

Consent (96.5%), Data Controller (98.4%), Data Source (90.4%), Non-Personal Data (91.1%), Processing (99.5%), Third Party (86.6%):

CSCMobi a Privacy Policy Last Revised: June 2023 CSCMOBI VIET NAM TECHNOLOGY JSC and its subsidiaries and affiliates (collectively, aCSCMobia, awea, aoura or ausa) develops, publishes and operates social games for web and mobile environments (aGamesa), as well as web and mobile applications (each, an aAppa) for playing our Games across multiple devices and platforms (such as mobile devices and Facebook).

Data Controller (96.9%), Processing (98.6%), Required Purpose (96.9%):

We also operate the website www.cscmobi.com, their subdomains, and related features, as well as an online store (collectively, aSitesa, and together with the Games and App, collectively a the aServicesa).

Personal Data (92.5%), Processing (97.3%), Required Purpose (74.4%):

This Privacy Policy describes how we collect, store, use and share your personal data, and it applies whenever you visit our Sites, install our App and play our Games, interact with us or otherwise access or use any of our Services.

Data Subject (93.5%), Personal Data (92.9%):

CSCMobi respects your privacy and is committed to making our practices regarding your data more transparent and fair.

Personal Data (99.2%):

CSCMobi responsible for deciding how we hold and use Personal Data about you.

Data Source (64.2%), Non-Personal Data (68.2%), Personal Data (96.8%), Processing (96.2%):

Data Collection We collect four main categories of data (and to the extent it may enable the identification of a specific person, or is linked to such potentially identifying data, we will deem it as aPersonal Dataa): Data automatically collected or generated: When someone visits, interacts with or uses our Services, including any e-mail or text messages sent to them by us or via our Services, we may collect or generate technical data about them.

Required Purpose (87.6%), Technical Measure (81.7%), Third Party (98.5%):

We collect or generate such data either independently or with the help of third party services, including through the use of acookiea and other tracking technologies (as further detailed below).

Non-Personal Data (88.3%), Personal Data (90.9%):

Such data consists of connectivity, technical or aggregated usage data, such as IP address, in-game identifier, game statistics, game preferences, unique advertising ID (e.g.

Data Subject (85.5%), Non-Personal Data (90.2%), Personal Data (91.8%):

IDFA; you may reset such ID based on the operating system instructions), non-identifying data regarding a device, operating system, browser or App version, mobile carrier, locale and language settings, user activity on our Services, in-App or Game activity (such as game play content/product interaction and advertising data); diagnostic data (i.e.

Non-Personal Data (96.2%):

crash data and game performance data).

Data Subject (86.4%), Personal Data (70.6%), Required Purpose (81.7%):

We do not use such data to learn a person's true identity or contact details, but mostly to have a better understanding on how our users typically use and engage with our Services.

Art. 17 Right to erasure (right to be forgotten) (87.8%), Processing (95.2%), Required Purpose (97.7%), Third Party (87.1%):

The use of such technical and device data also helps us and our partners to deliver interest-based or otherwise more effective advertisements and content, to optimize our ad management and our users' viewing experience), and to improve the overall performance and your user experience of our Services.

Consent (87.1%), Data Source (74.1%), Non-Personal Data (60.7%), Processing (91.7%), Required Purpose (91.7%), Third Party (85.1%):

Data received from you: You may provide us Personal Data voluntarily, such as when you set up an account with us, contact us (through Facebook, Messenger, e-mail, in-game chat or any other channel, including any support services), when you post on our public forums or groups, when you provide us your e-mail address (such as when you sign-up to receive e-mail updates or gifts), when you participate in competition, contest, tournaments and other promotions, when you place any purchases in any of our Games, when you interact with other users through the in-game chat or when you choose to connect your Facebook, Google, Apple or similar account to any of our Games.

Consent (76.1%), Non-Personal Data (88.5%), Personal Data (99.7%), Required Purpose (87.6%):

Data received from Facebook and other channels: Once you connect the Games to your Facebook, Google, Apple or similar account, we will receive access to your public profile, including (to the extent you defined it as public), as applicable, your full name, e-mail address(es) provided to Facebook, Google or Apple, gender, profile picture or similar photo, location, time zone, and a list of your friends playing the Games (along with their photos and other public profile information).

Required Purpose (61.7%):

This will also allow us to present your and your friends' public profile pictures inside the Games and

to create your in-game friends list.

Third Party (94.0%):

In addition, we or our advertising partners may receive from Facebook and our other marketing channels general information concerning the performance of our advertising campaigns, such as the targeted age group or interests, and we or our partners may be able to link such general data to any other data in our possession.

Required Purpose (64.0%):

To learn more about our advertising practices, please refer to Section 8 below.

Processing (98.9%):

If you are unclear about what information a third-party application is sharing with us, please visit that third-party application's website in order to learn more about their privacy practices.

Processing (98.9%):

Transaction Data: In-Game purchases will typically be processed by the relevant platform provider (e.g.

Personal Data (88.0%):

Apple, Google or Facebook), and we will not collect or store your financial data, e.g.

Personal Data (92.7%):

your credit card numbers or bank account.

Personal Data (90.5%), Required Purpose (91.2%):

We may still however receive your non-financial Personal Data related to the purchase, such as your name, billing address, e-mail address and the items purchased, in order to fulfil your purchase and for our accounting purposes.

Legal Basis (86.5%), Personal Data (80.5%), Processing (93.4%):

Data Uses Our legal basis for collecting and using your Personal Data will depend on the particular purpose for which your data is being processed, however, we generally use the following: Performance of a contract.

Processing (89.3%):

If you are not in agreement with the provisions stated in this Privacy Policy, we kindly ask you to refrain from using our Services.

Processing (99.2%), Required Purpose (73.4%):

We will use this basis for processing necessary to make the Games, including social gaming when you choose to log in with Facebook, Google or Apple, and support services, available to you, and to send you service communications, gifts and awards.

Consent (86.2%):

In limited cases (where you choose to sign up to receive direct marketing emails, where you accept cookies on our Sites, we will process your Personal Data based on your consent.

Consent (90.6%):

You can withdraw your consent at any time by contacting us using the details in Section 13.

Legitimate Interest (89.2%), Required Purpose (97.9%):

We will process your Personal Data based on our legitimate interests in maintaining and improving our Services and offerings, understanding how our Services are used, serving effective advertisements within our Games and through other channels, matching users to create in-game friends lists, improving our customer service and support operations, fraud detection and protecting and securing our users, ourselves and our Services.

Required Purpose (68.7%):

In limited cases we may process your Personal Data where we need to do so to comply with a legal obligation e.g.

Authority (81.3%), Legal Basis (91.8%):

which is set out in an applicable law, or if we receive an order from a court or regulatory body.

Legitimate Interest (77.9%), Non-Personal Data (83.6%), Personal Data (85.5%), Required Purpose (96.8%), Right (67.2%):

The purposes for which we use Personal Data are described in more detail below: To facilitate, operate, and provide our Services; To authenticate the identity of our players, and allow them access to additional features; To provide our users with customer care, assistance and technical support services; To enable you to interact with other players in the game; To further develop, customize and improve the Services and your user experience, based on common or personal preferences, experiences and difficulties, including by personalizing your profile and friends list; To manage and deliver advertisements more effectively, including contextual, behavioral and interests-based advertising based on in-Games progress and activity, based on your preferences or other data available to us or to our Service Providers, including for re-targeting purposes; To contact our users (via e-mail, Facebook, push notifications or any other available channels) with general or personalized service-related messages (such as purchase confirmations or system maintenance notices); to contact our users with promotional messages (such as Games updates, bonuses, new features, VIP services, etc.); and to facilitate, sponsor and offer certain events and promotions; To support and enhance our data security measures, including for the purposes of preventing and mitigating the risks of fraud, error or any illegal or prohibited activity; To create aggregated statistical

data, inferred non-personal data or anonymized or pseudonymized data (rendered non-personal), which we or our Service Providers may use to provide and improve our respective services; and To comply with any applicable laws and regulations.

Processing (69.8%), Required Purpose (74.5%):

Storage and Retention While privacy laws may vary between jurisdictions, CSCMobi has taken reasonable steps to ensure that your Personal Data is treated by its affiliates and Service Providers in a secure and lawful manner, and in accordance with common industry practices, regardless of any lesser legal requirements that may apply in their jurisdiction.

Required Purpose (98.6%):

We retain your Personal Data in order to maintain our relationship and to provide you with our Services.

Retention (81.5%):

We will retain your Personal Data for only as long as necessary to fulfil the purposes for which we collected it.

Retention (95.4%):

In other words, we will retain your Personal Data for as long as you remain our user and have not notified us otherwise.

Organisational Measure (78.3%):

We will take reasonable measures to delete your Personal Data if you delete your account.

Legal Basis (60.8%), Required Purpose (84.7%):

We may also retain your Personal Data for legal and accounting purposes (i.e., as required by laws applicable to record and bookkeeping, and in order to have proof and evidence concerning our relationship, should any legal issues arise following your discontinuance of use), in accordance with our Data Retention Policy.

Retention (88.0%):

In some circumstances, we may anonymize your Personal Data so that it can no longer be associated with you, in which case we may use such information without further notice to you and it is no longer considered Personal Data within the meaning of this Privacy Policy.

Right (88.3%):

Personal Data Deletion and Closure of Accounts In addition to any other rights set out in this Privacy Policy (except as set out in the Candidate Privacy Addendum), you at any time may direct that CSCMobi delete your Personal Data by accessing the aAccount Deletion button in the applicable Game and following the instructions.

Consent (87.4%), Personal Data (73.9%):

Selection of this option will result in closure of your Account and deletion of all of your playing history, purchase information, social media log-in and other information associated with you in connection with the Game.

Processing (70.0%), Right (95.1%):

You retain the right to discontinue your use of our Services at any given time, as specified in this Privacy Policy.

Right (71.2%):

User data deletion The user of has the authority to manage, use and delete the data generated in the application.

Art. 17 Right to erasure (right to be forgotten) (92.6%):

If the user no longer needs the account data in the app, the user can delete or remove it.

Non-Personal Data (74.7%), Processing (79.5%):

Data range that can be deleted: 1) The basic information of the user's Facebook account obtained by the application; 2) User account login record; 3) All user operation records in the app, such as level records, purchase records, etc.

Personal Data (97.2%), Processing (97.8%):

Depending on users' account, deleting, or removing users may have the following effects: 1) The application will delete all user data; 2) Before deleting the user data, you may need to transfer some data; 3) The system will not delete certain data, such as application-related content shared by users on Facebook; 4) After user data is deleted, it cannot be recovered.

Authority (69.0%), Third Party (95.7%):

Data Sharing We may share your data with certain third parties, including law enforcement agencies, our Service Providers and our affiliates.

Authority (84.0%), Legal Basis (85.6%):

The circumstances in which we share data are summarised below: Compliance with Laws, Legal Orders and Authorities: We may disclose or allow government and law enforcement officials access to certain Personal Data, in response to a subpoena, search warrant or court order (or similar requirement), or in compliance with applicable laws and regulations, including for national security purposes.

Personal Data (73.7%):

We are required under certain data protection legislation to notify you of the information contained in this Privacy Policy.

Legal Basis (96.2%), Personal Data (79.1%), Processing (86.0%):

You are not legally required to provide us with any Personal Data, but without it we will not be able to provide you with the full range or with the best experience of using our Services (for instance, you may still play our Games without connecting your Twitter account, Facebook account, but you will not be able to enjoy their social features).

Required Purpose (74.2%):

Such disclosure or access may occur with or without notice to you, if we have a good faith belief that we are legally compelled to do so, or that disclosure is appropriate in connection with efforts to investigate, prevent, or take action regarding actual or suspected illegal activity, fraud, or other wrongdoing.

Consent (68.2%):

Third Party Integrations: The Services allow you integrate with certain third party services, such as in order to connect your Facebook, Google or Apple account to a certain Game, Login with Google, Facebook or sign in with Apple or to place purchases, in which case you will be bound by the terms and conditions and privacy notices of said third parties (e.g., Apple, Google or Facebook) a so please make sure that you read and accept them in advance.

Personal Data (96.8%):

We do not receive or store your passwords for any of these third party services.

Processing (80.5%):

CSCMobi Subsidiaries and Affiliated Companies: We may share Personal Data internally within our family of companies, for the purposes described in this Privacy Policy.

Consent (93.4%), Processing (88.6%):

If we believe that such change in control might materially affect your Personal Data then stored with us, we will notify you of this event and the choices you may have via e-mail and/or prominent notice on our Services.

Consent (72.0%):

For the removal of doubt, CSCMobi may share your Personal Data in additional manners, pursuant to your explicit approval, or if we are legally obligated to do so, or if we have successfully rendered such data non-personal and anonymous.

Right (74.9%):

You have the right to withdraw your consent to receiving such promotional communications at any time.

Personal Data (75.9%), Processing (72.9%), Required Purpose (94.2%):

Cookies and Tracking Technologies Our Services and some of our Service Providers utilize cookies, anonymous identifiers and other tracking technologies (collectively, Tracking Technologies) which help us provide and improve our Services, personalize your experience and monitor the performance of our activities and campaigns, as well as the usage of our Apps, Games and Services as a whole.
