Most web browsers accept cookies automatically, but you could usually modify your browser settings to reject cookies as you see fit.

Organisational Measure (84.8%):

In addition, you could clear all cookies saved in the software.

Art. 17 Right to erasure (right to be forgotten) (64.3%), Organisational Measure (68.7%):

However, if you do this, you may need to personally change the user settings every time you visit our website, and the corresponding information you recorded before will be deleted, which may have some impact on the security of the services you use.

Technical Measure (97.1%):

Use of network beacon and similar technologies In addition to cookies, we will also use online beacon and other similar technologies on the website.

Technical Measure (91.5%):

Our webpages often contain electronic images (called "single-pixel" GIF file or "web beacon").

Required Purpose (69.0%):

Through the cookies information obtained, we could provide personalized services for you.

Organisational Measure (85.3%), Personal Data (93.7%):

How To Protect Your Personal Data We maintain administrative, technical, and physical safeguards for the protection of your Personal Data.

Organisational Measure (78.7%):

We implement security safeguards designed to protect your personal information and regularly monitor our systems for possible vulnerabilities and attacks, and we use administrative, technical, and physical safeguards to protect your personal information by taking the types of the personal information, the processing, and the threats posed themselves into account.

Organisational Measure (82.8%):

Nevertheless, we need to remind you that no matter how perfect the measures are, there is no absolute guarantee of avoiding the occurrence of data storage security incidents.

Authority (93.0%), Legal Basis (87.9%), Organisational Measure (80.9%):

If a data breach event occurs, we will report it to the corresponding regulatory authorities as required by the relevant laws and regulations, and provide the type of personal data involved in the breach, the number of data subjects, the possible consequences of the breach, and the remedial measures we intend to take according to the requirements of the regulatory authorities.

Organisational Measure (86.7%):

We will take the best possible measures to remedy or mitigate the damage and consequences of data breach.

Organisational Measure (82.1%), Right (62.6%):

When permitted or required by laws and regulations, we will inform you of the possible consequences or significant damage to you in a timely manner, so that you can take appropriate measures promptly to protect your rights as much as possible.

Organisational Measure (74.5%):

In addition to the necessary protective measures we have taken, users have to strengthen the awareness of privacy security risks.

Legal Basis (79.6%), Organisational Measure (72.2%), Third Party (97.6%):

If you find that certain contents, advertisements or features in our websites, products or services may be provided by a third party and may possibly endanger your privacy and security, please contact us promptly, as we will handle it with priority in accordance with laws and regulations.

Retention (96.4%):

How Long We Store Personal Data We will hold your "Personal Data" on our systems for the

following periods: For App Data, only for as long as is required by a particular application or service.

Retention (67.4%):

The rolling deletion period of application data shall not exceed six years.

Retention (92.9%):

After un-installation, we will continue to process your app data for statistical purposes for up to six years.

Organisational Measure (82.0%):

We take steps to ensure compliance with data protection laws, including pseudonymization.

Organisational Measure (84.7%), Processing (97.4%), Scale Non-EU (66.4%), Third Party (65.9%):

Storage of Your Personal Data The data we collect from you maybe stored, with risk-appropriate technical and organizational security measures applied to it, on in-house as well as 3rd servers in the Czech Republic, in the United States, as well as anywhere we or our trusted service providers and partners operate.

Processing (94.8%), Scale Non-EU (74.2%):

"Personal Data" originating from the EEA are stored on Googles servers in the EEA, however, such data maybe also accessed by Google personnel located outside the EEA.

Contract (68.4%), Organisational Measure (85.4%), Processing (61.3%):

We put in place appropriate safeguards, including Standard Contractual Clauses, to address these cross-border transfers of Personal Data. In all cases, we follow generally accepted standards and security measures to protect the "Personal Data" submitted to us, both during transmission and once we receive it.

Legal Basis (97.8%):

We fully understand and respect your rights, and such rights will be subject to specific exclusions and exceptions under applicable laws.

Organisational Measure (60.3%):

However, please understand and note that for security reasons, we may need to verify your identity before processing your request.

Legal Basis (76.9%):

In principle, we do not charge a fee for your lawful and reasonable request, but we will charge a certain reasonable fee for repeated requests that exceed the reasonable limit where applicable, and based on actual administrative costs permitted by the applicable laws.

Legal Basis (91.3%):

We may reject requests that are unreasonably repetitive, require excessive technical means (for example, to develop new systems or fundamentally change existing practices), pose risks to the legal rights of others or are extremely impractical, or violate the mandatory provisions by law.

Organisational Measure (88.8%):

Right to confirm and access: We inform you how we collect and process personal information through this Policy or in the form of a privacy policy or notice of the specific product or service.

Consent (70.2%), Organisational Measure (69.1%), Processing (94.6%):

You have the right to confirm or reject such collection and processing via a check box or other methods, onever, after you reject, some features that require your explicit authorization and consent to use may no longer be available.

Art. 16 Right to rectification (63.0%), Processing (63.2%):

Right to correct and delete: When your personal information is changed, or when you find that your personal information collected and processed by us is inaccurate or incomplete, you have the right to ask us to make corrections or additions.

Legal Basis (85.7%), Personal Data (95.5%):

When your personal information collected by us has fulfilled the purpose of collection or is no longer required, or when you find that our collection and processing of your personal information violates the provisions of laws and regulations or this Privacy Policy, you have the right to ask us to delete the relevant personal information.

Legal Basis (91.6%), Personal Data (92.0%):

However, we may not grant your deleting request in some situations, for example, if you ask us to delete your transaction data when we are legally obligated to keep a record of that transaction to comply with the applicable local law.

Legal Basis (80.8%), Retention (68.5%):

Please also kindly note that if you request to delete your information from our products and services, we may not remove the corresponding information from the backup system immediately due to some applicable local laws and technological limitations, however, we will securely store your personal information and isolate it from any further processing until the backup is updating or can be deleted or be made anonymous.

Consent (61.7%), Right (88.0%):

Your Privacy Rights As a data subject, you have a series of rights to your personal information, including the right to confirm, access, correct, delete, withdraw consent, and lodge complaints (hereinafter referred to as "request").

Legal Basis (90.6%), Required Purpose (95.5%):

Right to withdraw consent: To achieve the respective features of our various products or services, we will require necessary personal information in accordance with the applicable local laws.

Processing (60.9%):

How Do We Use These Data?

Personal Data (97.0%):

This is described in the "How We Collect and Use Your Personal Information" part of this Policy.

Consent (77.2%), Organisational Measure (82.2%):

You can withdraw your consent previously granted to us for a specific purpose by deleting information, turning off device features, and requesting to withdraw consent, including the collection, use and/or disclosure of your personal information that we manage or control.

Authority (87.1%):

If you are unsatisfied with our response, especially if our processing of personal information violates your legitimate rights and interests, you may refer your complaint or report to your local statutory personal data protection department, or file a lawsuit with a competent court.

Organisational Measure (75.4%):

Right to control your privacy settings: You have the right to control your privacy settings and restrict our collection, use, disclosure, or processing of your personal information via such privacy settings.

Art. 18 Right to restriction of processing (88.4%), Right (79.1%):

Rights in some jurisdictions: Particularly, according to the applicable laws of some jurisdictions, you may have the following data subjects rights: Right to restriction processing.

Legal Basis (91.5%):

If the grounds are in the compliance with applicable data protection laws, we will process your personal information under applicable circumstances in such laws and notify you before the restriction of processing is lifted.

Automated Decision Making (70.7%):

You have the right to refuse the processing based on automated decision-making, including profiling and other automated processing which may have legal or similar effects on you.

Art. 20 Right to data portability (66.8%):

Right to data portability.

Processing (80.3%):

You have the right to apply for your personal information to be transmitted to another data controller in a structured and commonly used format.

Right (69.0%):

We have the right to refuse to process your requests or only respond to some of your requests where an exemption applies or when we are otherwise entitled to do so under applicable laws, for example, some requests are manifestly unfounded or obviously excessive or it requires the disclosure of information of third parties.

Legal Basis (84.4%), Scale Non-EU (69.8%):

Non-EU Jurisdictions Residents of the Russian Federation We collect and process "Personal Data" relating to those within the territory of the Russian Federation in strict compliance with the applicable laws of the Russian Federation.

Consent (62.0%), Legal Basis (86.7%), Processing (92.2%):

We collect and process "Personal Data" (including sharing it with third parties) only upon the consent of the respective individuals, unless otherwise is permitted by the laws of the Russian Federation.

Consent (66.1%):

You will be asked to grant your consent by ticking the respective box / or clicking "I accept" button or through similar mechanism prior to having access to the site, and/or when submitting or sharing the "Personal Data" we may request.

Legal Basis (94.8%), Processing (79.3%), Third Party (95.3%):

We (directly or through 3rd contractors specifically authorized by us) collect, record, systematize, accumulate, store, actualize (update and amend), extract "Personal Data" of the Russian Federation citizens with the use of databases located on the territory of the Russian Federation, except as otherwise permitted by Russian data protection legislation.

Scale Non-EU (75.3%):

We may process "Personal Data" of Russian citizens using databases located outside of the Russian Federation subject to compliance with Russian data protection legislation.

Right (69.7%):

We undertake all the actions necessary to ensure security of your Personal Data. You are legally entitled to receive information related to processing your Personal Data.

Personal Data (79.5%), Required Purpose (83.2%):

Once we receive the revocation notice from you we will stop processing and destroy your Personal Data, except as necessary to provision the contract or service to you and ensure compliance with the data protection laws.

Processing (97.5%):
