%):

22.Cookie Policy [Controllers web application may use cookies. Cookies are text files containing small amounts of information which are downloaded to your device when you visit and use the web application.

Required Purpose (96.3%):

Cookies do lots of different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improve the user experience.

Organisational Measure (65.5%), Personal Data (77.7%):

You may set and/or adjust your (browser) settings and preferences regarding cookies at any time, and you may disable cookies.

Non-Personal Data (90.7%):

We may collect anonymous information, including for statistical or research purposes.

Non-Personal Data (87.1%):

Category 2 Performance Cookies These cookies collect information about how you use the Controllers web application for instance, which pages you go to most, and if they get error messages from web pages and/or the web application.

Non-Personal Data (81.4%):

These cookies dont collect information that identifies a visitor.

Processing (72.4%):

All information these cookies collect is aggregated and therefore anonymous.

Scale Non-EU (95.2%), Technical Measure (80.3%), Third Party (84.2%):

As 3rd party cookies in this category we use Google Analytics, a service which transmits website traffic data to Google servers in the United States.

Required Purpose (94.7%):

They can also help to ensure that adverts you see online are more relevant to you and your interests.

Required Purpose (99.0%):

The reports provided by Google Analytics help us understand website traffic and webpage usage.

Data Subject (65.1%):

Google Analytics does not identify individual users or associate your IP address with any other data held by Google.

Personal Data (90.1%), Required Purpose (91.1%):

Category 3 Functionality Cookies These cookies allow the Controllers web application to remember choices you make while browsing and/or using the application (such as your user name, language or the region you are in) and provide enhanced, more personal features.

Required Purpose (99.0%):

These cookies can also be used to remember changes you have made to text size, language and other parts of web pages that you can customize.

Processing (97.2%):

For reliable review of your order status, on-screen on the application, in real-time, and also for easy reordering, your data may be saved on your device, serving a cookie locally.

Third Party (98.9%):

Category 4 - Targeting cookies or advertising cookies These cookies will usually be third-party cookies, although if a user is visiting the advertising networks own website it is technically possible these could be first party.

Required Purpose (78.9%):

Cookies may also be used to limit the number times a user sees a particular ad on a website and to measure the effectiveness of a particular campaign.

Required Purpose (91.2%), Third Party (65.5%):

Examples include: Cookies placed by advertising networks to collect browsing habits in order to target relevant adverts to the user.

Processing (99.7%), Required Purpose (92.1%):

Processing of your personal data by the Provider as the processor of the suppliers of products and/or services The Provider may also process your personal data as the processor of the supplier of products and/or services, including without limitation for the following purposes, according to those agreed with the suppliers of products and/or services : i) data storage for the suppliers of products and/or services; ii) sending notifications to you regarding the information about confirmation or reject of the order or about the missed orders and about the delivery of your order; iii) sending to you direct marketing communications; iii) collection of the IP addresses in order to be

used in case of any litigation and/or fraud regarding the payments; iv) sending your data to different recipients and in different (third) countries, recipients that are processing the personal data for compatible, related and correlated purposes with the purpose of executing the contract you have with the suppliers of products and/or services, namely: delivery, printing, pos billing, loyalty, online payment processing, etc.

Legal Basis (96.5%):

You have all the rights mentioned in the present Privacy Policy as well as any other rights mentioned by the mandatory legal regulations in force regarding personal data processing.

Right (81.6%):

Any requests and/or demands sent by you towards the Controller for exercising any of your rights may be made in writing, by registered letter that will be sent to the headquarter of the Controller and/or online via the contact for or contact email of the Controller as found on the website or at the email of the DPO, if such DPO exists, and/or by any other ways of communications mentioned in the legal regulations in force.

Art. 18 Right to restriction of processing (83.2%):

The data subject may request, according to the above mentioned ones, and obtain, free of charge, in particular, access to and rectification or erasure of personal data, restriction of the processing of personal data, data portability, and the exercise of the right to object and also the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning him or her or similarly significantly affects him or her but also in relation with the security breach of the personal data.
