What Kind of Information Do We Collect and How Do We Collect It?

Data Controller (98.2%), Data Subject (88.8%), Non-Personal Data (82.0%), Personal Data (75.6%), Processing (97.8%), Required Purpose (66.6%):

How will we use or disclose your information?

Personal Data (99.8%), Processing (99.7%), Required Purpose (97.4%):

As part of our business operations, we may collect your personal information.

Processing (98.2%), Required Purpose (80.4%), Retention (87.2%):

This Privacy Policy describes the type of personal information we may collect and how we use, hold and disclose this personal information when you interact with Stan, use the "Stan Service" through an "Account", engage with our "Content" (as those terms are defined in our Terms and Conditions of

Use).

Legal Basis (96.1%):

Introduction We are committed to protecting and maintaining your privacy and we are bound by the Australian Privacy Principles (APPs) and Privacy Act 1988 (Cth) (Privacy Act).

Legal Basis (96.6%):

We may also rely on the related bodies corporate, employee records and other exemptions that are included in the Privacy Act.

Processing (90.3%):

When used in this policy, the term "personal information" has the meaning given to that term in the Privacy Act.

Required Purpose (96.2%):

In general terms, it is any information that can be used to personally identify you.

Personal Data (99.7%), Required Purpose (65.2%):

This may include (but is not limited to) your name, age, suburb or postcode, contact details (including phone numbers and email addresses) and financial information, including your credit card, direct debit or PayPal account information.

Processing (99.7%):

The type of personal information Stan collects will vary depending on the nature of your dealings with us.

Processing (99.3%), Required Purpose (99.0%):

We only collect personal information that we need for our business activities, including to enable you to access the Stan Services, or which is otherwise volunteered to us.

Non-Personal Data (83.5%), Personal Data (99.7%), Required Purpose (62.7%), Third Party (65.8%):

In general, the type of personal information we collect and hold could include (but is not limited to): personal contact details including your name, address (postal and email), contact details, geographic location (including your suburb or postcode), gender, date of birth, payment details including your credit card, direct debit details, PayPal, Google Pay or Apple Pay account information, transaction details relating to your use, enquiry or purchase of the Stan Services or of those services promoted by us (which may include a copy of your bank statement), details regarding your usage and preferences, including your viewing activity, details regarding the devices on which you use the Stan Service and associated IP addresses, and any preferences you tell us about.

Organisational Measure (68.5%), Required Purpose (66.7%), Retention (67.6%), Third Party

(68.3%):

We may collect your personal information when you subscribe to and use the Stan Service; via our websites and applications (including when you input changes via the "Manage Account" section of your Account), chatbots and other digital services; over the phone or when you email or write to us or our customer service team; when you attend an event or program run or organised by us; when you participate in any of our programs or are in our studio audience; or when you participate in a survey, questionnaire, competition or other marketing campaign run by us and/or our partners, or otherwise as notified to you from time to time.

Consent (71.8%), Recipient (61.2%), Retention (75.9%):

In this Privacy Policy, Nine and its related bodies corporate, including Stan, are referred to as the "Nine Group".

Organisational Measure (66.5%), Processing (72.6%), Required Purpose (95.3%):

If you do have an Account, we also collect and hold your email address when you voluntarily provide it via the Stan website and applications for the purpose of enabling Stan to contact you about subscribing to the Stan Service.

Data Processor (63.1%), Processing (98.9%), Technical Measure (78.0%), Third Party (99.1%):

In order to access the Stan Service, you will be asked to subscribe and register with us by providing us with certain information about you (we refer to this as your Account) Information we collect from other sources We may access information, including personal information, about you across the Nine Group and from third-party sources and platforms (such as databases, billing providers and payment gateways, recruitment platforms such as LinkedIn and Seek, online marketing companies, agents or representatives we have engaged, our commercial partners, third party digital services, data supply companies and social networking sites) and supplement the information we collect with information obtained from those third party sources.

Required Purpose (74.9%):

When you connect with our social media accounts through social networking services, you will be able to see the social sharing habits of your friends and connections and participate seamlessly in our social capabilities, including commenting, reactions, ratings, gaming mechanics and sharing content.

Consent (81.3%):

By connecting with us through these third-party social networking services, you are authorising us to access and use certain information from your social network profile.

Required Purpose (71.2%), Retention (68.3%):

If you do not provide and we do not collect your personal information in the ways we have described above, we may not be able to provide you with access to the Stan Service or effectively tailor the content of the Stan Service or our websites or applications to your preferences so your experience of the Stan Service, our websites or applications may not be as enjoyable or useful.

Legal Basis (95.9%), Organisational Measure (61.1%), Processing (87.9%), Required Purpose (83.6%):

Please note that due to the nature of our business activities, from time to time we will handle personal information relying on the media exemption in the Privacy Act where appropriate and this is discussed in more detail below.

Consent (95.9%), Processing (99.2%), Required Purpose (76.5%):

We only use or disclose personal information for the primary purpose for which we have collected it, or for another related secondary purpose, unless you have provided your consent for us to use it for another purpose.

Data Controller (75.1%), Processing (93.2%), Required Purpose (95.6%), Third Party (98.0%):

We may use or disclose your personal information for one or more of the following primary purposes relevant to your relationship with Stan: For the purpose of providing the Stan Service to you, including to: create and register your Account, provide access to the Stan Service and other content provided by Stan and facilitate the payment of your subscription fee (or one-off PPV fee) as part of your access to the Stan Service; personalise features and content and make suggestions for you (including by making recommendations for TV programs, shows and movies you may be interested in watching); facilitate your registration and attendance at an event run by or on behalf of Stan or for selected third parties; conduct competitions or promotions either ourselves or for selected third parties; operate, troubleshoot, and improve the Stan Service; make the Stan Service easier to use by eliminating the need for you to repeatedly enter the same information to access the Account; evaluate the performance of the Stan Service, undertake quality control, product development, customer research and other types of research and analysis aimed at improving the Stan Service, our products, services and technologies; to target ads to you, personalise and customise ads to your interests, preferences, and experiences and to measure the effectiveness of ads, including by using aggregated information and data received from across the Nine Group digital services and from third parties (such as social media platforms or third party advertising platforms).

Personal Data (91.3%), Third Party (74.8%):

Metadata Sensitive Information What Marketing Communications Will You Receive?

Art. 17 Right to erasure (right to be forgotten) (84.3%), Required Purpose (92.9%):

Some of the apps and websites where Stan advertises, and for any advertising technology businesses that we may use to purchase, measure, deliver, enhance, or distribute our advertisements (including Meta, Google, X and Microsoft), may receive certain personal information from us as part of our campaign targeting and measurement; respond to your questions or suggestions, and allow our customer service team to communicate with you, including by email, mail, chat, SMS or telephone in connection with the Stan Service and our products and services (including supporting network troubleshooting on your behalf and helping to recover your Account) and/or verifying your identity for these purposes; provide you with updates and information about the Stan Service and our products and services or those of our partners (including by direct marketing to you and sending you newsletters, product surveys and special offers) ; send you marketing and promotional material about other products and/or services of the Nine Group or our partners that we consider you may be interested in.

Processing (98.7%), Recipient (76.2%), Required Purpose (99.6%):

For the purpose of Stan undertaking general business functions, including to: conduct business process functions and other administrative functions for the operation of the Stan Service and/or our business; engage in recruitment purposes, where you have shared personal information with us as part of a job application; conduct a credit check of your business as part of setting up a Stan corporate credit account; share with our employees, related bodies corporate, joint venture entities, partners, contractors or external service providers to fulfil any of these purposes.

Data Processor (80.5%):

External service providers may include (without limitation) web hosting providers, customer support and communications platforms, payment processors, analytics platforms, IT system providers, production companies, data entry service providers, outsourcing service providers, debt collectors and professional advisers.

Authority (85.4%), Legal Basis (98.4%), Required Purpose (96.4%):

For the purpose of Stan complying with applicable laws, including to: investigate any complaints about or made by you or assisting the police or any regulatory body to do so, or if we have reason to suspect that you are in breach of the Stan Service terms and conditions or that you are or have been otherwise engaged in any unlawful or prohibited activity; to protect Content and other intellectual property available on the Stan Service and to prevent and investigate any unlawful activities in relation to the Stan Service or any unauthorised use or distribution of Content; share your personal information with the police and/or an appropriate government or community organisation if we consider you may be at risk of causing serious harm to yourself and/or a third

party/s or would otherwise benefit from being contacted by the government or community organisation in relation to mental health information and/or support; use personal information as otherwise required or permitted by any applicable law (including the Privacy Act).

Legitimate Interest (92.4%), Personal Data (78.2%):

We may also use or disclose your personal data where we believe, acting reasonably, that it is necessary for a legitimate business, legal or regulatory reason.

Automated Decision Making (95.5%), Data Source (64.7%), Non-Personal Data (98.7%), Required Purpose (82.5%):

Metadata In many circumstances our systems will automatically collect metadata that results from your usage of the Stan Service or our other digital services, including (but not limited to) browser type and version, operating system and interface, internet protocol (IP) address, information regarding the devices on which you use the Stan Service and view Content, the website from which you are visiting us (referrer URL), the types of content and titles that you view or engage with on the Stan Service or webpage(s) you are visiting on our other digital services, the date, time, frequency and duration of your access of content and other use of the Stan Service, any actions you take or features you use on the Stan Service (together, "Metadata").

Data Source (64.4%):

This Privacy Policy only covers Stan, and all other brands and entities that form part of the Nine Group are expressly excluded from this Privacy Policy and are covered by their own privacy policies.

Required Purpose (96.3%):

We also use this Metadata to implement contractual restrictions and security requirements of third party content providers and to prevent fraud, misuse of our IT systems, as well as to ensure physical, IT and network security.

Required Purpose (95.9%):

We may also use the Metadata we collect for other purposes, including to personalise online advertising or other marketing that you receive from us.

Technical Measure (71.0%):

When you visit the Stan Service or a Stan website, we enable third party advertising platforms to place a cookie in your web browser which may determine whether you receive targeted Stan advertising or content if and when you visit that third party advertising platform.

Personal Data (88.1%):

This term applies to information such as your racial or ethnic origin, membership of political bodies, religion or trade unions, sexual preferences or activities, state of health or medical history and

criminal record.

Organisational Measure (78.2%), Processing (94.5%):

You expressly acknowledge and agree that information including your personal information may be shared within the Nine Group and with the third parties referred to in this Privacy Policy for use by those third parties for the purposes disclosed in this Privacy Policy.

Third Party (86.1%):

For example, you may be asked to opt in to receive further information or communications from our partners.

Legal Basis (73.8%):

These communications may be sent in various forms, including mail, telephone, SMS or email, in compliance with applicable marketing laws, such as the Spam Act 2004 (Cth).

Consent (70.1%):

If you indicate a preference for a method of communication, we will endeavour to use that method whenever practical to do so.

Legal Basis (96.8%):

If you receive communications from us that you believe have been sent to you other than in accordance with this Privacy Policy, or in breach of any applicable law, please contact us at privacy@stan.com.au.

Consent (87.8%):

Opting Out / Unsubscribing You will be given the opportunity to "opt out" from receiving communications from us or from third parties that send communications to you in accordance with this Privacy Policy.

Consent (90.7%):

For example, you will be given the option to unsubscribe from newsletters, emails, SMS communications and other marketing or promotional material sent by us.

Organisational Measure (82.3%):

It is our policy to ensure that all Stan personnel understand and take reasonable steps to keep your personal information secure and only use it in accordance with this Privacy Policy.

Technical Measure (90.4%):

Once collected, we may hold your personal information in a number of different formats, including (but not limited to) software programs (located both onsite and offsite, including in the cloud), databases, filing systems, in offsite backup storage and in other similar technology.

Non-Personal Data (89.1%), Organisational Measure (78.5%), Personal Data (80.6%):

We take all reasonable steps to protect your personal information (and your anonymous usage data) and to keep it secure from loss, unauthorised access, modification, disclosure, interference or other misuse and we have appropriate controls in place to limit who in the Stan Group can view, access and/or use your personal information and anonymous usage data.

Processing (97.0%):

We also impose strict requirements of security and confidentiality on third parties (for example, those who provide us with technology services) as to how they store, handle and deal with the personal information and anonymous usage data that we hold.

Personal Data (99.5%), Processing (91.8%), Scale Non-EU (92.1%):

Personal information and anonymous usage data collected by us may be stored, disclosed and processed both in Australia and/or overseas, including but not limited to the United States, India, Canada, United Kingdom, Singapore, Ireland, France, Germany and Spain.

Right (82.3%):

Access to Personal Information (a) Under the Privacy Act, you have the right to request access to the personal information which we hold about you.

Organisational Measure (70.7%):

(b) We will endeavour to acknowledge your request for access within 7 days, and to provide you with the access to which you are legally entitled within 30 days of the date of receipt of your request.

Organisational Measure (88.2%), Retention (86.0%):

We will notify you if we consider it will take longer than 30 days to provide you with access.

Organisational Measure (76.4%), Retention (79.4%):

If you seek access to records held by us which are not current records, we may need to contact you to discuss your request and it may take a longer period of time to locate these records and we may charge you an administrative fee reflecting our cost of providing access.

Legal Basis (65.0%):

If we are not legally required to provide access to the personal information requested and we exercise our discretion not to provide that information, we will let you know our reasons for doing so.

Art. 16 Right to rectification (66.6%):

You have the right to ask us to correct information about you that is inaccurate, incomplete, out of date, not relevant or misleading.

Retention (72.3%):

Deletion of your Personal Information If you no longer wish to use the Stan Service, you can ask us to delete the personal information you provided to Stan when you registered for your Account.

Processing (90.8%), Required Purpose (91.0%):

We may not be able to comply with all requests, for example for legal, business or operational reasons such as if we need to continue using the personal information for the purposes for which it was initially collected or for related business purposes, the personal information is required to comply with our legal obligations including to third parties or the courts, or for certain classes of information which cannot be deleted for technical reasons.

Organisational Measure (77.3%):

Changes to this Privacy Policy We may, from time to time, review and update this Privacy Policy to take account of new laws, technologies and changes to our business and operations.

Organisational Measure (69.3%):

All personal information that we hold will be governed by our most recent Privacy Policy which will always be available to view on our digital services.

Organisational Measure (90.9%):

We will try to provide you with timely notice of any material changes to this Privacy Policy, including by email or via a message prominently posted within the "Manage Account" section of your Account.

Organisational Measure (66.7%):

If you continue to use our digital services after 30 days, you are deemed to have agreed to the updated terms of our Privacy Policy.

Organisational Measure (71.1%):

Procedure for Data Breaches We do all we reasonably can do to ensure your data is collected, used and held securely in accordance with industry standards.

Data Protection Officer (90.7%):

Contact Us If you have any questions regarding this Privacy Policy, complaints regarding how we handle your personal information or if you would like to make an access request, please contact us by mail at: Stan Privacy Officer, Stan Offices, 1 Denison Street, North Sydney, NSW, 2060 or via email at privacy@stan.com.au.

Data Protection Officer (87.5%), Processing (68.0%), Required Purpose (61.5%):

All complaints received will be assessed by our Privacy Officer and reasonable steps will be taken to remedy any valid complaint.

Data Protection Officer (66.4%):

We will endeavour to acknowledge your complaint within 5 business days and to respond to your complaint within 20 business days of receipt of the complaint by our Privacy Officer.

Authority (70.9%):

If you are not satisfied with our response, you may contact the Office of the Australian Information Commissioner.
