Organisational Measure (66.3%), Personal Data (99.7%), Processing (92.9%):

Therefore, it is important for us to provide you with a clear understanding of how we utilize your personal information.

Personal Data (87.3%), Processing (96.5%):

How we store your personal information When you provide us with your name and contact information, it is recorded in a secure database that is owned and managed by FRC.

Processing (97.5%), Third Party (98.9%):

How we use your personal information FRC values your privacy, and never sells or rents constituent information to third parties.

Consent (70.1%), Personal Data (99.4%), Processing (95.8%):

On occasion, FRC may decide to exchange lists containing postal address information of our constituency with like-minded organizations whose missions closely resemble that of Family Research Council, such as our sister organization, FRC Action.

Personal Data (99.4%):

Upon request via postal mail, e-mail, or telephone, Family Research Council will provide to those which inquire, a summary of any personally identifiable information retained by FRC regarding their direct information and the identity of other organizations who have been provided their personal information within the past 12-month period.

Art. 16 Right to rectification (62.2%), Processing (99.3%):

FRC constituents may modify, correct, change or update their own personally identifiable information that FRC has collected or opt out of communication from us at any time by contacting Family Research Council online, via postal mail or by telephone at 1-800-225-4008 during regular business hours.

Consent (98.3%), Organisational Measure (84.6%), Processing (86.7%):

Founded in 1983, Family Research Council is a nonprofit research and educational organization dedicated to articulating and advancing a family-centered philosophy of public life.

Processing (92.2%), Required Purpose (87.2%), Technical Measure (97.7%):

Information we collect FRC uses cookies and other technologies like pixel tags as a part of the service that we offer to our customers.

Art. 17 Right to erasure (right to be forgotten) (71.2%), Required Purpose (97.4%):

This helps us identify and track visitors, usage, and access preferences for our services, as well as track and understand email campaign effectiveness and to deliver personalized content.

Automated Decision Making (77.0%), Personal Data (97.6%):

How we track visitors to the website An IP address is the unique number that is automatically assigned to your computer when you log onto the Internet.

Processing (96.5%), Required Purpose (98.0%):

As you enter FRC 's site, our server records and monitors your IP address and uses it to develop aggregated statistical analysis.

Required Purpose (99.6%):

These analyses assist us in refining and adapting the content and design of our site.

Processing (87.8%):

FRC may use a like-minded organization to manage personal information.

Data Subject (69.7%), Personal Data (99.0%), Required Purpose (75.4%):

The use of IP addresses also enables us to prevent malicious Internet users from masquerading as other users.

Processing (97.3%):

How we use "Cookies" A cookie is a piece of text or data that can be stored in the memory of your web browser.

Processing (95.9%):

This data can only be retrieved by the server/domain that places the cookie.
