Privacy Policy Skip to main content Privacy Policy Search Search This Blog Privacy Policy Privacy Policy We Illusions Inc (Illusions Inc, We, Us, Our) take care of the privacy of our users (You, Yours) very seriously.

Data Controller (94.2%), Data Subject (81.2%), Processing (88.9%), Required Purpose (80.6%):

We have described everything briefly in the content below so we request you to go through the whole content in order to understand everything.

Personal Data (75.8%), Third Party (98.4%):

All trademarks, trade names, and logos of third parties featured on the Applications or the Site belong to their respective owners.

Consent (82.4%), Organisational Measure (87.9%), Personal Data (99.4%), Processing (99.1%), Required Purpose (70.7%):

Therefore, you consent that we will collect and use your information as follows: CONSENT AND MODIFICATION: By using our products and services you agree to the terms of privacy policy and to the collection and usage of your personal information.

Right (91.6%):

We reserve the right to change or modify our privacy policy any time so please visit our privacy policy to see the most recent version of it.

Consent (70.0%), Personal Data (84.8%), Required Purpose (93.5%):

Mobile Model Number: We may collect your mobile model number in order to know if your mobile model supports the application we have developed.

Personal Data (74.0%), Required Purpose (99.7%):

TV Model Number: We may collect your TV models number to help us find the support of your TV model so that it can be compatible with our android applications.

Consent (80.5%), Personal Data (97.3%), Required Purpose (73.1%):

Contact Information: If you choose to participate in certain features such as contacting us for help through the Service, you may provide us, and we may collect, your contact information, including your email address, (Contact Information).

Non-Personal Data (98.9%), Personal Data (96.5%), Processing (97.2%):

Device Information: If you access the Service from a mobile phone, tablet, or other electronic device, we may collect and store information such as device type, operating system version and type, unique identifiers (such as Android Advertising ID, VIN, MAC address, and IDFA), location

information, content consumed (validated by audio content recognition), carrier, and other related information (through methods such as mobile SDKs) for that device (the Device Data). We may collect and share precise location information, through methods such as mobile SDKs.

Personal Data (66.3%), Processing (94.4%):

This location information may be used by itself, aggregated, or combined with mobile identifiers (such as IDFAs and Android IDs), and shared with third parties, for purposes related to advertising, attribution (e.g., measuring ad performance) analytics and research.

Organisational Measure (68.1%), Processing (91.5%):

You can remove your consent to having your location data collected by changing the settings on your device.

Consent (83.5%):

When you have opted out using this setting on a device, advertisers will not use in-app information collected from that device to infer your interests or serve ads to that device that are targeted based on your inferred interests.

Technical Measure (61.6%), Third Party (95.4%):

THIRD PARTY LIBRARIES Our applications may use third party libraries and softwares.

Required Purpose (90.3%):

These third party libraries help us to implement things more smoothly and help us design efficient applications.

Third Party (67.3%):

USERS WITH WHOM YOU SHARE YOUR INFORMATION We are not responsible if you share your information with other users, because we cannot control this.

Personal Data (95.7%):

But be careful because the security measures we apply does not guarantee 100% of unauthorized access to your personal data.

Personal Data (99.6%):

SENSITIVE INFORMATION We ask that you not send us, and you not disclose, any sensitive Personal Information (e.g., information related to racial or ethnic origin, political opinions, religion or other beliefs, health, sexual orientation, criminal background or membership in past organizations, including trade union memberships) on or through an Application, the Services or the Site or otherwise to us.

Consent (88.2%):

CALIFORNIA PRIVACY RIGHTS We do not disclose your Personal Information to third parties for

the third parties direct marketing purposes, unless you first affirmatively agree to that disclosure.

Legal Basis (68.7%), Right (62.1%):

If you would like more information with respect to your privacy rights under California law, you may contact us at the contact point below.
