Consent (82.1%), Data Subject (69.8%), Personal Data (97.4%), Processing (89.4%), Required Purpose (79.9%), Technical Measure (75.7%), Third Party (62.3%):

You must be at least thirteen (13) years of age, or sixteen (16) years of age if you are located in the EEA, to access or use mostA IvyA Offerings.A A You must be at least eighteen (18) years of age to access or useA IvyA Offerings involving social casino-style game play.A A If you are younger than eighteen (18) (or the age of legal majority where you live): (1) you may not access or use Restricted Offerings, and (2) you may use theA IvyA Offerings (other than Restricted Offerings) only under the supervision of a parent or legal guardian who agrees to be bound by these Terms of Use.

Data Controller (95.0%), Legal Basis (73.6%), Processing (90.2%), Third Party (94.1%):

The term Ivy Offering means the websites of Ivy, including <http://www.ivymobilegame.com> any other sites on which this Privacy Policy is posted, and any other Ivy application, service or product licensed, downloaded or otherwise accessed by you through third party sites or sources, including the products and services available through any of the foregoing.

Legal Basis (61.7%), Personal Data (99.7%):

INFORMATION THAT WE MAY COLLECT We may collect the following categories of personal information in the ways described below: Personally Identifiable Information: We may collect the

following information when you sign up with or use an Ivy Offering: .

Personal Data (99.5%), Retention (88.1%):

Identifiers such as first name, last name, date of birth, email address, mailing address, and phone number; A Payment and commercial information, such as credit or debit card information or other payment details, depending on your form of payment, and information about your transactions with us; A Demographic information, such as your gender and age; and A Inferences based on the information described above and other information described in this Privacy Policy.

Art. 17 Right to erasure (right to be forgotten) (74.5%), Non-Personal Data (95.4%), Personal Data (97.6%), Processing (97.3%):

Technical Information: When a user accesses an Ivy Offering, we may collect technical information about the user's device, such as the IP address that requested the display of the Ivy Offering, whether you are connected to Wi-Fi or to mobile data, name of the Internet service provider, the operating system type, the battery status of your device, the resolution of your device's screen and the identifiers associated with the device.

Consent (97.3%), Non-Personal Data (79.1%), Processing (98.9%):

Sign Up and Survey Information: Any information you provide to us, and any information you choose to share about yourself as part of your use of any Ivy Offering, may be stored as entered, such as your authentication method and information.

Processing (99.2%), Required Purpose (83.7%), Technical Measure (95.6%):

Cookies and Web Beacons: Cookies are text files that we and our service providers may place on your device's browser to enable our systems to recognize your browser and to provide features such as storage of items in your shopping cart between visits, personalized Ivy advertisements on third party websites and mobile applications, and personalized third party advertisements within certain Ivy Offerings.

Technical Measure (99.1%):

We may use Adobe Flash cookies to remember your settings, preferences and usage within an Ivy Offering.

Technical Measure (98.7%):

Web beacons, clear.

Organisational Measure (69.0%), Required Purpose (95.1%), Technical Measure (94.0%):

pixels or similar technologies are small pieces of code that we and our service providers may place on an Ivy Offering to monitor and collect data about visitor behavior within the Ivy Offering.

Consent (79.4%), Non-Personal Data (88.7%), Processing (96.1%):

We may also track other types of information, including commercial information and internet or other electronic network activity information, such as what games users download and install, any download errors, what games users purchase, how long our users have been participating in any Ivy Offerings, the last time a user accessed an Ivy Offering, user behavior and gameplay (e.g., which options you choose, your progress in the game, how long you play), whether a user has won any of our games, sweepstakes, contests or other promotions featured on an Ivy Offering, ad response measurement and other Ivy Offerings analytics.

Required Purpose (86.6%), Technical Measure (97.3%):

We may also employ web beacons or other technology for a variety of reasons such as: (i) allowing us to know if a certain page was visited or whether an email was opened; and (ii) tracking pixels, which allow us to advertise more efficiently by excluding our current users from certain promotional messages or identifying the source of a new installation.

Organisational Measure (88.5%), Processing (71.3%), Technical Measure (91.6%):

You may need to take additional steps to refuse or disable other types of technologies, such as Adobe Flash cookies.

Consent (83.9%):

Please consult your browser settings for information about whether you can set your web browser to warn you about attempts to place cookies on your computer, limit the type of cookies you allow or refuse cookies all together.

Processing (97.3%):

We may receive a confirmation when you open email from Ivy, if your computer supports such capabilities.

Personal Data (95.3%):

Social Networking Sites: If you access an Ivy Offering via a third-party social networking site (a Social Game), Ivy may receive information about your social networking site profile, including without limitation the information you make publicly available, your social networking site user ID, your first, last and user names, profile and cover photos.

Personal Data (90.1%):

If you invite new members into your Social Games network or send messages through Social Games, we may collect the information associated with those messages, including your friends social networking site user IDs, email addresses and content.

Non-Personal Data (98.5%), Personal Data (83.4%):

Mobile: When you download or access Ivy Offerings via a mobile device, we and our service

providers may receive information about your geolocation (based on your IP address) and your mobile device, including various identifiers associated with your device (such as an advertising identifier and other identifiers that directly or indirectly identify your device), hardware type, the version of your operating system and your in-game activity.

Required Purpose (97.5%):

We and our service providers may use this information to provide you with personalized advertising and other content, including advertising and content based on your location.

Consent (82.5%):

When you download or access an Ivy Offering, we may ask permission to track your activity.

Art. 17 Right to erasure (right to be forgotten) (88.1%), Required Purpose (86.4%):

If you ask the app not to track, we will not collect the advertising identifier associated with your device nor will we use information collected to deliver targeted advertising to you.

Required Purpose (81.8%):

We may still collect and/or use other information about your device to, among other things, analyze and measure marketing performance.

Consent (94.5%):

If you initially consent to tracking, you may later disable that permission in your device settings or may withdraw your consent for specific apps.

Non-Personal Data (91.5%):

Aggregated, Deidentified, or Anonymous Information: We may collect aggregated, deidentified, or anonymized information via Ivy Offerings that does not identify any single user or device.

Personal Data (97.8%):

If you are a parent or legal guardian of a user under the age of eighteen (18), you agree to be fully responsible for the acts or omissions of such user in relation to anyA IvyA Offering.

Personal Data (99.2%), Required Purpose (97.9%):

We may use your username, email address, and password to uniquely identify you as a user of an Ivy Offering, to provide you with services and to process transactions.

Personal Data (97.4%), Required Purpose (88.6%):

We may use or display your username and icon or profile photo, if applicable, for the purposes of rankings, competitions or sweepstakes, chat identification, and/or game high scores.

Personal Data (98.5%):

If you choose to provide a username within an Ivy Offering, please do not provide as your username any information that identifies you in real life, such as your real name.

Required Purpose (90.1%):

We may use your date of birth to confirm your eligibility to participate in Ivy Offerings.

Personal Data (90.4%):

Advertising Purposes: Subject to the terms of this Privacy Policy, we may use your contact information to process our promotional newsletters and/or email campaigns and to send you updates, security alerts, or administrative messages relating to Ivy Offerings.

Processing (93.7%):

If our Tell a friend feature is available within a particular Ivy Offering and you choose to participate in it, your email will be shared with the person to whom you send the Ivy Offering using this feature.

Personal Data (97.9%), Technical Measure (99.1%):

We and our third-party service providers use cookies and other technologies, such as mobile device identifiers, to enhance your experience with Ivy Offerings.

Automated Decision Making (94.0%):

Cookies also enable you to automatically sign in when you access an Ivy Offering, and offer other operational activities within an Ivy Offering.

Required Purpose (93.6%):

We and our third-party service providers may also use cookies and other technologies to manage and measure the performance of third-party advertisements within certain Ivy Offerings, and Ivy advertisements on third party sites and mobile applications.

Required Purpose (99.7%):

This helps us and our service providers provide more relevant advertising to you.

Required Purpose (88.3%):

We and our third-party service providers may also use web beacons and other technologies to monitor user behavior and collect information about visitors viewing a web page.

Required Purpose (98.8%):

Product Improvement and Security: We may use information collected to compile statistics and conduct analysis about our user community for the purpose of enhancing our Ivy Offerings, or for security purposes.

Personal Data (94.2%), Required Purpose (98.4%):

Linking with Social Networks: If you access a Social Game, we may use your social networking site profile ID to link your social networking site account with your activities within the Social Game or offer personalized Ivy advertisements on the social networking site.

Personal Data (79.0%), Required Purpose (82.2%):

We may use your social networking site first, last and user names and icon to identify you to the social networking site account youve linked to your activities within the Social Game, as well as for the purposes of rankings, competitions, sweepstakes, game high scores and/or identification to your social network.

Consent (64.8%), Required Purpose (93.2%):

If you access a Social Game and provide us with another persons contact information for purposes of delivering information through a Social Game, we may use this information to contact and, if necessary, remind that person that she or he has been invited to join a Social Game or received content through a Social Game.

Organisational Measure (80.1%):

SECURITY We at Ivy take reasonable measures to help protect the information we collect from loss, theft, misuse and unauthorized access, disclosure, alteration and destruction.

Personal Data (99.1%):

While we have employed security technologies and procedures to assist in safeguarding your personal data, no system or network can be guaranteed to be 100% secure.

Processing (94.5%), Recipient (74.4%), Required Purpose (95.2%), Third Party (98.9%):

Third Party Marketplaces and Service Providers: We may disclose your personal information to third party business partners, marketplaces, and third parties who perform services for us, such as credit card processing, prize fulfillment, delivering packages, sending postal mail, collecting and analyzing data, providing search results and links (including paid listings and links), and providing advertising and marketing assistance, including serving ads on our behalf on third party websites and mobile applications and serving ads on behalf of third parties within certain Ivy Offerings.

Personal Data (84.5%), Processing (97.6%):

In such transactions, customer information is generally one of the transferred assets.

Legal Basis (81.8%), Right (94.6%):

Protection of Ivy and Others: We may also disclose your information if there is a violation of theA Terms of UseA or other agreements; if we have a good faith belief that the law requires it; or if needed to protect the rights, property or safety ofA Ivy, our customers or others.

Authority (71.3%), Recipient (89.5%), Required Purpose (95.9%):

This includes exchanging information with entities for fraud detection and protection, and credit risk reduction as well as in response to lawful requests by public authorities, including to meet national security or law enforcement requirements.

Consent (91.9%), Processing (97.8%), Technical Measure (82.8%):

California Consumer Privacy Act and Additional Legal Disclosures: As described above, A IvyA shares information for the business purposes that are described and allows third parties to access information about your use of the A IvyA Offerings through cookies and other tracking technologies. A To learn about how Google processes your information and what choices you may have, visit their site A here.

Personal Data (88.8%):

ACCESSING YOUR INFORMATION AND YOUR RIGHTS AND CHOICES Depending on where you live, you also may have rights to request that we delete personal information that Ivy holds about you, to request that we provide such information to you in a portable format, or to request additional information about how we collect or disclose your personal information.

Legal Basis (94.3%):

We will not discriminate against you for exercising your rights and choices except where permitted by law.

Organisational Measure (70.6%):

Once we receive your request, we may verify it through your account or by requesting information sufficient to confirm your identity.

Authority (91.0%), Right (63.3%):

If you would like to use an authorized agent registered with the California Secretary of State to exercise your rights, we may request evidence that you have provided such agent with power of attorney or that the agent otherwise has valid written authority to exercise rights on your behalf.

Consent (88.2%):

Note that when you provide an email address through an Ivy Offering, we treat that as a request to be enrolled in one of our promotional e-newsletter lists, even if you previously opted out of receiving newsletters from us.

Required Purpose (86.3%):

Mobile Advertising: Most mobile devices provide the ability to opt out of the collection and use of information from the apps you use for purposes of serving ads targeted to your interests.

Processing (99.1%):

Do-Not-Track Signals and Similar Mechanisms: Some web browsers transmit do-not-track signals to websites.

Processing (90.7%):

Because of differences in how web browsers incorporate and activate this feature, it is not always clear whether users intend for these signals to be transmitted, or whether they even are aware of

them.

Third Party (98.1%):

THIRD-PARTIES Ivy Offerings may allow you to play or direct Ivy to share information through social media (such as by logging in through a social media account or using a Like button) or contain links to social media services or other third parties.

Processing (94.8%):

Ivy has no control over, and is not responsible for, the information submitted to or collected by social networks or other third parties.

Processing (94.3%):

We encourage you to review those third-party privacy policies to understand the way your information may be collected and handled by such third parties.

Legal Basis (99.4%):

CHILDREN Ivy Offerings are generally designed for users who are at least 13 years of age and older and therefore such Offerings generally do not knowingly collect or make use of personal information as defined in the Children's Online Privacy Protection Act (COPPA) from children under 13, except as consistent with applicable law.

Required Purpose (91.9%):

Some Ivy Offerings may allow children under 13 to participate in certain activities or gain access to limited gameplay or features within an application, but these offerings are designed to collect only certain device identifiers from children under 13 and use those identifiers solely for purposes that support the internal operations of those offerings or as otherwise permitted by law.

Not Required Purpose (73.0%):

We do not knowingly allow children under 13 (16 in the EEA) years old to register for an account or otherwise provide any personal information to us, and we do not collect or use personal information from children under 13 for targeted advertising purposes.

Processing (68.7%):

We encourage you to periodically review this Privacy Policy to be informed of how Ivy protects your information.

Organisational Measure (82.0%):

If we make a change that we deem material, we may provide you additional notice.

Processing (85.6%):

USE OF COLLECTED INFORMATION Ivy collects, stores, uses and discloses personal information about you as described above.

Consent (86.1%), Legitimate Interest (94.2%), Required Purpose (97.9%), Third Party (94.2%):

We do so: AA A A A A A A A A to provide you with the service you request, pursuant to ourA Terms of aUse; A based on our legitimate business interest, and subject to your right of objection, to: (i) improve our services and your gaming experience, (ii) ensure the security of our games, (iii) send you newsletters with the latest information on our products and company as well as other advertising for our products, (iv) conclude corporate transactions (e.g., corporate restructuring, sale or assignment of assets, merger); A subject to your explicit consent, share data about you for ad personalization and measurement by our partners.

Consent (86.4%):

Information that has been aggregated, deidentified, or anonymized is not subject to this Privacy Policy.

Consent (74.1%), Legal Basis (76.2%), Required Purpose (68.3%):

A to comply with our legal obligations, any court order or binding decision; AA A A A A A A A A to protect our rights and property, enforce ourA Terms of UseA and legal notices and for the establishment, exercise and defense of legal claims; and A for purposes unrelated to those described in this Privacy Policy by first notifying you and, where required, offering you a choice as to whether or not we may use your personal information in this different manner.

Personal Data (85.3%):

To the extent you provide information about friends and family members, you will present them this Privacy Policy and obtain their consent to provide their information.

Art. 17 Right to erasure (right to be forgotten) (86.4%), Legitimate Interest (91.3%):

Object /Opt-Out If we are using your personal information pursuant to our legitimate interest, you have the right, subject to certain conditions, at any time to oppose to our use of your personal information by: A selecting the unsubscribe link at the bottom of any newsletter to no longer receive that newsletter or contact Ivy customer service to universally unsubscribe; A requesting permanent deletion of your account.

Required Purpose (77.2%):

Once you request to permanently delete your account, we will require certain information to verify you are the account holder.

Organisational Measure (65.7%):

When we post changes to this Privacy Policy, we will revise the last modified date at the top of this page.

Right (63.2%):

Other Rights You may also be entitled to ask us to restrict how we use and disclose your information, and to request access to, a copy, correction, erasure, and portability of your information.

Authority (88.5%), Lodge Complaint (74.5%):

If you reside in the EEA or UK, you also have the right to lodge a complaint with a data protection authority.

Legal Basis (91.1%), Processing (91.8%), Retention (95.6%):

RETENTION OF INFORMATION (EEA, UK AND BRAZILIAN USERS) IvyA may retain copies of your information for so long as reasonably necessary for the purposes set out above, in accordance with applicable laws or delete it earlier (either in whole or in part) ifA IvyA determines, in its sole discretion, that the same constitutes a violation ofA IvysA Terms of Use, this Privacy Policy, or for any or no reason.
